IROQUOIS COUNTY

County Board, Regular Session  
June 11, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on May 30, 2024 at 9:00 A.M. Members present were County Board Chairman John Shure, Paul Ducat, Lyle Behrends, Charlie Alt and Jed Whitlow. Michael McTaggart was absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, Sheriff Clint Perzee, EMA Director Scott Anderson, ETS Director Eric Raymond, Supervisor of Assessments Mia McCammon and County Board member Scott Watts.

The meeting was called to order.

It was moved by Paul Ducat and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

EMA Director Scott Anderson distributed his monthly report to the committee.

- Iroquois County experienced a severe wind event during the late evening of May 21<sup>st</sup> into the early hours of May 22<sup>nd</sup>. On Saturday, May 25<sup>th</sup>, a three-year-old girl was reported missing from a residence in Woodland. The Iroquois County Sheriff's Department and Woodland Fire responded. EMA was requested by Woodland Fire to respond with personnel and a camera drone to aid in overhead views. Shortly after arriving at the command post and prior to the drone deployment, the girl was located.
- The third hazard mitigation planning meeting has been scheduled for August 15<sup>th</sup>. All jurisdictions continue to work on completing the questionnaires and surveys. Expected completion is around July 2025.
- Anderson continues to focus many hours reviewing and updating the Iroquois County Emergency Operation Plan (EOP).
- Anderson received certificates in the following:
  - IS-909: Community Preparedness
  - IS-1300: Introduction to Continuity of Operations
- An active shooter tabletop exercise is planned for July 10<sup>th</sup>. Anderson held a meeting with the department heads and administrators whose agencies will be players in the drill. The drill will be held in the EMA EOC and the scenario

will be centered around Watseka High School. The tabletop drill will be a prelude to a full-scale, active shooter scenario that is in the planning stages for August or September.

- The Local Emergency Planning Committee (LEPC) meetings are now being held quarterly. The next scheduled meeting will be in August. Anderson attended the MABAS meeting on May 23<sup>rd</sup> and discussion was held on working together at the Iroquois County Fair by having adjoining tables as has been done in the past. Anderson was unable to attend the Iroquois County Amateur Radio Club meeting on May 29<sup>th</sup> but has received the current copies of the Department of Transportations' 2024 Emergency Response Guidebook. Distribution to the departments within the County will have begun at that MABAS meeting.
- Anderson continues to encourage all County Board members to follow through with his request to complete the NIMS independent study courses and submit certificates to him. He will send another email that includes all the necessary links to register, take the courses or retrieve already earned certificates.
- Due to a full schedule, an EMA volunteer meeting was not held in May. Anderson will schedule a meeting in June to discuss planning for the Iroquois County Fair.
- Anderson spoke about the emergency warning network, Hyper-Reach, which the County contracts with. The service is available to the public at no charge, following a simple opt-in procedure. Participants will receive weather warning notifications directly from the National Weather Service. In the case of any other type of incident or emergency that requires rapid notification of residents, Anderson can issue these alerts within the entire County or in specific areas.
- Anderson continues to share information on the EMA Facebook page.

The Committee Chairs gave their monthly reports:

- Management chairman Lyle Behrends reported the committee will receive updates on the Grant Street Drainage project and the Morgue.
- Tax/Planning & Zoning Chairman Paul Ducat reported the committee will take action on building ordinances as well as receive their monthly reports. The Health Committee will receive their monthly reports for Animal Control and ICPHD.
- Judicial Chairman Jed Whitlow reported the committee will receive their monthly reports. An AED was purchased for the 2<sup>nd</sup> floor of the Courthouse and Narcan is available on both floors. The Circuit Clerk's Office received new office equipment funded by a grant.
- Highway Chairman Charlie Alt reported the committee will receive their monthly reports.
- The Finance Committee will receive their monthly reports and prepare for budget hearings.

During Chairman comments, County Board Chairman John Shure shared the end of session report from the General Assembly provided by UCCI. The report is available if members would like to review it further.

The committee was provided with a resolution from IMRF to allow service credit for military leave prior to participation. Sheriff Clint Perzee stated it was brought to his attention that the County does not have a resolution on file to offer this service. Doing so will be at no

cost to the County and employees can buy up to four years of service. At this time, Perzee said there are approximately four employees in the Sheriff's Department that could benefit from this. It was moved by Ducat and seconded by Whitlow to approve the Resolution to Allow Service Credit for Military Leave Prior to Participation. A roll call vote was taken. Motion carried.

Discussion was held on the Paid Leave for All Workers Act (PLAWA) and the committee was emailed the most current version of the policy. Finance Manager Jill Johnson explained the existing Vacation policy was revised and is now Paid Leave. State's Attorney Jim Devine informed Johnson the revised policy is adequate for the handbook. The policy states that PLAWA is available to eligible employees to use for any reason of their choosing. Full-time employees scheduled 35 hours or more per week shall receive paid leave. Paid leave will begin to accrue on the commencement of their employment or on the effective date of PLAWA and employees may begin using paid leave 90 days following the commencement of their employment or 90 days following the effective date of PLAWA. Hourly part-time, seasonal and temporary employees will receive one hour of paid leave for every forty hours worked in a 12 month period, up to a maximum of forty hours of paid leave in a 12 month period. Paid leave will start on the commencement of their employment or on the effective date of PLAWA. It was moved by Ducat and seconded by Whitlow to approve the Paid Leave Policy, excluding County Board Members and Elected Officials. A roll call vote was taken. Motion carried.

The committee continued review of the County Code Book as follows:

- Chapter 12 – Communications
  - Sec. 12-40: revise to read “The Board shall consist of a minimum of 5 members and a maximum of 12 members.”
  - Sec. 12-43 5: remove “on a temporary basis”.
  - Sec. 12-43 b: remove “by resolution” for paying claims.
  - Sec. 12-62: revise to say “Surcharge as per state statute”.
  - Sec. 12-64: remove and leave as reserved.
  - Sec. 12-65: remove and leave as reserved.
  - Sec. 12-66: revised to say “per state statute”.
  - Sec. 12-67: revised to say “per state statute”.
  - Sec. 12-68: remove and leave as reserved.
  - Sec. 12-69: remove and leave as reserved.
  - Sec. 12-70: remove and leave as reserved.
  - Sec. 12-71: remove “by resolution”.

ETS Director Eric Raymond provided the committee with information requesting ETSB enter into an intergovernmental agreement with departments, including but not limited to Police, Fire, or EMS, for the purposes of conducting regular business and a request for ETSB to recoup funds from departments, including but not limited to Police, Fire, or EMS, for the purpose of replenishing surcharge funds utilized in accordance with the Emergency Telephone System Act. Shure recommended Raymond forward the requests to Devine for review.

It was moved by Ducat and seconded by Behrends to enter into executive session at 10:30 A.M. under 5 ILCS 120/2/c1: The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body. Motion carried by a voice vote.

It was moved by Behrends and seconded by Ducat to come out of executive session at 10:46 A.M. Motion carried by a voice vote.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee.

The committee reviewed the claims. In February, a claim to American Environmental in the amount of \$13,005.59 was not paid due to the County not receiving the appropriate funds. It was reported the funds have been received and the invoice can be paid. It was moved by Ducat and seconded by Behrends to pay the claims, including American Environmental in the amount of \$13,005.59, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, County Clerk Breein Suver presented the list of liquor licenses that expire June 30<sup>th</sup>. Suver reported there are 6 establishments that are now paying the sale before noon on Sunday fee. It was recommended that the liquor licenses be sent to the County Board for approval.

Also, during new business, Supervisor of Assessments Mia McCammon requested the committee consider increasing the reimbursement for lodging per-diem from \$140 per night to \$180 per night. McCammon noted one of her Board of Review members attended a required training and the lodging rates were much higher than our per-diem. A claim is being submitted for full reimbursement. Shure recommended McCammon discuss the claim with the Tax/Planning & Zoning Committee and the Policy & Procedure will research the increase further next month. Lastly, McCammon mentioned signs that are posted on the doors that state “no animals allowed except service animals” and asked if there was a policy in place. Shure stated there wasn’t a policy that he was aware of but past practices have followed the “no animals allowed” sign.

As there was no further business to come before the committee, it was moved by Behrends and seconded by Ducat to adjourn at 11:01 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

### **STATE OF ILLINOIS IROQUOIS COUNTY**

County Board, Regular Session

June 11, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on May 6, 2024 at 9:00 A.M. Members present Lyle Behrends, Donna Crow and John Zumwalt. Paul Bowers and Mitchell Bence were absent. Also present, County Board Chairman John Shure, Maintenance Supervisor Chris Drake and County Board members Charlie Alt, Doug Geiger and Scott Watts.

The meeting was called to order.

It was moved by Donna Crow and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

During public comments, County Board member Charlie Alt addressed the committee about reinstating the loudspeaker system for the County Board meetings. Management Chairman Lyle Behrends said the matter will be looked into.

Zumwalt provided an update on the Grant Street Drainage project stating he contacted Henrichs Drainage and requested the project be put on their list to begin the project.

Maintenance Supervisor Chris Drake's report included the following:

- Per Finance Manager Jill Johnson's request, the locks at the Animal Control Building have been changed. Drake also approved the replacement of a steel door for the building.

- The north parking lot at the Courthouse will be seal coated and striped tomorrow morning.
- Floors at the Courthouse were stripped and redone over the weekend. The terrazzo flooring at the Courthouse needs to be resealed but there are no local contractors that offer this service. Drake said he could search for non-local contractors and attempt to get a free estimate.
- Drake reported a heat pump issue in the FSA Office that has since been repaired.
- Drake was advised to replace the bearings for the cooling tower at the Administrative Center. Precision Piping will assist with the replacement.
- Drake is handling janitorial duties this week while the Courthouse janitor is on vacation.
- Drake reported he is well within the budget for his department and does not anticipate any capital projects for the upcoming budget year. Crow suggested resealing the terrazzo flooring as a capital project depending on the cost. Crow also recommended Drake utilize the Probation Department and their clients that need community service hours for projects that need to be done over the summer.

Discussion was held on the Animal Control Building and Morgue. County Board Chairman John Shure stated work on the Morgue was to begin on May 24<sup>th</sup> but was postponed. The new start date for the project is June 14<sup>th</sup> or June 15<sup>th</sup>. Crow inquired on the email received from County Board member Doug Geiger regarding plumbing changes. Shure said no decision has been made on the changes referred to in the email.

Zumwalt has been in contact with the FSA Office about assisting the County with advertising for the County Farm lease, but this isn't something they typically do for other entities. Zumwalt also mentioned the online bidding process that was discussed in February. Crow said the committee decided to continue with the paper bidding process this year and look into the online bidding option at another time.

The FSA office lease was discussed, and a proposal was sent to the committee with an increase from \$14 per square foot to \$16 per square foot for a 5-year lease. Behrends noted the additional items that have been requested by the FSA Office such as additional cleaning services. Drake said additional cleaning services were requested by a prior manager that is no longer in the FSA Office and he believes the services they receive are adequate. The committee discussed further negotiations on the rate per square foot. Last month the committee agreed to a 25% rate increase for a 10-year lease but the proposal was received before communicating this information. The committee chose to move forward with last month's proposal.

The committee reviewed the claims. It was moved by Zumwalt and seconded by Crow to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Crow and seconded by Zumwalt to adjourn at 9:34 A.M. Motion carried.

All of which is respectfully submitted

### STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Regular Session

June 11, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on June 4, 2024 at 9:00 A.M. Members present were Paul Ducat, Doug Geiger, Steve Huse and Jed Whitlow. Also present, County Board Chairman John Shure, Finance Manager Jill Johnson and ICPHD Administrator Eric Ceci.

The meeting was called to order.

It was moved by Steve Huse and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Whitlow and seconded by Geiger to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

Finance Manager Jill Johnson reported the registration deposit for May was \$6,340. There are 9 cases currently open with 4 dogs and 4 cats waiting for placement and 1 bite report. A building inspection was done on May 16<sup>th</sup> by the Department of Agriculture for our animal welfare license certification and the license has been renewed for another year. The Animal Control Officers closed 37 cases in May. The closed cases consisted of 11 dogs running loose, 1 kitten pick up, 4 bite reports, 2 injured dogs, 3 abandoned dogs, 6 welfare checks, 2 cases where the owners were hospitalized, an accident pick up, and 6 dogs were placed. Also, a bat was received for testing and tested negative for rabies.

ICPHD Administrator Eric Ceci distributed the monthly summary report of programs. Environmental Health reported 37 total inspections and 11 temporary food permits issued, 2 plan submittals, 1 re-opening/opening, 4 unfounded food complaints and 3 radon test kits were given. West Nile surveillance has begun with 28 samples being tested and zero positive cases.

The Environmental Health department has also begun tick surveillance. Community Health reported childhood immunizations increased this month, 3 animal bites (2 dogs, 1 bat), 3 COVID-19 investigations, 1 COVID-19 outbreak and a salmonella investigation. The Tuberculosis program investigated 2 new cases. Community Outreach held 16 educational presentations which include 9 Narcan trainings, 5 CPR trainings and 2 K-12 Health Education. Vision & hearing screenings decrease over the summer months. Senior Services has a total of 182 clients. There were 15 nursing home pre and post screens and 2 Medicaid assistance cases. ICPHD is soliciting their IPlan survey for public participation. This survey is part of the process of the 5-year Iroquois County Health Plan. Ceci reported there is a grant opportunity for a sharps disposal box for Iroquois County residents to dispose of their medical needles. The grant covers the box and a portion of the disposal fees. Ceci asked the committee for their approval to place the box in a secure location on the property near the health department. The committee expressed concern with the safety of the location of the box due to possible theft and it was also suggested to contact Iroquois Memorial Hospital to have the box installed on their property. Ceci stated it would be more convenient to have the box installed on County property when it comes to the disposal, and he would look into the grant to see if security cameras could be included. It was moved by Geiger and seconded by Whitlow to allow ICPHD Administrator Eric Ceci to further investigate the installation of the sharps disposal box and provide video surveillance at all times. A roll call vote was taken. Motion carried. Lastly, Ceci announced that as of July 1<sup>st</sup>, the Health Department has been located in the Administrative Building for 10 years.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Geiger and seconded by Huse to adjourn at 9:18 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

**STATE OF ILLINOIS  
IROQUOIS COUNTY**

County Board, Regular Session

June 11, A.D., 2024

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on June 6, 2024 at 9:30 A.M. Members present were Paul Ducat, Doug Geiger, Steve Huse and Jed Whitlow. Also present, County Board Chairman John Shure, County Clerk Breein Suver, Treasurer Kurt Albers, Supervisor of Assessments Mia McCammon, Planning & Zoning Administrator Julie Feller, ICPHD Administrator Eric Ceci, Sowmithri Baddela and County Board member Scott Watts.

The meeting was called to order.

It was moved by Doug Geiger and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Geiger and seconded by Jed Whitlow to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

The department heads gave their monthly reports:

- County Clerk Breein Suver reported her office rolled the tax cycle to the Treasurer's Office last week. The County Clerk's Office is working on the election judge lists. There needs to be a minimum of 3 Republicans and 2 Democrats in each polling place and there are 37 polling places throughout the County. Suver said there are 19 precincts with 1 or less Democratic representation and 11 precincts with 2 or less Republican representation. The election judge lists will be presented to the County Board in July. Lastly, permanent vote by mail letters will be mailed on or around August 7<sup>th</sup>. The

letter is a reminder for anyone that has not signed up for permanent vote by mail and informing them they can sign up for permanent vote by mail. The letters are required to be mailed prior to the General Election.

- Treasurer Kurt Albers reported his office is in the process of getting property tax bills generated and printed. Albers also looked into the matter of the 1% sales tax for grocery stores. He spoke with a representative from the Department of Revenue who said the tax will not affect the County. It will only affect the municipalities the grocery stores are located in.
- Supervisor of Assessments Mia McCammon reported a member of the Farmland Assessment Review committee resigned and a new member, Howard Loy, will be appointed. Brad Cosgrove has been re-appointed to the Board of Review. Jasmine Davis was hired part-time and is working 3 days per week on sketching in the CAMA system. The Assessment Office has finished sketching the residential class 40's in the Milford multi-township. A Township Assessor reached out to McCammon asking for the County to enter into an intergovernmental agreement for the townships to pay us to do their sketching. McCammon provided the committee with a copy of the state statute regarding publication of assessments. While reviewing her department's budget, McCammon realized the budget for publications is quite large and can lower these costs by reducing to one publication.
- Planning & Zoning Administrator Julie Feller provided the committee with revised building code ordinances. It was moved by Geiger and seconded by Huse to adopt the Iroquois County Building Ordinance as presented. A roll call vote was taken. Motion carried. It was moved by Geiger and seconded by Huse to adopt the Iroquois County Electrical Code Ordinance as presented. A roll call vote was taken. Motion carried. It was moved by Geiger and seconded by Huse to adopt the Iroquois County Residential Code as presented. A roll call vote was taken. Motion carried. It was moved by Geiger and seconded by Huse to adopt the Iroquois County Property Maintenance Code as presented. A roll call vote was taken. Motion carried. Discussion was held on the rezoning from A1 to RH1 for Sowmithri Baddela. Feller stated there wasn't a quorum at the Zoning Board of Appeals hearing. It was moved by Geiger and seconded by Huse to approve the rezoning variance from A1 to RH1 to build a single-family home on current farmland for Sowmithri Baddela. A roll call vote was taken. Motion carried. There were no updates on the wind, solar and battery storage ordinances. Feller reported there were 27 permits issued in May consisting of 17 building permits; 4 solicitor licenses, 1 agriculture, 2 campground renewals and 3 kennel license renewals. A total of \$12,900 was collected. Feller reached out to the Mayors in the County to see if they have enacted an ordinance pertaining to the mile and a half for wind and solar. Feller has heard back from the City of Watseka, and they will be forwarding their ordinance. Feller gave the committee a draft copy of the spreadsheet to use for our conditional use requirements for solar.

Discussion was held on appointing a member of the Tax/Planning & Zoning committee as a representative for the Clark Dietz contract. It was moved by Huse and seconded by Ducat

to appoint Doug Geiger as the representative for the Clark Dietz contract. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Huse and seconded by Gieger to adjourn at 10:13 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Regular Session  
June 11, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on June 5, 2024 at 3:00 P.M. Members present were Steve Huse, Mitchell Bence and Scott Watts. Jed Whitlow and Raymond Williams were absent. Also present, County Board Chairman John Shure, Sheriff Clint Perzee, Coroner Bill Cheatum, Probation Supervisor Barb King, Judge Mike Sabol, State's Attorney Jim Devine, Circuit Clerk Lisa Hines and ETS Director Eric Raymond.

The meeting was called to order.

It was moved by Mitchell Bence and seconded by Scott Watts to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Coroner Bill Cheatum reported Bill Nutter resigned in May as a deputy in the Coroner's Office. Cheatum has hired Tim McClain from Crescent City as his replacement.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- 4 candidates took the written exam for the Deputy list. Once the exam results are in, the Merit Board interviews will be scheduled. This process is required to establish a hiring list for deputy candidates.
- Correctional Officer Longfellow will graduate from the Corrections Academy this Friday, June 7<sup>th</sup>.
- Correctional Officers Wehrle and El are slated to go to the Corrections Academy on June 16<sup>th</sup> for 8 weeks.
- One part-time Correctional Officer is covering a full shift.
- The Sheriff's Department recently received CPR, First Aid, Narcan and AED training for deputies and corrections provided by the Iroquois County Public Health Department.
- Perzee continues to work on grant funding for the following projects:
  - ILEAS less lethal taser grant
  - Bodycam grants
  - Local grants for miscellaneous projects
  - Received a grant through ISA for Grainger products to order for the Jail/Sheriff's Department
- The SMART Recovery program is in week 4 at the Jail with Gibson Hospital assisting in the weekly zoom meetings. There are currently 6 inmates attending the SMART Recovery meetings via zoom at the Jail every Thursday afternoon.
- Perzee stated he is very pleased with the Starcom channel list which is built out with plans for the future expansion and interoperability with neighboring departments.
- Perzee continues to work with Tip the Scales/Iroquois County Opioid Coalition on the STARR program (Sheriff's Treatment and Recovery/Reentry) which is started in the jail setting upon intake.
- 85 arrests/intakes in May (53 male, 24 female, 8 juveniles)
  - 42 intakes in April – 103% increase
- Pretrial detention releases:
  - January – 24
  - February – 28
  - March – 26
  - April – 33
  - May - 24
  - 2024 – 135
  - Since 9/18/2023 - 204
- May Jail population:
  - Daily Population Average – 19.71
  - 23 (19 male, 4 female)

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for May.

Judge Mike Sabol reported a new copier was purchased using a technology grant from the Administrative Office of the Illinois Courts (AOIC). Sabol noted a claim will be submitted for an interpreter that was hired. This claim will also be paid through AOIC.

State's Attorney Jim Devine reported grand jury was held today with 15 cases on the docket.

Circuit Clerk Lisa Hines distributed her monthly report for May to the committee for their review. A total of \$49,765.14 was received in fines and fees, \$2,739.25 was received from Pay Court and \$4,119.09 was received from IDROP.

ETS Director Eric Raymond distributed his monthly report to the committee. Raymond also reported that telecommunicator Bennett Foster resigned May 11<sup>th</sup> and Jennifer Garrett has been hired as his replacement. The ETSB made 2 purchases at their meeting last night: the Zetron radio console system and the Mach program.

There was no old business.

There was no new business.

The committee reviewed the claims. It was moved by Watts and seconded by Bence to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried.

As there was no further business to come before the committee, it was moved by Watts and seconded by Bence to adjourn the meeting at 3:17 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

#### **STATE OF ILLINOIS IROQUOIS COUNTY**

County Board, Regular Session

June 11, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on June 6, 2024 at 9:15 A.M. Members present were Michael McTaggart, Lyle Behrends, Charlie Alt, Doug Geiger and John Shure. Paul Bowers, Chad McGinnis and Scott Watts were absent. Also present, Finance Manager Jill Johnson, Sheriff Clint Perzee, County Clerk Breein Suver, Treasurer Kurt Albers, Supervisor of Assessments Mia McCammon, ICPHD Administrator Eric Ceci, Myron Munyon with Compass Insurance, Suzie Werner with HomeStar Insurance and County Board member Donna Crow.

The meeting was called to order.

It was moved by Lyle Behrends and seconded by Doug Geiger to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance provided the committee with the cyber security insurance renewal quote in the amount of \$8,516. Last year the premium was \$8,505. All coverage remains the same. Munyon also shared information on a claim that is being processed on a squad car that was hit by an uninsured driver. The insurance company is sending a letter to the State to request the driver of the vehicle's license be revoked until all damages are paid in full. It was moved by Michael McTaggart and seconded by Behrends to approve the cyber security insurance policy. A roll call vote was taken. Motion carried.

Suzie Werner with HomeStar Insurance reported the medical loss ratio continues to decrease and is at an average of 112%. Blue Cross Blue Shield offers a PPO plan and a Blue Choice PPO plan. The Blue Choice PPO is now in network with Riverside and there is an approximate 4% decrease in premiums.

The department heads gave their monthly reports. They are as follows:

- County Clerk Breein Suver reported the County Clerk's Office rolled the tax cycle to the Treasurer's Office last Tuesday. Suver is working on the budget for upcoming budget hearings.
- Finance Manager Jill Johnson reported she continues to work on the audit. Budget hearing schedules have been emailed to the department heads. Johnson is looking into hiring someone to perform kennel duties at the Animal Control Building. We are currently paying the Animal Control officers for kennel duties, but a dedicated person would be more cost-effective.
- Treasurer Kurt Albers reported he anticipates property tax bills to be mailed next week with tentative due dates of mid-July and mid-September. Albers also reported on the 1% sales tax stating he talked with a representative from the Illinois Department of Revenue and the tax will only affect the municipalities the grocery stores are in. The Treasurer's Office continues to reconcile bank statements.
- Supervisor of Assessments Mia McCammon reported she is working on the budget for her office. McCammon is looking into limiting publications to one newspaper to reduce costs. McCammon is also requesting a cost study be done on lodging rates and increase the per-diem from \$140 to \$180. The Policy & Procedure committee will be researching this further. Lastly, McCammon is preparing to submit a records disposal request to the State. The committee

supports McCammon's decision to decrease the number of newspapers used for publication.

- ICPHD Administrator Eric Ceci reported the Health Department is working on the budget process. Their budget will be submitted to the Board of Health at their July meeting for approval at their August meeting. If the County has any budget requests for the health department, Ceci asked that they be submitted prior to the July meeting. Ceci also reported funding for the Public Health Emergency Preparedness grant has not been received since last year. The IPLAN survey has been published for residents and Ceci encourages participation. Lastly, the Health Department will be celebrating 10 years in the Administrative Building on July 1<sup>st</sup>.
- Sheriff Clint Perzee reported he is very pleased with the Starcom channel list which is built out with plans for the future expansion and interoperability with neighboring departments and statewide departments. Perzee continues to work on grant funding for projects such as the ILEAS less lethal taser grant, bodycam grant and local grants for miscellaneous projects. A grant was received through the ISA for Grainger products to order for the Jail and Sheriff's Department. There was a 103% increase in arrests over the past month. Enterprise Fleet Management provided numbers on leasing patrol vehicles versus purchasing them outright. Perzee said he is also looking into purchasing used patrol vehicles with approximately 30,000 miles. The Sheriff's Department is trying to be proactive to better manage their patrol vehicles, some of which have over 180,000 miles on them, and get the most out of the money allocated. The committee reviewed the information provided by Enterprise Fleet which shows a current fleet of 22 vehicles and an increase to 26 vehicles. Perzee reviewed the cost comparisons of two separate dealerships and the items they offer. McTaggart requested a long-term vision, past the 5 years listed, on the leasing plan. County Board Chairman John Shure noted there are many items to consider such as increased upfitting costs and possible mileage limitation. Perzee said he has confirmed there are no mileage restrictions. Shure would also like the owners of the dealership to be contacted for a possible price match.

The July Finance/I.T. meeting has been rescheduled to Wednesday, July 3<sup>rd</sup> at 9:00 A.M.

The committee reviewed the claims. It was moved by Geiger and seconded by Behrends to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Behrends and seconded by McTaggart to adjourn at 9:54 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

County Board, Regular Session

June 11, A.D., 2024

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your committee met at the Iroquois County Highway Building on June 6, 2024 at 8:30 A.M. Members present were Charlie Alt, John Zumwalt and Donna Crow. Chad McGinnis and Raymond Williams were absent. Also present, County Engineer Greg Perkinson and County Board Chairman John Shure.

The meeting was called to order.

It was moved by John Zumwalt and seconded by Donna Crow to approve the agenda. Motion carried by a voice vote.

During public comments, Zumwalt stated he was contacted by Joe Young with concerns about the intersection on Route 49 and Loda Road. Changes have been made to the location but Young didn't think the changes were adequate. County Engineer Greg Perkinson said double stop signs were added as well as a "stop ahead" sign but he will look further into the matter.

The claims and financial reports for the month were reviewed. It was moved by Zumwalt and seconded by Crow to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

During new business, the committee changed the July meeting date to July 3<sup>rd</sup> at 8:30 A.M. Also, during new business, Perkinson informed the committee that he has promoted Kevin Woodby to Working Maintenance Supervisor at \$31 per hour. Woodby will be in a supervisory role and this will be a non-union position. The Highway Department also has vacancies for Maintenance Technicians. It was moved by Crow and seconded by Zumwalt to approve the promotion of Kevin Woodby to Working Maintenance Supervisor. A roll call vote was taken. Motion carried.

During old business, Perkinson announced Alan Harwood will begin July 15<sup>th</sup> as the new County Engineer. The resolution for his 6-year appointment was sent to IDOT yesterday. Perkinson said with the retirement of Lisa Miller and resignation of John Smith, it will be necessary for him to continue to assist the County until Harwood is comfortable. The committee will discuss this time frame with Harwood after his hire date.

As there was no further business to come before the committee, it was moved by Zumwalt and seconded by Crow to adjourn at 9:03 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.
