PUBLIC COMMENTS

Julie Caise addressed the County Board with reasons she would like to see the Illinois Separation Referendum on the ballot in November. Concerns within the SAFE-T Act that allow for cashless bail and repercussions of those who will be released into the public and what they may do after release were some of her reasons.

Loret Newlin spoke about the Illinois Separation Referendum and the goal which is to realign the new state with the U.S. Constitution and return more power to the county level. She feels if county officials take a vote to approve putting the Referendum on ballots, a “YES” vote means the official favors citizen opportunity to be heard at the ballot box, either for or against exploring separation, regardless of their own opinion.

Butch Dalhaus, Solar Advisor with Rector Solar, reported that Illinois is pushing for clean Energy. Mr. Dalhaus stressed the importance of municipalities being aware of extra incentives being offered. In closing, Mr. Dalhaus noted that homes without Solar will be worth less.

Kira Ebert, Chief of Staff with State Representative Jason Bunting’s office, passed out flyer’s with upcoming events. There will be a school supply drive July 1-Aug 7. Senior Health Fair scheduled for August 1, and a shred event & food drive September the 14, 2024.

POLICY & PROCEDURE

June 27, 2024

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
July 9, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on June 27, 2024 at 9:00 A.M. Members present were County Board Chairman John Shure, Lyle Behrends, Charlie Alt and Jed Whitlow. Paul Ducat and Michael McTaggart were absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, EMA Director Scott Anderson, ICPHD Administrator Eric Ceci, ETS Director Eric Raymond, Loren Grosvenor with the City of Watseka and County Board members Mitchell Bence, Doug Geiger and Raymond Williams.

The meeting was called to order.

It was moved by Lyle Behrends and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

EMA Director Scott Anderson distributed his monthly report to the committee.

- Due to extreme heat, Anderson issued a press release listing the cooling locations within the County. We experienced a severe thunderstorm event on Tuesday, June 25th.
- The Village of Donovan has been added to the plan process of the Hazard Mitigation Plan. The third planning meeting is scheduled for August 15th.

Finalization of this process is still a long way out, with completion being expected around July 2025.

- Anderson continues to focus many hours reviewing and updating the Iroquois County Emergency Operation Plan (EOP).
- Anderson received certificates in the following:
 - IS-706: NIMS Intrastate Mutual Aid – An Introduction
- An active shooter tabletop exercise is planned for July 10th. The drill will be held in the EMA EOC and the scenario will be centered around an active shooter incident at the Watseka High School.
- The Local Emergency Planning Committee (LEPC) meetings are now being held quarterly. The next scheduled meeting will be in August. Anderson attended the Iroquois County Amateur Radio Club's Field Day event on June 22nd. Anderson also attended the MABAS meeting on June 26th in Woodland.
- Anderson continues to encourage all County Board members to follow through with his request to complete the NIMS independent study courses and submit certificates to him.
- An EMA volunteer meeting was held on June 12th and discussion was held on the required ICS/NIMS courses as well as the requirement to obtain an amateur radio license. Discussion was also held on the upcoming parades and inclusion of the EMA vehicle as well as the personnel needed to staff the EMA booth at the Iroquois County Fair.
- Hyper-Reach is a service that is available to the public at no charge, following an opt-in procedure. Participants will receive weather warning notification directly from the National Weather Service.
- Anderson continues to share information on the EMA Facebook page.

The Committee Chairs gave their monthly reports:

- Management chairman Lyle Behrends reported the committee will receive updates on the Morgue and review the County Farm bid notice.
- Judicial chairman Jed Whitlow reported the Deputy Coroner position has been filled. Sheriff Clint Perzee continues to work on grants to fund projects within the Sheriff's Department. The SMART Recovery program is in progress at the Jail.
- Highway chairman Charlie Alt reported the committee will receive their monthly reports. The new County Engineer is expected to start on July 15th.
- The Finance committee will receive their monthly reports and prepare for budget hearings.

Discussion was held on the Showbus intergovernmental agreement. McClean County is the primary recipient of the grant that funds the Showbus, and they have recently requested to dismiss the intergovernmental agreement and relinquish their role as the primary recipient. The current agreement is in effect until July 1, 2025. Executive Assistant Amanda Longfellow has been in contact with McClean County as well as a representative with IDOT. IDOT has informed us that CRIS Rural Mass Transit District is willing to take on Iroquois County. Further information will be requested, and the committee will continue the discussion next month.

The City of Watseka has drafted a license agreement authorizing them to drill a test well in Watseka. The proposed area is considered wetlands according to the United States

Department of Agriculture. Loren Grosvenor with the City of Watseka stated he looked up the national wetlands inventory and only a small portion of the area is wetlands. Grosvenor said there are currently 3 wells located on the North side of town and the City of Watseka is looking to spread out their water sources in case of an emergency. The finalized site will potentially include a road and a small treatment plant. County Board Chairman John Shure said a decision does not need to be made today and he will consult with State's Attorney Jim Devine about the matter. Grosvenor will continue looking into the wetland situation.

The committee continued review of the County Code Book as follows:

- Chapter 16 – Environment
 - Sec. 16-21: change the number of members on the committee to be 4 County Board members (one from each district) with the County Board Chairman to be named the 5th member.
 - The remainder of this section will be discussed further with State's Attorney Jim Devine.
- Article III – Nuisances
 - Sec. 16-87 b.: change penalty amount from \$100 per day to \$200 per day.
 - Sec. 16-89: To be further discussed with State's Attorney Jim Devine.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee.

The committee reviewed the claims. It was moved by Behrends and seconded by Whitlow to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, County Board Chairman John Shure said he was contacted by an individual requesting the County establish a process for year-round electronic recycling. Shure spoke with Kankakee County Board Chairman Andy Wheeler about their arrangement with Belson Steel. Their residents can bring their electronic items to Belson Steel at any time. This is funded by the CERA grant but the County and other municipalities also contribute to the cost. Shure asked about the possibility of Iroquois County being able to utilize Belson Steel. It was also suggested that Iroquois County should establish a collection point within the County and have the items transported to Belson Steel once a month. Anderson offered to talk about the matter at a city level and suggested a container be placed at the tree dump in town as it is regularly staffed. The matter will be discussed further next month, and Shure will invite Wheeler and a representative from Belson Steel to the meeting.

Also, during new business, Alt requested the status of filling the vacant seat on the County Board. Shure said he received a letter from the Republican party with their candidate recommendation and this will be brought before the County Board once a decision has been made. This decision is fully up to the County Board Chairman's discretion.

As there was no further business to come before the committee, it was moved by Behrends and seconded by Whitlow to adjourn at 10:50 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session

July 9, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on July 1, 2024 at 9:00 A.M. Members present Lyle Behrends, Paul Bowers, Mitchell Bence, Donna Crow and John Zumwalt. Also present, County Board Chairman John Shure and Maintenance Supervisor Chris Drake.

The meeting was called to order.

It was moved by Donna Crow and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Zumwalt provided an update on the Grant Street Drainage project stating the project is underway this morning.

Maintenance Supervisor Chris Drake's report included the following:

- Drake intends to have river stone placed around the Administrative Center and is waiting for a reply on the cost.
- Drake has been in contact with Marquis Tree Service to trim the low hanging branches.
- Filters at the Animal Control Building have been replaced. The yard is mowed once per week and Drake will be trimming the bushes.
- Carpets and tile floors in the FSA Office will be cleaned over the 4th of July weekend.

- Drake spoke with John Martin of Martin Construction, and he anticipates beginning on the Morgue in the next couple of weeks. Mr. Martin was unsure when he would begin on the Animal Control Building.
- Inspections for July will include the backflow preventors and fire alarms.
- Drake noted that all vegetation is 50% off at Runnings in Watseka and thought it would be a good idea to purchase additional trees for the property. The committee agreed with the purchase.

Discussion was held on the Animal Control Building and Morgue. Crow expressed her frustration about a situation that occurred involving ICARE and the animals at our building. Crow said she spoke with Finance Manager Jill Johnson who stated we were at capacity, and she instructed the Animal Control Wardens to “move the dogs” to avoid euthanasia. This resulted in incorrect information being shared on Facebook saying the County Board has dictated all animals be euthanized by a certain date. Crow is going to make suggestions to Johnson in regards to ICARE. Zumwalt added the fence at the Animal Control Building needs to be installed as soon as possible. County Board Chairman John Shure provided color samples for the Morgue addition.

The committee discussed the County Farm lease. Bids are due Friday, August 2nd at 4:00 P.M. and will be opened Monday, August 5th at 9:00 A.M. It was moved by Zumwalt and seconded by Crow to put the County Farm lease out for bid. A roll call vote was taken. Motion carried. The committee requested the County Farm yields be entered into a spreadsheet for informational purposes to share with bidders. Soil testing bids are also due Friday, August 2nd at 4:00 P.M. and will be opened Monday, August 5th at 9:00 A.M. It was moved by Paul Bowers and seconded by Crow to put the soil testing out for bid. A roll call vote was taken. Motion carried.

Management Chairman Lyle Behrends informed the committee that the City of Watseka is in the process of getting permission for a test well on the property. There are four different sites they are looking into.

The FSA lease was received at a rate of \$17.55 per square foot for a 5-year lease. This reflects the 25% rate increase requested by the committee. It was moved by Crow and seconded by Zumwalt to accept the FSA lease at a rate of \$17.55 per square foot totaling \$86,539.05 per year for a 5-year term. A roll call vote was taken. Motion carried.

The committee reviewed the claims. It was moved by Mitchell Bence and seconded by Bowers to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Crow and seconded by Zumwalt to adjourn at 9:38 A.M. Motion carried.

All of which is respectfully submitted.

Your committee met at the Administrative Center on July 2, 2024 at 9:00 A.M. Members present were Paul Ducat, Doug Geiger, Steve Huse and Jed Whitlow. Also present, County Board Chairman John Shure and County Board member Donna Crow.

The meeting was called to order.

It was moved by Jed Whitlow and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Whitlow and seconded by Doug Geiger to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

Executive Assistant Amanda Longfellow reported the registration deposit for June was \$8,455. There are 5 cases currently open with 2 dogs waiting for placement, 1 cat being held for a hospitalized owner and 2 bite reports. The Animal Control Officers closed 38 cases in June. The closed cases consisted of 7 dogs running loose, 3 bite reports, 1 injured dog, 7 abandoned dogs, 6 welfare checks, 1 owner hospitalization, 1 dog on dog attack, 1 deceased owner, 1 cat in a storm drain and 9 dogs were placed. Also, a bat was received for testing and tested negative for rabies.

The monthly summary report of programs for the health department was distributed to the committee for their review.

There was no old business.

During new business, Geiger asked about the Board of Health meeting that was held last night. Health chairman Paul Ducat stated the meeting was well attended by ICPHD staff but the results were inconclusive.

As there was no further business to come before the committee, it was moved by Huse and seconded by Whitlow to adjourn at 9:11 A.M. Motion carried by a voice vote.

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on July 2, 2024 at 9:30 A.M. Members present were Paul Ducat, Doug Geiger, Steve Huse and Jed Whitlow. Also present, County Board Chairman John Shure, County Clerk Breein Suver, Treasurer Kurt Albers,

Supervisor of Assessments Mia McCammon and County Board members Donna Crow and Raymond Williams.

The meeting was called to order.

It was moved by Doug Geiger and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Jed Whitlow and seconded by Huse to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

The department heads gave their monthly reports:

- County Clerk Breein Suver reported she is working on tax codes for the fire districts. The County Clerk's Office is also working on the 2 upcoming elections. Suver received notice that the City of Gilman is proposing a new TIF District. Suver noted that a county board member will need to attend the Joint Review Board meeting on July 12th at 2:00 P.M. at the City Hall in Gilman. Lastly, Suver presented the 2024-2026 list of election judges for approval. It was moved by Whitlow and seconded by Geiger to approve the 2024-2026 election judges for a 2-year commission. A roll call vote was taken. Motion carried.
- Treasurer Kurt Albers reported the first installment for property taxes is due July 12th.
- Supervisor of Assessments Mia McCammon provided information to the committee that explains the sales ratio study. McCammon said the Assessment receives a lot of calls concerning the increase in property taxes and explained the steps her staff are taking to ensure the questions are being handled appropriately. McCammon reported ESRI is retiring ArcGIS JavaScript 3.X which will impact all applications and websites with maps and the upgrade to Experience Builder is required. A proposal for the conversion was received in the amount of \$18,731 and will take one or two months to complete. The committee suggested McCammon request additional quotes.

The Capital Development Board sent the 2021 Illinois Energy Conservation Code book. The committee will review the code book.

There was no old business.

During new business, Geiger discussed laptops that the departments may have that aren't being used. He suggested these laptops be used for staff that have the opportunity to work from home.

As there was no further business to come before the committee, it was moved by Geiger and seconded by Huse to adjourn at 10:23 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

July 9, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on July 3, 2024 at 3:04 P.M. Members present were County Board Chairman John Shure, Mitchell Bence and Raymond Williams. Jed Whitlow, Steve Huse and Scott Watts were absent. Also present, Sheriff Clint Perzee, Probation Supervisor Barb King, Judge Mike Sabol and State's Attorney Jim Devine.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Mitchell Bence to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for June.

Judge Mike Sabol reported that Eldon Sprau has retired as a bailiff. Lewis Armstrong has been hired to fill the vacancy. Technology upgrades have been implemented in Sabol's department and have been paid for by the Administrative Office of the Illinois Courts (AOIC) grant.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- 3 candidates passed the written exam for the deputy list. Merit Board interviews are scheduled for July 24th.
- Correctional Officers Wehrle and El are progressing through the 8-week corrections academy in Macon County.
- CPR/First Aid, Narcan and AED training for auxiliary deputies and ICLEA is scheduled with ICPHD.
- The IWIN system (program deputies use for running LEADS and messaging on in-car computers) has ended as of June 30th. The department has been able

to utilize the new Central Square system in its place to accomplish the same or similar results.

- The SMART Recovery program in the Jail being assisted by Gibson Hospital via weekly zoom meetings is working well.
 - IMH Counselor Evan Lerman is in the process of getting his certification to be able to hold the meetings.
 - Currently have 6 inmates attending the first SMART recovery meetings via zoom at the Jail every Thursday at 12 P.M.
- Perzee continues to work with Tip the Scales/Iroquois County Opioid Coalition on the STARR program (Sheriff's Treatment and Recovery/Reentry) which is started in the Jail setting upon intake.
- The Sheriff's Department will have a booth at the Iroquois County Fair this year and will be staffed by on and off duty deputies. The deputies will provide security at the fair along with handing out Jr. Deputy badge stickers, Child Safety ID kits and hopefully Roth ID tags for car seats.
- The Sheriff's Department has been working on rebuilding the Sheriff's Department Auxiliary program and has received the Donovan Trust grant to assist in paying for uniforms.

State's Attorney Jim Devine reported grand jury was held today with 14 cases on the docket.

The committee reviewed Circuit Clerk Lisa Hines' monthly report for June.

IROQUOIS COUNTY

County Board, Recessed Session
July 9, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on July 3, 2024 at 9:17 A.M. Members present were Michael McTaggart, Lyle Behrends, Charlie Alt, Paul Bowers and Doug Geiger. Chad McGinnis and Scott Watts were absent. Also present, County Board Chairman John Shure, Sheriff Clint Perzee, County Clerk Breein Suver, Treasurer Kurt Albers, Supervisor of Assessments Mia McCammon, Myron Munyon with Compass Insurance, Scott Perkinson with Enterprise Fleet Management and County Board member Donna Crow.

The meeting was called to order.

It was moved by Paul Bowers and seconded by Doug Geiger to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported the cyber security policy is in place. All other renewals are in review.

Suzie Werner with HomeStar Insurance reported via email that she has not received an update on the medical loss ratio for this month.

Bernie McCarty with AreaWide will attend the August 8th Finance meeting.

The department heads gave their monthly reports. They are as follows:

- County Clerk Breein Suver reported notice has been received of a new proposed TIF district in Gilman which will have an effect on taxes for the next 23 years or longer. Suver is working on the budget for upcoming budget hearings.
- Treasurer Kurt Albers reported the first installment of property taxes is due July 12th. Albers has hired part-time help to assist with tax collection.
- Supervisor of Assessments Mia McCammon reported the Assessment Office is staying busy due to property taxes being mailed out and received. McCammon is working on the Assessment Office budget for upcoming budget hearings.
- Executive Assistant Amanda Longfellow reported Finance Manager Jill Johnson distributed budget worksheets to all department heads and they are due back to her by July 15th.
- Sheriff Clint Perzee reported he continues to work on grant funding for projects. Local grants have been received for miscellaneous projects. These grants include the Donovan Trust Grant for uniforms for the rebuilding of the Sheriff's Auxiliary Police program and the Mary Helen Robers trust for the purchase of new laptops for the investigators. Enterprise Fleet Management has provided

more specific numbers on leasing patrol vehicles versus purchasing vehicles outright. The costs include maintenance, fuel mileage and an increase in revenue for vehicles sold before they cost more to maintain. In addition to leasing 2 vehicles (2 at approximately \$45,910 per year for 4 years), the Sheriff's Department is also looking at an overall plan which includes purchasing used patrol vehicles. These vehicles would be semi-equipped or we would have the equipment to put in them and have approximately 30,000 miles for approximately \$30,000. Perzee explained they are trying to be proactive to better manage the patrol vehicles, some of which have over 180,000 miles on them. The cost of a leased vehicle per year is \$22,955, the cost of a new Ford Police package is \$58,000 and the potential cost of a used vehicle with 30,000 approximate miles is \$35,000. The lease option portion of the plan may be decided prior to the final budget decision to allow for ordering of vehicles while the window is open to order for FY2025. The lease payment would not start on the vehicles until they are delivered in 2025. If the lease option is not decided prior to the final budget decision, the window may close, and we will be looking at ordering vehicles in 2025 for 2026.

Scott Perkinson with Enterprise Fleet Management provided information to the committee that details the Sheriff's Department request for vehicles. In year one, there is a proposed plan to replace the three oldest vehicles and add one vehicle to the fleet. Funding methods include leasing or pay in full. The open-ended lease structure allows the County to maximize cash flow opportunities. The lease option also includes no mileage restrictions, no wear and tear penalties, and the County retains all the rights to the equity in the vehicle. At the end of the term, the County can continue making monthly payments on the vehicles, pay the remaining balance and own the vehicle outright, or Enterprise will sell the vehicle on our behalf, and we will receive the equity at the end of the term less the residual owed. Upon delivery of the vehicles, there is an initial fee of \$30,000. This fee includes vehicle registration and 50% down payment for the aftermarket equipment. No money is due until the vehicles are delivered. Finance chairman Michael McTaggart noted the first four years of the lease plan looks like a savings to the County but the remaining four years are not attractive. The committee requested more information on determining the cost of each mile the vehicles are driven.

The committee reviewed the claims. It was moved by Bowers and seconded by Behrends to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, City of Watseka 3rd Ward Alderman Benny Marcier spoke to the committee about the electronic recycling event scheduled for September 7th. The event will begin at 9:00 A.M. in the Riverside parking lot. For the past couple of years, the City and the County have hosted the event and split the cost. Marcier requested the County to participate in this year's event and pay 50% of the total cost. County Board Chairman John Shure noted he was approached by a citizen of the County that is requesting a year round program for electronic recycling. Shure spoke with Kankakee County Board Chairman Andy Wheeler about their recycling program and Wheeler is willing to talk with the committee about it at the Policy & Procedure committee meeting on August 1st. Shure invited Marcier to the next Policy

& Procedure committee and will also add the electronic recycling event to the County Board agenda for approval on Tuesday, July 9th.

As there was no further business to come before the committee, it was moved by Bowers and seconded by Geiger to adjourn at 10:33 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session
July 9, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your committee met at the Iroquois County Highway Building on July 3, 2024 at 8:30 A.M. Members present were Charlie Alt, John Zumwalt, Donna Crow and Raymond Williams. Chad McGinnis was absent. Also present, County Engineer Greg Perkinson.

The meeting was called to order.

It was moved by John Zumwalt and seconded by Donna Crow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The claims and financial reports for the month were reviewed. It was moved by Raymond Williams and seconded by Zumwalt to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

During new business, County Engineer Greg Perkinson informed the committee he was contacted by an individual stating his garage door was damaged by debris being thrown from a mower. The individual provided pictures of the garage door as well as a repair quote. Perkinson recommends denying the damage as the pictures do not coincide with what is being claimed. Crow suggested the individual contact their insurance company and make a formal claim. It was moved by Williams and seconded by Crow to have a letter sent to Don Cleary advising him to file a claim with his insurance company and provide a copy of the filing with State's Attorney Jim Devine. Motion carried by a voice vote.

Also during new business, Perkinson discussed the AFSCME contract negotiations and how the Highway Department has always been included with the Administrative Center. Perkinson asked that future negotiations be separate for the Highway Department. Perkinson also spoke with AFSCME Staff Representative Natalie Nagele about wage increases for two employees that were previously denied due to not following the wage chart in the contract. Ms. Nagele has approved the wage increases for the two employees.

During old business, the committee discussed the hire date of the new County Engineer Alan Harwood which is set for July 15th. Perkinson asked if the committee would like to set his completion date with the Highway Department. The committee thought it would be best to operate on a month-to-month basis until Mr. Harwood is comfortable.

Lastly during old business, Zumwalt asked for an update on the intersection at Route 49 and Loda Road. Perkinson said they have visited the intersection but due to houses in the area, rumble strips were not put in.

As there was no further business to come before the committee, it was moved by Crow and seconded by Zumwalt to adjourn at 9:04 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.
