DISCUSSION AND ACTION ON VACANCY IN COUNTY BOARD DISTRICT I SEARCH & CREDENTIALS

Chairman Shure appointed Mr. Behrends, Mr. Huse, Mr. McGinnis, and Mrs. Offill as members of the Search & Credentials Committee, to inspect the credentials of Laverne Boettcher, the candidate recommended by the Republican Central Committee to fill the vacancy in County Board District I. Mr. Behrends gave the report of the Search & Credentials Committee which would approve the appointment of Laverne Boettcher as member of the County Board in District I and moved for adoption. The motion was seconded and carried by a roll call vote.

STATE OF ILLINOIS IROQUOIS COUNTY

County Board Recessed Session
November 9, A.D., 2021

Mr. Chairman and members of the County Board:

Your committee to whom was referred **Search & Credentials** would beg leave to submit the following report on the matters before them:

The following members of the District I Search Committee, Lyle Behrends, Chad McGinnis, Barb Offill, and Steve Huse met on November 9, 2021, at 9:10 A.M. at the Administrative Center in Watseka, IL.

The Committee inspected the credentials of Laverne Boettcher of 1302 East 3200 North Rd, Chebanse, IL.

It was moved by McGinnis and seconded by Offill to recommend the appointment of Laverne Boettcher of 1302 East 3200 North Rd, Chebanse, IL to fill the vacancy in the County Board District I. The motion carried unanimously by a voice vote.

It was moved by Huse and seconded to adjourn at 9:13 A.M. Motion carried.

All of which is respectfully submitted.

OATH OF OFFICE

County Clerk Breein Suver administered the oath of office for newly appointed District I County Board member, Laverne Boettcher.

PUBLIC COMMENTS

There were no public comments.

CHAIRMAN COMMENTS

Chairman Shure announced that he would be reassigning committees in the coming months. He also commented that Thursday, November 11, 2021 is Veterans Day and acknowledged the fact that there are several veterans on the County Board. He encouraged everyone to recognize them and thank them for their service.

OUTSIDE ORGANIZATION REPORTS

Angel Crawford, Executive Director of IEDA, reported that she toured the Incobrasa Plant in Gilman in October and discussed how their plant has maintained workforce during COVID along with what challenges this has presented. She has also reached out to the Illinois Office of Tourism to find ways to help create tourism and market Iroquois County businesses. The last thing she spoke of was called Illinois Made, a program offered through the Illinois Office of Tourism. This is a program that will help the Office of Tourism to promote local businesses throughout the State by encouraging residents to nominate local businesses such as artisans and crafts people, food and beverage artisans, farmers, winemakers, and global makers.

POLICY & PROCEDURE

Chairman Shure gave the report of the Policy and Procedure Committee and moved for adoption. The motion was seconded and carried by a roll call vote.

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
November 9, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 28, 2021 at 9:00 A.M. Members present were County Board Chairman John Shure, Lyle Behrends, Charlie Alt, Roger Bard and Barbara Offill. Michael McTaggart and Joe Young were absent. Also present Finance Manager Jill Johnson, County Clerk Breein Suver, County Engineer Joel Moore, ETS Director Eric Raymond, Supervisor of Assessments Bob Yergler, EMA Director Eric Ceci and Myron Munyon with Compass Insurance.

The meeting was called to order.

It was moved by Barbara Offill and seconded by Lyle Behrends to approve the agenda. Motion carried by a roll call vote.

There were no public comments.

The Committee Chairs gave their monthly reports:

- Management Chairman Lyle Behrends reported the Management Committee will be discussing putting out bids for the Animal Control building. Judicial Committee will hear their regular reports.
- Health Chairman Barbara Offill reported the committee will hear their regular reports from the health department and Animal Control.
- Tax/Planning & Zoning Chairman Roger Bard reported the committee will hear their standard reports and also vote on 3 kennel licenses.
- Highway Chairman Charlie Alt and County Engineer Joel Moore reported the Highway Committee will review their monthly reports and a resolution will be presented for general maintenance. The Finance Committee will be approving the FY22 budget.

EMA Director Eric Ceci reported a tabletop exercise was done with the Local Emergency Planning Committee. Ceci has applied for a grant that became available for assistance in writing the Hazard Mitigation Plan. Ceci provided an update on the flood that occurred in Cissna Park stating no immediate assistance was required. No one needed evacuated from their home and water did not reach the first level of any homes. There were 20-30 homes impacted by the flood. Red Cross supplied flood clean up kits. Illinois Emergency Management Agency (IEMA) made their annual site visit to his office and all went well. Ceci is working on an aircraft safety training for first responders in early 2022. Ceci is hosting Hazardous Material Awareness on November 13th in Crescent City.

Finance Manager Jill Johnson gave an update on the sexual harassment training. We are at an 87% completion rate so far. Those that haven't taken the training include 5 board members, 1 department head, 3 new hires and 11 part time employees. Employees can take the training online or another in person training can be scheduled.

County Board Chairman John Shure discussed the Iroquois County Personnel Manual. Changes to the manual have been approved as we've done the review but the book as a whole hasn't been approved. Now that we have a change in insurance carriers, Shure suggested the manual be forwarded to Illinois Counties Risk Management Trust (ICRMT). Myron Munyon with Compass Insurance agreed and said their legal team will make a final review and offer any changes, if necessary. It was moved by Bard and seconded by Offill to send the personnel policy to Illinois Counties Risk Management Trust for review. Motion carried by a voice vote.

It was moved by Offill and seconded by Bard to enter into executive session at 9:16 A.M. under 5 ILCS 120/2/c1: The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body. Motion carried by a voice vote.

It was moved by Behrends and seconded by Bard to come out of executive session at 9:56 A.M. Motion carried by a voice vote.

Appointments include a candidate for County Board, District I. The Republican Central Committee will provide a letter to Shure with the candidate's information or the minutes from the meeting.

Correspondence was reviewed with the committee.

The committee reviewed the claims. It was moved by Behrends and seconded by Offill to approve the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Offill and seconded by Behrends to adjourn at 10:07 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Absent: Bohlmann, Ducat, Johnson, Lynch, McTaggart, Offill

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
November 9, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on November 1, 2021 at 9:00 A.M. Members present Lyle Behrends, Charlie Alt, Paul Bowers, Paul Ducat and John Zumwalt. Kevin Bohlmann and Sherry Johnson were absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson, Maintenance Supervisor Chris Drake and Supervisor of Assessments Bob Yergler.

The meeting was called to order.

It was moved by Paul Ducat and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- The buildings have been switched over to heat.
- Replaced 58 filters.
- Contacted by Dyken about performing warranty work on the chiller. Inconsistencies were found and the technician said there may be a leak. Drake contacted Precision Plumbing, the leak was found and the issue was resolved.
- A skidsteer was received from the Highway Department.
- The garage door opener discussed last month has been taken care of.
- Parking lot at the Courthouse is complete.
- Tools, step ladder and a jack for the maintenance shed were purchased.
- No heat pump issues.
- Cooling tower has been drained.
- 17 trees are scheduled to be removed for approximately \$2,500 by Marquis Tree Service.

The County Farm was discussed. Zumwalt reported the crop is still on which is putting the soil testing on hold. Ducat and Zumwalt also discussed the need for more tile on the grounds.

Discussion was held on bidding out contractors for an Animal Control building. Management Chairman Lyle Behrends said a location needs to be determined before bidding the project out because contractors will want this information. Ducat suggested the contractors provide us with the most suitable location based upon our needs. The locations discussed are by the maintenance shed at the Jail or in front of the Administrative Center. County Board Chairman John Shure also said the shed could be added on to. In this instance, the building would share a common wall and the building has to have a concrete floor. The committee also discussed the hiring of a veterinarian and where they will operate from. It is understood that if a veterinarian is

hired, they will utilize our facility for County dogs but utilize their own facility for their practice. Other locations were discussed for the building such as the south side of the Administrative Center or the back corner of the Administrative Center parking lot. Supervisor of Assessments Bob Yergler told the committee they would need to apply for a variance and go through the hearing process. Yergler viewed the map of the property to determine what is within city limits. The property the committee is looking at building on is within city limits and a building permit will need to be obtained through the City of Watseka. Ducat explained the committee's next steps are to obtain the building permit and next month move forward with bidding out contractors. Drake was also asked to have the area marked by Joint Utility Locating Information for Excavators (J.U.L.I.E.).

Shure updated the committee on the original agreement for temporary animal control housing is still being negotiated. Shure and Michael Johnson, the liaison for the former Ford Iroquois Health Department Building, are having a meeting tomorrow to finalize the changes. At this time, the facility is not being used.

The committee reviewed the claims. It was moved by Paul Bowers and seconded by John Zumwalt to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Ducat and seconded by Charlie Alt to adjourn at 10:22 A.M. Motion carried.

All of which is respectfully submitted

Chairman Shure

On motion to approve the Health Committee report

Aye: Alt, Bard, Behrends, Boettcher, Bowers, Coughenour, Crow, Curtis, Huse, McGinnis, Penny, Shure, Young, Zumwalt

Absent: Bohlmann, Ducat, Johnson, Lynch, McTaggart, Offill

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session
November 9, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on November 2, 2021 at 9:00 A.M. Members present were Barbara Offill, Roger Bard, Kevin Coughenour, Ernie Curtis and John Zumwalt. Thomas Lynch was absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson and ICPHD Administrator Dee Schippert.

The meeting was called to order.

It was moved by Kevin Coughenour and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Zumwalt and seconded by Ernie Curtis to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

Finance Manager Jill Johnson reported three bat cases for the month. There are four open animal cases consisting of three bite cases and one noise/barking complaint. The wardens have closed eight cases, seven of which were bite cases and the final case involved dogs running loose. Certified letters were mailed to the owner, they were returned with the owners signature but the owner hasn't taken further action. The dogs are currently available for adoption through ICare. The total registration deposit for the month was \$3,575. This amount does not include any of the veterinarian registrations. Johnson updated the committee on the temporary rental space stating there are some contract issues to be worked out. Also, the Management committee is discussing different options for a new building for Animal Control. Johnson is waiting on licensing information for the wardens. Both Dr. Updike and Dr. Milazzo are willing to give letters of recommendation which are needed to get the wardens and Johnson licensed. Three kennel inspections were performed for licenses. There will be another inspection for the November meeting.

ICPHD Administrator Dee Schippert praised Johnson for her hard work since being appointed Animal Control Administrator.

Schippert reviewed the summary report of programs with the committee. Environmental Health performed 33 food inspections, 2 reinspections, issued 1 permit and 5 temporary permits. There were 19 water sample kits tested. Also, 4 new well inspections were performed, 4 non-community well surveys, issued 4 permits for new wells, issued 4 permits for sealed wells and performed 2 sealed well inspections. There were 25 mosquito samples collected for West Nile surveillance. Schippert said they will stop collecting samples in November. A complaint was received about an illegal tattoo shop operating out of an apartment. The site was investigated and shut down. There were 36 tobacco compliance inspections in October. Immunizations include 80 childhood immunizations, 4 adult immunizations, 244 flu shots and 101 COVID-19 vaccinations.

Schippert informed the committee the Moderna booster has been approved and the Health Department began giving them this morning. The approval process should be completed by November 3rd for vaccinations for children 5 and older. Currently, vaccinations are given to children ages 12 and older. Illinois Emergency Management Agency (IEMA) is putting pressure

on health department's to do vaccinations in the local schools. Schippert said she is leaving this decision up to the school districts and each child must have parental consent.

Schippert reported the following statistics on COVID-19:

- 248 cases during the month of October.
- 53 new cases were reported over the past 7 days and three additional individuals passed away with COVID-19.
- Currently, 42.51% of the total population in Iroquois County is vaccinated.
- Ages 12-17: 26% vaccinated
- Ages 18-64: 46.33% vaccinated
- Ages 65 +: 75.64% vaccinated

The Health Department continues to hold CPR trainings. A K-12 health education was held in two different schools. The Illinois Breast & Cervical Cancer Program had 3 new clients this month. Vision and hearing screenings have begun again in the County schools. The dental sealant program has not resumed. Senior Services has a total of 180 clients.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Coughenour and seconded by Zumwalt to adjourn at 9:35 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

TAX/PLANNING & ZONING

Mr. Bard, Chairman of the Tax/Planning & Zoning Committee, gave the report of his committee and moved for adoption. The motion was seconded and carried by a roll call vote

STATE OF ILLINOIS IROQUOIS COUNTY

Roll call and votes in Iroquois County

Recessed Session, November 9, 2021

Chairman Shure

On motion to approve the Tax/Planning & Zoning Committee

Aye: Alt, Bard, Behrends, Boettcher, Bowers, Coughenour, Crow, Curtis, Huse, McGinnis, Offill, Penny, Shure, Young, Zumwalt

Absent: Bohlmann, Ducat, Johnson, Lynch, McTaggart

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session
November 9, A.D., 2021

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on November 2, 2021 at 9:40 A.M. Members present were Roger Bard, John Zumwalt, Kevin Coughenour, Ernie Curtis and Barbara Offill. Thomas Lynch was absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson, Treasurer Kurt Albers, County Clerk Breein Suver, Supervisor of Assessments Bob Yergler, ICPHD Administrator Dee Schippert, Chuck Williams and Mike Danielewski.

The meeting was called to order.

It was moved by Barbara Offill and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Kevin Coughenour and seconded by Offill to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

The department heads gave their monthly reports:

- County Clerk Breein Suver reported Senate Bill 536 was just passed. This is a clean-up bill of the omnibus bill that is now known as Public Act 10215. Suver said several changes were made to the election code and Counties code over the summer regarding reapportionment for the primary and general elections. The new bill creates a taskforce to explore access to voting for voters with disabilities. It establishes that at least one voting booth at a polling place will have to be wheelchair accessible. Suver noted this is not an issue as most polling places already have this in place. The bill also increases the election precinct sizes from 900 to 1,200. Our largest precinct is approximately 1,150 so this is also a non-issue. There is language in the bill regarding ballot drop boxes and time of collection. This is not something Iroquois County is doing. There were also changes to voter registration applications giving the non-binary option for gender. There will be a permanent vote by mail list that voters can get on. There will also be one location for both the primary and general election where anyone in the County can vote on Election Day. This polling place is the County Clerk's Office. Suver also reported budgets and levies are coming into the office from taxing bodies. Lastly, letters have gone out to waste haulers for their annual inspection and registration.
- County Treasurer Kurt Albers reported the tax sale was held on October 25th. There were a total of 281 parcels sold. The final tax distribution will be done before the end of November.
- Supervisor of Assessments Bob Yergler reported the Board of Review is in session.

The Planning & Zoning report for October was distributed to the committee as follows:

- Building Permits –October 2021
 - Agriculture – 1
 - Residential – 3
 - Wind Towers – 0
- Building Permits – FY2021

- Residential – 79
 - Agriculture – 15
 - Wind Towers – 0
- Building Inspections – October 2021
 - 3
- Zoning Board of Appeals – October 26, 2021: 3 different kennel licenses as follows:
 - Chuck Williams to upgrade a kennel license in Section 30 of Martinton Township, 28N, Range 12W of Second P.M.
 - Doug & Sue Beaupre to acquire a kennel license in Section 30 of Beaver Township 28N, Range 10W of Second P.M.
 - Iroquois County Animal Rescue to acquire a kennel license with a setback variance in Section 27 of Crescent Township 26N, Range 13W of Second P.M.

Chuck Williams addressed the committee about his kennel license, which he has had for 20 years. He said upon Animal Control Warden Linda Rivard's routine inspection, she notified him that he was out of compliance due to the number of dogs he has on his property. Mr. Williams explained his kennel consists of all beagles and he typically has between 14-15 dogs onsite. It was moved by Zumwalt and seconded by Offill to approve the kennel application for Chuck Williams, subject to County Board approval. A roll call vote was taken. Motion carried.

Yergler spoke to the committee about the kennel application for Doug Beaupre, who was unable to attend the meeting. Mr. Beaupre is in the process of purchasing a home in rural Donovan and will be converting an existing garage into a kennel. A representative for Mr. Beaupre also addressed the committee stating Mr. Beaupre's dogs are britney spaniels and he also offers training. Finance Manager Jill Johnson said she, along with recommendations from Dr. Updike in Ford County, put together a kennel license checklist for the Animal Control Wardens to use and they will begin doing annual inspections. Once the property is purchased by Mr. Beaupre and the kennel is complete, another inspection will be done by the wardens. It was moved by Coughenour and seconded by Offill to approve the kennel application for Doug Beaupre, subject to County Board approval. A roll call vote was taken. Motion carried.

The kennel application and setback variance for ICare was discussed. Mike Danielewski spoke on behalf of ICare stating they are looking to license their kennel due to increased numbers. With recent changes in Animal Control, ICare has taken in several dogs for the County over the past month. The kennel is built to house 10-12 dogs. The property is an old dairy barn and already has existing concrete and drainage. A septic system has been put in and new central air has been installed. To his knowledge, Mr. Danielewski said he believes they meet all requirements to move forward. Yergler noted the setback variance for distance to the property line is supposed to be 100 feet and they are at approximately 80 feet. Zumwalt asked for verification on the plumbing inspections and septic permits and inspections. Mr. Danielewski responded that the contractors had taken care of all necessary permits. Yergler spoke with Director of Environmental Health Ryan Wheeler and said their permit was received in 2020. However, ICPHD Administrator Dee Schippert was told by Wheeler there was no permit received. Coughenour suggested Mr. Danielewski produce the necessary paperwork in order for action to be taken. Tax/Zoning Chairman Roger Bard read Section 5 of the Iroquois County Kennel Ordinance which reads as follows: *Refusal, Suspension, Mediation or Revocation of the Conditional Use Permit Grounds.*

3. *Conviction of a violation of any law of Illinois except minor violations such as traffic violations*

and violations not related to the disposition of dogs, cats and other animals, or any rule or regulation as to dogs or cats of sale thereof. County Board Chairman John Shure informed the committee that Margaret Fox of ICare has been convicted of a violation as described in the ordinance. Coughenour stated again that the kennel application and setback variance can't be sent for approval until questions are answered regarding the violation and permits are in place. Mr. Danielewski explained the violation in question was from an incident with an abused animal that was put in foster care. The owners of the dog were strongly encouraged to relinquish ownership of the dog but went to the police instead and Ms. Fox was arrested. Going forward, ICare has been utilizing Animal Control for all animal situations to avoid instances such as this and they consider this a hard lesson learned. Johnson added that all animal calls are routed through ICOM and the County has been utilizing ICare's services since September. Johnson provided an example of an owner that was sent certified letters for four of her animals and the owner has done nothing to comply. The animals are at ICare and the required paperwork has been filed allowing them to put the animals up for adoption. The Animal Control Wardens have completed their inspections and are happy with the conditions of the animals and the kennels. Bard encouraged the committee members to review the police investigation report before finalizing their vote. It was moved by Coughenour and seconded by Zumwalt to table approval of the kennel application and setback variance for ICare until the proper permits are received and violations are further looked into. A roll call vote was taken. Motion carried.

Discussion on building permit enforcement fines and penalties was tabled until the next meeting.

Discussion on publication of rural homesteads was tabled until the next meeting.

Johnson provided the committee with the 2021 tax levy worksheets. Johnson explained the low, mid and high rates are based upon the Equalized Assessed Value (EAV) rate obtained by Yergler. The high rate is set at \$660,000,000. The mid rate is set at \$640,000,000. The low rate is set at \$620,000,000. Yergler recommends approving the high rate. It was moved by Offill and seconded by Zumwalt to approve the 2021 tax levy using the high rate of \$660,000,000. A roll call vote was taken. Motion carried.

During old business, Coughenour asked for an update on the solar farm ordinance. Yergler informed him the ordinance has been amended and finalized.

Also during old business, Zumwalt inquired about the County Board's denial of a parcel to the Friends of Kankakee. Suver said she received a call from Joseph Meyer & Associates asking why the sale wasn't approved and she explained a reason wasn't given during the meeting but it probably had something to do with the Kankakee Wildlife Refuge. The funds will be sent back to Friends of Kankakee.

There was no new business.

As there was no further business to come before the committee, it was moved by Offill and seconded by Zumwalt to adjourn at 10:37 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Absent: Bohlmann, Ducat, Johnson, Lynch, McTaggart

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session

November 9, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on November 3, 2021 at 3:00 P.M. Members present were Lyle Behrends, Paul Ducat, Roger Bard, Steve Huse and David Penny. Donna Crow and Chad McGinnis were absent. Also present Sheriff Clint Perzee, Probation Supervisor Barb King, Judge Mike Sabol and Circuit Clerk Lisa Hines.

The meeting was called to order.

It was moved by David Penny and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Deputy Skyler Feller attended the Illinois Law Enforcement Alarm System (ILEAS) basic training class. Feller will be replacing Perzee, who will be stepping down from the ILEAS Mobile Field Force team. Perzee has been a member since February 2012.
- Lieutenant Ryan Morefield attended the Illinois Sheriff's Association (ISA) Jail Administrator/Chief Deputy Conference.
- Perzee is working on adding a video/audio recorded interview room in the old radio room at the Jail to assist his department as well as other departments to document interviews in investigations.
- One inmate is being housed for Department of Corrections as of September 28th. A second inmate will be ready for transfer on November 15th. Perzee spoke with the Department of Corrections on November 2nd and they will have two reservations by November 16th for both inmate transfers.
- Arrests/intakes for the month was 40. The current jail population is 15 (male) and there are 4 added on weekends (3 male, 1 female). One is on an ankle bracelet.
- The Jail inspection follow-up this morning focused on unusual occurrences and suggested some changes such as additional medical and mental health staff involvement. They also suggested a possible increase in staff during busy times to conform with County Jail standards.
- There were 10 hospital/emergency room visits this month.
- Jail overtime for October was 279.5 hours. Part-time Jail hours for October was 24. Most Correctional Officers are working 12 hour shifts with vacation, sick, comp time, transports and training.
- Correctional Officer Mark Garfield will graduate from the Corrections Academy once he takes his state test on November 5th.
- Perzee is working on the Medical Assisted Recovery (MAR) Program for the Jail to help inmates addicted to opioids and experiencing withdrawal symptoms. The program includes working with Iroquois Memorial Hospital, Iroquois County Public Health Department, Iroquois County Mental Health and Gibson City Hospital addiction specialist. This will reduce our hospital visits to the emergency room and will take pressure off of the nursing and corrections staff by easing the symptoms. The program will also help with post incarceration addiction and provide mental health and addiction recovery tools for inmates post release to

lessen the drug use and in turn, reduce crime and need for services in the community.

- Perzee is working with the health department and Iroquois Memorial Hospital nursing staff to have an increase presence at the Jail for services to reduce emergency room and hospital visits.
- Perzee is also working with the Mental Health Center to provide services weekly for inmates needing mental health intervention and assistance with mental health issues.
- The squad car purchased from Gilman is striped, plated, insured and ready to go into service.
- The Gilman contract is proceeding. Gilman's attorney had minor details to be changed in the contract. State's Attorney Jim Devine has reviewed the changes and will forward the updated contract to County Board Chairman John Shure for his signature. Once the contract is signed, a lateral transfer will be hired. Perzee expects to begin providing service of 40 hours per week in Gilman on December 1st.
- The physical agility testing for a new deputy list will be held on November 6th with the written test being held on November 14th. This will establish a list for the Sheriff's Department to hire new deputies from going forward into 2022. Perzee said he cast the net further for advertising which cost more money but more applicants are needed in the area due to very few wanting to enter the profession.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for October with the committee. King also submitted a claim for cutlery packets for the Parent Communication Campaign. King said the cutlery packets are being distributed to entities that are hosting meals in the area.

Judge Mike Sabol reported there is a jury coming in Monday morning for the next two weeks. This will be the last jury term for the year. Sabol also reported there is grant money available through the Administrative Office of the Illinois Courts (AOIC) for technology in the courtrooms. He and Circuit Clerk Lisa Hines had a meeting with a company to assess their wants and needs. Sabol said they would like the ability for those in custody to attend court remotely. Also, screens could possibly be installed in the lobby upstairs to inform people of their court dates.

Circuit Clerk Lisa Hines distributed her monthly report for October to the committee. A total of \$39,827.13 was received in fines and fees, \$4,793.59 was received from Credit Collection Partners and \$85.37 was received from IDROP.

The monthly ETSB report was distributed.

There was no old business.

There was no new business.

The committee reviewed the claims. It was moved by Paul Ducat and seconded by Penny to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried

As there was no further business to come before the committee, it was moved by Huse and seconded by Roger Bard to adjourn the meeting at 3:22 P.M. A roll call vote was taken. Motion carried.

All of which is respectfully submitted.

s/Lyle Behrends
s/Paul Ducat
s/Roger Bard
s/Steve Huse

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session

November 9, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on November 4, 2021 at 9:00 A.M. Members present were Charlie Alt, Paul Bowers, Ernie Curtis, Steve Huse and Joe Young. Michael McTaggart and Sherry Johnson were absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson, County Clerk Breein Suver, Sheriff Clint Perzee, EMA Director Eric Ceci, Myron Munyon with Compass Insurance and Suzie Werner with HomeStar Insurance.

The meeting was called to order.

It was moved by Joe Young and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The department heads gave their monthly reports. They are as follows:

- County Clerk Breein Suver reported the General Assembly passed Senate Bill 536, which is a clean-up of the election omnibus bill that was passed earlier this summer. There were a few changes made but nothing major. Also, budgets and levies are coming into the office from taxing bodies.
- EMA Director Eric Ceci reported EMA is pursuing a grant to help write the hazard mitigation plan.

- Sheriff Clint Perzee distributed his monthly report as follows:
 - Squad car purchase from Gilman is striped, plated, insured and ready to go into service.
 - Gilman contract proceeding. Gilman's attorney had some minor details to change. State's Attorney Jim Devine looked over the changes and will forward the contract to County Board Chairman John Shure for his signature. Target date will be December 1st to begin providing services of 40 hours per week in Gilman. Once the contract is signed, we will be able to hire a lateral transfer to add to our roster.
 - Physical agility testing for new deputy list will be on November 6th with the written test on November 13th. This will establish a list for us to hire new deputies from going forward into 2022. Perzee said he cast the net further for advertising which cost additional money. He explained we need to get more applicants in the area because very few are wanting to enter into the profession.
 - Working on adding a video/audio recorded interview room in the old radio room at the jail to assist our department as well as other departments to document interviews in investigations.
 - One inmate is being housed for Department of Corrections (as of September 28th). A second inmate will be ready to be transferred on November 15th. Perzee spoke with Department of Corrections on November 2nd and they will have 2 reservations by November 16th to transfer both inmates.
 - Arrestees/intakes – 38
 - Current jail population is 15 (male) and on weekends there are 4 weekenders (3 male, 1 female), 1 on ankle bracelet.
 - Jail inspection follow-up yesterday morning focusing on unusual occurrences. Some changes were suggested but nothing drastic or stating we were doing anything wrong. Suggested additional medical and mental health staff involvement and possibly an increase in staff during busy times to conform with County Jail standards.
 - Jail overtime for October was 279.5 hours
 - Part-time Jail hours for October was 24 hours.
 - Correctional Officer Mark Garfield will graduate from the Corrections Academy once he takes his state test on November 5th.
 - There were 10 hospital visits this month.
 - Perzee reported he is working on a Medical Assisted Recovery (MAR) program for the Jail to help inmates addicted to opioids and experiencing withdrawal symptoms. This will reduce our hospital visits to the emergency room and will take the pressure off of our nursing and corrections staff by easing the symptoms. The program will also help with post incarceration addiction, provide mental health and addiction recovery tools for inmates post release to lessen the drug use and in turn, reducing crime and need for services in the community.
 - Perzee is working with the nursing staff at the public health department and Iroquois Memorial Hospital to have an increased presence at the Jail for services to reduce emergency room and hospital visits.

- Perzee is also working with Iroquois County Mental Health Center to provide services for inmates needing mental health intervention and assistance with mental issues.
- Last month the committee requested a five year plan in regards to vehicles. Perzee provided a synopsis of the current vehicles. The Sheriff's Department has 16 vehicles, 11 are marked and used for patrol and 1 prisoner transport van, 3 covert vehicles and 3 vehicles that are in the process of being phased out due to high mileage. There are 11 deputies on patrol, 1 deputy is on medical leave and 2 investigators. Perzee said 3 of the vehicles are being shared and this increases the mileage. Since the Chevrolet Impalas are no longer available, the Sheriff's Department has been transitioning to the Chevrolet PPS Tahoe's and the Chevrolet SSV Silverado's. The initial cost is higher but the potential trade in value ranges between \$12,000-\$15,000. Perzee explained they are working towards each deputy having their own vehicle. This will help with response times. They are also switching to analog or digital radios. The radar units were purchased rather than leased and overall will save the County \$5,600. In addition to this, Perzee explained they have selected and are still testing squads to try alternative ways to improve vehicle performance and fuel efficiency. For example, a cold air induction was added to a 2019 Chevrolet Tahoe. The cost was just under \$400 and has improved the overall average fuel consumption by one mile per gallon. Other ways the Sheriff's Department has reduced spending is by having their fleet manager, Deputy Doug Brenner, complete some of the repairs on the vehicles and equipment.
- Finance Manager Jill Johnson reported discussion is continuing with the building project for Animal Control. Animal Control deposits for mail in registrations totaled \$3,575 for last month. Veterinarian registrations were not received in time for this deposit and will be included in the next deposit. Johnson is working on year-end journal entries and getting reports together for the auditors. The FY22 budget is ready for approval by the County Board. Also, the Finance Office is continuing to collect insurance election forms from employees for the transition from Health Alliance to Blue Cross Blue Shield. Lastly, the Courthouse phone project is ongoing. Johnson ordered a year's worth of patch cables for the upcoming year to have on hand.

Suzie Werner with HomeStar Insurance reported open enrollment meetings were held last week. Forty nine employees elected the \$3,500 deductible plan and thirty two employees elected the \$2,900 HSA plan. Werner is following up today to gather the missing election forms. Once BlueCross Blue Shield receives all election forms, it will take about 10 days to process everyone's information and get them loaded into their system.

Myron Munyon with Compass Insurance reported on the County's switchover to Illinois Counties Risk Management Trust (ICRMT). Munyon distributed an informational sheet with the services provided to the County by ICRMT, many of which focus on the Jail and Sheriff's Department. Also, Munyon said he forwarded the County's personnel policy to ICRMT for their legal department to review.

Discussion on approval of a contract for temporary use of 113 N. 3rd St in Watseka, the former Ford Iroquois Public Health Department building, for Animal Control was tabled. Johnson explained she has not received an updated contract.

County Board Chairman John Shure discussed the issues with invoicing the different agencies in the County for joint dispatch. Shure has been working on different solutions such as billing the agencies based on calls for service. Due to some inconsistencies with this option, Shure has opted to continue invoicing using the same system that is in place but make the agencies aware that a new system will be in place for 2022. When a plan is determined, it will be reviewed with the Finance committee and all agencies. Shure also noted the current invoicing structure for police departments is based on the number of police officers they have. However, Gilman, Buckley, Loda and Cissna Park do not have police officers. Also, Sheldon has contacted Shure and Perzee about the possibility of contracting County services. Shure welcomed any suggestions.

The committee discussed the FY22 budget which was posted last month for public viewing. Shure informed the committee there may be minor budgetary changes related to the Assistant State's Attorney position. Shure said the amount will not affect State's Attorney Jim Devine's overall budget. It was moved by Young and seconded by Paul Bowers to approve the FY22 budget. A roll call vote was taken. Motion carried.

The committee reviewed the claims. It was moved by Young and seconded by Bowers to pay the Finance claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Bowers and seconded by Huse to adjourn at 9:44 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

RESOLUTION NO: R2021- 43

A RESOLUTION ADOPTING A BUDGET FOR THE FISCAL YEAR, DECEMBER 1, 2021 TO NOVEMBER 30, 2022 AND CANCELLING PRIOR APPROPRIATIONS

WHEREAS, it is the duty of the County Board at this meeting to establish an appropriation and budget for the succeeding fiscal year, December 1, 2021 to November 30, 2022; and,

WHEREAS, a proposed budget for the next fiscal year has been prepared, and has been available for public inspection as required by law; and,

WHEREAS, the County Board has determined that the proposed budget should be approved; and,

WHEREAS, there are unexpended appropriation balances in the budget for the current fiscal year, which appropriation shall terminate with the close of this fiscal year, except as provided by law.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY BOARD OF IROQUOIS COUNTY, AS FOLLOWS:

1. That the proposed budget for the fiscal year, December 1, 2021 to November 30, 2022 be and is hereby adopted, and the appropriations contained therein are declared to be the legal appropriations for the fiscal year, December 1, 2021, to November 30, 2022, for the various purposes set forth therein, and a copy of the said budget is attached hereto and made a part thereof.

2. That the appropriations in the budget for the current fiscal year shall terminate at the close of this fiscal year, except that any remaining appropriations balances shall continue to be available for thirty (30) days after the close of the current fiscal year, only for the authorization of the payment of obligations incurred prior to the close of the fiscal year, and the County Clerk is hereby directed to terminate such appropriations as provided herein.

Passed and approved this 9th day of November, 2021.

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session

November 9, A.D., 2021

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **American Rescue Plan Act (ARPA)** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 29, 2021 at 9:00 A.M. Members present were Paul Ducat, Charlie Alt, Donna Crow, Barbara Offill and John Shure. Also present Finance Manager Jill Johnson, County Clerk Breein Suver, Sheriff Clint Perzee, Carl Gerdovich with WGFA Radio and County Board members Roger Bard and John Zumwalt.

The meeting was called to order.

It was moved by Barbara Offill and seconded by John Shure to approve the agenda. Motion carried by a voice vote.

There were no public comments.

American Rescue Plan Act (ARPA) chairman Paul Ducat began review of the interim final review as follows:

- The effective date of the interim final rule is May 17, 2021 but was changed to July 16, 2021.

- Background information on how the fund was made up.
- Eligible uses on how the funds can be distributed
 - Assistance to Unemployed Workers
 - State Unemployment Insurance
 - Assistance to Households
 - Expenses to Improve Efficacy of Economic Relief Programs
 - Small Businesses and Non-Profits
 - Aid to Impacted Industries
 - Services to address homelessness
 - Affordable housing development
 - Housing vouchers
 - New, expanded or enhanced early learning services, including per-kindergarten or Head Start
 - Providing assistance to high-poverty school districts
 - Evidence based educational services
 - Promoting healthy childhood environments
- Premium pay to eligible workers
 - Essential workers who have already earned premium pay for essential work performed during the COVID-19 public health emergency remain eligible for additional payments, and an essential worker may receive both retrospective premium pay for prior work as well as prospective premium pay for current or ongoing work.
- Revenue Loss

Donna Crow continued with the review as follows:

- Investments in Infrastructure
 - Treasury encourages recipients to ensure that water, sewer and broadband projects use strong labor standards, including project labor agreements and community benefits agreements that offer wages at or above the prevailing rate.
 - Water and Sewer Infrastructure
 - In administering these programs, States must give priority to projects that ensure compliance with applicable health and environmental safety requirements.
 - The need to provide funding through the state revolving funds suggests that these projects are less likely to be addressed with private sources of funding.
- Broadband Infrastructure
 - Many households use upload and download speeds of 100 Mbps to meet their daily needs.
 - Illinois now requires 100 Mbps symmetrical service as the construction standard for its state broadband grant programs.
 - Treasury encourages recipients to prioritize support for broadband networks owned, operated by, or affiliated with local governments, non-profits, and co-operatives.
- Restrictions on Use
 - May not use the funds to either directly or indirectly offset a reduction in net tax revenue resulting from a change in law, regulation, or administrative

interpretation during the covered period that reduces any tax or delays the imposition of any tax or tax increase.

- Congress's clear intent is that Fiscal Recovery Funds be spent responding to the public health emergency and its negative economic impacts, provide premium pay to essential workers, provide government services to the extent of eligible governments' revenue losses and to make necessary water, sewer and broadband infrastructure investments.
- Deposit into Pension Funds
 - The statute provides that recipients may not use Fiscal Recovery Funds for "deposit into any pension fund"

Barbara Offill continued with the review as follows:

- Covered Spending Cuts
 - A net reduction in total is measured as the difference between total spending in each reporting year, excluding Fiscal Recovery Funds spent, relative to total spending for the recipient's fiscal year ending in 2019, adjusted for inflation.
 - If, over the course of the covered period, a spending cut is subsequently replaced with Fiscal Recovery Funds and used to indirectly offset a reduction in net tax revenue resulting from a covered change, Treasury may consider such change to be an evasion of the restrictions of the offset provision and seek recoupment of such amounts.
- Identification of amounts subject to recoupment
 - A recipient government may request reconsideration of any amounts identified. This process ensures that all relevant facts and circumstances, including information regarding planned spending cuts and budgeting assumptions, are considered prior to a determination that an amount must be repaid.
 - Amounts subject to recoupment are calculated on an annual basis; amounts recouped in one year cannot be returned if the State or territory subsequently reports an increase in net tax revenue.
- Timeline for Use of Fiscal Recovery Funds
 - Treasury is interpreting the requirement that costs be incurred by December 31, 2024.
 - The period of performance will run until December 31, 2026.
- Payments in Tranches to Local Governments and Certain States
 - Secretary will make payments to local governments in two tranches, with the second tranche being paid twelve months after the first payment.
- Transfer
 - Transfers must qualify as an eligible use of Fiscal Recovery Funds by the transferor.
 - If a county transferred Fiscal Recovery Funds to a town within its borders to respond to the COVID-19 public health emergency, the town would be bound by the eligible use requirements applicable to the county in carrying out the county's goal.
- Nonentitlement Units of Government

- Because the statute requires States and territories to make distributions based on population, States and territories may not place additional conditions or requirements on distributions to NEU's, beyond those required by the ARPA and Treasury's implementing regulations and guidance.
- Reporting
 - The initial annual Project and Expenditure report for nonentitlement units of local government will cover activity from the date of award to September 30, 2021 and must be submitted to Treasury by October 31, 2021. The subsequent annual reports must be submitted to Treasury by October 31 each year.
- Comments and Effective Date
 - Comments must be submitted on or before July 16, 2021.

John Shure continued with the review as follows:

- Four eligible funding uses: easing fiscal pressure on State, local, and Tribal governments that might otherwise lead to harmful cutbacks in employment or government services; provide premium pay to essential workers; make necessary investments in certain types of infrastructure.
- Eligible workers
 - Workers needed to maintain continuity of operations of essential critical infrastructure sectors.

The committee discussed the need to hold additional meetings. One meeting to address the County's needs and another for the public. It was moved by Shure and seconded by Offill to hold a County informational meeting on November 9th at 12:30 P.M. and a Public informational meeting on November 16th at 6:00 P.M. A roll call vote was taken. Motion carried. Information will be distributed to all department heads regarding the November 9th meeting and a press release will be prepared for the November 16th public meeting.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Alt and seconded by Crow to adjourn at 10:43 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

On motion to approve the I.T. Committee report

Aye: Alt, Bard, Behrends, Boettcher, Bowers, Coughenour, Crow, Curtis, Huse, McGinnis,
Offill, Penny, Shure, Young, Zumwalt

Absent: Bohlmann, Ducat, Johnson, Lynch, McTaggart

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
November 9, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on November 4, 2021 at 9:50 A.M. Members present were Joe Young, Paul Bowers, Steve Huse and John Shure. Michael McTaggart was absent. Also present Finance Manager Jill Johnson, County Clerk Breein Suver, County Board member Charlie Alt and Michael Taber with AreaWide.

The meeting was called to order.

It was moved by John Shure and seconded by Paul Bowers to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Michael Taber with AreaWide gave the committee an update on the phone upgrade. Ruder Technologies is working with AT&T to coordinate the switchover. The switches discussed last month are installed and ready for the phones. Taber said a test was run on a phone and tested successfully. Installation of the phones also has to be scheduled with Ruder Technologies. No date has been set for this as of yet. Finance Manager Jill Johnson explained the County is looking a one to two months out of contract with AT&T.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Bowers and seconded by Steve Huse to adjourn at 9:56 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

s/Joe Young
s/Paul Bowers
s/Steve Huse
s/John Shure

**TRANSPORTATION & HIGHWAY,
2-PETITIONS FOR COUNTY AID-LOVEJOY AND FOUNTAIN CREEK TOWNSHIPS,
&**

RESOLUTION NO. R2021-44

RESOLUTION FOR MAINTENANCE UNDER THE ILLINOIS HIGHWAY CODE
(The Petitions for County Aid and Resolution No. R2021-44 have been recorded and placed on file in the County Clerk's Office.)

Mr. Alt, Chairman of the Transportation & Highway Committee, gave the report of his committee and presented 2 Petitions for County Aid in Lovejoy and Fountain Creek Townships, and Resolution No. R2021-44. He moved for adoption of all, which was seconded and carried by a roll call vote.

STATE OF ILLINOIS

Roll call and votes in Iroquois County

Recessed Session, November 9, 2021

Chairman Shure

On motion to approve the Transportation & Highway Committee report, 2 Petitions for County Aid in Lovejoy and Fountain Creek Townships, and Resolution No. R2021-44

Aye: Alt, Bard, Behrends, Boettcher, Bowers, Coughenour, Crow, Curtis, Huse, McGinnis, Offill, Penny, Shure, Young, Zumwalt

Absent: Bohlmann, Ducat, Johnson, Lynch, McTaggart

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
November 9, A.D., 2021

Mr. Chairman and members of the County board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your committee met at the Iroquois County Highway Building on November 5, 2021 at 9:00 A.M. Members present were Charlie Alt, Joe Young, John Zumwalt and Donna Crow. Paul Ducat, Sherry Johnson and Chad McGinnis were absent. Also present County Engineer Joel Moore and County Board Chairman John Shure.

The meeting was called to order.

There were no public comments.

It was moved by Donna Crow and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

The claims and financial reports for the month were reviewed. It was moved by Joe Young and seconded by Crow to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

County Highway	\$152,947.20
County Bridge	\$13,136.36
County Matching	\$16,503.14
TBP	\$19,478.88
County MFT	\$19,220.04
Township MFT	\$74,975.29

Zumwalt mentioned the Bobcat transferred from the Highway Department to the Maintenance Department. Moore said they received the Kubota that was ordered through Sourcewell. Rather than trading in the Bobcat, he chose to give it to the Maintenance Department with the stipulation that the Highway Department may use it when needed.

County Engineer Joel Moore presented a petition for county aid for a bridge in Lovejoy Township. The total projected cost is \$800,000. It was moved by Crow and seconded by Zumwalt to approve the petition for county aid for a bridge in Lovejoy Township. Motion carried by a voice vote.

Moore also presented a petition for county aid for a bridge in Fountain Creek Township. The total projected cost is \$1,400,000. It was moved by Crow and seconded by Young to approve the petition for county aid for a bridge in Fountain Creek Township. Motion carried by a voice vote.

Lastly, Moore presented a resolution for maintenance to include salaries for maintenance employees, equipment rental and general maintenance items. Last year the amount budgeted was \$1,150,000. This year the amount budgeted is \$1,100,000. Moore said after equipment rental and labor costs, there is approximately \$700,000 remaining for general maintenance. It was moved by Crow and seconded by Young to approve the resolution for maintenance for 2022. A roll call vote was taken. Motion carried.

Discussion was tabled on the County Engineer's salary for 2022. Moore said the Illinois Department of Transportation has set the salary increase at 2% for the next three years but the increase is based on re-ranking and the re-ranking hasn't been done yet.

During new business, County Board Chairman John Shure discussed the 1000 N Rd intersection on Route 49. Moore informed Shure rumble strips are now at the intersection.

There was no old business.

As there was no further business to come before the committee, it was moved by Young and seconded by Crow to adjourn at 9:45 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

s/Charlie Alt
s/Joe Young
s/John Zumwalt
s/Donna Crow

APPOINTMENTS

Chairman Shure presented the following appointments. It was moved by Mr. Young and seconded to approve the appointments. The motion carried by a voice vote.

Drainage District Appointments:

OLD BUSINESS

There was no old business.

NEW BUSINESS

There was a brief discussion regarding the County Board holiday gathering that would normally take place after the December County Board meeting. It was the consensus of the Board to continue with the tradition.

ADJOURNMENT

As there was no further business to come before the Board, it was moved by Mr. Bowers and seconded to adjourn the meeting at 10:47 A.M. The motion carried by a voice vote. The next County Board meeting will be held in Watseka, IL on Tuesday, December 14, 2021 at 9 A.M.
