PUBLIC COMMENTS

Kerstin Rust, Executive Director with United Way of Kankakee and Iroquois Counties, introduced herself to the County Board and gave an overview of what United Way has to offer. They can connect those in need to services that can help with child care, paying bills, food, and many other great helpful items.

CHAIRMAN COMMENTS

Chairman Shure shared a letter he had received that stated it was sent to every County. Chairman Shure felt the letter, in his opinion, has radical proposals; if anyone is interested in reading it to see him after the meeting.

OUTSIDE ORGANIZATION REPORTS

Cheyenne Denoyer, with Workforce Development, gave her report. She had 3 complete a CDL course and 3 get their GED. She is working on setting up an event or flier for Manufacturing Month, which will highlight local manufactures in Ford and Iroquois counties as well as Champaign, Douglas and Piatt counties. Mrs. Crow asked if there is a welding program offered; Cheyenne explained that KCC and Parkland both do offer a welding program.

Angel Crawford, Executive Director for Iroquois Economic Development Association, spoke of the Unsewered Communities Planning Grant Program (UCPGP) which provides an opportunity to receive grant money for design engineering, construction engineering, and construction related activities. She also spoke of the UCCGP grant program which benefits communities that do not currently have wastewater collection and treatment facilities. The UCCGP is a reimbursement program.

Chad McGinnis of the 708 Board, gave his report. He stated \$375,000 was awarded to the Iroquois Mental Health Center. They also have \$10,000 set aside for student mental health and that application is being created. This will be open to all schools in the county.

POLICY & PROCEDURE

Chairman Shure gave the report of the Policy and Procedure Committee and moved for adoption. The motion was seconded and carried by a roll call vote.

County Board, Annual Session

September 13, A.D., 2022

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 1, 2022 at 9:00 A.M. Members present were County Board Chairman John Shure, Roger Bard and Barbara Offill. Lyle Behrends, Charlie Alt and Michael McTaggart were absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, County Engineer Joel Moore and Myron Munyon with Compass Insurance.

The meeting was called to order.

It was moved by Barbara Offill and seconded by Roger Bard to approve the agenda. Motion carried by a roll call vote.

There were no public comments.

The Committee Chairmen gave their monthly reports:

- Health Chairman Barbara Offill reported the Health Committee will hear their standard report from ICPHD and Animal Control.
- Tax/Planning & Zoning chairman Roger Bard reported the department heads will give their reports.

During Chairman Comments, County Board Chairman John Shure spoke about the book, "The 21 Indispensable Qualities of a Leader" written by John C. Maxwell. Shure said the book is currently being used by Iroquois Memorial Hospital staff and he would like to have copies purchased for the County's department heads. It was moved by Offill and seconded by Bard to purchase copies of The Indispensable Qualities of a Leader written by John C. Maxwell to distribute to department heads. A roll call vote was taken. Motion carried. Shure also expressed his displeasure with the County's liability carrier, ICRMT. There have been a couple of occasions where a representative was to be onsite for training but the trainings have been rescheduled. Last month a representative was to attend the Policy & Procedure meeting to review the employee manual with the committee but no one came to the meeting. Again today, no one is in attendance

from ICRMT. Myron Munyon with Compass Insurance added that he is the mouthpiece for the County and if there are issues, he will get in contact with ICRMT and find a solution.

Finance Manager Jill Johnson gave an update on the sexual harassment training. This year there is a video for all employees to watch and a certificate to be signed and returned. Employees may also watch the video on their own time. Current completion rate is at 60%. Johnson said she has sent email reminders to all employees. There are some departments, such as the County Board, that is lacking in completing the training and two departments haven't completed any of their training. Johnson added that while we may never achieve 100% completion, it would be good to keep our percentage above 85%. Johnson also commented that she sent emails to the Negotiations Committee about the upcoming negotiations meeting on September 28th. Upcoming trainings include Employment Practice Training on October 5th at 1:00 P.M. and Media Training on October 27th at 1:00 P.M.

Discussion on the personnel policy manual was tabled until the October meeting. Shure asked the committee to review the next 20 pages of the manual prior to the next meeting.

Appointments will be made at the County Board meeting.

Correspondence was reviewed with the committee.

There were no claims to review.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Offill and seconded by Bard to adjourn at 9:23 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

MANAGEMENT SERVICES

Mr. Behrends, Chairman of the Management Services Committee, gave the report of his committee. There was general discussion regarding the report, more specifically the claim from the Design Group in the amount of \$14,575. Mr. Ducat went back through several videos from prior meetings where Mr. Mahoney, of the Design Group, alluded that he was donating his time on the planning of the Animal Control Building. There was no contract with Mr. Mahoney for his services. It was moved by Mr. Ducat and seconded to remove from the report for separate consideration, the part of the last paragraph discussing Larry Mahoney with T&T and his invoice from the Design Group for \$14,575. The motion was seconded and carried by a roll call vote.

IROQUOIS COUNTY

County Board, Annual Session

September 13, A.D., 2022

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on September 7, 2022 at 1:00 P.M. Members present Lyle Behrends, Paul Ducat, Paul Bowers, Donna Crow and John Zumwalt. Kevin Bohlmann and Sherry Johnson were absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson, Treasurer Kurt Albers, Maintenance Supervisor Chris Drake, ETS Director Eric Raymond, Larry Mahoney with T&T Construction and Norvin Wager with United Prairie.

The meeting was called to order.

It was moved by Paul Bowers and seconded by Paul Ducat to approve the agenda.

Motion carried by a voice vote.

There were no public comments.

County Board Chairman John Shure was contacted by the Watseka Area Chamber of Commerce and requested the use of the Administrative Center parking lot for the Ghoulish Goblin Gathering and Trunk or Treat event on Saturday, October 22nd. It was moved by Bowers and seconded by Donna Crow to allow the Watseka Area Chamber of Commerce to utilize the Administrative Center parking lot for the Trunk of Treat event on Saturday, October 22nd.

Motion carried by a voice vote.

Bids for limestone on the County Farm were opened as follows:

- United Prairie: \$35.70 per ton, based on today's price
- United Prairie: \$5,449 total, based on today's price

Norvin Wagner with United Prairie recommended the committee select the per ton option with the prices given as of today. Mr. Wagner said the soil tests call for 130 tons of limestone. The committee discussed their options regarding pricing change and the possibility of storing the limestone at the County Highway Department to keep costs down. It was moved by Crow and seconded by John Zumwalt to approve the limestone bid submitted by United Prairie with a limit of \$1,000 overrun on product. A roll call vote was taken. Motion carried. The committee will contact County Engineer Joel Moore about the storage.

Bids for the County Farm tiling project were received. Management Services committee chairman Lyle Behrends said he has received many calls asking for additional information before bids are placed. Behrends would like to forego opening bids today and have the vendors re-submit their bids once all questions are answered. Brett Caise with Beaver Creek Farm Drainage LLC provided Behrends with a list of questions to be answered and his recommendations as follows:

- Contractors need to be bidding on the same product: virgin or recycled material. The committee selected recycled material.
- Watseka has a lot of sand. If the proposed line is close to what the Board is seeking, the potential contractor will be digging through some 201A Gilford Fine Sand and install very close to some 151A Ridgeville Fine Sand. The committee chose sand slot tile through the sand.
- The County is tax exempt.
- Condition of outlet: the committee selected stone around the outlet pipe.
- Fence line trees: Lidar Data indicates a potential tree line in the County's western field boundary. Contractors need to budget tree removal for 100 feet north and south of the main in order to keep roots out of the new tile. The committee agreed that trees would need to be removed within 100 feet.
- The existing tile will be a problem. Three solutions were offered. The committee chose to install a new main on one (south or north) side of the old main. Then run

a sub main along the opposite side of the trench to find existing tiles and hook them in.

- Old tile: committee chose to dig it up every 100 feet and crush it.
- Expected Grade on the tile: Mr. Caise recommended 18” narrow slot Repro smooth core tile with gaskets.

Behrends said the current bidders may pick up their bids from the County Board Office or leave their bid for the next bidding with new specifications. It was moved by Crow and seconded by Zumwalt to take no action on the County Farm tiling project bids received and return the bids unopened. The County Farm tiling project will be rebid with new specifications. A roll call vote was taken. Motion carried.

Maintenance Supervisor Chris Drake’s report included the following:

- The housekeeper, Susan Fortin, at the Administrative Center retired September 2nd. The new hire, Bridget Tobeck, will start September 12th.
- M & L Lawncare sprayed for weeds and bag worms.
- A new motor pump was ordered for the cooling tower.
- The raised gardens are in the process of being removed.
- Boilers have been serviced at the Administrative Center, Jail and Courthouse.
- Floors at the Courthouse have been stripped and waxed.
- Drake said he will begin purchasing salt soon.
- Air conditioning issues upstairs in the Courthouse are being resolved.
- Drake gave an update on his budget stating the Courthouse has 40% remaining in service contracts, 50% remaining in household supplies and 53% remaining in maintenance and repairs. The Administrative Center has 40% remaining in service contracts, 41% remaining in household supplies and \$44% remaining in maintenance and repairs.
- The Courthouse elevator is still having issues. An ARPA application has been submitted and will be discussed Friday. Ducat discussed placing the elevator contract out for bid. Drake said he will look at the current contract with Otis and provide information for a bid to be published.

The committee discussed the Administrative Center leases that are up for renewal. Finance Manager Jill Johnson provided the committee with a maintenance cost spreadsheet and a recommended per square foot rate of \$11.15. The current rental rates are \$7.50 per square foot for 911/ETSB and \$9 per square foot for Volunteer Services and Champaign County Regional Planning Commission. The Farm Services Agency contract is not up for renewal until August 31, 2024. The rental rates includes the cost of utilities, telephones and maintenance. Crow said she would like all renters, except Farm Services Agency, to be paying the same rent. ETS Director Eric Raymond added there are other factors that come into play when determining the rental rate for 911/ETSB. These include who is responsible for paying the telephone bill going forward and also the transfer amount into the General Fund. Raymond said budget discussions will be held tonight at the ETSB meeting. It was also noted that Rental revenue has dropped by approximately \$24,000 due to Headstart no longer being in the building. County Board Chairman John Shure recommended the rent for 911/ETSB remain as it is. The revenue they receive has not increased and may possibly decrease. Contract negotiations for the joint dispatch salaries will also be beginning soon. It was moved by Zumwalt and seconded by Crow to set the Administrative Center rental rate at \$9.50 per square foot for 911/ETSB and \$11 per square foot for Volunteer Services

and Champaign County Regional Planning Commission for three years. A roll call vote was taken. Behrends, aye; Ducat, abstain; Bowers, abstain; Crow, aye; Zumwalt, aye. Motion carried.

Shure provided an update on the Animal Control Building and Morgue. Shure said he has negotiated an extension on the closing until September 30th. Shure is currently investigating flood proofing for the building.

The committee discussed security at the Administrative Center. Treasurer Kurt Albers said after speaking with other office holders about their needs, he is going to move forward with the installation of cameras in the Treasurer's Office to be paid from his budget.

The committee reviewed the claims. It was moved by Ducat and seconded by Bowers to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried. *(The following was removed for separate consideration and sent back to committee for further action, per action taken by the full County Board at their September 13, 2022 Annual Session meeting.)* Larry Mahoney with T&T Construction inquired on whether his invoice that was submitted last month is included in the claims the committee just approved. His claim was tabled last month and a decision had not been made on which fund to pay the claim from. In regards to Mr. Mahoney donating his time for work on the Animal Control Building, he stated he offered to do all of the space planning but not the drawings or the bidding process. It was moved by Ducat and seconded by Zumwalt to table payment of the claim until the Management Services committee meeting recordings are reviewed. A roll call vote was taken. Behrends, nay; Ducat, aye; Bowers, nay; Crow, nay; Zumwalt, aye. Motion failed. It was moved by Bowers and seconded by Crow to pay the invoice submitted by The Design Group in the amount of \$14,575 from Capital Improvement funds. A roll call vote was taken. Behrends, aye; Ducat, nay; Bowers, aye; Crow, aye; Zumwalt, nay. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Ducat and seconded by Bowers to adjourn at 2:54 P.M. Motion carried.

County Board, Annual Session
September 13, A.D., 2022

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on September 6, 2022 at 9:00 A.M. Members present were Barbara Offill, Roger Bard and Jed Whitlow. Kevin Coughenour and Ernie Curtis were absent. Also present, EMA Director Eric Ceci and Finance Manager Jill Johnson.

The meeting was called to order.

It was moved by Roger Bard and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Bard and seconded by Whitlow to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

Finance Manager Jill Johnson reported the registration deposit for August was \$6,295. Three bats were submitted for testing and all tested negative for rabies. There are currently 9 open cases. These include 7 dogs waiting for placement, 1 open bite case and 1 dog breeding investigation. The Animal Control Officer's closed 24 cases. The closed cases consisted of 6 dogs running loose, 9 bite reports closed, 3 abandoned dogs, 3 relinquished dogs, 2 pick-ups from a car accident and 1 arrest assist.

EMA Director Eric Ceci reviewed the summary report of programs with the committee. Ceci noted there were 10 animal bites (5 cats, 5 dogs) for the month. There were 2 COVID-19 outbreaks occurring at long term care facilities. A press release was issued regarding the positive case of West Nile in Iroquois County. Health chairman Barbara Offill asked Ceci to explain how tobacco inspections are handled. Ceci said the tobacco inspections go hand-in-hand with restaurant inspections. When the Environmental Health staff are performing their inspections, they make sure tobacco ordinances are being enforced. Bard noted the community outreach events have increase from 34 in 2021 to 116 in 2022. Ceci explained these events increased due to staff availability away from COVID-19 contact tracing. These events include car seat safety, babysitter classes, hidden in plain sight and CPR classes. Bard also commented on the decrease of press releases. Ceci said most of the press releases in the previous year were COVID-19 related and press releases were being issued daily. Finance Manager Jill Johnson inquired about the community outreach position and if ICPHD Administrator Dee Schippert would be filling the position. Ceci said they are looking into redistributing some of these items to other staff members.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Whitlow and seconded by Bard to adjourn at 9:12 A.M. Motion carried by a voice vote.
All of which is respectfully submitted.

County Board, Annual Session
September 13, A.D., 2022

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 6, 2022 at 9:30 A.M. Members present were Roger Bard, Barbara Offill and Jed Whitlow. Chad McGinnis, Kevin Coughenour and Ernie Curtis were absent. Also present, Finance Manager Jill Johnson, Treasurer Kurt Albers, County Clerk Breein Suver, Supervisor of Assessments Bob Yergler, Assessment Deputy Clerk Michelle Lundmark, and EMA Director Eric Ceci.

The meeting was called to order.

It was moved by Jed Whitlow and seconded by Barbara Offill to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Offill and seconded by Whitlow to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

The department heads gave their monthly reports:

- Treasurer Kurt Albers reported the 2nd installment for property taxes is due September 9th. As of this morning, we've collected 79% of the taxes that were billed out.
- County Clerk Breein Suver reported her office has been working on the permanent vote by mail applications that were sent to all registered voters. There were a total of 17,878 letters sent and approximately 750 applications have been sent back. There are some applications that have been received where the individuals will need to be contacted if they've marked the box to get a ballot in all elections including those that include a party designation and they neglected to mark the party designation. The cost for this mailing, which includes postage, envelopes, wages and paper, was approximately \$12,000. Suver said there is discussion among clerks about not mailing these letters again. Suver will take the advice of State's Attorney Jim Devine. Suver's office has also been working on the consolidated election. Circulation begins on September 20th and filing is December 12th through December 19th. There is a request for proposal out for the election equipment and bids will be opened at the Finance meeting on September 8th. Suver will also be putting out a request for proposal for microfilm conversion and request American Rescue Plan Act (ARPA) funding. She showed the committee samples of film deterioration from vinegar syndrome. Suver informed the committee this will be a costly project. The original books are stored at the Old Courthouse Museum. These will be used for the scanning process to digitize the records. State archives wants there to be digital records and microfilm.
- Supervisor of Assessments Bob Yergler reported the office is moving forward with the 2022 assessment year. The two vacancies in the Assessment Office have been filled.

The Planning & Zoning report for August was distributed to the committee as follows:

- Building Permits – August 2022
 - Agriculture – 1
 - Residential – 6
 - Wind Towers – 0
- Building Permits – FY2022
 - Residential – 48
 - Agriculture – 12
 - Wind Towers – 0
- Building Inspections – August 2022
 - 6
- Zoning Board of Appeals hearing will be held on September 27th for Brandon and Alison Setty to rezone approximately 2 acres from A1 to RH1. The tract is located in Section 13, Concord Township, 27N, R 11 W. The

permanent identification number is 20-13-100-008. The tract is located at 3023 E County Highway 31, Donovan, IL 60931.

Yergler stated Chad McGinnis is looking into the low income housing matter. The matter was tabled until next month.

Suver presented a monthly resolution list showing one parcel being sold by the County trustee. The parcel is for the surrender of a certificate to the First Apostolic Church. This is property the church owns but owes the taxes. The total amount coming to the County is \$1,010.19. It was moved by Barbara Offill and seconded by Whitlow to approve the resolution authorizing the sale of property to First Apostolic Church. A roll call vote was taken. Motion carried.

During old business, Tax/Zoning Chairman Roger Bard asked Finance Manager Jill Johnson when Animal Control would be conducting another kennel inspection on Paulette Waltz in Donovan. Johnson informed the committee the kennel was inspected a few months ago and is not due for another inspection until next year. Bard reminded the committee that concrete was to be poured for the dog runs and this hasn't been done yet. Bard said we need to begin enforcing the ordinance. Johnson added that Ms. Waltz explained she was on a waiting list with a construction company. It was moved by Whitlow and seconded by Offill to send a letter to Paulette Waltz regarding the progress of her kennel. A roll call vote was taken. Motion carried.

During new business, Albers told the committee the County Trustee has lots available for sale. This will be handled by sealed bid. Books are available in the Treasurer's Office for \$4. Sealed bids are due September 23rd.

As there was no further business to come before the committee, it was moved by Whitlow and seconded by Offill to adjourn at 9:52 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

JUDICIAL & PUBLIC SAFETY

(The 911 & Probation reports have been recorded and placed on file in the County Clerk's Office.)

Mr. Behrends, Chairman of the Judicial & Public Safety Committee, gave the report of his committee. Mr. Ducat made a motion to remove the mileage claim for Ms. Kochenberger. Mr. Ducat asked about the claim for Ms. Kochenberger in the amount of \$3,276.73. He feels we are setting a standard and wants to know why the personal vehicle was driven and also wanted to know if she came home every day or if the county paid for a hotel room. Sheriff Perzee explained they were in a bad spot and did not have a vehicle available 10 of the weeks that it was needed and Ms. Kochenberger drove her own vehicle. She drove down on a Sunday and stayed in the hotel and came home on Friday each week. Mr. Ducat rescinded his motion. It was moved by Mr. Behrends and seconded to approve the Judicial & Public Safety report. The motion carried by a roll call vote.

Also present, County Board Chairman John Shure, Finance Manager Jill Johnson, Sheriff Clint Perzee, Coroner Bill Cheatum, Probation Supervisor Barb King, State's Attorney Jim Devine, ETS Director Eric Raymond and County Board member Donna Crow.

The meeting was called to order.

It was moved by Paul Ducat and seconded by Laverne Boettcher to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Perzee met with the Adani representative for the body scanner in mid-August. The shipping and installation date will be coming soon.
- Revised the Jail Arrest report that the officers fill out from a triplicate form to a computerized form that improves the information going to the State's Attorney on in-custody inmates.
- Two deputies graduated from the Police academy on August 12th and have started their 10 week field training.
- Cissna Park/Buckley contract can begin once they are on their own. Tentative start date is November 15th.
- Two ballistic shields were received from ILEAS after a grant was applied for. One deputy was sent to training for 40 hours to be able to train our deputies on the use of the shields.
- Merit Board interviews were completed with 3 candidates who passed the physical and written test. All 3 are certified by the Merit Board.
- One candidate was offered a position with the Sheriff's Department to fill the open position in Corrections due to a staff member being out on medical.
- Correctional Officer Gutierrez starts the 5 week Corrections Academy on September 12th. In 2023, the Corrections Academy will be 8 weeks and Police Academy will be 16 weeks, which is currently a 14 week academy.
- Sergeant Feller has completed range master training for rifle and pistol.

- In-house training approved through Illinois Training and Standards Board for active shooter training. Currently setting up dates for training all law enforcement in the County.
- 3 of 8 FLOCK cameras have been installed and are in use. Perzee said they are waiting on IDOT permits.
- Will be starting setup on new CAD/Jail/report writing/records system on September 17th.
- 59 arrests/intakes in August (42 male, 11 female, 3 male juveniles)
- August Jail population (average 22.71): 25 (22 male, 5 female, 0 juvenile males housed in Danville). 2 on ankle bracelet.
- August medical: 8 hospital/emergency room/prompt care visits this month, 31 mental health visit to the jail, 17 nurse practitioner visits (every other Thursday), 13 public health intake exams (every Thursday), 0 telephone assessments with Iroquois Memorial Hospital nurse practitioner for MAR, 2 dentist visits, 2 orthopedic visits at Gibson Orthopedics, 1 Carle Hand Ortho, 3 telehealth with nurse practitioner, 4 IMH x-rays.
- Jail overtime for August = 260 hours paid, 70 hours to comp)
- Part-time hours for August = 132.5
- Perzee met with Addiction Recovery Services in mid-August. They offered programs they would like to push out along with videos to be shown.
- Perzee gave an update on the housing of Champaign inmates. He said we are on their list if a need arises.

Coroner Bill Cheatum reported the pathologist that is used in Kankakee has a heavy caseload with Will County. Due to this, Cheatum said he has been asked to use Champaign County as an alternate. Cheatum explained their billing occurs on the 1st or 2nd of each month. The invoices Cheatum will submit to the Judicial committee for approval will be submitted in arrears due to their billing cycle. Cheatum discussed insurance liability requirements with the committee and State's Attorney Jim Devine regarding the Knapp Funeral Home. Judicial & Public Safety chairman Lyle Behrends stated it would also be a good idea to contact our insurance carrier. Lastly, Cheatum reported 2 confirmed overdoses.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for August with the committee. King reported the Probation department received a mileage and transportation grant beginning October 1st. The paperwork has not been received yet.

State's Attorney Jim Devine reported a resignation in his office. Assistant State's Attorney Alex O'Brien will be resigning effective September 16th and Assistant State's Attorney Mike Quinlan will be transitioning into that position. Devine will be advertising for the vacancy. Devine said he attended a meeting with the County's attorney in regards to the Iroquois County Public Health Department. The County's attorney has advised to everyone not to speak with the media.

ETS Director Eric Raymond distributed his monthly report to the committee. Raymond's new hire began August 6th.

There was no old business.

There was no new business.

The committee reviewed the claims. Ducat asked for an explanation on the mileage claim paid to Jessie Kochenberger in the amount of \$3,276.73. Perzee explained Ms. Kochenberger was given permission to drive her personal vehicle back and forth to the Police Academy due to a County vehicle not being available. It was moved by Boettcher seconded by Whitlow to pay the

Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried.

As there was no further business to come before the committee, it was moved by Ducat and seconded by Boettcher to adjourn the meeting at 3:35 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Annual Session
September 13, A.D., 2022

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on September 8, 2022 at 9:00 A.M. Members present were Michael McTaggart, Joe Young, Charlie Alt, Paul Bowers and Steve Huse. Ernie Curtis and Sherry Johnson were absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson, Sheriff Clint Perzee, County Clerk Breein Suver, Treasurer Kurt Albers, County Engineer Joel Moore, ETS Director Eric Raymond, Myron Munyon with Compass Insurance, Bob Spring and Josh Blackwell with ICRMT and Suzie Werner with HomeStar Insurance.

The meeting was called to order.

It was moved by Paul Bowers and seconded by Charlie Alt to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported on the cyber security policy renewal stating the cost has gone up extensively and he is waiting on an additional quote from ICRMT. Bob Spring and Josh Blackwell with ICRMT were in attendance to discuss the valuation of the County's buildings and to address any issues the County has. Mr. Spring said the full appraisal of real property was previously \$19.8 million and the new appraisal came in at \$36.6 million. The Old Courthouse Museum will need to be further discussed due to the significant increase. The property premium is showing an increase of \$25,198 due to the new values. Munyon will provide documentation on these values. County Board Chairman John Shure stated the County Board needs to review our obligation for the Old Courthouse Museum because it is listed on the national registrar. During the Policy & Procedure committee meeting, Shure voiced concerns about some of the trainings being scheduled and cancelled. Also, Shure said the Policy & Procedure committee reviewed the employee personnel manual and submitted the manual to ICRMT for their review. Shure would like someone to attend the Policy & Procedure meetings to discuss the recommended changes from ICRMT. Mr. Spring suggested the committee compile a list of question for their legal team. He also noted the County doesn't have to adopt their recommendations. Munyon said he would attend the meetings and submit notes as well.

Suzie Werner with HomeStar Insurance reported on the health renewal stating the current renewal rate is 9% but she has requested rate relief and is hoping for a 3% renewal rate. Delta Dental rates remain the same and the vision rates have not changed. EyeMed has offered a four year rate guarantee for vision. Werner said she can get a life insurance rate from Blue Cross Blue Shield as it will reduce our rate by 1%. She will also look into vision coverage through Blue Cross Blue Shield.

The department heads gave their monthly reports. They are as follows:

- Treasurer Kurt Albers reported the 2nd installment for property taxes is due September 9th. We've collected 79% of the taxes that were billed out. Also, the annual recycling event is being held Saturday, September 10th in the Riverside parking lot.
- Sheriff Clint Perzee reported he met with a Motorola representative on August 30th and viewed a coverage map with optional tower locations. They will continue researching other tower locations to provide better coverage. KC Communications is also looking for a better solution to our existing system. There have been 76 instances since April 13th where ICOM has had to contact on officer on their cell phone to reestablish contact and check status. Two deputies graduated the Police Academy on August 12th and have started their 10 week field training program. Perzee met with the Adani representative in mid-August and the body scanner should be shipped and installed soon. The Merit Board interviews were completed with 3 candidates who passed the physical and written test. All 3 are certified by the Merit Board. One candidate was offered a position with the Sheriff's Department to fill the open position in corrections due to a correctional officer being out on medical leave. His start date is September 12th and one correctional officer will begin their 5 week training. The Cissna Park/Buckley contract has been tendered to Buckley and Cissna Park. The contract was approved by the Buckley

board on September 6th with a tentative start date of November 15th due to field training of deputies. Buckley has a squad car with 180,000 miles, computer and mount available. Perzee will put together a purchase price.

- ETS Director Eric Raymond reported the ETSB Board met last night to discuss the FY2023 budget. Discussions will continue next month.
- County Clerk Breein Suver reported on the permanent vote by mail letters that were mail out to all registered voters. A total of 17,878 letters were mailed costing approximately \$12,000. Suver said she will get an opinion from State's Attorney Jim Devine on whether she has to mail these letters out again. A polling place accessibility grant was received and handicap voting booths will be purchased. Suver also reported on the condition of the microfilm in the County Clerk's Office. Suver will be addressing the ARPA committee about rescinding their resolution on digitizing microfilm and shift the focus on the microfilm that is deteriorating. Suver will put out a request for proposal for this project.
- Shure noted an FOP negotiations meeting is scheduled for September 28th at 1:00 P.M. No date has been set for telecommunicators.
- Finance Manager Jill Johnson reported the auditors are going through their review now. Johnson continues to work on the FY23 budget.

Election equipment and election services bids were opened as follows:

- Governmental Business Systems (current vendor): purchase of equipment cost is \$542,258.08. Leasing options are also available.
- Liberty Systems: purchase of equipment cost is \$462,875. A 1% discount will be applied if the balance is paid in full within 30 days. Leasing options are also available.

Suver said she would like the opportunity to review the bids before action is taken. It was moved by Michael McTaggart and seconded by Steve Huse to table action on bids for election equipment and election services until the October Finance meeting. Motion carried by a voice vote.

Johnson provided the committee with updated FY2023 budget changes. The budget has a current positive balance of \$31,517. This figure does not include changes to the liability numbers or health insurance numbers. Johnson explained the current wages under \$13 per hour are expected to receive a 4% increase, wages over \$13 per hour are expected to receive a 2.75% increase and the Highway Department wages are expected to receive a 2.5% increase. The tentative FY2023 shows a 5.5% wage increase for AFSCME employees and a 6% wage increase for Chief Deputies and Administrative Assistants. Johnson also said the Management committee took action on the rental leases for the Administrative Center and approved \$9.50 per square foot for 911/ETSB and \$11 per square foot for Volunteer Services and Champaign County Regional Planning Commission. A request from IEDA has not been received but Johnson left their amount at \$17,500. Also, the transfer to Joint Dispatch has not been determined but Johnson has the previous amount of \$120,000 entered. A \$20,000 transfer from the County Recorder's automation fund will be transferred to the General Fund. Albers told the committee he believes the revenue for Sales Tax can be increased. Several of the department heads pointed out the difficulties they are having in hiring new employees due to low beginning wages. Shure noted if the wages for AFSCME employees are increasing, then he believes Dave Hibben will need to be contacted due to the amount differing from the contract. The City of Watseka will be attending the next ETSB meeting with their portion to be transferred to the General Fund for Joint Dispatch. Items for

Public Safety funds will need to be finalized. An executive session will be held next month to discuss the wage increase for Finance Manager Jill Johnson and Executive Assistant Amanda Longfellow. Joe Young asked for an employee listing with current wages and tentative wage increases.

The committee reviewed the claims. It was moved by Alt and seconded by Young to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Bowers and seconded by Young to adjourn at 11:28 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Annual Session
September 13, A.D., 2022

Mr. Chairman and members of the County board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your committee met at the Iroquois County Highway Building on September 9, 2022 at 9:00 A.M. Members present were Charlie Alt, Joe Young, Paul Ducat, John Zumwalt and Donna Crow. Also present County Engineer Joel Moore.

The meeting was called to order.

There were no public comments.

It was moved by Joe Young and seconded by Paul Ducat to approve the agenda. Motion carried by a voice vote.

The claims and financial reports for the month were reviewed. It was moved by John Zumwalt and seconded by Ducat to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

County Highway	\$125,759.51
County Bridge	\$0.00
County Matching	\$96,560.85
TBP	\$0.00
County MFT	\$86,021.52
Township MFT	\$298,114.70

County Engineer Joel Moore presented resolutions for improvement by the County as follows:

- 21-18139-00-DR/22-06138-00-DR for a precast box culvert in Milford/Belmont. The estimated cost to the County is \$40,000. It was moved by Donna Crow and seconded by Ducat to adopt a Resolution for Improvement by County for 21-18139-00-DR/22-06138-00-DR for a precast box in Milford/Belmont. A roll call vote was taken. Motion carried.
- 22-12106-01-DR for 114” EQRS pipe in Fountain Creek. The estimated cost to the County is \$20,000. It was moved by Young and seconded by Zumwalt to adopt a Resolution for Improvement by County for 22-12106-01-DR for EQRS pipe in Fountain Creek. A roll call vote was taken. Motion carried.

During new business, Moore said he is working out the details with the Livingston County Engineer on the purchase of a boom mower. Moore said Livingston County is considering purchasing the mower and Moore will rent from them.

Also during new business, Zumwalt informed Moore the Management committee accepted limestone bids for the County Farm on Wednesday and there was discussion on storing the

limestone at the Highway Department. Moore agreed with the storage and asked to be contacted when the limestone is being delivered.

Lastly, Young inquired on the status of the Woodland/Onarga Road (1400 N). Due to number of recurring accidents, Young asked if rumble strips could be put in. Moore said he is letting the State take the lead on this and believes rumble strips will cause issues with surrounding homes. Young asked that a letter be sent to the State encouraging them to further look into this intersection. Moore will keep the committee updated.

There was no old business.

As there was no further business to come before the committee, it was moved by Ducat and seconded by Crow to adjourn at 9:41 A.M. Motion carried by a voice vote.

County Board, Annual Session
September 13, A.D., 2022

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **American Rescue Plan Act (ARPA)** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 9, 2022 at 10:05 A.M. Members present were Paul Ducat, Charlie Alt, Barbara Offill, Donna Crow and John Shure. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, Maintenance Supervisor Chris Drake, Bread Basket Food Pantry representative Sonia Bradley, City of Gilman representative Rick Theesfeld, Hometown Family Foods representative David Trumble, Village of Clifton representatives Ben Potts and Randy Gigl, Village of Buckley representatives Keith Hartke and Donald Miller, Whiskey Creek Drainage District representatives Richard Schmid and Garrett Beebe, Village of Woodland representatives Dustin Styck and Kathy Edwards and Papineau Township representatives Ryan Boone and Rodney DeWitt.

The meeting was called to order.

It was moved by John Shure and seconded by Barbara Offill to approve the agenda. Motion carried by a voice vote.

During public comments, County Clerk Breein Suver stated she has been addressing all of the committees about the condition of the microfilm in the County Clerk's Office. The County Board had previously approve a resolution to digitize microfilm for the years 1980-1989 for a cost of \$76,728.50. Suver said she is asking the County Board to rescind that resolution and allow her to handle land records dating back to 1835 due to their deterioration from vinegar syndrome. Suver will put out request for proposals for this project and expects the possibility of the cost to be approximately \$300,000. Suver added originals are held at the Old Courthouse Museum and a second set of copies is at the state archives. Suver also noted the bids for election equipment were opened at the recent Finance meeting. Suver said action will be taken at next month's Finance meeting once she has had an opportunity to compare the bids.

The committee began their review of the ARPA applications as follows:

- Application #103 – Sheriff's Department. Maintenance Supervisor Chris Drake presented the application in the amount of \$200,000 for the elevator at the Courthouse. Drake explained the cost includes a replacement jack and a door control package. The hydraulic tank will be replaced with something smaller and other costs could be involved if a drilling company is called for assistance. The committee discussed funding a partial amount for the elevator with ARPA funds and the remaining from Public Safety Tax funds. ARPA chairman Paul Ducat added he would like to see a cement pad be poured below the elevator. It was

moved by Shure and seconded by Offill to adopt a resolution approving the application received for the Courthouse elevator in the amount of \$148,630. A roll call vote was taken. Motion carried. If further costs are associated with the project, the committee will review these costs and make a decision on how to pay the remaining balance.

- Application #34 – Bread Basket Food Pantry. Sonia Bradley submitted quotes for 2 freezers per the committee’s request. Kingdon’s in Watseka quoted \$1,179.96 for a 20 cubic feet freezer with free delivery. A vendor in Cissna Park quoted \$1,099.96 for a 20 cubic feet freezer with free delivery. Lowe’s quoted \$799 for an 18.5 cubic feet freezer with free delivery. It was moved by Crow and seconded by Alt to adopt a resolution approving the application received from the Bread Basket Food Pantry in the amount of \$2,359.92 for the purchase of two freezers with free delivery from Kingdon’s in Watseka. A roll call vote was taken. Motion carried.
- Application # 47 – City of Gilman. Their application in the amount of \$250,000 is for replacement of sewer system lines. Mayor Rick Theesfeld explained current sewer lines are very deteriorated. Ducat confirmed that if a portion of the project was funded by ARPA funds, the City of Gilman would be able to fund the remaining balance. It was moved by Shure and seconded by Charlie Alt to adopt a resolution approving the application received from the City of Gilman in the amount of \$100,000 for their sewer project. A roll call vote was taken. Motion carried.
- Application #76 – Hometown Family Foods-Gilman. Their application in the amount of \$17,748 is to fund parking lot repair. David Trumble provided the committee with two quotes for the repairs but stated he’s unsure if the work will be completed this year due to the work that is happening in the City of Gilman. Finance Manager Jill Johnson suggested the committee approve a bid to lock in the rate and Hometown Family Food will be responsible for paying the remaining balance if the cost changes at a later date. It was moved by Offill and seconded by Crow to adopt a resolution approving the application received from Hometown Family Foods in Gilman in the amount of \$17,748 for parking lot repairs. A roll call vote was taken. Motion carried.
- Application #89 & #90 – Village of Clifton. Their applications totaling \$99,800 is for sewer sludge removal and water tower cleaning and pumps. Quotes for the project were requested. The Village of Clifton provided the committee with quotes for a pool liner but an application has not been submitted for this project. During discussion, representatives of the Village of Clifton informed the committee the pool liner project is the most important at this time. They will fill out an application and the committee will review this next month. The committee will also forward information about pool liners to the Village of Clifton.
- Application #66 – Village of Buckley. Their application is for drainage tile. Representatives for the Village of Buckley provided quotes for the drainage tile. The committee requested further information on the bids in regards to the tile being recycled or new. They will attend the next meeting with this information.

- Application #108 – Fountain Creek. Their application is for the replacement of drainage tile and cleaning. The committee requested two bids for the project and information on the type of tile. These items will be reviewed next month.
- Application #98 – Whiskey Creek Drainage District. Their application is for drainage tile. The committee requested a second quote for the tile and clarification on whether the tile will be new or recycled.
- Application #101 – Village of Woodland. Their application is for the purchase of a tractor/backhoe. Dustin Styck with the Village of Woodland explained the cost to have others complete their work versus purchasing their own tractor would, in turn, pay for the equipment. The committee requested two bids and their last two years’ financials. The committee also suggested Mr. Styck contact County Engineer Joel Moore to see if he has any equipment for sale.
- Application #104 – Papineau Township. Their application is to extend their township building. Representatives of Papineau Township said this extension to their building would allow room to store their equipment. Shure questioned the lumber and steel being used for the project. The committee requested a materials list and new quotes for next months’ meeting.
- Application #109 – Charles Alt Trust. The application is for drainage tile replacement. Offill expressed her concern about the application being a conflict of interest. The committee requested a second bid for the project and they will also contact State’s Attorney Jim Devine regarding the conflict of interest.

There was no old business.

During new business, the committee scheduled the next ARPA committee meeting for October 3rd at 10:00 A.M.

As there was no further business to come before the committee, it was moved by Alt and seconded by Shure to adjourn at 12:23 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

OLD BUSINESS

There was discussion regarding the SAFE-T Act which was passed by the General Assembly late last year. The County Board passed a Resolution earlier in 2022 which demanded the repeal of the legislation. Mrs. Crow felt with the timeline closing in on the enforcement of this Act, the County Board should look to send another resolution in opposition to the original piece

of legislation or the trailer bill. It was noted that there are other counties of the same opinion that this legislation is bad for everyone.

NEW BUSINESS

There was no new business.

ADJOURNMENT

As there was no further business to come before the Board, it was moved by Mr. McTaggart and seconded to adjourn the meeting at 10:53 A.M. The motion carried by a voice vote. The next County Board meeting will be held in Watseka, IL on Tuesday, October 11, 2022 at 9 A.M.
