County Board, Recessed Session

October 12, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 30, 2021 at 9:00 A.M. Members present were County Board Chairman John Shure, Lyle Behrends, Charlie Alt, Roger Bard and Barbara Offill. Michael McTaggart and Joe Young were absent. Also present Finance Manager Jill Johnson, County Clerk Breein Suver, County Engineer Joel Moore, ETS Director Eric Raymond and Tim Drury with Bliss McKnight.

The meeting was called to order.

It was moved by Charlie Alt and seconded by Barbara Offill to approve the agenda. Motion carried by a roll call vote.

During public comments, Woodland Mayor Ricky Grosvenor spoke to the committee in regards of Belmont Township. Belmont is currently a dry township. Grosvenor informed the committee of the efforts being made to place a referendum on the ballot allowing for it to not be a dry township. County Clerk Breein Suver explained that the referendum will have petitions circulated and signed by 25% in order to get it on the ballot. Once it is on the ballot the wording is specific and will ask if prohibition should remain. Suver went on to explain that once it is on the ballot it should be promoted in order for people to understand how to vote as it could be confusing. Grosvenor ended with stating that adding businesses to sell alcohol such as bars and gas stations help to create revenue and jobs.

The Committee Chairs gave their monthly reports:

- Management Chairman Lyle Behrends reported the Management Committee will be discussing the Animal Control shelter, the removal of the playground

equipment and County Farm harvest and soil testing. Judicial committee will hear their regular reports.

- Tax/Planning & Zoning Chairman Roger Bard reported the committee will hear their standard reports and also vote on rezoning and variance and conditional use for selling products.
- Health Chairman Barbara Offill reported the committee will hear their regular reports from the Health Department. Animal Control will also continue to be discussed.
- Highway Chairman Charlie Alt and County Engineer Joel Moore reported the Highway Committee will review their monthly reports.

Chairman John Shure reported that a tentative agreement was made with Gilman for law enforcement as well as purchasing police equipment. The Finance committee will discuss and vote to purchase Gilman's police equipment and to approve a law enforcement contract with them. They will be two separate transactions.

The committee reviewed the 2022 calendar of meetings. It was moved by Bard and seconded by Offill to approve the resolution designating the 2022 calendar of meetings. A roll call vote was taken. Motion carried.

The committee reviewed the 2022 calendar of holidays. It was moved by Offill and seconded by Bard to approve the resolution designating the 2022 calendar of holidays to be observed. A roll call vote was taken. Motion carried.

Finance Manager Jill Johnson gave an update on the sexual harassment training. We are at an 83% completion rate so far. Employees can take the training online or another in person training can be scheduled.

The committee continued to review the Iroquois County Personnel Manual. The changes are as follows:

- Policy 1056, Solicitation and Distribution of Literature, Section I: delete the word trespassing. Section II, B: delete the word trespassing.
- Policy 1057, Substance/Alcohol and Drug Use – Section II, paragraph four: change the sentence to read Reasonable suspicion includes; but is not limited to;
- Policy 1058, Telephone Usage, Section II: delete paragraph two and replace with Cellular telephone use for business purposes must comply with State requirements.
- Policy 1059, Time Records/Schedules-Section II: delete paragraph three and replace with Each employee will follow their specific department requirements before starting the work schedule and immediately following completing the work schedule. Section III: change County Board Office to Executive Assistant.
- Policy 1061, Use of Iroquois County Board Owned Vehicles: remove the word Board.
- Policy 1062, Vacation: Change County Board Office to County Board Executive Assistant.
- Policy 1063, Weapons: Change the property to buildings.
- Policy 1065, Workers' Compensation-Section IV B: change Supervisor/Supervisor to Supervisor/Department Head. Change County Board Office to County Clerk.

Correspondence was reviewed with the committee.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Alt and seconded by Offill to adjourn at 10:47 A.M. Motion carried by a voice vote.
 All of which is respectfully submitted.

MANAGEMENT SERVICES

Mr. Behrends, Chairman of the Management Services Committee, gave the report of his committee. Mr. Bohlmann inquired if the Board was looking at constructing a new building for Animal Control. Mr. Behrends replied that construction of a new building is an option. Mr. Coughenour questioned how much Dr. Youssef is asking for his building. Chairman Shure said that Dr. Youssef would sell his building to the County for \$120,000. Mr. Coughenour wondered what would be budgeted for construction of a new building. Mr. Ducat confirmed that they should be able to build for under \$200,000. It was moved by Mr. Behrends to approve the Management Services Committee report. The motion was seconded and carried by a roll call vote.

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
October 12, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 4, 2021 at 9:00 A.M. Members present Lyle Behrends, Charlie Alt, Paul Bowers, Paul Ducat and Sherry Johnson. Kevin Bohlmann and John Zumwalt were absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson, Maintenance Supervisor Chris Drake, ETS Director Eric Raymond and County Board member Donna Crow.

The meeting was called to order.

It was moved by Paul Ducat and seconded by Paul Bowers to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- Purchased four pallets of salt to prepare for winter.
- Purchased filters for the buildings.
- Ordered a new water resistant garage door opener for the deputy's garage. The old opener got wet and is no longer operational.

- Installed a new battery maintainer in the generator behind the Jail.
- The parking lot project is scheduled for this fall.
- An awning from the Administrative Center is being recovered due to being full of holes.
- Benches at the Courthouse were painted.
- Annual inspections at the Jail are coming up.

Management chairman Lyle Behrends reported on the County Farm stating he contacted Walker Farms requesting they make him aware of when the crop is off to allow the County to move forward with soil testing.

Discussion was held on Animal Control kennel needs. County Board Chairman John Shure informed the committee that arrangements have been made to temporarily rent space at the former Ford Iroquois Public Health Department building. The cost is \$667 per month and will be rented on a month by month basis. The animal control wardens will be actively involved in relocating the kennels and preparing the space to house animals. In regards to constructing a new building, Finance Manager Jill Johnson has provided different kennel layouts and Ducat has contacted a few contractors but has not received a response. Behrends added that he spoke to the veterinarian in Gilman and it was suggested that the new building include an exam room and a sink. Johnson said these items are included in the layouts. Behrends has also been in contact with the Mayor of Watseka regarding water and sewer. Johnson has done the same with Environmental Health Director Ryan Wheeler. Drake made the committee aware of dead trees he is having removed within the next month. If the plan is to add on to the maintenance shed or construct a new building within that area, Drake asked if the remaining trees should also be removed. It was moved by Bowers and seconded by Charlie Alt to authorize the removal of dead trees on the County property. A roll call vote was taken. Motion carried.

Finance Manager Jill Johnson gave an update on Animal Control stating the wardens moved the cages and kennels to the new facility last week. We are not housing any animals at this time and the wardens are doing a great job at placing the animals with shelters. Animal Control warden Linda Rivard is fostering one female dog until her appointment with the veterinarian to be spayed.

Discussion was held on the playground equipment at the Administrative Center. Behrends said it has been determined the equipment was on the property prior to headstart, which leaves the ownership of the equipment to the County. There are three parties interested in removing the equipment at no cost. Sherry Johnson made the committee aware that if the equipment is removed and used as playground equipment elsewhere, State's Attorney Jim Devine should be involved in drafting a hold harmless agreement. If the equipment isn't installed correctly, the County can be held accountable for any injuries. The committee toured the playground area and the equipment. During this time, one of the parties decided they were no longer interested. Gary Cooper has offered to remove all equipment and clean up the area. Martinton Park District has requested three pieces of the equipment. The committee agreed Gary Cooper could remove all equipment and distribute the items to Martinton Park District, as requested. Mr. Cooper will also clean up the area, which includes filling in the holes and leveling the ground. It was moved by Behrends and seconded by Ducat to authorize Gary Cooper to remove the playground equipment from the Administrative Center pending State's Attorney Jim Devine's written agreement releasing the County from liability. A roll call vote was taken. Motion carried.

The committee reviewed the claims. It was moved by Bowers and seconded by Johnson to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Ducat and seconded by Alt to adjourn at 9:56 A.M. Motion carried.

All of which is respectfully submitted

HEALTH

Mrs. Offill, Chairman of the Health Committee, gave the report of her committee. Mr. Bohlmann voiced concern with the County renting the former Ford Iroquois Public Health building and wanted to make sure it was “up to snuff” with the state requirements. Chairman Shure confirmed that it is in line with state requirements as a temporary facility. Finance Director Jill Johnson commented that most of the dogs brought in by Animal Control are aggressive. She said the temporary facility is not in a good location as there is not a lot of grassy area to walk and exercise the animals. Mr. Coughenour questioned how long the temporary housing would be compliant. Chairman Shure was unaware as to a specific time limit for use of a temporary facility. It was moved by Mrs. Offill to approve the Health Committee report, which was seconded and carried by a roll call vote.

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session

October 12, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on October 5, 2021 at 9:00 A.M. Members present were Barbara Offill, Roger Bard, Ernie Curtis and John Zumwalt. Kevin Coughenour and Thomas Lynch were absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson and ICPHD Administrator Dee Schippert.

The meeting was called to order.

It was moved by Roger Bard and seconded by Ernie Curtis to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by John Zumwalt and seconded by Curtis to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

Finance Manager Jill Johnson reported four cats and nine dogs have been taken in during the month of September. They have each been placed in a shelter or foster home. The County will be temporarily renting space located at the former Ford Iroquois Public Health Department building. The rent will be \$667 per month. The building has heat, air conditioning and concrete floors. The animal control wardens have begun moving in their supplies. Also, there were two bat cases and both were negative for rabies. There are also two bite reports that are open, one in Watseka and one in Donovan. Johnson sent a registration list to I-COM and to the Sheriff's Office. The animal control report shows a total of \$6,870 deposited for the month of September. Supplies, such as cat and dog food, bowls and leads, were purchased. Johnson also placed an order for 2022 registration tags. Johnson said she has hired an additional part-time warden to assist at the new building with walking and caring for the animals. Currently, Linda Rivard is the full-time warden and Marion Jaworski is part-time. Johnson is researching their licensing and the Department of Agriculture will be in contact due to issues with their online training.

ICPHD Administrator Dee Schippert reported the following statistics on COVID-19:

- 93 cases were reported over the past 7 days and two additional individuals passed away with COVID.
- Currently, 40.9% of the total population in Iroquois County is vaccinated. This amounts to 11,289 individuals being fully vaccinated.
- Ages 12-17: 25.07% vaccinated
- Ages 18-64: 44.71% vaccinated
- Ages 65 +: 74.18% vaccinated
- 3rd doses are available for those that are immunocompromised.

Schippert informed the committee there are many issues with individuals following the quarantine rules and being honest in regards to who they have been in contact with. A large group of public health administrators throughout the state are looking at a demobilization plan that may change how to quarantine. Isolation will more than likely remain the same.

Schippert reviewed the summary report of programs with the committee. Environmental Health performed 42 food inspections, issued 1 permit and 10 temporary permits. There were 9 water sample kits tested. Also, 5 new well inspections were performed and 5 new sealed well inspections were performed. Environmental Health conducted 3 private sewage disposal inspections. There were 42 West Nile samples and 1 bird has tested positive in the county. Community Health reported 65 childhood immunizations and 129 COVID-19 vaccinations. There were 3 animal bites. There were 13 inmates at the Jail assessed during the month of September. There were a total of 384 COVID-19 cases and 5 outbreaks. Senior Services has a total of 182 clients.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by John Zumwalt and seconded by Roger Bard to adjourn at 9:40 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Mr. Bard Chairman of the Tax/Planning & Zoning Committee, gave the report of his committee and presented Resolutions R2021-41 & R2021-42 and a Conditional Use request for Robert and Holly Rice in Sheldon Township, parcel #27-08-100-002 for approval. Mrs. Crow asked what the hours would be for the proposed retail store should the conditional use permit be approved for Robert and Holly Rice. Mr. Rice said they are planning to be open 3 to 4 evenings a week to start or patrons can call them for an appointment. They will be selling Holstein beef that they raise and they will be selling pork that is also raised locally. It was moved by Mr. Bard and seconded to approve the Tax/Planning & Zoning Committee report and Resolutions No. R2021-41 & R2021-42, and the Conditional Use for Robert and Holly Rice in Sheldon Township, parcel #27-08-100-002. County Board, Recessed Session
October 12, A.D., 2021

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 5, 2021 at 9:43 A.M. Members present were Roger Bard, John Zumwalt, Ernie Curtis and Barbara Offill. Kevin Coughenour and Thomas Lynch were absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson, County Treasurer Kurt Albers, County Clerk Breein Suver, Supervisor of Assessments Bob Yergler, IEDA Director Angel Crawford, ICPHD Administrator Dee Schippert and Robert and Holly Rice.

The meeting was called to order.

It was moved by Barbara Offill and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Zumwalt and seconded by Offill to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

The department heads gave their monthly reports:

- County Clerk Breein Suver reported her office continues to work on the coding for the ballot for the school districts that are going to be effected by the referendum question at the next election. Suver also spoke to Finance Manager Jill Johnson about the need to add more money to the Recorders automation expense for the FY22 budget. Suver explained she is working on a microfilm project.
- County Treasurer Kurt Albers reported certified letters have been mailed. The tax sale is October 25th in the County Board Room.
- Supervisor of Assessments Bob Yergler reported equalization has been applied. They will prepare to publish assessment change notices. Next month the committee will have 3 kennels to process.

The Planning & Zoning report for September was distributed to the committee as follows:

- Building Permits –September 2021
 - Agriculture – 0
 - Residential – 8
 - Wind Towers – 0
- Building Permits – FY2021
 - Residential – 76
 - Agriculture – 14
 - Wind Towers – 0
- Building Inspections – September 2021
 - 25
- Zoning Board of Appeals – September 28, 2021: A conditional use for a retail store. Application of Robert and Holly Rice. Located in Section 8, Sheldon Township, 26 N, R 11 West of Second P.M. The permanent identification number is 27-08-100-002. The tract is located at 2601 E 1700 North Rd, Sheldon, IL.

Robert Rice addressed the committee about the property he and his wife, Holly purchased in 2020. The building was a one room school house built in the 1900's. Rice explained they are applying for a conditional use permit to make a retail store at this location to sell farm raised beef. The beef will be processed, packaged and frozen at Berry's Processing in Watseka. They have been working diligently with the health department and received a letter stating they have met ICPHD's standards. Pictures of the building were distributed to the committee for the review. It was moved by Zumwalt and seconded by Offill to approve Robert and Holly Rice's conditional use application for a retail store. A roll call vote was taken. Motion carried.

Discussion on building permit enforcement fines and penalties was tabled until the next meeting.

Continued discussion was held on the publication of rural homesteads. IEDA Director Angel Crawford said she will continue to do more research on the matter and look into other counties that have experience with this. Tax/Zoning Chairman Roger Bard said he spoke recently with a local real estate agent and was given a list of homes sold. This list was given to the committee. While there are people moving out of the area, there are also people moving into the area.

Suver presented a monthly resolution list showing three parcels being sold by the County trustee. The parcels are located in Beaverville Township, Woodland and Sheldon. The parcels in Beaverville Township and Sheldon sold at the base price of \$807 each. The parcel in Woodland sold for \$827. The total amount the County will be receiving is \$1,091.00. It was noted the parcel sold in Beaverville Township will be tax exempt and is being donated to the National Wildlife Refuge. It was moved by Zumwalt and seconded by Offill to approve the resolutions authorizing the sale of properties located in Woodland and Sheldon. The resolution for Beaverville Township was not approved. A roll call vote was taken. Motion carried.

There was no old business.

During new business, Yergler spoke to the committee about action that was taken by the County Board last month regarding additional pay being given to a department head to do another job that is not in their job description. He added this is a decision he agrees with. Yergler reminded the committee that 7 years ago he was approached by the County Board Chairman, Vice Chairman and Finance Chairman and was given the Zoning Department and a one-time increase of \$3,000. Yergler requests the Board make a decision on how to handle his department going forward. He offered the following suggestions:

- Leave the department as it is.
- Compensate him for taking over a complete department. The County has saved over half a million dollars in salaries and benefits by combining departments. Yergler requested an increase of \$20,000.
- Separate the departments as they were in the past.
- Leave Zoning with Assessment. Hire someone willing and committed as a Zoning Administrator. This could also be an easy transition into the Assessment position when Yergler retires.

As there was no further business to come before the committee, it was moved by Offill and seconded by Zumwalt to adjourn at 10:19 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session

October 12, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on October 6, 2021 at 3:00 P.M. Members present were Lyle Behrends, Roger Bard, Donna Crow and David Penny. Paul Ducat, Steve Huse and Chad McGinnis were absent. Also present Sheriff Clint Perzee, Coroner Bill Cheatum, Probation Supervisor Barb King, Judge Mike Sabol, Judge Kara Bartucci, State's Attorney Jim Devine and ETS Director Eric Raymond.

The meeting was called to order.

It was moved by David Penny and seconded by Donna Crow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Coroner Bill Cheatum reported an increase in overdoses over the summer due to fentanyl.

Sheriff Clint Perzee reported arrests/intakes for the month of September was 45. The current jail population is at 18, with 16 male inmates and 2 female inmates. Perzee also reported he met with the new jail inspector. A reimbursement check in the amount of \$6,460 has been received for Correctional Officer's Matthew Pulley and Zachary Whitson from the state to be deposited into the refund account. Perzee attended the Illinois Sheriff's Association summer training conference on September 19th through September 21st. Perzee said Sheriff Derek Hagen sent in a request for the \$70/day Department of Corrections inmate reimbursement for inmates

held at the Jail following their conviction. This amount could be more than \$10,000 owed to the County. Rapid tests have been purchased for COVID-19 testing from CVS Pharmacy.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for September with the committee.

Judge Mike Sabol reported Judge Kara Bartucci is in the process of renegotiating the contract with West Law. He believes the service isn't used enough to justify the cost. The plan is to decrease what we receive in print and online. Sabol also explained the \$3,000 claim for the retainer fee for Dr. Lawrence Jeckel pertains to the murder investigation in Sheldon. Dr. Jeckel is the court appointed psychiatrist.

State's Attorney Jim Devine reported there is still a vacancy in his office for an Assistant State's Attorney. The position has been advertised as an entry level position with a starting salary of \$52,000 per year. Deputy Clerk Angel Jurich in the State's Attorney has resigned but her position has been filled by Kendall Kupferer.

Circuit Clerk Lisa Hines' monthly report for September was distributed to the committee for their review.

ETS Director Eric Raymond distributed his monthly ETSB report to the committee. Raymond's new hire, Holly Mansberger, has completed her training and is working independently. The Joint Dispatch Center is fully staffed. A claim for the renewal of CPR cards will be submitted next month. Raymond informed the committee that the current phone system is not Next Gen compliant and he will be pursuing a new phone system.

There was no old business.

During new business, Perzee noted a new deputy has been hired to fill his position. Clinton Hoaks is a lateral transfer from Clifton with three years' experience. There is also one deputy out on medical leave.

The committee reviewed the claims. It was moved by Penny and seconded by Roger Bard to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried

As there was no further business to come before the committee, it was moved by Crow and seconded by Penny to adjourn the meeting at 3:36 P.M. A roll call vote was taken. Motion carried.

All of which is respectfully submitted.

IROQUOIS, CITY OF GILMAN, AND SHERIFF OF IROQUOIS COUNTY**

Mr. Alt, Vice Chairman of the Finance Committee, gave the report of his committee and presented the Law Enforcement Services Agreement Between County of Iroquois, City of Gilman, and Sheriff of Iroquois County. Mrs. Crow wanted it known that the phones that were purchased

by ETSB for 911 were sold as Next Gen compliant. Mr. Bard was curious as to when the new phone system was installed. Mr. Raymond stated the phones were purchased in 2016 and they began utilizing them in 2017. It was moved by Mr. Alt and seconded to approve the report of the Finance Committee. The motion carried by a roll call vote.

County Board, Recessed Session

October 12, A.D., 2021

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on October 7, 2021 at 9:06 A.M. Members present were Michael McTaggart, Charlie Alt, Paul Bowers, Ernie Curtis, Sherry Johnson and Joe Young. Steve Huse was absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson, County Clerk Breein Suver, Sheriff Clint Perzee, Treasurer Kurt Albers, 911 Director Eric Raymond, County Board member Donna Crow, Myron Munyon and Joey Samuelson with Compass Insurance, Suzie Werner and Brenna Carpenter with HomeStar Insurance and Julie Buesing and Brian Loman with Loman-Ray Insurance Group.

The meeting was called to order.

It was moved by Joe Young and seconded by Ernie Curtis to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Julie Buesing and Brian Loman with Loman-Ray Insurance Group submitted their health insurance bid last month and spoke to the committee about their services. Buesing stated the Health Alliance renewal came in at 9.9%. A qualified high deductible plan with Blue Cross Blue Shield was introduced with a \$2,900 single deductible/\$5,800 family deductible. With this plan, there will be no office co-pays or prescription co-pays. All of these items are applied to the deductible. However, the deductible is significantly less than the current plan with Health Alliance. Overall, there would be a 4.4% increase by switching to Blue Cross Blue Shield. Loman-Ray offers a telemedicine app and has a full-time nurse in their office. There are no additional consulting fees charged. The telemedicine app charges \$6-\$7 per employee. In regards

to the transition of possibly changing providers, Sherry Johnson asked how seamless this would be. Also, if an employee has current health issues and is seeing a provider, can they continue seeing that provider. Buesing explained a benefits fair would be held to speak with all employees and their office nurse would also be involved.

Further discussion was held on the health insurance bids and insurance brokers. Finance chairman Michael McTaggart suggested the committee first select an insurance broker then select an insurance plan. Finance Manager Jill Johnson and Executive Assistant Amanda Longfellow expressed their opinion about being satisfied with the current insurance broker, HomeStar Insurance. They have a great relationship with the employees and retirees. All matters are handled in a timely manner. The committee agreed to stay with HomeStar Insurance. Young said he would like to verify with Suzie Werner at HomeStar that consulting fees are waived if we choose the 9.9% increase. It was moved by McTaggart and seconded by Curtis to select HomeStar Insurance Services as the County's insurance broker. A roll call vote was taken. Motion carried.

Werner spoke to the committee about the differences between Health Alliance and Blue Cross Blue Shield. If the County chooses to stay with Health alliance, no action needs to be taken. If the County chooses to change to Blue Cross Blue Shield, Werner will meet with the employees to make the necessary changes. Werner also reminded the committee of the automatic claim feed from Health Alliance to Benefits Planning Consultants (BPC). Blue Cross Blue Shield uses another vendor for their automatic claims feed. Werner suggests switching to this vendor as well to prevent employees from having to manually submit their claims. Blue Cross Blue Shield is offering a one-time transitional credit of \$25,000. Sherry Johnson requested Werner check on other options with co-pays. Werner said she will have this information available by the October 12th County Board meeting. McTaggart verified with Werner there would be no consulting fees charged.

Discussion was held on property and casualty insurance bids. Myron Munyon with Compass Insurance offered his opinions on the two carriers that submitted bids. Bliss McKnight has a long-standing relationship with the County and with Compass Insurance. When comparing Illinois Counties Risk Management Trust (ICRMT) to Bliss McKnight, Munyon believes ICRMT is better equipped to handle the Jail and Sheriff's Department. Tim Drury with Bliss McKnight has been working with the Policy & Procedure committee to update the Personnel Policy handbook. Munyon said ICRMT will review the handbook with their attorney and return it with any necessary changes. They offer free legal advice and they also have a relationship with United Counties Council of Illinois (UCCI). Lastly, ICRMT will perform a free evaluation of all buildings.

It was moved by McTaggart and seconded by Johnson to accept Illinois Counties Risk Management Trust (ICRMT) bid for property and casualty insurance. A roll call vote was taken. Motion carried.

It was moved by McTaggart and seconded by Young to select Roger Schuldt Insurance as the County's property and casualty insurance broker. A roll call vote was taken. Motion carried.

The department heads gave their monthly reports. They are as follows:

- Treasurer Kurt Albers reported certified letters have been mailed. The tax sale is October 25th. The final tax distribution will be in November.
- County Clerk Breein Suver reported grant award amounts were received for 2022 as follows:
 - Voter Registration Grant: \$24,547

- Election Securities (HAVA) Grant: \$12,998 (funds can be used towards the .gov requirements from Public Act 10215)

On Tuesday, Suver received a proposal for microfilm storage fees. Suver has requested Finance Manager Jill Johnson to increase the Recorder's Automation expense line by \$15,000 to accommodate this.

- ETS Director Eric Raymond distributed the ETSB capital improvement plan. Raymond reported the current ETSB phone system is not Next Gen compliant. When the current phone system was purchased it was sold to be Next Gen compliant. ETSB will be putting out a request for proposal for a new phone system. The cost of a new phone system is estimated at \$200,000. Lastly, Raymond's new hire has completed training and is working on her own.
- Sheriff Clint Perzee distributed his monthly report for September. A reimbursement check from the state for Correctional Officer's Matthew Pulley and Zachary Whitson was received in the amount of \$6,460. Perzee attended the Illinois Sheriff's Association summer training conference September 19-21. There were 45 arrests/intakes during the month of September and the current Jail population is 18. Clinton Hoaks has been hired for the deputy position effective 10/1/2021.

Perzee discussed the Gilman Police Department police equipment to be purchased by the County. These items include shotguns, tasers, computers, 1 set of stop sticks, console, 2 radios, siren/console, cage, radar and a 2018 Ford Explorer with 25,881 miles. Gilman's proposal price for these items is \$34,000. It was moved by McTaggart and seconded by Johnson to purchase the proposed Gilman Police Department surplus police equipment using public safety funds in the amount of \$34,000. A roll call vote was taken. Motion carried.

The committee reviewed the Law Enforcement Services Agreement Contract with Gilman. The contract includes a 40 hour work week at a cost of \$74,200 per year or \$18,299.25 per quarter to be paid by Gilman. Charlie Alt expressed his concern that the committee just received the contract and has not had enough time to properly review it. It was moved by McTaggart and seconded by Young to approve the Law Enforcement Services Agreement between County of Iroquois, City of Gilman and Sheriff of Iroquois County using public safety funds for fiscal year 2022. A roll call vote was taken. Alt, nay; Bowers, aye; Curtis, aye; Johnson, aye; Young, aye; McTaggart, aye. Motion carried. It was noted that the contract is a one year contract. Both parties have to option to terminate said contract. If the County is hiring a new employee for this contract and Gilman decides to terminate the contract after one year, it is likely the position will be eliminated.

Discussion was held on the FY 2022 budget. Finance Manager Jill Johnson reviewed the budget as follows:

- Public Safety Fund - \$200,000 (Sheriff has requested 4 new vehicles) and \$120,000 (Joint Dispatch salaries)
- Capital Improvement - \$51,802 (BB&T loan payment, \$20,000 (heat pumps), \$25,000 (parking lot project), \$35,000 (Headstart remodel-breakroom/bathroom/lactation room)
- Salary Breakdown – All employees earning less than \$13/hour will receive a 4% increase. Employees earning more than \$13/hour will receive a 2.75% increase. AFSCME and Highway employees will receive a 2.5% increase. FOP employees will follow their percentages plus their step increases. Public Health Department employees will receive 4% increases. Non-union employees will receive a 2.75%

increase. Supervisor of Assessments will receive the same increase as the Elected Official's. The Finance Manager will receive a 4% increase.

- Health insurance is entered as a 9.9% increase.
- The General Fund revenue shows approximately six million in revenue.
- IEDA Director Angel Crawford has submitted a budget request of \$40,000. The current amount budgeted is \$17,500.

Johnson asked the committee to review the budget in detail. The budget needs to be approved and posted for public viewing by October 19th.

McTaggart spoke with Perzee regarding the rotation of squad cars. Perzee said there are three vehicles that are shared. Perzee will provide the committee with a five year plan on vehicles and how often they need rotated.

County Board Chairman John Shure spoke about the increased request by IEDA. Johnson explained Crawford is adding additional expenses such as hiring a grant manager and website advertising. Shure said the board has historically given \$25,000 and the amount was reduced last year to \$17,500. Sherry Johnson offered her opinion not to increase the amount this upcoming budget year but to entertain an increased amount next budget year.

It was moved by McTaggart and seconded by Johnson to accept the fiscal year 2022 budget with the proposed changes and send to the County Board for approval. A roll call vote was taken. Motion carried.

Donna Crow asked the committee to consider putting aside money from the public safety fund annually. McTaggart said this matter does need to be talked about in more detail for future planning.

The committee reviewed the claims. It was moved by Young and seconded by Paul Bowers to pay the Finance claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Shure discussed the Joint Dispatch contracts and distributed a new cost schedule. The costs are determined based upon the number of calls. Shure said there will be several entities being charged a significantly higher amount due to this change. Johnson suggested basing the number off of three years of calls and taking an average. Also, she questioned how other counties charge for service. Shure encouraged all members to communicate their ideas to him about other ways to determine how to properly charge for these services.

There was no new business.

As there was no further business to come before the committee, it was moved by Alt and seconded by Johnson to adjourn at 11:46 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

DISCUSSION AND ACTION ON HEALTH INSURANCE BIDS

The Board began discussing the health insurance proposals presented by Suzie Werner with Homestar Insurance. She confirmed that should the Board go with Health Alliance, there would be a 9.9% increase in the premium. She also presented 3 options from Blue Cross Blue Shield which range in increases from 4.21% to 11.64%. There were 2 options presented that offered deductibles with doctor visit copays and a 3rd option that was an HSA Option. All of the options included a HRA Structure with the deductible. It was verified that the County could change the HRA Structure and it wouldn't change the price of the insurance. Suzie also said that the County could offer all of the Blue Cross Blue Shield plans to the employees and give them the choice between the plans. It was confirmed that the Blue Cross Blue Shield network is much larger than that of Health Alliance and all the doctors in the current Health Alliance plan are also in network with Blue Cross Blue Shield. After a lengthy discussion, it was moved by Mr. Coughenour and seconded to offer the 3 Blue Cross Blue Shield health insurance plans to County employees and change the HRA Structure amount on the 3rd option (HSA Option) to half the amount of the deductible as presented. The motion carried by a roll call vote.

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session
October 12, A.D., 2021

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **American Rescue Plan Act (ARPA)** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 24, 2021 at 9:00 A.M. Members present were County Board Chairman John Shure, Paul Ducat, Donna Crow, Charlie Alt and Barbara Offill. Also present Finance Manager Jill Johnson and 911 Director Eric Raymond.

The meeting was called to order.

The first matter of business included County Board Chairman John Shure nominating Paul Ducat as Chairman of the committee. The committee agreed.

Finance Manager Jill Johnson provided the committee with an informational packet on the American Rescue Plan Act (ARPA) funds. The packet also includes policies and procedures that should be approved by the committee. Johnson suggested the applications and policies and procedures be reviewed today.

Johnson proceeded to review the policies with the committee. She noted she is unable to show a reduction in revenue for the County, which limits our uses for the funds. This will be an opportunity to help local businesses and services that are outside of the County.

The ARPA procedures flow chart includes setting meeting dates, approving policies and reviewing and approving applications. Applications will also be reviewed and approved by the County Board.

The disbursement deadline is in 2025. The County has received half of the funding. Donna Crow suggested depositing these funds into a certificate of deposit for interest earning capability. Johnson emailed the committee a packet of interim final rules and asked that each member read the packet carefully, as she is unsure if we are able to earn interest on these funds.

Ducat requested a Vice Chairman be name in his absence. It was moved by Shure and seconded by Ducat to name Charlie Alt as Vice Chairman of the American Rescue Plan Act (ARPA) committee. Motion carried by a voice vote.

The committee discussed continued discussion on how to handle the funds that have already been received. It was moved by Donna Crow and seconded by Barbara Offill to open a separate American Rescue Plan Act (ARPA) fund. A roll call vote was taken. Motion carried.

The committee discussed upcoming meeting dates and agreed to hold meetings every 4th Friday at 9:00 A.M. Due to scheduling conflicts, the next meeting will be held Monday, October 4th at 10:00 A.M.

Johnson explained some of the non-allowed uses of funds and limitations. These funds are not directly available for private for-profit entities within any municipality, school district, health department, homeowners/renters within municipalities, tourism-related entity or business, or any other entity that is eligible for and received American Rescue Plan Act (ARPA) funds via Municipalities, PPP, SBA and/or associated direct Federal, State and/or municipal relief funds. These entities have access to other ARPA funding and must apply to those sources first in order to be eligible for ARPA funds allocations. Examples of uses of funds includes support public health response, replace public sector revenue loss, water and sewer infrastructure, premium pay for essential workers and broadband infrastructure. In regards to premium pay for essential workers, this matter is being brought to the County's attention by one of the Union's. The application process requires two applications. One application will be for funding under \$50,000 and the other for funding over \$50,000.

Johnson suggested the committee finalize the policies and procedures at the next meeting and possibly set a hearing date. Discussion was held on how to effectively communicate this information to the public. Shure said our options include press releases in the newspaper, radio advertisements and posting information on our website. Crow noted that there is a strong presence on social media. Johnson also suggested creating a flier and putting out a mailer to the entire taxpayer database.

As there was no further business to come before the committee, it was moved by Crow and seconded by Offill to adjourn at 9:57 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Your Committee met at the Administrative Center on October 4, 2021 at 10:00 A.M. Members present were Paul Ducat, Charlie Alt, Donna Crow, Barbara Offill and John Shure. Also present Finance Manager Jill Johnson and 911 Director Eric Raymond.

The meeting was called to order.

It was moved by John Shure and seconded by Donna Crow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Discussion was held on the American Rescue Plan Act (ARPA) informational packet that was distributed at the September 24th meeting. Finance Manager Jill Johnson suggested the committee review and approve the policies she has given them, with the understanding that policies can be added or changed at a later date. Once the policies are approved, the committee can move on to the procedures. A press release will need to be published and an informational public meeting will need to be scheduled. The informational packets will be available at the meeting, which includes the applications to be filled out and returned. It was moved by Shure and seconded by Crow to approve the American Rescue Plan Act (ARPA) policies as presented. Additional policies can be adopted at a later date. A roll call vote was taken. Motion carried.

Johnson stressed the need for public involvement. This could include press releases, website posting, mailing fliers, newspaper advertising, radio advertising and social media.

The next meeting will be held on October 29th at 9:00 A.M. Prior to the meeting, committee members will read their assigned pages of the Department of the Treasury interim final rule. Ducat also said each person that submits an application will need to read the documentation as well.

There was no old business.

Your committee met at the Administrative Center on October 7, 2021 at 11:51 A.M. Members present were Joe Young, Paul Bowers and John Shure. Michael McTaggart and Steve Huse were absent. Also present Finance Manager Jill Johnson, County Clerk Breein Suver, 911 Director Eric Raymond and Michael Taber with AreaWide.

The meeting was called to order.

It was moved by John Shure and seconded by Paul Bowers to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Michael Taber with AreaWide reported the wiring is close to being complete at the Courthouse for the new phone system. Switches are on backorder but AreaWide is reaching out to other vendors for other options. DMARC outbound email security feature has been activated. Taber said AreaWide monitors reports from this program and all looks good. However, there is a service that is potentially sending emails on Iroquois County's behalf that AreaWide is unable to identify. The service is called SMTP2Go. Taber suggested Finance Manager Jill Johnson send an email to all the departments to see if anyone is using this service.

County Clerk Breein Suver reported AreaWide is working on the County's .gov email and .gov website. Shure signed a letter last week to sign the County up for the .gov items we need.
