**THE
IROQUOIS COUNTY BOARD
OFFICIAL REPORT OF PROCEEDINGS**

The Iroquois County Board met in Recessed Session at the Old Courthouse Museum, in Watseka, IL on Tuesday, October 10, 2023 at 9 A.M. Chairman Shure called the meeting to order and asked County Clerk Breein Suver to call the roll.

**STATE OF ILLINOIS
IROQUOIS COUNTY**

Roll call and votes in Iroquois County

Recessed Session, October 10, 2023

Chairman Shure

On motion to call the roll

Aye: Alt, Behrends, Bence, Bowers, Crow, Ducat, Geiger, Huse, McGinnis, Offill, Shure, Watts, Whitlow, Williams, Zumwalt

Absent: McTaggart

PRAYER & PLEDGE OF ALLEGIANCE

Mrs. Offill introduced Reverend Trey Scheffer, Pastor of the Grace Bible Church in Cissna Park, IL who gave opening prayer after which the Pledge of Allegiance was recited in unison.

AGENDA

It was moved by Mr. Williams and seconded to approve the agenda. The motion carried by a voice vote.

MINUTES

It was moved by Mrs. Offill and seconded to approve the minutes from September 12, 2023 Annual Session County Board meeting. The motion carried by a voice vote.

PAYROLL

It was moved by Mr. Williams and seconded to approve the September payroll. The motion carried by a roll call vote.

On motion to approve the September payroll

Aye: Alt, Behrends, Bence, Bowers, Crow, Ducat, Geiger, Huse, McGinnis, Offill, Shure, Watts, Whitlow, Williams, Zumwalt

Absent: McTaggart

COUNTY BOARD SERVICES

Lyle Behrends	\$336.76
Mitchell Bence	\$100.00
Paul Bowers	\$189.30
Paul Ducat	\$405.28
Doug Geiger	\$210.48
Chad McGinnis	\$261.54
Barbara Offill	\$281.36
John Shure	\$1,188.90
Gerald "Jed" Whitlow	\$208.95

PUBLIC COMMENTS

Michael Tilstra, CEO of Iroquois Memorial Hospital, stated that Iroquois Memorial Hospital is working to improve healthcare throughout the County, to grow healthcare, good economic value, and intercommunity commerce. They are providing services and creating jobs throughout the County and beyond, from Cissna Park to Donovan to Saint Anne. IMH is expanding and adding services such as urology, gynecology and cardiology. IMH has purchased an ambulance, which will be a transport ambulance and the emergency services are being upgraded and improved. The former Roberts Clinic, which was across the street from the hospital, has been torn down. He also informed the Board that the monies received from the ARPA grant helped with the cost for repairing the drive and upgrading the helipad. The physical therapy center has been sold, and development of a new therapy center is in the works. He spoke about the hospital recently receiving federally approved critical access certification. In closing, Mr. Tilstra thanked the County for working with Iroquois Memorial Hospital.

Paul Ducat took a moment to thank the Historical Society for hosting the County Board meeting and was encouraged by the turnout at the meeting.

Roger Bard from Watseka, IL spoke to the Board about his opposition to the Grant Street Drainage project.

Ray Williams gave a brief update from the last UCCI monthly meeting.

CHAIRMAN COMMENTS

Chairman Shure thanked everyone for their attendance and was pleased with the turnout at the meeting. He asked everyone to speak loudly due to the lack of a PA system in Courthouse Museum.

OUTSIDE ORGANIZATION REPORTS

Angel Crawford, Executive Director for Iroquois Economic Development Association, read her monthly IEDA report. She mentioned the Birth to Five program which is funded through the Department of Human Services and focuses on providing proper child care for working families. She also wanted to remind all businesses that the Incumbent Worker Training Grant is still available to employers. In closing, Angel mentioned many upcoming events that would be taking place in Iroquois County throughout the month of October.

POLICY & PROCEDURE

Chairman Shure gave the report of the Policy and Procedure Committee and moved for adoption. The motion was seconded and carried by a roll call vote.

IROQUOIS COUNTY**

County Board, Recessed Session

October 10, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 28, 2023 at 9:00 A.M. Members present were County Board Chairman John Shure, Paul Ducat, Lyle Behrends, Charlie Alt and Barbara Offill. Michael McTaggart and Jed Whitlow were absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, ICPHD Administrator Eric Ceci, EMA Director Scott Anderson, Planning and Zoning Administrator Julie Feller and County Board members Donna Crow and Doug Geiger.

The meeting was called to order.

It was moved by Paul Ducat and seconded by Lyle Behrends to approve the agenda. Motion carried by a voice vote.

There were no public comments.

EMA Director Scott Anderson distributed his monthly report to the committee.

- A diesel fuel spill occurred at the K&H Truck Stop in Gilman on September 14th. Anderson was in contact with those at the scene and was informed clean-up would occur early the next morning. Anderson drove to the location two days later and witnessed a large fuel spill still on the ground with nearly no mitigation efforts in place. Anderson also noted Todd May from the Illinois EPA was onsite and was attempting to locate the discharge location from the onsite drain where the product and rainwater had travelled. Anderson reached out to MABAS Div. 37 for usage of their UTV for transportation and the County Clerk's Office for drainage district personnel information. The Illinois EPA contacted a hazardous mitigation company to begin the clean-up process and Anderson will follow up as needed until the situation is complete.
- Following this incident, Anderson mentioned the County may benefit from adopting a "Spiller Pays Ordinance". Anderson explained this is common amongst fire departments and other jurisdictions and allows for the billing of emergency

services at the scene of or during the mitigation of a hazardous materials spill. The ordinance would allow the County to recoup expenses occurred by the EMA department directly from the responsible party. Anderson drafted an ordinance to suit the County's needs and forwarded it to State's Attorney Jim Devine for review.

- On September 16th, Anderson received an email from the IEMA Grant Program Manager in regards to the Emergency Management Performance Grant which provides funding for Anderson's department. He was informed that no expenses, quarterly reports or payment requests had been submitted since July 2022. Anderson said he completed the past due filings this week and over \$18,000 will be coming to the General Fund in the form of reimbursement checks.
- Anderson's trainings include in person and online classes that have qualified him to receive certificates for IEMA IS-00240 Leadership and Influence. Anderson also attended the quarterly IEMA Region 7 meeting in Tazewell County.
- The Mutual Aid Fire Association meeting at the Stockland Fire Department was held September 27th. Anderson was able to provide a status update of the Hazard Mitigation Plan and the need for as many of the County entities to be part of the process. The Iroquois County Local Emergency Planning Committee met September 13th with twelve attendees. The next meeting is scheduled for October 11th. Anderson plans to attend the monthly Iroquois County Amateur Radio Club meeting tonight.
- Anderson drafted a questionnaire and mailed it to approximately 25 churches, schools and community centers within the County looking for up to date contact information as well as their capabilities to function as an emergency shelter, either short term or long term.
- Anderson compiled a book of to-scale maps and contact information for every fire district within the County.
- The EMA Facebook page is updated on a semi-regular basis and notifications that are important to the residents of the County are posted on the page.
- Anderson continues to clean and organize the EMA office, radio room and EOC.
- The Hazard Mitigation Plan is moving forward and two bids have been received as follows:
 - American Environmental Corporation \$55,903.20
 - Integrated Solutions Consulting \$74,750.00

It was moved by Behrends and seconded by Barbara Offill to accept American Environmental Corporation's bid in the amount of \$55,903.20. A roll call vote was taken. Motion carried.

The Committee Chairs gave their monthly reports:

- Management chairman Lyle Behrends reported the committee will receive their normal monthly reports and receive an update on the morgue.
- ARPA chairman Paul Ducat reported the committee will continue reviewing the remaining applications.
- Health chairman Barbara Offill reported the Health committee will hear their standard reports.
- Tax/Planning & Zoning chairman Paul Ducat reported a special meeting is being held today to listen to presentations by EagleView and Vanguard. Next week the committee will review the Devnet contract.

- The Finance committee will be approving the budget to be posted for public viewing.
- Highway chairman Charlie Alt reported the committee will review and approve claims. Also, there has been quite a bit of activity on the vacant Maintenance position.

Finance Manager Jill Johnson provided an update on sexual harassment training stating the completion rate is at 91%.

The committee continued their review of the County Code Book. Revisions are as follows:

- Sec. 6-2 Unlawful to maintain public nuisance
 - Add exception for when dogs are being used for hunting purposes.
- Sec. 6-53 Duties and responsibilities
 - #9, Change County Administrator to County Board Chairman or Chairperson.
 - #10, Change County Administrator to County Board Chairman or Chairperson.
- Sec. 6-55 Police powers
 - #2, e, Add “unless they have a concealed carry permit”
 - #3, c, Add “unless properly licensed”
- Sec. 6-116 Notice required; redemption
 - Current fees are set at \$25 for first and second offenses and \$100 for third and subsequent offenses. Committee would like to review fines and possibly increase them.
- Sec. 6-117 Citations
 - Citations are issued and a fine of \$25 is paid to the Circuit Clerk. The committee would like to verify with Circuit Clerk Lisa Hines that this is still occurring.
- Sec. 6-148 Reimbursement for loss
 - (e), add #8 to include “any other animal” and associate a cost. Also, the committee would like to review these costs with USDA or the Illinois Department of Agriculture.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee.

The committee reviewed the claims. It was moved by Ducat and seconded by Offill to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Ducat and seconded by Offill to adjourn at 10:33 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

MANAGEMENT SERVICES

Mr. Behrends, Chairman of the Management Services Committee, gave the report of his committee. At this time, Mr. Zumwalt confirmed that the committee appointed Chairman Shure, Mr. Behrends, and Mr. Gieger to a sub-committee to further develop plans for the proposed morgue. It was moved by Mr. Behrends and seconded to approve the Management Services Committee report. The motion carried by a roll call vote.

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session

October 10, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 2, 2023 at 9:04 A.M. Members present Lyle Behrends, Paul Bowers, Donna Crow and John Zumwalt. Mitchell Bence was absent. Also, present County Board Chairman John Shure, Finance Manager Jill Johnson, Maintenance Supervisor Chris Drake, Coroner Bill Cheatum, County Engineer Greg Perkinson, Blaine Meadows with Centrica Business Solutions and County Board members Charlie Alt and Doug Geiger.

The meeting was called to order.

It was moved by John Zumwalt and seconded by Paul Bowers approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- All boilers have been serviced.
- All rock work at the Courthouse is complete. Mulch and bushes were removed. Drake would like to look into doing the same landscaping project at the Administrative Center in the spring.
- Windows were removed in the holding cells at the Jail.
- Maintenance was done on the plow truck.

- Weather permitting, concrete patching and painting will begin on the steps at the Courthouse.
- Power washing and painting is scheduled for the Administrative Center.
- Carpets were cleaned in the USDA office and the Finance office.
- Two trees are scheduled for removal.
- Floors in the Administrative Center are scheduled to be stripped and waxed over the Columbus Day holiday.
- During the most recent power outage, there were questions on what runs on generator power. The best solution was to work with Areawide when they are onsite and turn off the power to the building. This occurred Tuesday of last week. Drake, 911 Director Eric Raymond and ICPHD Administrator Eric Ceci were able to identify any issues and correct them.

Blaine Meadows with Centrica Business Solutions (formerly SmartWatt) introduced himself to the committee. The County worked with SmartWatt on their energy savings project in 2019. Highlights of this project include LED lighting, updated pneumatic controls to digital controls, replace the chiller at the Courthouse/Jail, upgraded water conservation fixtures at the Jail and building envelope measures to prevent the loss of heat and air in the building. Year after year, Centrica will make onsite visits to verify the County is saving the amount of money shown on the guaranteed savings summary. Centrica has fulfilled their contractual obligations for 3 years and in September 2022, the County was estimated to save just over \$36,000. Meadows spoke to the committee today about another potential project regarding solar. The purpose would be to offset as much County building electricity as possible, produce long-term guaranteed cost savings and generate onsite electricity for the County to consume and feed excess onto the grid. Centrica will not be asking to utilize any County farm ground for this project. The solar panel system would be located onsite, such as on the roof of the Administrative Center, Courthouse or Jail and the panels are good for up to 25 years. There would be no cost for the preliminary feasibility study. Meadows explained that Centrica would be the general contractor for the project. They would put out the request for proposals and hire sub-contractors.

Fertilizer bids were opened as follows:

- United Prairie (bid #1) – total amount of bid \$54,202.70
 - 54,340 total pounds of Phosphate
 - 114,440 total pounds of Potassium
 - Fall prices only
 - Would not recommend VRT Potash, would recommend spoon feeding Potash.
 - Lime was done for these soil samples Fall 2022.
 - VRT both Phosphate and Potassium.
- United Prairie (bid #2) – total amount of bid \$39,154.39
 - 54,340 total pounds of Phosphate
 - 58,700 total pounds of Potassium
 - Fall prices only
 - Lime was done for these soil samples Fall 2022.
 - VRT Phosphate and 150 lbs. straight spread Potassium.

It was moved by Zumwalt and seconded by Bowers to accept United Prairie's fertilizer bid in the amount of \$39,154.39. A roll call vote was taken. Motion carried.

The committee proceeded to open bids and take on the Grant Street Drainage Project, however the only response received was from a contractor declining to bid due to their busy schedule. Zumwalt said he also contacted a contractor in regards to submitting a bid and they were booked through next spring.

In regards to the County Farm, an email will be sent to Walker Farms inviting them to a meeting or requesting they send the committee a report of the yields. In addition, members of the Management committee met with an organization out of Peoria in regards to the bid opening process for the County Farm. They have a database of bidders to reach out to along with three years of experience. Their fee is 4% of the gross lease which is charged to the bidder. Their "soft close" extends the bidding time 15 minutes each time a bidder increases their bid and they have seen a 39% increase in rental fees. Mailings will be sent out to bidders within a 60-mile radius and the County will still have the right to reject any bids.

The committee continued discussions on placement of the morgue and Drake is in the process of acquiring another bid for a fence at the Animal Control building. County Board Chairman John Shure provided cost information for adding on to the north end of the maintenance shed. These costs are estimated to be \$229,000 for a 30x30 addition and does not include the cooler. After the last Management meeting, members of the committee visited office space available in the Administrative Center. Crow said the items needed to make this space work is an exhaust fan and a drain for the cooler. Other items are already in place such as electrical, generator power and restrooms. This is County owned property so no additional maintenance is needed. However, there is an issue with the existing lease that would need to be worked out. Estimated costs for renovating this area is approximately \$50,000 or less. Coroner Bill Cheatum reminded the committee of cases that do arise and families that come to see the bodies of their loved ones. Sometimes their actions may not be what we want in or near our County buildings. Also, some staff have stated that they are not comfortable with having a morgue in the Administrative Center. It was moved by Zumwalt and seconded by Bowers to proceed with requesting bids for the addition to the maintenance shed. A roll call vote was taken. Motion carried. Cheatum added that while the bidding and building process is taking place, a 30x45 building has been offered to him to rent for \$1,500 on a month by month basis. Cheatum will pay this cost out of his automation fund. Cheatum had initially planned to pay for the cooler from his automation fund, but believes he should pay rent on the building instead. The cost of the cooler has increased and will take approximately three to four weeks for arrival. It was the consensus of the committee to order the cooler.

The committee reviewed the claims. It was moved by Bowers and seconded by Zumwalt to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Zumwalt expressed he feels the committee has given up on the Grant Street Drainage project due to not receiving bids. Management chairman Lyle Behrends and Zumwalt both agreed to reevaluate next summer and place the project out for bid again.

Also, during old business, Shure reminded the committee the County Board meeting on October 10th is being held on the 2nd floor of the Old Courthouse at 9 A.M.

There was no new business.

As there was no further business to come before the committee, it was moved by Crow and seconded by Zumwalt to adjourn at 10:30 A.M. Motion carried.

All of which is respectfully submitted

s/Paul Bowers
s/Donna Crow
s/John Zumwalt

PROPOSAL FOR ARCHITECTURAL SERVICES

(The proposal for architectural services has been recorded and placed on file in the County Clerk's Office.)

Chairman Shure presented a proposal for architectural services for a building addition to house the proposed morgue. He offered a resume from the architect for review. It was moved by Mr. Bowers and seconded to move ahead with the proposal for architectural services for the building addition to house the proposed morgue. The motion carried by a roll call vote.

Aye: Alt, Behrends, Bence, Bowers, Crow, Ducat, Geiger, Huse, McGinnis, Offill, Shure, Whitlow, Williams

Nay: Watts

Absent: Zumwalt, McTaggart

STATE OF ILLINOIS
IROQUOIS COUNTY

Mr. Chairman and members of the County Board:

Your Committee to whom was referred American Rescue Plan Act (ARPA) would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 2, 2023 at 10:40 A.M. Members present were Paul Ducat, Charlie Alt, Donna Crow, Barbara Offill and John Shure. Also present, Finance Manager Jill Johnson, Coroner Bill Cheatum, Sherry Johnson with Watseka Park District, Kevin Newman with Village of Onarga and County Board member Doug Geiger.

The meeting was called to order.

It was moved by John Shure and seconded by Barbara Offill to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The committee continued their review of ARPA applications as follows:

- Application #25 – Village of Onarga. An application was submitted requesting \$45,600 to make the sidewalks ADA compliant. It was moved by Shure and seconded by Charlie Alt to adopt a resolution awarding \$40,000 to the Village of Onarga. A roll call vote was taken. Motion carried.
- Application #99 – Watseka Park District. Sherry Johnson with Watseka Park District explained she would like to amend her existing application to be able to purchase an extended passenger van. The van would allow for pick up and drop off of children and field trips. Johnson also noted the park district office needs a new air conditioning unit. Finance Manager Jill Johnson requested two quotes for the van and air conditioner.
- Applications #130 and #131 – Assessment Office for Devnet/CAMA software and property parcel digitization work. These will be reviewed next month once bids are received.
- Application #92 – Iroquois County Morgue. Coroner Bill Cheatum provided an update on the cost of a cooler. Midwest Mortuary provided a cost of \$16,787.50 and Bush Refrigeration provided a cost for the same amount. However, Cheatum learned Midwest Mortuary and Bush Refrigeration are the same entity. This is a substantial increase since Cheatum looked into pricing about a year ago. The costs provided do not include racks or the lift. Cheatum also informed the committee that he was approached by a gentleman who owns a 30 x 45 building in Crescent City who is willing to let us rent the building for \$1,500 per month. All utilities will be paid for by the building owner plus snow removal and mowing. The owner is not looking to sign a long-term lease and would prefer a month to month agreement. The committee requested Cheatum provide them with an additional quote for a cooler at the board meeting on Tuesday for a motion to be made that day and also a written agreement needs to be drafted stating the County is not in a long-term contract. Cheatum will contact State's Attorney Jim Devine for assistance in drafting the agreement.

During old business, Shure reminded the committee that the County Board meeting on October 10th is being held on the 2nd floor of the Old Courthouse at 9 A.M.

Also, during old business, Johnson stated the amount of ARPA funds awarded is \$4,490,200.68 and the remaining ARPA funds is \$776,376.32. The committee requested denial letters be sent to #87 Quentin Schaumburg, #134 Village of Onarga, #132 and #133 Iroquois Memorial Hospital and #135 Watseka Area Food Pantry due to lack of funding. The committee would like to continue to pursue the Bread Basket Food Pantry and requested Johnson provide Devine with their ARPA application and necessary information.

There was no new business.

As there was no further business to come before the committee, it was moved by Donna Crow and seconded by Offill to adjourn at 11:17 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

RESOLUTION NO. R2023-40

AUTHORIZING EXPENDITURE FROM FY2023-AMERICAN RESCUE PLAN FUND TO THE VILLAGE OF ONARGA-CAPITAL INVESTMENTS OR PHYSICAL PLANT CHANGES TO PUBLIC FACILITIES

WHEREAS, the American Rescue Plan Act of 2021 was signed into law on March 11, 2021 by the President of the United States; and

WHEREAS, the American Rescue Plan Act of 2021 provides funds to help states, territories, counties, cities, and tribal governments cover increased expenditures, replenish lost revenue, and mitigate economic harm from the COVID-19 pandemic; and

WHEREAS, The Village of Onarga submitted a request for Capital Investments or Physical Plant Changes to Public Facilities

WHEREAS, at the ARPA Committee Meeting on October 2, 2023, after discussion, review and consideration, the committee recommended approval not to exceed \$40,000.00 to the Village of Onarga to provide funding for Capital Investments or Physical Plant Changes to Public Facilities and

WHEREAS, this expenditure qualifies for funding from FY2023 American Rescue Plan Fund under Public Health 1.7 for Capital Investments or Physical Plant Changes to Public Facilities and

WHEREAS, the FY2023 American Rescue Plan Fund shall be adjusted to reflect the transfer.

NOW, THEREFORE, BE IT RESOLVED by the Iroquois County Board after review, discussion, and consideration, the Iroquois County Board approves a reimbursement up to \$40,000.00 meeting the criteria above from the American Rescue Plan Fund to the Village of Onarga for Public Health or Capital Investments or Physical Plant Changes to Public Facilities due to the Covid-19 public health emergency under section 1.7 Public Health.

Passed and approved this 10 day of October, 2023.

RESOLUTION NO. R2023-41

**AUTHORIZING EXPENDITURE FROM FY2023-AMERICAN RESCUE PLAN FUND
TO IROQUOIS COUNTY CORONER MORGUE COOLER-CAPITAL
IMPROVEMENTS OR PHYSICAL PLANT CHANGES TO PUBLIC FACILITIES**

The Board began discussing ARPA Application 92-A, from the Iroquois County Coroner for the purchase of a cooler. Coroner Bill Cheatum provided the Board with 2 quotes for the cooler, one from Bush Refrigeration that bid \$16,787.50. This included sales tax, which the County is exempt from paying. The bid without tax was in the amount of \$15,800.00. The second bid from amerikooler came in at \$18,912.50; however, it also included tax. The amount for the cooler from amerikooler without tax was \$17,800.00. There were some questions regarding racks for the coolers, which Coroner Cheatum explained would be purchased at a later date with automation funds. It was moved by Mrs. Crow and seconded to purchase the cooler from Busch Refrigeration for the quoted amount of \$15,800.00, which does not include sales tax. The motion carried by a roll call vote.

The meeting was called to order.

It was moved by Jed Whitlow and seconded by Paul Ducat to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Doug Geiger and seconded by Ducat to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

Finance Manager Jill Johnson reported the registration deposit for September was \$3,285. Citations and renewal notifications were mailed out. There are 9 cases currently open with 9 cats and 2 dogs waiting for placement. The Animal Control Officers closed 27 cases in September. The closed cases consisted of 4 dogs running loose, 3 stray cats, 6 bite reports, 5 well checks, 1 dog hit by a car, 3 dogs on dog attacks, 1 accident pick up and 4 unclaimed dogs.

ICPHD Administrator Eric Ceci distributed the monthly summary report of programs. Environmental Health reported 49 food inspections, 5 boil orders and 1 farmers market inspection. There were 12 unsatisfactory water samples reported in September. Mosquito samples for west Nile surveillance are decreasing. There have been no positive samples in Iroquois County. Environmental Health also reported one initial lead inspection. Ceci explained he is the only licensed lead inspector and risk assessor for the health department but plans to send more staff for training. Community Health reported a decreased in childhood immunization. Ceci said this is normal since most immunizations are handled during the month that school begins. Flu vaccines have begun and are available at the health department. In regards to the COVID-19 vaccine, a new version of the vaccine has been approved for Pfizer and Moderna. During the approval of these, the previous versions were deauthorized. The only vaccine available at this time is Novavax. Ceci also informed the committee that the COVID-19 vaccine will no longer be free of charge. There were 81 confirmed COVID-19 cases in September and 3 outbreaks in long-term care facilities. Five animal bites were reported with no positive rabies results. Community outreach events included 15 Narcan trainings and 1 CPR training. The Jail program assessed 2 inmates.

Vision and hearing screenings increased due to school being in session. Senior Services is showing an increase in new client assessments. Ceci informed the committee of a new program for senior services that he hopes will be implemented soon. He is waiting on confirmation for a grant that will allow the health department to expand the services currently offered to seniors.

Geiger noted the overall grant revenue is lower than what has been budgeted. Ceci explained a lot of the grant revenue that was budgeted pertained to COVID-19 and those grants have ended. Last year the Emergency Senior Services grant was used largely for grocery shopping for seniors. The only restrictions were to be an Iroquois County resident and to be at least 60 years old. The new version of this grant is much more restricted. Ceci said they are looking to use these grant funds to help seniors living by providing them with items such as grab bars and medical devices within their home. The grant can also be used for personnel salaries. Ceci is also in contact with IEDA Director Angel Crawford who has informed him of the Birth to 5 programs.

Lastly, the health department has vacancies for a part-time staff nurse and a full-time Associate Sanitarian/Environmental Specialist.

During old business, County Board Chairman John Shure reminded the committee that the County Board meeting on October 10th is being held on the 2nd floor of the Old Courthouse at 9 A.M.

There was no new business.

As there was no further business to come before the committee, it was moved by Ducat and seconded by Geiger to adjourn at 9:26 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Committee Report-September 28, 2023

**STATE OF ILLINOIS
IROQUOIS COUNTY**

County Board, Recessed Session
October 10, A.D., 2023

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 28, 2023 at 11:04 A.M. Members present were Paul Ducat, Barbara Offill and Doug Geiger. Steve Huse and Jed Whitlow were absent. Also present, County Board Chairman John Shure, County Clerk Breein Suver, Supervisor of Assessment Mia McCammon, Planning & Zoning Administrator Julie Feller, Chief Deputy in the Assessment office Louise Bruens, Trent Pell with EagleView Technologies, Mike Weeks with Vanguard and County Board member Donna Crow.

The meeting was called to order.

It was moved by Doug Geiger and seconded by Barbara Offill to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Trent Pell with EagleView Technologies began his presentation for the committee. EagleView Technologies was founded in the late 1990's and now works with approximately 1,500 counties. EagleView provides different types of image perspectives including orthogonal (top-down) and oblique (side-angled). Examples were provided with captured images on how to measure structures, square footage of a building or home and find out the elevation. Property images can also be compared side by side. EagleView's program will increase efficiency, identify additional tax value by discovering undocumented structures and undeclared personal property,

and it can be integrated with our existing workflow. A preliminary proposal was given in the amount of \$63,909.40 annually with a one-time charge of \$19,320. This includes a flyover two times per year and all training provided with a nine-year contract. An alternate proposal was given for three years with one flyover at \$65,844.40. A six-year term is also available.

Mike Weeks with Vanguard gave a presentation on Vanguard's Computer Assisted Mass Appraisal (CAMA) system. Vanguard is based out of Iowa but operates out of seven different states in the Midwest. Vanguard also works with EagleView Technologies so their images would be available through the CAMA system. Vanguard is not cloud based. The County would own their own data and Vanguard does not sell the data to other agencies. Most of the labor, such as adding property record cards to the system, would be done remotely instead of our staff handling this task. A preliminary proposal was given that includes a one-time fee of \$13,125 plus \$25,755 for licensing fees and \$59,500 for a five-year contract which includes 110 hours of training.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Offill and seconded by Geiger to adjourn at 12:58 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

s/Barbara Offill
s/Doug Geiger

Committee Report-October 3, 2023

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
October 10, A.D., 2023

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 3, 2023 at 9:35 A.M. Members present were Paul Ducat, Barbara Offill, Doug Geiger, Steve Huse and Jed Whitlow. Also present, County Board Chairman John Shure, Finance Manager Jill Johnson, County Clerk Breein Suver, Treasurer Kurt Albers, Supervisor of Assessment Mia McCammon, Planning & Zoning Administrator Julie Feller and ICPHD Administrator Eric Ceci.

The meeting was called to order.

It was moved by Steve Huse and seconded by Barbara Offill to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Jed Whitlow and seconded by Offill to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried. There were no public comments.

The department heads gave their monthly reports:

- County Clerk Breein Suver reported she has two new hires in her office. The County Clerk's Office is busy filing budgets and levies. There are two resolutions to be approved today regarding the sale of properties that were acquired through the delinquent tax process. A unanimous Supreme Court ruling will change the way the surplus properties are handled as far as how money is gained by the County. Suver explained we can't collect more money on a sale than what the property owner owed in taxes and interest.
- Treasurer Kurt Albers reported the second installment for property tax collection is complete. The second tax distribution will be done next week. The Treasurer's Office is working on delinquent notices that need to be mailed out before the tax sale on Monday, October 30th.
- Supervisor of Assessment Mia McCammon reported a special Tax/Planning and Zoning committee meeting was held last week and presentations were given by EagleView Technologies and Vanguard. McCammon gathered information from both presentations and prepared proposals for the committee to review based on the systems she recommends. McCammon has also heard positive feedback from Supervisor of Assessments in other counties on these programs. The EagleView proposal consists of ChangeFinder data costs from 2014 and 2 flights over 6 years for a total cost of \$410,628. There are funds available in the GIS Fund that could possibly be used towards this project. EagleView also offered the option of 1 flyover versus 2 at a total cost of \$220,905. McCammon intends to implement a system where there is very limited GIS information available to the public without fees in place. Vanguard's proposal includes licensing fees, service fees and parcel data create at a total cost of \$102,318. There is an additional estimated cost to AreaWide for the server and hardware of \$3,938. McCammon said she hopes the township assessors would be willing to purchase their own modules for the Vanguard system and import their own information from the County's GIS flyover. McCammon added that she reached out to multiple Supervisor of Assessments asking for their input on the CAMA systems they use. One County responded stating they did not have a positive experience with the Devnet CAMA system and ultimately switched to Vanguard. Due to the cost of the projects being over the \$30,000 threshold, both items will need to be put out for bid. The committee discussed potentially holding a special Tax/Planning and Zoning committee meeting to open the bids and approve the funding for the project at the next ARPA committee meeting. Final approval would occur at the November County Board meeting. Lastly, McCammon reported she is interviewing a WEX candidate tomorrow and if everything works out, she will have the candidate begin working on the sketches. This employee will be paid through Workforce Development.

(This section of the minutes has been stricken due to the fact it was presented for approval in error at the October 10, 2023 Recessed Session County Board meeting.)

~~a new employee has been hired in the Assessment office. McCammon gave Township Assessors a deadline to finish getting in their changes. A special meeting has been requested for September 28th to allow for EagleView Technologies and Vanguard to give presentations to the committee. EagleView will present on services they offer for aerial pictures and Vanguard will present on the CAMA~~

~~system they offer. Lastly, McCammon is in need of a Board of Review member. The individual does need to be a democrat and will need to take the Board of Review class within one year.~~

- Planning & Zoning Administrator Julie Feller presented her monthly report to the committee as follows:
 - Building Permits – September 2023
 - Agriculture – 2
 - Residential – 10
 - Wind Towers – 0
 - Building Permits – FY2023
 - Residential – 99
 - Agriculture – 16
 - Wind Towers – 0
 - Building Inspections – September 2023
 - 92

Feller met with State’s Attorney Jim Devine in August regarding the grounds to revoke language that needed to be added to the conditional use permit application and the variation permit. Devine approved this change.

The Devnet property tax renewal contract was presented for renewal at an increase of approximately \$600 per quarter. It was moved by Doug Geiger and seconded by Offill to approve the Devnet property tax renewal contract for five years. A roll call vote was taken. Motion carried.

Suver presented a resolution for a parcel sold to the Village of Onarga for \$797 and a resolution for the surrender of the tax sale certificate to Zachary Marquez for \$4,317.65. It was moved by Geiger and seconded by Offill to approve the resolutions authorizing the sale of property to the Village of Onarga and Zachary Marquez. A roll call vote was taken. Motion carried.

Geiger spoke to the committee in regards to BESS (battery energy storage system). Geiger explained he, along with County Board Chairman John Shure and Feller, met with an organization that is interested in doing a solar farm in Iroquois County. During the meeting, the organization also mentioned putting in a battery storage site in the 380-acre parcel for the solar farm. The proposed solar farm is 50 megawatts which would bring in \$500,000 as a permit fee. The batteries would be stored in large semi-trailer containers. Geiger said some of the issues have to do with the energy stored and the amount of heat in the containers that could potentially burn. Geiger would like the committee to consider a separate ordinance on battery storage along with fees within the next few months. It was moved by Geiger and seconded by Huse to put a moratorium on the BESS (Battery Energy Storage System) until an ordinance is adopted. Motion carried by a voice vote.

Finance Manager Jill Johnson provided an update on the FY2023 levy stating she is waiting on an assumed taxable EAV and the fiscal year estimated to date distribution amounts from the Treasurer’s Office. Johnson will provide levy worksheets for the committee next month.

During old business, County Board Chairman John Shure reminded the committee the County Board meeting on October 10th is being held on the 2nd floor of the Old Courthouse at 9 A.M.

There was no new business.

As there was no further business to come before the committee, it was moved by Offill and seconded by Huse to adjourn at 10:37 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

JUDICIAL & PUBLIC SAFETY

Mr. Whitlow, Chairman of the Judicial & Public Safety Committee, gave report of his committee and moved for adoption. The motion was seconded and carried by a roll call vote.

(The reports from the Sheriff, Probation, and 911 have been recorded and placed on file in the County Clerk's Office.)

STATE OF ILLINOIS IROQUOIS COUNTY

Roll call and votes in Iroquois County

Recessed Session, October 10, 2023

Chairman Shure

On motion to approve Judicial & Public Safety Committee report

Aye: Alt, Behrends, Bence, Bowers, Crow, Ducat, Geiger, Huse, McGinnis, Offill, Shure, Watts, Whitlow, Williams

Absent: McTaggart, Zumwalt

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session
October 10, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on October 4, 2023 at 3:02 P.M. Members present were Jed Whitlow, Steve Huse, Mitchell Bence, Scott Watts and Raymond Williams. Also present, County Board Chairman John Shure, Sheriff Clint Perzee, Probation Supervisor Barb King, Judge Mike Sabol, State's Attorney Jim Devine and Carl Gerdovich with WGFA.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for September with the committee.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Deputy Reifenberg graduated the Police Academy August 24th and has been in FTO program with Lt. Morefield. He is transitioning to night shift with Sgt. Feller this Friday.
- The CPC tablet system that is replacing Securus for the inmate phone system has been working great.
- Body scanner was installed on August 22nd. All staff has been trained.
- Corey Schunke was hired as a Deputy and started the 16-week academy in Champaign September 5th.
- Began using the new Central Square CAD/Jail/report writing program on September 6th. There have been some issues but they are being worked out.
- X-ray scanner at the Courthouse stopped working on September 6th. The Finance committee approved the purchase of the LINEV x-ray scanner and it should arrive this week.
- Correctional Officer Medina is in the 8week corrections academy in Decatur as of September 17th.
- Perzee provided an update on the radios. A meeting was held last week with Motorola (Starcom) and Kenwood (digital). Kenwood is getting us pricing and a coverage map to assist us in deciding. Essentially our options come down to owning and we would be responsible for the maintenance and towers or leasing with little to no maintenance and possibly one tower rental.
- No cash bail began on September 18th. The Jail is seeing a decrease in population, currently between 13-15. Perzee said everyone that is arrestable is being arrested and brought to jail. If the offense or situation is detainable, they are detained and information is provided to the State's Attorney's Office for detention hearing. For offenses not detainable, the person gets a notice to appear and is released.
- 43 arrests/intakes in September (33 male, 10 female, 3 juveniles)
- September Jail population:
 - Daily Population Average – 20.13
 - 16 (12 male, 4 female), 1 on ankle bracelet
- September medical:
 - 2 hospital/emergency room/prompt care visits this month
 - 20 mental health visits
 - 18 nurse practitioner visits
 - 4 inmate medical and intake exams
 - 2 dentist visits
 - 0 IMH lab
 - 3 telehealth visits
 - 1 IMH Dr. Beck visits
 - 1 Gibson City orthopedics
 - 1 initiated on Buprenorphine
- Jail overtime for September = 145.5 hours paid, 107.75 hours to comp
- Part-time hours for September = 91.75
- Deputy Shane Eades retired on September 29th.

Judge Mike Sabol reported on the additional salary for the public defenders stating the funds have arrived from the State of Illinois at just over \$83,000. The Trial Court Administrator for the Chief Judge in Kankakee will be contacting Finance Manager Jill Johnson regarding how

to disburse the funds and what fund it will be deposited into. At this time, it appears the funds will be provided annually to the public defenders.

State's Attorney Jim Devine reported grand jury was held today with a majority of the cases being drug related. Further discussion was held on no cash bail. Devine explained the determination is defined in the statutes for "must detain" offenses. However, most cases end up being non-detainable offenses.

The committee reviewed Circuit Clerk Lisa Hines monthly report for September.

The committee reviewed the ETSB report for September.

During old business, County Board Chairman John Shure reminded the committee that the County Board meeting on October 10th is being held on the 2nd floor of the Old Courthouse at 9 A.M.

During new business, Perzee also reported his department received a portable breath test machine provided by the state at no charge.

The committee reviewed the claims. It was moved by Williams and seconded by Scott Watts to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried.

As there was no further business to come before the committee, it was moved by Williams and seconded by Huse to adjourn the meeting at 3:26 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Absent: McTaggart, Zumwalt

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session
October 10, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on October 5, 2023 at 9:15 A.M. Members present were Michael McTaggart, Lyle Behrends, Charlie Alt, Paul Bowers, Doug Geiger, Chad McGinnis and Scott Watts. Also present, County Board Chairman John Shure, Finance Manager Jill Johnson, Sheriff Clint Perzee, County Clerk Breein Suver, Treasurer Kurt Albers, ETS Director Eric Raymond, ICPHD Administrator Eric Ceci, Supervisor of Assessment Mia McCammon, Bernie McCarty with AreaWide, Myron Munyon with Compass Insurance, Suzie Werner with HomeStar Insurance and Carl Gerdovich with WGFA Radio.

The meeting was called to order.

It was moved by Doug Geiger and seconded by Paul Bowers to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported they are processing the updated application and will report back once numbers are received.

Suzie Werner with HomeStar Insurance reported the initial group health renewal with Blue Cross Blue Shield began at an increase of 21.41%. Rate relief was requested and our final renewal is down to an increase of 11.07%. Werner explained the main driver for a high renewal this year were the high claims. The HSA plan deductible did increase from a \$2,900 deductible to a \$3,100 deductible per regulations as of January 1st. The benefits fair is scheduled for October 19th and 20th.

Bernie McCarty with AreaWide provided the committee with a quote for backup internet from Conxxus. Costs range from \$349 per month to \$649 per month with a \$250 installation fee for a 36-month contract. Conxxus also offers a 60-month contract ranging from \$299 per month to \$599 per month with zero installation fees. It was moved by Lyle Behrends and seconded by Geiger to approve a backup internet contract for 60 months with Conxxus at \$299 per month plus a \$2,500 installation fee from AreaWide. A roll call vote was taken. Motion carried.

Finance Manager Jill Johnson reported Bernie McCarty with AreaWide is working with Ruder Technologies on backup internet options and will be at the October and November meetings. McCarty will also have an updated five year plan for the County.

The department heads gave their monthly reports. They are as follows:

- ICPHD Administrator Eric Ceci reported the senior services billing issue has been resolved. Flu shots are being administered.
- 911 Director Eric Raymond thanked the committee for moving forward with backup internet. ETSB met last night to continue review of the FY2024 budget. Last week a test was performed on the health department's backup generator. This assisted in determining the battery back-up problems in the server room. These issues were resolved.
- Sheriff Clint Perzee reported his department took delivery of 3 Tahoe's from Dralle and sold 2 Impala's and 1 Trailblazer. A meeting was held last week with Motorola

(starcom) and Kenwood (digital). Kenwood is getting us pricing and a coverage map to assist us in making a decision. We are currently testing a different version of the Verizon PTT radio connection and it is working very well. The cost is \$4 per month per cell phone. A new x-ray scanner for the Courthouse has been ordered and should be here this week. The final payment to Central Square for the CAD system is being made. We received the reimbursement check from the state for the DCFS contract in the amount of \$60,695 on September 19th and the reimbursement check from the state for training for deputies and corrections in the amount of \$26,057.63. No cash bail started on September 18th. We are seeing a decrease in population. Everyone that is arrestable is being arrested and brought to jail. If the offense or situation is detainable, we are detaining and providing information to the State's Attorney's Office for detention hearing. For offenses not detainable, the person gets a notice to appear.

- Treasurer Kurt Albers reported the seconded tax collection is complete and they are working on completing the second tax distribution next week. Also next week names will be published in the newspaper in preparation for the tax sale.
- County Clerk Breein Suver reported she has two new hires in her office.
- Supervisor of Assessment Mia McCammon reported she is working on the taxable EAV.
- Finance Manager Jill Johnson reported she continues to work on the FY2024 budget. The FY2022 audit is complete.

County Board Chairman John Shure informed the committee the telecommunicator contract was approved last month and Shure signed the contract yesterday. Shure is waiting on the AFSCME contract.

Continued discussion was held on the FY2024 budget. Finance Manager Jill Johnson emailed the committee members and department heads a revised FY2024 budget showing a positive General Fund balance of \$7,819. Planning and Zoning Administrator Julie Feller requesting an increase of \$3,000 for Inspections. Raymond distributed the 911 and Joint Dispatch budgets. McCammon also requested an increase in her mileage expense line from \$500 to \$1,500. McCammon would also like to purchase a laptop for remote work and for her WEX employee to use temporarily upon her Deputy Clerk's return in January. It was moved by Michael McTaggart and seconded by Behrends to approve the FY2024 budget as discussed to be posted for public viewing. A roll call vote was taken. Motion carried.

Johnson emailed the FY2022 audit for review. It was moved by Charlie Alt and seconded by Bowers to approve the FY2022 audit. A roll call vote was taken. Motion carried.

The committee reviewed the claims. It was moved by Behrends and seconded by Geiger to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, County Board Chairman John Shure reminded the committee the County Board meeting on October 10th is being held on the 2nd floor of the Old Courthouse at 9 A.M.

During new business, Geiger informed the committee the Tax/Planning & Zoning committee is asking for a moratorium on a battery energy storage system (BESS).

As there was no further business to come before the committee, it was moved by Alt and seconded by Bowers to adjourn at 10:40 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

Absent: McTaggart, Zumwalt

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session

October 10, A.D., 2023

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your committee met at the Iroquois County Highway Building on October 5, 2023 at 8:30 A.M. Members present were Charlie Alt, John Zumwalt and Raymond Williams. Donna Crow and Chad McGinnis were absent. Also present, Assistant County Engineer Doug Butzow, County Board Chairman John Shure, Chebanse Township Highway Commissioner Michael Thompson, and Concord Township Highway Commissioner Scott Storm.

The meeting was called to order.

It was moved by Raymond Williams and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

During public comments, Chebanse Township Highway Commissioner Michael Thompson inquired on behalf of other road commissioners in the County and himself regarding the next steps in hiring a full-time County Engineer. Thompson said they are not dissatisfied with the current arrangement. Highway chairman Charlie Alt informed Thompson and the committee one resume has been received. County Board Chairman John Shure added the job posting is not able to be posted on IDOT's website and the County needs to find a way to reach out to interested candidates. It was also noted the single applicant is becoming discouraged because he's received no contact from the County Board in regards to his resume. Zumwalt recommended Executive Assistant Amanda Longfellow draft a letter to the applicant informing him he is still an active candidate. Shure will continue to work on the job posting.

County striping bids were opened as follows:

- Varsity Striping \$41,445

It was moved by Zumwalt and seconded by Williams to accept the bid submitted by Varsity Striping in the amount of \$41,445 for County striping on 23-00-NON-MFT-08. A roll call vote was taken. Motion carried.

The claims and financial reports for the month were reviewed. It was moved by Williams and seconded by Zumwalt to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

There was no new business.

During old business, Zumwalt discussed the broken windows in front of the building. Assistant County Engineer Doug Butzow said estimates were received years ago to replace the windows but the cost was very high. Alt added that County Engineer Greg Perkinson attended the Management meeting earlier in the week and listened to a presentation from Centrica regarding energy savings and perhaps they would be able to assist with repairing items such as broken windows at the Highway Department.

Also during old business, Shure reminded the committee that the County Board meeting on October 10th is being held on the 2nd floor of the Old Courthouse at 9 A.M.

As there was no further business to come before the committee, it was moved by Williams and seconded by Zumwalt to adjourn at 8:58 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

s/Charlie Alt
s/John Zumwalt

APPOINTMENTS

Chairman Shure presented the following appointments. He informed the Board that he was removing the appointment of Corbenn Clauss as Drainage Commissioner of Pigeon Creek Drainage District for the time being due to an issue with the County Zoning Office which should be resolved by December 1, 2023. He commented that Alan Seggebruch who had previously resigned from Pigeon Creek Drainage District is agreeable to resume duties as Drainage Commissioner until December 1, 2023. It was moved by Mr. Bowers and seconded to approve the appointments as presented, with the removal of Corbenn Clauss and the addition of Alan Seggebruch in the Pigeon Creek Drainage District. The motion carried by voice vote.

Drainage District:

1. Lial Zeedyk of 211E. Sycamore Street, Chatsworth, IL as Drainage Commissioner of Artesia & Ridgeland Drainage District, #3 for a term to expire on the first Tuesday of September, 2026.

2. Mark Young of 319 N. 1400 E. Rd Cissna Park, IL as Drainage Commissioner of Fountain Creek Drainage District, #1 for a term to expire on the first Tuesday of September, 2026.

3. Troy Seggebruch of 1065 N 1100 E. Road Onarga, IL as Drainage Commissioner of Union Mutual Drainage District, No. 3 of Artesia & Ash Grove Townships for term to expire on the first Tuesday of September, 2025.

4. Jon L Goldenstein of 909 E 2200 N Road, Danforth, IL as Drainage Commissioner of Danforth Drainage District Benjamin Area for a term to expire on the first Tuesday of September, 2026.

5. Craig Rabideau of 1037 Blaye, Bourbonnais, IL as Drainage Commissioner of Ashkum Drainage District, #1 for a term to expire on the first Tuesday of September, 2026.

~~6. Corbenn Clauss of 537 N 1100 E Cissna Park, IL as Drainage Commissioner of Pigeon Creek Drainage District for a term to expire on the first Tuesday of September, 2026.~~

7. Fred E. Lesch of PO Box 267, 111 E Papineau, Papineau, IL as Drainage Commissioner of Papineau Drainage District #3 for a term to expire on the first Tuesday of September, 2025.

8. Ty Mowery of 2786 E 900 N Road, Milford, IL as Drainage Commissioner of Eastburn Drainage District #2 for a term to expire on the first Tuesday of September, 2026.

Resignation of Drainage Commissioner:

Gordon Seggebruch has resigned as Drainage Commissioner of Onarga Drainage District #6, effective September 5, 2023.

Gordon Seggebruch has resigned as Drainage Commissioner of Union Mutual Drainage District #3, effective December 1, 2023.

Mickie J. Hagan has resigned as Drainage Commissioner of Eastburn Drainage District #2, effective November 30, 2023.

Gail Kaufman has resigned as Drainage Commissioner of Iroquois Drainage District #1, effective October 10, 2023.

CLAIMS

The following claims were presented for approval. It was moved by Mr. Bowers and seconded to approve claims. The motion carried by a roll call vote.

**STATE OF ILLINOIS
