PUBLIC COMMENTS

Jennifer Ingram, Superintendent of the Veterans Assistance Commission of Iroquois County reported that \$ 2.9 million in revenue has been collected in claims for Iroquois County veterans. This doubles the amount that was awarded to local veterans and their families last year.

CHAIRMAN COMMENTS

There were no Chairman comments.

OUTSIDE ORGANIZATION REPORTS

Angel Crawford, Executive Director for Iroquois Economic Development Association, read her monthly IEDA report. Crawford announced 6 more awards going to Iroquois County businesses and organizations for the B2B Creative Arts Grant. There are a total 17 businesses and organizations throughout Iroquois County that have benefited by applying for and receiving these grants; in total \$334,330.21 has been received by these businesses. Ms. Crawford spoke about the Watseka Chamber of Commerce and their mission to help advance local businesses and organizations. In closing, she mentioned many upcoming events that would be taking place throughout Iroquois County for the upcoming holiday season.

**POLICY & PROCEDURE,
RESOLUTION NO. R2023-44
RESOLUTION OF THE COUNTY BOARD OF IROQUOIS COUNTY

**STATE OF ILLINOIS
IROQUOIS COUNTY**

County Board, Recessed Session
November 14, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on November 2, 2023 at 9:00 A.M. Members present were County Board Chairman John Shure, Paul Ducat, Lyle Behrends, Charlie Alt, Barbara Offill and Jed Whitlow. Michael McTaggart was absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, EMA Director Scott Anderson and County Board member Doug Geiger.

The meeting was called to order.

It was moved by Lyle Behrends and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

EMA Director Scott Anderson distributed his monthly report to the committee.

- There were no incidents to report.
- The Iroquois County Natural Hazard Mitigation Plan continues to progress. Anderson explained that there were questions regarding the actual plan cost versus what was approved at last month's Policy & Procedure meeting. Further discussion will be held later in the meeting.
- Anderson continues to file the necessary quarterly reports and the final payment request for the EMP grant that concluded on September 30th was filed. The payment should be \$587.83. The new EMP grant has been filed and began on October 1st.

- Anderson attended in-person and online trainings that qualify him to receive certificates in the following:
 - IS-00235.c: Emergency Planning
 - IEMA – Emergency Planning Process
 - IS-00908: Emergency Management for Senior Officials
 - IS-02200: Basic Emergency Operations Center Functions
- The Local Emergency Planning Committee (LEPC) met on Wednesday, October 11th. There were discussions in regards to a tabletop training exercise that should be held in the spring. This type of training will assist EMA in satisfying a deliverable requirement needed to stay compliant with our EMP grant. The next scheduled meeting is November 8th. Anderson attended the monthly Mutual Aid Fire Association meeting at the Beaver Township Fire Department on October 25th and reported on the status of the Hazard Mitigation Plan and the need for as many of the County entities to EMA as volunteers. Discussion was also held about being one of the backup communication locations in case ICOM and KANCOMM are unable to provide service to the County. The ICARC voted to spend over \$2,000 from the clubs account on equipment that will improve their abilities to provide the needed communications backup to the County, if the need arises.
- On October 17th, Iroquois County was recognized as a NOAA Weather-Ready Nation Ambassador. EMA is committing to working with NOAA and other Ambassadors to strengthen national resilience against extreme weather. It is one of the steps that needed to be accomplished in the path to becoming a recognized StormReady County within the state. Currently, there are only 38 other counties within Illinois that have earned the designation.
- Anderson reported he is completing a hazardous weather annex for the County Emergency Operations Plan. The purpose of this annex is to outline the organization, responsibilities, operational concepts and procedures for response to actual and/or forecasted severe weather emergencies in order to get time-critical, lifesaving severe weather warning to the people of Iroquois County in the most expeditious manner.
- The Hyper-Reach notification system is a system that the County pays \$6,300 for annually. This messaging system can be utilized to send out emergency notifications to targeted areas that are defined by the person needing to advise individuals within a specific area or it can be used to send out county wide notifications. Anderson continues to utilize this system and will be sending out a county wide test message that coincides with the monthly warning siren test.
- Anderson informed the committee when he assumed this position on August 1st, EMA had one active volunteer, Michael Johnson. Michael Johnson was also the Assistant EMA Coordinator and has been with EMA for 23 years. He has since retired and moved out of state. EMA also had four other active volunteers that stopped attending meetings and trainings. Anderson has reached out to them and they have agreed to return to active status. Volunteer numbers have increased to 10 with a few applications still outstanding. A meeting is scheduled for November 15th.
- Anderson continues to post to the Iroquois County EMA Facebook page on a semi-regular basis. Items shared include information from the National Weather Service

and timely incident notifications and information that is important to the residents of the County.

- Anderson reported he has begun organizing and redesigning the radio room within the EOC. Plans are currently underway to add an additional radio to the EOC that operates within the amateur radio (HAM) bands. This will allow for “if all else fails” emergency communications. Anderson said his goal is to be able to achieve communications outside the County, primarily with the State Emergency Operations Center in Springfield if all other means of communications fail. A different antenna is required on top of the be part of the process. Anderson also shared the proposed “Spiller Pays” ordinance, which was well received. Anderson also attended the monthly Iroquois County Amateur Radio Club (ICARC) meeting on October 26th. Anderson reported he has received applications from a few members to join
- Courthouse. This project has the full support of Sheriff Clint Perzee and the maintenance department.

County Board Chairman John Shure provided further information regarding the Hazard Mitigation Plan stating bids were opened last month and the committee approved American Environmental Corporation’s bid in the amount of \$55,903.20. However, the contract we received for signatures did not have the correct dollar amount. Emails between the vendor and the County Board Office determined the difference in the amount is administrative charges and should be handled separately. Anderson added the grant for the Hazard Mitigation Plan was awarded in full prior to the submission of bids and the vendors were not aware of this amount. It is expected for the entity to use the entire grant amount. Shure requested American Environmental Corporation draft new contracts that reflect the bid amount approved and the administrative charges.

The Committee Chairs gave their monthly reports:

- Management Chairman Lyle Behrends reported the committee will receive their normal monthly reports and receive an update on the morgue.
- ARPA Chairman Paul Ducat reported the committee will continue reviewing the remaining applications.
- Health Chairman Barbara Offill reported the Health Committee will hear their standard reports.
- Tax/Planning & Zoning Chairman Paul Ducat reported the Tax/Planning & Zoning Committee will hear their regular reports and discuss the 2023 levy.
- Judicial Chairman Jed Whitlow reported the committee will hear their standard reports from the department heads.
- The Finance Committee will be finalizing the FY2024 budget.
- Highway Chairman Charlie Alt reported the committee will review and approve claims and hear their regular reports. Also, one vacancy has been filled in the Maintenance Department. The committee will also take action on a resolution for the County Engineer’s salary.

Finance Manager Jill Johnson provided an update on sexual harassment training stating the completion rate is at 92%.

County Clerk Breein Suver provided the committee with the holiday schedule and board meeting schedule for 2024. It was moved by Ducat and seconded by Offill to approve the holiday schedule for 2024. Motion carried by a voice vote. It was moved by Ducat and seconded by Whitlow to approve the County Board meeting schedule for 2024. Motion carried by a voice vote.

Shure said it was brought to his attention that there's a need for updating our building codes and there may be a grant available. Chapter 8 of our County Code is Buildings and Building Regulations. Shure recommended the Tax/Planning & Zoning committee look into the grant situation and report back to the Policy & Procedure committee.

The committee continued their review of the County Code Book. Revisions are as follows:

- Sec. 6-201 Procedure
 - (e.) Increase Public Safety fine to \$150, if dog is found to be a vicious dog.
- Sec. 6-228 Dangerous dog determination
 - (d.) (1.) Increase public safety fine fee to \$100 if dog is deemed dangerous.

Appointments will be made at the County Board meeting.

The committee reviewed the claims. It was moved by Offill and seconded by Behrends to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

Correspondence was distributed to the committee. Reimbursement was received from UCCI for meetings attended.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Offill and seconded by Behrends to adjourn at 10:31 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

MANAGEMENT SERVICES

(The Site Engineering Proposal from MG2A has been recorded and placed on file in the County Clerk's Office)

Mr. Behrends, Chairman of the Management Services Committee, gave the report of his committee. At this time the Board discussed the need for a fence at the Animal Control Building, which would give the dogs a safe place to run. It was noted that \$58,000 in grant money is available for the project. The project was put out for bid several months ago; one bid was received but rejected by the full County Board. The fence needs to be enclosed and deep enough that dogs are unable to dig under the fence. It was consensus of the Board that this discussion would be added to Management Services agenda for month of December. Chairman Shure noted that approval of the Management Services Committee report would approve the formal site engineering proposal from MG2A for the Morgue. He confirmed that the proposal was in the packets that were provided to the Board and entertained any questions regarding the proposal. As there were no questions about the proposal, it was moved by Mr. Behrends and seconded to approve the Management Services Committee report which included the site engineering report from MG2A. The motion carried by a roll call vote.

Recessed Session, November 14, 2023

Chairman Shure

On motion to approve the Management Services Committee report

Aye: Alt, Behrends, Bence, Bowers, Crow, Ducat, Huse, McGinnis, Offill, Shure, Watts, Whitlow, Williams, Zumwalt

Absent: Geiger, McTaggart

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
November 14, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on November 6, 2023 at 9:00 A.M. Members present Lyle Behrends, Paul Bowers, Donna Crow and John Zumwalt. Mitchell Bence was absent. Also present County Board Chairman John Shure, Finance Manager Jill Johnson and County Board member Charlie Alt.

The meeting was called to order.

It was moved by Donna Crow and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Discussion was held on the County Farm and the farm report provided by Walker Farms was distributed to the committee. The committee also revisited the bid opening process for the County Farm. Management chairman Lyle Behrends asked the committee for their input on using the online database for the bid opening process or if they would prefer using the method in place. Crow stated she likes the idea of the electronic bidding but would like to make sure the process is timed appropriately so that action can be taken on the bids during the Management meeting. This process will also reach a much larger audience but Crow said she wasn't opposed to using the bidding process currently in place. Paul Bowers added that if he were a tenant, he would prefer the current bidding process. Zumwalt said he would also prefer to stay with the current bidding process. When the bidding is done electronically, you may see a lot of absentee land owners with little to no experience. The consensus of the committee is to leave the bidding process as is and revisit the matter when the next contract is up. Zumwalt asked that the committee spend more effort advertising when the County Farm contract is going out for bid. This may increase the number of bidders we receive. It was suggested to print flyers and mail them to local elevators and financial institutions to post on their community bulletin boards. The notice will also be posted on the County's website and in local newspapers.

Continued discussion was held on the morgue. An architect was approved last month and progress is being made. Preliminary details should be available to the committee within the next week. Shure provided copies of proposals from Piggush Engineering and MG2A. From a cost standpoint, MG2A is within the budgeted amount and Shure said he didn't think Piggush Engineering was interested in taking on the project at this time. MG2A has been asked to submit a more formal proposal. Shure recommends MG2A be approved for the site engineering. Also, Shure would like the committee to consider authorizing Lyle Behrends, Doug Geiger and himself to act as general contractors on behalf of the County Board to be able to expedite the project. Geiger and Shure met with State's Attorney Jim Devine about the matter and Devine agreed there would be no issue with this arrangement. Shure said the project would still be put out for bid and

the bids would be opened before the committee with full approval by the County Board. Regular updates to the committee will be provided in the meantime. It was moved by Bowers and seconded by Crow to approve MG2A for the site engineering work, subject to receiving a formal proposal. A roll call vote was taken. Motion carried. It was moved by Zumwalt and seconded by Bowers to authorize Lyle Behrends, Doug Geiger and John Shure to represent the County Board as the general contractor for the morgue project. A roll call vote was taken. Motion carried.

There were no updates on the Animal Control building. Zumwalt expressed concern that he stopped by the Animal Control building and dogs were in offices instead of in kennels. Finance Manager Jill Johnson explained when the animal control wardens are cleaning, they will put the animals in offices. This also allows them to run and get their energy out since the building doesn't have a fenced in area.

The committee reviewed the claims. It was moved by Zumwalt and seconded by Bowers to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Zumwalt asked the committee to consider rebidding the Grant Street drainage project but extend the completion date through next September. The committee agreed to use the same bid proposal but extend the dates. Shure suggested adding a penalty for non-compliance if the work isn't completed by the required date. Behrends said we could request the vendor notify us as to why the work is not complete or the committee could ask State's Attorney Jim Devine for language to add to the bid proposal.

There was no new business.

As there was no further business to come before the committee, it was moved by Zumwalt and seconded by Bowers to adjourn at 9:40 A.M. Motion carried.

All of which is respectfully submitted

s/Lyle Behrends
s/Paul Bowers
s/Donna Crow
s/John Zumwalt

**ARPA
&
RESOLUTION NO. R2023-46
AUTHORIZING EXPENDITURE FROM FY2023-AMERICAN RESCUE PLAN FUND
TO WATSEKA PARK DISTRICT-AID TO NONPROFIT ORGANIZATIONS**

Mr. Ducat, Chairman of the ARPA Committee, gave the report of his committee and presented Resolution No. R2023-46 for approval. He moved for adoption of both, which was seconded and carried by a roll call vote.

Absent: Geiger, McTaggart

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
November 14, A.D., 2023

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **American Rescue Plan Act (ARPA)** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on November 6, 2023 at 10:00 A.M. Members present were Paul Ducat, Charlie Alt, Donna Crow, Barbara Offill and John Shure. Also present, Finance Manager Jill Johnson, Sherry Johnson with Watseka Park District, Supervisor of Assessments Mia McCammon and County Engineer Greg Perkinson.

The meeting was called to order.

It was moved by Donna Crow and seconded by Charlie Alt to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The committee continued their review of ARPA applications as follows:

- Application #99 – Watseka Park District. An amended application was submitted requesting funds for the purchase of a van for their after school and toddler programs. Watseka Park District is also requesting funds for a new air conditioning unit for their main office. Sherry Johnson with Watseka Park District provided pricing from a local dealership for the purchase of a van in the amount of \$46,525. Johnson also provided a proposal for the air conditioning unit in the amount of \$11,645. Johnson stated the Watseka Park District is able to fund the heating and cooling project and believes purchasing a van is higher priority. It was moved by Crow and seconded by Barbara Offill to adopt a resolution awarding \$46,525 to the Watseka Park District. A roll call vote was taken. Motion carried.
- Applications #130 and #131 – Assessment Office for Devnet/CAMA software and property parcel digitization work. Supervisor of Assessments Mia McCammon reported the request for proposals should be finalized today. Once the request for proposals are complete, they will be posted on the County's website and sent to vendors. Bids are due November 27th and will be opened at the December Tax/Planning & Zoning committee meeting.
- Application #92 – Iroquois County Morgue. Crow reported action was taken during the Management committee to hire MG2A, an architect from Kankakee, for the site engineering work. County Board Chairman John Shure, Lyle Behrends and Doug Geiger were appointed to handle the day to day decisions and keep the Management committee updated.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Offill and seconded by Shure to adjourn at 10:15 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

RESOLUTION R2023-46
AUTHORIZING EXPENDITURE FROM FY2023-AMERICAN RESCUE PLAN FUND
TO WATSEKA PARK DISTRICT-AID TO NONPROFIT ORGANIZATIONS

WHEREAS, the American Rescue Plan Act of 2021 was signed into law on March 11, 2021 by the President of the United States; and

WHEREAS, the American Rescue Plan Act of 2021 provides funds to help states, territories, counties, cities, and tribal governments cover increased expenditures, replenish lost revenue, and mitigate economic harm from the COVID-19 pandemic; and

WHEREAS, The Watseka Park District submitted a request for Aid to Nonprofit Organizations.

WHEREAS, at the ARPA Committee Meeting on November 6, 2023, after discussion, review and consideration, the committee recommended approval not to exceed \$46,525.00 to Watseka Park District to provide funding for Aid to Nonprofit Organizations; and

WHEREAS, this expenditure qualifies for funding from FY2023 American Rescue Plan Fund under Negative Economic Impacts 2.10 for Aid to Nonprofit Organizations; and

WHEREAS, the FY2022 American Rescue Plan Fund shall be adjusted to reflect the transfer.

NOW, THEREFORE, BE IT RESOLVED by the Iroquois County Board after review, discussion, and consideration, the Iroquois County Board approves a reimbursement up to \$46,525.00 meeting the criteria above from the American Rescue Plan Fund to Watseka Park District for Aid to Nonprofit Organizations due to the Covid-19 public health emergency under section 2.10 of Negative Economic Impacts.

Passed and approved this 14 day of November 2023.

Absent: Geiger, McTaggart

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session

November 14, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on November 7, 2023 at 9:04 A.M. Members present were Barbara Offill, Steve Huse and Jed Whitlow. Paul Ducat and Doug Geiger were absent. Also present, County Board Chairman John Shure, Finance Manager Jill Johnson and ICPHD Administrator Eric Ceci.

The meeting was called to order.

It was moved by Steve Huse and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Jed Whitlow and seconded by Huse to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

Finance Manager Jill Johnson reported the registration deposit for October was \$4,620. There are 4 cases currently open with 8 cats and 3 dogs waiting for placement. The Animal Control Officers closed 27 cases in October. The closed cases consisted of 9 dogs running loose, 8 bite reports, 3 well checks, 2 dogs hit by a car, 1 dog involved in a house fire, 1 aggressive dog investigation and 3 abandoned dogs. Health chairman Barbara Offill requested an update on the bite case in Sheldon. Johnson stated this was a first offense for the dog and was considered a provoked bite due to the child entering the dogs fenced in area. The owners fully complied by having the dog seen by a veterinarian and having the dog quarantined. The dog was also up to date on its vaccinations. No further updates were received.

ICPHD Administrator Eric Ceci gave an update on a grant that has been received that includes a new program for tick surveillance. This will begin next spring. An additional ICPHD staff member has been sent for lead training. Currently, Ceci is the only licensed lead inspector at the health department. Ceci reported on a sewage issue at the Timbered Meadows campground

stating a few years ago an unlicensed contractor installed a number of holding tanks that failed. ICPHD is working with the Illinois Department of Public Health and their environmental health department, the owner of the campground and the two contractors involved. The matter is being resolved and warning letters will be sent out to the contractors. Ceci distributed the monthly summary report of programs. Environmental Health reported 41 food inspections and issued 13 temporary permits. There is still one vacancy in the Environmental Health department.

Community Health reported an increase in immunizations. There were 5 animal bites. There was 1 COVID-19 outbreak in a long-term care facility and 1 norovirus outbreak in a long-term care facility. No new tuberculosis cases were reported. There were many community outreach events for the month, including narcan training and educational presentations. Vision and hearing screenings continue to increase as school is in session. Senior Services has a total client caseload of 192 clients.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Huse and seconded by Whitlow to adjourn at 9:17 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Chairman Shure

On motion to approve the Tax/ Planning & Zoning Committee report and Resolutions R2023-47 through R2023-72.

Aye: Alt, Behrends, Bence, Bowers, Crow, Ducat, Huse, McGinnis, Offill, Shure, Whitlow, Williams, Zumwalt

Nay: Watts

Absent: Geiger, McTaggart

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
November 14, A.D., 2023

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on November 7, 2023 at 9:30 A.M. Members present were Barbara Offill, Steve Huse and Jed Whitlow. Paul Ducat and Doug Geiger were absent. Also present, County Board Chairman John Shure, Finance Manager Jill Johnson, County Clerk Breein Suver, Supervisor of Assessment Mia McCammon, Planning & Zoning Administrator Julie Feller and ICPHD Administrator Eric Ceci.

The meeting was called to order.

It was moved by Jed Whitlow and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Huse and seconded by Whitlow to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

The department heads gave their monthly reports:

- County Clerk Breein Suver reported filing is going to begin at the end of this month for County Board, State's Attorney, Coroner, Circuit Clerk and Precinct Committee people. A demonstration of the new election equipment is being held in the County Board Room on November 20th for all election judges and Township Supervisors who help setup the equipment. Levies are still coming into the County Clerk's Office. Suver discussed the County's levy that will be discussed during today's meeting stating if the worksheets provided today are approved as is, they exceed 105% which will trigger a truth in taxation hearing. The committee will need to ensure there is plenty of time for the notice to be published and if there are any changes, a second notice will need to be published. Lastly, Suver reported the annual tax sale was moved from October 30th to December 7th due to errors in the posting of tax payments.
- Supervisor of Assessment Mia McCammon provided copies of the request for proposals for the CAMA system and for the aerial flyover. These will be posted to the County's website and sent to vendors today. Proposals must be returned by November 27th and will be opened at the December meeting. McCammon said she is still looking for a Board of Review member. The individual needs to be a democrat or independent. The Assessment Office is currently working on divisions and consolidations. These have to be finished before the equalization process. McCammon anticipates the equalization to be the high number on the levy worksheets. Middleport has contracted with Loda Township Assessor Jim Shearl. McCammon hopes they can begin getting things assessed properly and on a timely basis. Belmont is still without an assessor. Once the equalization process is

complete, McCammon plans to work with County Board Chairman John Shure and State's Attorney Jim Devine to develop a plan for the townships choosing not to get a township assessor and begin charging a fee.

- Planning & Zoning Administrator Julie Feller presented her monthly report to the committee as follows:
 - Building Permits – October 2023
 - Agriculture – 1
 - Residential – 10
 - Wind Towers – 0
 - Solar Field – 0
 - Solicitor Applications – 2
 - Solicitor License – 3
 - Building Permits – FY2023
 - Residential – 109
 - Agriculture – 17
 - Wind Towers – 0
 - Solar Field – 0
 - Solicitor License – 4
 - Building Inspections – October 2023
 - 65

Feller reported more fees are being collected this year compared to last year. Feller believes this is due to building costs decreasing and it is more affordable for people to build. Overall from last year, there is an increase of approximately \$16,000. There is a Zoning Board of Appeals Hearing on November 28th for Central Body for conditional use.

In a prior meeting, the committee requested Feller to be clearer in the definition regarding when a building permit is needed. Feller met with Devine on the necessary changes and Devine agreed the changes could be made in a text amendment. Feller provided the committee with copies of the changes. It was moved by Huse and seconded by Whitlow to move forward with the proposed ordinance changes. A roll call vote was taken. Motion carried.

Suver presented a monthly resolution list of parcels provided by the County trustee that were sold through their auction process held in September. In total, there were 26 parcels sold. It was moved by Whitlow and seconded by Huse to approve the resolutions authorizing the sale of property through the delinquent tax process. A roll call vote was taken. Motion carried.

Discussion was held on the 2023 levy and worksheets were provided to the committee for their review. It was moved by Whitlow and seconded by Huse to accept the 2023 levy using the high rate of \$758,521,050. Shure reminded the committee that by accepting this option, a truth in taxation hearing will need to be scheduled. Finance Manager Jill Johnson added she does anticipate a change due to the final distribution from the Treasurer's Office not being reflected in the total. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Whitlow and seconded by Huse to adjourn at 9:47 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

s/Barbara Offill
s/Steve Huse
s/Jed Whitlow

**DISCUSSION AND ACTION ON SETTING A TRUTH IN TAXATION PUBLIC
HEARING FOR THE 2023 PAYABLE 2024 TAX YEAR LEVY**

The Board discussed the Annual Tax Levy. It was decided at the Tax Committee to move forward with a high estimated EAV of \$758,521.050. Based on the levy requests, this would cause the County to levy at 108.19% of the previous years extension and requires a Truth in Taxation public hearing before the levy can be adopted. It was moved by Mr. Behrends and seconded to schedule the Truth in Taxation public hearing on Thursday December 7, 2023 at 11AM after the Finance Committee meeting. The motion carried by a roll call vote.

**STATE OF ILLINOIS
IROQUOIS COUNTY**

Roll call and vote in Iroquois County

Recessed Session, November 14, 2023

Absent: Geiger, McTaggart

**STATE OF ILLINOIS
IROQUOIS COUNTY**

County Board, Recessed Session
November 14, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on November 8, 2023 at 3:00 P.M. Members present were Jed Whitlow, Steve Huse, Mitchell Bence, Scott Watts and Raymond Williams. Also present, County Board Chairman John Shure, Sheriff Clint Perzee, Coroner Bill Cheatum, Probation Supervisor Barb King, State's Attorney Jim Devine, Circuit Clerk Lisa Hines, ETS Director Eric Raymond and Susan Wynn Bence.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Scott Watts to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Deputy Reifenberg is on his own patrolling and doing well.
- The CPC tablet system has increased revenues as expected.
- Correctional Officer Medina graduated the corrections academy this Friday.
- Correctional Officer Longfellow will be the next up to go to the corrections academy.
- The new Central Square CAD/Jail/report writing program is helping out with reports and saving time.
- X-ray scanner at the Courthouse was delivered and installed on October 17th and is working great. There is a possibility of getting a new metal detector for the Courthouse through the Illinois Sheriff's Association grant.
- The Jail inspection on November 2nd went very well. Improvements have been made over the past year and since 2021.
- SecureTech Courthouse security/alarm system upgrade.
- Perzee will be presenting financial options to the Finance committee on Thursday to move forward with Starcom radios. Perzee believes this is the best overall solution.
- No cash bail began on September 18th. The Jail is seeing a decrease in population, currently between 13-15. Perzee said everyone that is arrestable is being arrested and brought to jail. If the offense or situation is detainable, they are detained and information is provided to the State's Attorney's Office for detention hearing. For offenses not detainable, the person gets a notice to appear and is released.
- 28 arrests/intakes in October (21 male, 5 female, 2 juveniles)
- October Jail population:
 - Daily Population Average – 14.29
 - 11 (9 male, 2 female), 1 on ankle bracelet
- October medical:
 - 3 hospital/emergency room/prompt care visits this month
 - 20 mental health visits
 - 15 nurse practitioner visits

- 3 inmate medical and intake exams
- 2 dentist visits
- 0 IMH lab
- 4 telehealth visits
- 1 IMH Dr. Beck visits
- 0 Gibson City orthopedics
- 1 initiated on Buprenorphine
- Jail overtime for October = 139 hours paid, 109.5 hours to comp
- Part-time hours for October = 94

Coroner Bill Cheatum reported the pathologist in Champaign is leaving at the end of November and Cheatum will be using the pathologist in Kankakee again. Kankakee County uses a system for their reports called Forensic Filer. Cheatum said Kankakee's pathologist has asked that we also begin using this system to make our reports easier to read. The initial cost is \$2,500 for the first year and \$625 for each subsequent year. The cooler for the morgue has been ordered and is currently being built. Delivery is expected for December.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for October with the committee.

State's Attorney Jim Devine reported no updates for the month.

Circuit Clerk Lisa Hines distributed her monthly report for October to the committee for their review. A total of \$43,415.23 was received in fines and fees, \$4,008.30 was received from Pay Court and \$400.55 was received from IDROP.

ETS Director Eric Raymond distributed his monthly report to the committee. Raymond reported the ESInet program went into effect October 31st. Text messaging to 911 is anticipated to come to the County within the next 6-8 months.

There was no old business.

There was no new business.

The committee reviewed the claims. It was moved by Watts and seconded by Williams to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried.

As there was no further business to come before the committee, it was moved by Williams and seconded by Steve Huse to adjourn the meeting at 3:20 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session

November 14, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on November 9, 2023 at 9:04 A.M. Members present were Lyle Behrends, Charlie Alt, Paul Bowers, Chad McGinnis and Scott Watts. Michael McTaggart and Doug Geiger were absent. Also present, County Board Chairman John Shure, Finance Manager Jill Johnson, Sheriff Clint Perzee, County Clerk Breein Suver, ETS Director Eric Raymond, Supervisor of Assessment Mia McCammon, Myron Munyon with Compass Insurance, Alex Anklam with Motorola and Randy Swets with Chicago Communications.

The meeting was called to order.

It was moved by Paul Bowers and seconded by Scott Watts to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported on the 2023-2024 insurance renewal and provided a spreadsheet comparing last year's renewal to the current renewal. The current renewal is up 19% from last year. Munyon explained the items that factor into this increase include the 11% auto increase, 17% employee increase, 36% law increase 25% payroll increase and 43% overall excess liability. Munyon said our workers compensation renewal is good with a 0.75 experience modifier. We are also receiving a 10.30% premium discount.

The department heads gave their monthly reports. They are as follows:

- Finance Manager Jill Johnson reported the Consolidated Year End Financial Report (CYEFR) is complete and an email was sent to board members with the reports. Work will soon begin on the FY2023 audit. Johnson has not received any feedback on the FY2024 budget since it's been posted for public viewing. Copies will be provided for board members and department heads on Tuesday at the County Board meeting and will be ready for final approval. The insurance renewal is higher than the budgeted amount of \$350,000 but Johnson said there is \$50,000 budgeted in contingency to allow for additional or unexpected expenses.

- Supervisor of Assessments Mia McCammon reported the request for proposals (RFP's) for the CAMA system and aerial flyover have been posted to the County's website and she has emailed vendors requesting they submit a sealed bid. The deadline to submit a sealed bid is November 27th. McCammon said she hopes to move forward with the projects and get the programs established by the first of the year. The Assessment Office is finishing up divisions and consolidations. Once complete, the equalization can be applied and have a more concrete EAV.
- 911 Director Eric Raymond reported ETSB met last night and approved their budget. They have decided to move their meetings from the first Wednesday of the month to the first Tuesday of the month at 7:00 P.M. 911 has moved to the ESInet program. The next item on the horizon is text to 911 for Iroquois County. This is going through a state bid and Raymond expects this to go live within the next six to eight months.
- County Clerk Breein Suver reported filing for County Board, State's Attorney, Coroner, Circuit Clerk and Precinct Committee people will begin the last week of November. A demonstration of the new election equipment will be held in the County Board room on November 20th from 9:00 A.M. until 7:00 P.M. The Tax committee tentatively approved numbers for the levy and will be discussed in more detail at the board meeting on Tuesday. Based up on the levy worksheets provided and the numbers approved, there is a 108.19% increase which will trigger a truth in taxation hearing. The hearing date will need to be set at the County Board meeting in order to get the notices published in a timely manner. Lastly, the annual tax sale was moved from October 30th to November 21st due to an issue.
- Sheriff Clint Perzee reported the installer is working on getting the Tahoe's in service. Perzee will be talking with the Verizon representative this afternoon about the push to talk/radio connection for the deputies and what that will entail. The x-ray scanner at the Courthouse was installed on October 17th. The final payment will be made to Central Square for the CAD system. Funds from the Court Security Fund will be paying for the security and alarm system upgrade with SecureTech. No cash bail started on September 18th. We are seeing a decrease in population. A meeting was held with representatives from Starcom and Kenwood about a month ago. Representatives from Motorola and Chicago Communications are here today to speak to the committee. They were also at the County Board meeting last month to address any questions the board members had. Perzee said the overall cost has been reduced by \$125,000 and he has also received indication of grant funds totaling \$500,000 for the Starcom system.

Alex Anklam with Motorola introduced himself to the committee. He and Randy Swets with Chicago Communications have been working with Perzee for just over a year to better understand the challenge's that the County faces today from a communication perspective. Anklam said the key issues lie within the reliability, coverage deficiencies and inoperability. The solution proposed will fix all of these issues and more. The Starcom system, which is the state owned and maintained radio system, will offer county-wide radio coverage with the ability to communicate, call back to dispatch and call back for help in any situation. Anklam added the system will be operable from day one. The system is also monitored 24 hours a day, 7 days a week, 365 days a year. Randy Swets with Chicago Communications added that Perzee has brought to their attention the number of chases and pursuits that have gone into Indiana. The solution they

are proposing would allow for continued coverage eastward into Indiana and the devices will be able to switch to an LTE or cellular platform. Perzee played back recordings of radio transmissions that are difficult to hear, understand or are dropped. County Board Chairman John Shure said he is in discussions with State's Attorney Jim Devine and Johnson has posed a question to the auditors about how to finance the project ourselves from our own funds. Swets also added that the system includes mapping of the location of the console. There is also impact detection that triggers emergencies. Perzee stated the number of radios has increased so the pricing would need to be adjusted. The committee requested an updated pricing summary for the board meeting on Tuesday. Johnson provided preliminary payment amounts if the County Board chose to finance the project with Motorola for 7 years. Per the proposal, if the radios are leased the first payment would not be due until December 2024. The Public Safety Tax Fund brings in an estimated \$520,000 per year but Johnson said she is unsure on how we would be able to fund the project ourselves. There is \$523,000 invested in an Illinois Money Fund that can be pulled out at any time. Johnson added that she has been telling the committee for several years if they are serious about replacing the radios, they need to be conscious about spending the Public Safety Tax Funds but each year between \$400,000 and \$475,000 is spent. Lastly, Anklam said Motorola hears of grant opportunities often and will continue to share them with Perzee. It was moved by Chad McGinnis and seconded by Bowers to present the radio proposal to the County Board for discussion and action pending updated financing information. A roll call vote was taken. Motion carried.

The committee discussed the FY2024 budget which has been posted for public viewing. Final action will be taken at the County Board meeting on Tuesday.

The committee reviewed the claims. It was moved by McGinnis and seconded by Watts to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Watts and seconded by Charlie Alt to adjourn at 10:07 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

s/Charlie Alt
s/Paul Bowers
s/Chad McGinnis
s/Scott Watts

DISCUSSION AND ACTION ON THE PURCHASE AND FINANCING FOR RADIOS FOR THE SHERIFF'S OFFICE

The Board was presented with updated quotes and plans for the Starcom Radio System that was previously presented at the Finance Committee meeting. At the present time, the Sheriff is working to obtain a grant from a local benefactor in the amount of \$500,000 which would be used as a down payment for the radios. With that down payment factored in, the total the County would have to finance would be \$1,605,358.76. The first proposal with the aforesaid down payment, included financing for 7 or 10 years as follows: 7 years at 1.99% interest bringing the payment to \$247,951.78 per year or 10 years at 2.68% interest bringing the payment to \$185,136.49 per year. The second proposal assumes no down payment with a total financed of \$2,105,358.76. This

option also provided for the same number of years for repayment and the same interest rates for the respective term of the lease. This would amount to \$325,178.07 per year for 7 years or \$242,798.52 per year for 10 years. The first payment for the radios would come in FY2025, so the Board will have time to come up with funding and a budget for the payment of the lease.

The Board weighed the options as presented, determining that monies received from the Public Safety Tax Fund could pay for the radios annually; however, that would mean there would have to be cuts or modifications to other funding that has traditionally come out of that fund. The replacement of deputy's vehicles on the current rotation schedule and the payment of salaries of the telecommunicators would have to be addressed in the coming years as those are two of the larger expenses that come out of the Public Safety Tax Fund annually. It was noted that the annual payments presented do not include the cost for the yearly maintenance of the radios, which will be approximately \$41,127 per year. Finance Director Jill Johnson commented that the Sheriff's Office will also have to begin utilizing body cams in 2025. Based on previous amounts the Sheriff has given for those, adding in the proposed 7-year payment of \$247,951.78, and the annual maintenance fees; the total new expense for FY2025 will be approximately \$293,463.78. It was noted that the maintenance fees would increase yearly and be a permanent part of the Sheriff's budget. It was moved by Mr. Behrends and seconded to move forward with the purchase of the radios under the first proposal for 7 years assuming the \$500,000 down payment with the total financed sum being \$1,605,358.76 at 1.99% interest. The motion carried by a roll call vote.

RESOLUTION ADOPTING A BUDGET FOR THE FISCAL YEAR,
DECEMBER 1, 2023 TO NOVEMBER 30, 2024
AND CANCELLING PRIOR APPROPRIATIONS

WHEREAS, it is the duty of the County Board at this meeting to establish an appropriation and budget for the succeeding fiscal year, December 1, 2023 to November 30, 2024; and,

WHEREAS, a proposed budget for the next fiscal year has been prepared, and has been available for public inspection as required by law; and,

WHEREAS, the County Board has determined that the proposed budget should be approved; and,

WHEREAS, there are unexpended appropriation balances in the budget for the current fiscal year, which appropriation shall terminate with the close of this fiscal year, except as provided by law.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY BOARD OF IROQUOIS COUNTY, AS FOLLOWS:

1. That the proposed budget for the fiscal year, December 1, 2023 to November 30, 2024 be and is hereby adopted, and the appropriations contained therein are declared to be the legal appropriations for the fiscal year, December 1, 2023, to November 30, 2024, for the various purposes set forth therein, and a copy of the said budget is attached hereto and made a part thereof.

2. That the appropriations in the budget for the current fiscal year shall terminate at the close of this fiscal year, except that any remaining appropriations balances shall continue to be available for thirty (30) days after the close of the current fiscal year, only for the authorization of the payment of obligations incurred prior to the close of the fiscal year, and the County Clerk is hereby directed to terminate such appropriations as provided herein.

Passed and approved this 14 day of November, 2023.

AGREEMENT FOR COUNTY ENGINEER'S SALARY

(Resolution R2023-74 & Agreement for County Engineer's Salary have been recorded and placed on file in the County Clerk's office)

Mr. Alt Chairman of the Transportation & Highway Committee, gave the report of his committee and presented Resolution R2023-74 & Agreement for County Engineer's Salary. He moved for adoption of all, which was seconded and carried by a roll call vote.

STATE OF ILLINOIS

IROQUOIS COUNTY

Roll call and votes in Iroquois County

Recessed Session, November 14, 2023

Chairman Shure

On motion to approve the Transportation & Highway Committee report, Resolution No. R2023-74 & Agreement for County Engineer's Salary

Aye: Alt, Behrends, Bowers, Crow, Ducat, Huse, McGinnis, Offill, Shure, Watts, Whitlow, Williams, Zumwalt

Absent: Bence, Geiger, McTaggart

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session

November 14, A.D., 2023

Mr. Chairman and members of the County board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your committee met at the Iroquois County Highway Building on November 9, 2023 at 8:30 A.M. Members present were Charlie Alt, John Zumwalt and Raymond Williams. Donna

Crow and Chad McGinnis were absent. Also present, County Engineer Greg Perkinson and County Board Chairman John Shure.

The meeting was called to order.

It was moved by John Zumwalt and seconded by Raymond Williams to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The claims and financial reports for the month were reviewed. It was moved by Williams and seconded by Zumwalt to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

During new business, County Engineer Greg Perkinson presented an Agreement for the County Engineer's salary for the next fiscal year. The agreement states the County elects to use the Illinois Department of Transportation's (IDOT) recommended salary schedule to determine the County Engineer's annual salary and agrees that the minimum salary shall be at least 95 % of the recommended salary. In return, IDOT will reimburse 50% of the salary from federal funds. It was moved by Williams and seconded by Zumwalt to approve the Agreement for County Engineer's salary. Motion carried by a Roll Call vote.

Perkinson also presented a resolution appropriating funds for the payment of the County Engineer's salary in the amount of \$126,100 for 2024. It was moved by Williams and seconded by Zumwalt to approve the Resolution appropriating funds for the payment of the County Engineer's salary. A roll call vote was taken. Motion carried. Perkinson informed the committee that the applicant interested in the County Engineer position has stated he will accept no less than 100% of the recommended salary.

Lastly during new business, Perkinson spoke to the committee about joining Illinois Public Works Mutual Aid Network. The membership cost is \$250 per year. Perkinson explained if there is a disaster in Iroquois County, other member counties or municipalities would come in and assist. Another advantage is Illinois Public Works Mutual Aid Network has a mobile trailer that would be brought in and our equipment hours and manpower hours would be tracked for us. It was moved by Zumwalt and seconded by Williams to join Illinois Public Works Mutual Aid Network at a cost of \$250 per year. Motion carried by a Roll Call vote. Perkinson will bring the agreement to the committee next month and coordinate with EMA Director Scott Anderson and Sheriff Clint Perzee.

During old business, Zumwalt inquired on applicants for the County Engineer vacancy. Highway chairman Charlie Alt said he would prefer to have more than one applicant before decision is made to fill the vacancy. Perkinson said he spoke with several Assistant County Engineer's from other counties about the position and all were satisfied with their current positions and were not interested in relocating.

As there was no further business to come before the committee, it was moved by Williams and seconded by Zumwalt to adjourn at 8:52 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

s/Charlie Alt
s/John Zumwalt
s/Raymond Williams

APPOINTMENTS

Chairman Shure presented the following appointments. It was moved by Mr. Huse and seconded to approve the appointments. The motion carried by a voice vote.

Drainage District:

Jeffery Mabbitt of 591 W Grove Street, Sheldon, IL as Drainage Commissioner of North Sheldon South Concord Drainage District, for a term to expire on the first Tuesday of September, 2026.

James Anderson of 2929 E 2600 North Road, Donovan, IL as Drainage Commissioner of Martinton Drainage District, # 2 for a term to expire on the first Tuesday of September, 2026.

David Munson of 3145 E 2780 N Road, Donovan, IL as Drainage Commissioner of Big Beaver Levee & Drainage District for a term to expire on the first Tuesday of September, 2024.

Brad Brey Meyer of 989 N 1200 East Rd., Cissna Park, IL as Drainage Commissioner of Pond Lily Drainage District for a term to expire on the first Tuesday of September, 2025. Should have been appointed in September instead of Tim Amos Wilcox.

Sharon Hoy of 1771 E 2200 North Rd., Watseka, IL as Drainage Commissioner of Iroquois Drainage District, #1 for term to expire in the first Tuesday of September, 2024.

John A Schoolman of 1507 N 2800 E Road, Sheldon, IL as Drainage Commissioner of Concord Drainage District, #1 for term to expire the first Tuesday of September, 2026.

Resignation of Drainage Commissioner:

Dennis Schoolman has resigned as Drainage Commissioner of Concord Drainage District #1, effective December 1, 2323.

Fire Protect District:

Dan Brough of 160 W 4th, Clifton, IL as Trustee of the Chebanse Fire Protection District for term to expire first Monday of May, 2025. He will fill the unexpired term of Gary Buff who has passed away.

Brett Caise of 2554 E 3100 n Rd., Beaverville, IL as Trustee of the Beaverville Fire Protection District for a term to expire on the first Monday of May, 2024. He will fill the unexpired term of Jason Lareau who has resigned.

CLAIMS

The claims were presented for approval. It was moved by Mr. Zumwalt and seconded to approve the claims. The motion was seconded and carried by a roll call vote.

OLD BUSINESS

There was no old business

NEW BUSINESS

The Christmas Party luncheon will be held at The Topper following December 12, 2023 County Board meeting.

ADJOURNMENT

As there was no further business to come before the Board, it was moved by Mr. Bowers and seconded to adjourn the meeting at 11:08 AM. The motion carried by a voice vote. The next County Board meeting will be held in Watseka, IL on Tuesday December 12, 2023 at 9 A.M.
