

Press Release
Iroquois County EMA
20180918 @ 13:00
Subject: IPAWS National Test
For Immediate release

A national test of the Integrated Public Alert and Warning System (IPAWS) originally scheduled for 20th September 2018 has been postponed to 3rd October 2018. Below is a link to FEMA's website explaining the scheduled tests using the Wireless Emergency Alerts (WEA) and the Emergency Alert System (EAS).
