County Board, Recessed Session
August 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on August 4, 2025 at 9:00 A.M. Members present were Jamie Bakken, Donna Crow, Roger Bard, Scott Watts and John Grant. Kathleen Perkinson was absent. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson, Maintenance Supervisor Chris Drake, ETS Director Eric Raymond and County Board member Charlie Alt.

The meeting was called to order.

It was moved by John Grant and seconded by Donna Crow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- Getz was onsite to recertify the fire alarm system in the 911 Center.
- Floors in the Administrative Center were stripped and waxed over the 4th of July weekend.
- The first phase of redoing the parking lots at the Administrative Center is complete. The second phase will be done later this month or early September.
- Halls Mowing has done a great job keeping up with the mowing this season despite the unpredictable weather.
- Drake reported one heat pump in the Administrative Center needed charged. Drake also worked on a heat pump in the USDA breakroom. There were no HVAC issues at the Courthouse and Jail.

- Drake has begun work on the stairways at the Courthouse. This includes patching and painting.
- Drake reported he usually begins buying pallets of salt each September. There is currently 1 full pallet plus 10 bags of salt in the maintenance shed.
- Glade was onsite to perform work on the cooling tower.

County Board Vice-Chairman Scott Watts inquired on the invoices being paid to the Illinois State Fire Marshal for recertification. Drake said this is not a new fee, the County has always paid for recertifications.

Watts provided an update on the County Farm stating the fertilizer payment was received electronically on July 25th. Watts noted the cash rent payment and fertilizer payment were both received late. Watts recommended payments be received electronically in the future to potentially avoid further late payments. The tenant has expressed interest in adding names to our fertilizer vendor list from Indiana. The names will be sent to the County Board Office. The tenant intends to plant corn on the farm ground next year. Lastly, the waterway areas that were seeded are coming in nicely. The committee held further discussion on receiving electronic payments and accepting bids outside of Iroquois County. Finance Manager Jill Johnson said electronic payments can be received at any time and instructions have been created for receiving these payments. The committee agreed this could be addressed on a case-by-case basis. While the committee would like to keep the purchase of fertilizer in Iroquois County, they don't believe they can apply this restriction to bids received. Crow recommended a letter be mailed to the tenant addressing the late payment issues and requests that all future payments be made in a timely manner. With all payments being current at this time, the committee opted to address the matter next March when the next payment is due.

The committee discussed the letting of the bids for fertilizer on the County Farm. It was moved by Crow and seconded by Grant to publish for bids for fertilizer on the County Farm from the updated vendor list. A roll call vote was taken. Motion carried.

Discussion was held on the Administrative Center leases for Volunteer Services and Workforce Development. Both leases expire August 31st and are currently paying \$11 per square foot. Johnson provided the committee with an updated maintenance cost spreadsheet. The recommended cost per square foot is \$14.06. Johnson also reminded the committee that the rent received from Workforce Development is decreasing due to downsizing from two offices to one office. It was moved by Grant and seconded by Crow to renew the Volunteer Services lease at \$14.06 per square foot for a three-year term. A roll call vote was taken. Motion carried. It was moved by Jamie Bakken and seconded by Watts to renew the Workforce Development lease at \$14.06 per square foot for a three-year term. A roll call vote was taken. Motion carried.

There were no updates on the maintenance capital improvement projections for the upcoming budget year.

AreaWide provided a quote of \$11,281.97 for an updated sound system in the boardroom. Watts suggested questions be directed to AreaWide at the Finance Committee meeting today.

The next Management Committee meeting is scheduled for September 3rd at 9:00 A.M.

The committee reviewed the claims. It was moved by Watts and seconded by Grant to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Grant inquired about drinking fountains for the buildings. There were no updates. Drake said he will request estimates and have the information available for the next meeting. Also during old business, Watts asked that the fertilizer letter reflect the tenants plans to plant corn.

There was no new business.

As there was no further business to come before the committee, it was moved by Roger Bard and seconded by Watts to adjourn at 9:47 A.M. Motion carried.

All of which is respectfully submitted.

County Board, Recessed Session
August 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on August 4, 2025 at 10:00 A.M. Members present were Scott Watts, Doug Geiger, Charlie Alt, Jamie Bakken and Donna Crow. Kathleen Perkinson was absent. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson, County Clerk Breein Suver, Sheriff Clint Perzee, Treasurer Kurt Albers, ETS Director Eric Raymond, Supervisor of Assessments Mia McCammon, Myron Munyon with Compass Insurance, Adam Sadorus with AreaWide Technologies and County Board members Roger Bard and John Grant.

The meeting was called to order.

It was moved by Donna Crow and seconded by Doug Geiger to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported that the cyber security policy has been issued.

Suzie Werner with HomeStar Insurance provided an update via email stating the current medical loss ratio is at 153.6% for June with six large claimants paid out that are still ongoing. Werner also reported that Medicare Advantage retirees are losing their coverage through Health Alliance effective January 1, 2026. Quotes from BCBS of IL Medicare Supplement are being mailed to retirees.

Adam Sadorus with AreaWide Technologies reported no new updates. Finance chairman Scott Watts added that the Management committee discussed the sound system for the boardroom and will need more information from Jeff Facer with AreaWide.

The department heads gave their monthly reports. They are as follows:

- County Clerk Breein Suver reported information has been received on the IVRS grant and we were awarded \$32,010.99. Suver explained this is a reimbursable grant and we have to spend the money to get reimbursed. Suver said she emailed Finance Manager Jill Johnson and asked her to decrease the election ballots and supplies line by \$10,000.
- Supervisor of Assessments Mia McCammon reported she requested the township assessors turn their books into her by August 15th. McCammon also reported the staff member hired through Workforce Development is working out well.
- ETS Director Eric Raymond reported he has completed interviews for the vacant telecommunicator position and has a potential candidate.
- Finance Manager Jill Johnson reported she continues to work on the FY2024 audit and the FY2026 budget.
- Sheriff Clint Perzee reported interviews for promotion/investigator and two prospective candidates for the deputies hiring list were conducted on July 29th with the Merit Board and Command Staff. The Sheriff's Department is working with the Iroquois Mental Health Center on a new program designed for reentry of people who have been in jail, currently have active court cases or are on probation. They are finalizing what the program will encompass and entail and ensuring that funding will be secure for the future of the program. A metal detector for Investigations was purchased. Perzee attended meetings with Representative Jason Bunting and Central Zone Sheriff's. FOIA was a large topic of discussion at both meetings and the time it takes to answer the FOIA requests. Most offices have had to dedicate or hire one person for FOIA responses.

Treasurer Kurt Albers distributed the monthly Treasurer's Report to the committee. Albers said the Department of Revenue is expected to have numbers by the middle of this month. Albers also reported the up-to-date Treasurer's Report will be given at the County Board meeting on Tuesday. The committee requested the reports be provided electronically.

The committee discussed the allocation of the Maintenance Supervisor salary which is currently being divided 50/50 between the Sheriff's Department and the Administration Center.

Watts stated he would like to see the salary paid from one fund to lessen the confusion about what is being paid. It was moved by Watts and seconded by Geiger to pay the Maintenance Supervisor Salary line item from the Maintenance-Administration Building Only Fund beginning with the FY2026 budget. A roll call vote was taken. Motion carried.

Discussion was held on the FY2026 budget. The budget must be posted for public viewing in October and approved in November. Watts encouraged the department heads to review their budget requests and make necessary adjustments. The budget is currently showing a \$250,000 deficit. Watts said he has suggestions on how to eliminate the deficit but would like to give the department heads an opportunity to make changes to their budgets first. Geiger requested itemized salary information. Crow noted there may be a possible increase in insurance costs if the County chooses to groom and board dogs at Animal Control. Johnson added that she has the health insurance budgeted high until more information is received from HomeStar and the health department will present their budget next month. The Negotiations committee will meet Wednesday at 9:30 A.M. County Board Chairman Paul Ducat and Watts will attend the meeting for Corrections and Telecommunicators. Ducat and Crow will attend the meeting for Deputies, Sergeants and Lieutenants.

There were no Finance Chairman comments.

The committee reviewed the claims. It was moved by Jamie Bakken and seconded by Crow to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Charlie Alt and seconded by Bakken to adjourn at 10:40 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

County Board, Regular Session
August 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on August 4, 2025 at 11:04 A.M. Members present were Donna Crow, Steve Huse, Roger Bard and John Grant. Jody Munsterman and Chad McGinnis were absent. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson, Animal Control Administrator Angela Frary, ICPHD Administrator Robin Allen and Amy Zabel with Iroquois Mental Health Center.

The meeting was called to order.

It was moved by Steve Huse and seconded by Roger Bard to approve the agenda. Motion carried by a voice vote.

There were no public comments.

During Agency Reports, Amy Zabel with Iroquois Mental Health Center gave an update on the First Responder grant stating they were able to meet with several retired officers and will be establishing a peer support group led by the retired officers for local first responders. Zabel also announced that an employee that has been part-time since 2016 has been hired full-time as the Substance Use Recovery Program Director.

Animal Control Administrator Angela Frary reported the registration deposit for July was \$5,301. The Animal Control Officers closed 65 cases in July. The closed cases consisted of 1 bat, 4 bite reports, 31 animal complaints, 18 animals found, 3 lost animals and 1 relinquish request. There are currently 4 dogs, 10 kittens and 2 cats at the building. There were 2 feral cats on bite quarantine that were fixed and released after quarantine. A total of 9 cats and 4 dogs were rehomed. Several kittens and dogs were transferred to shelters and 3 dogs were returned to their owners. There are 3 kittens and 1 dog in foster care. Health chairman Donna Crow shared information about a Care Credit Credit card for Animal Control which offers a 20% discount on veterinarian care. The card information could be kept on file with the veterinarians we use. It was moved by Huse and seconded by John Grant to make a recommendation to the County Board to instruct Animal Control to apply for a Care Credit credit card to obtain a 20% discount. Motion carried by a voice vote. Crow and Frary updated the committee on the updates to the Animal Control Building which includes new steel doors and new LED lighting. Frary continues to clean and organize the building. Crow is waiting for insurance quotes from Compass Insurance that will ensure dogs if the County pursues boarding and grooming services. Frary provided the committee with a list of veterinarian duties as well as the current fee schedule for villages and cities. The fee schedule is outdated and will need to be revised. Frary said she will obtain a copy of Kankakee County's intergovernmental agreements with villages and cities and email them to the committee. Frary discussed payment of services for Animal Control and asked the committee to consider allowing credit card payments. It was moved by Grant and seconded by Huse to establish a

credit card system to collect fees for Animal Control services. Motion carried by a voice vote. Lastly, the Animal Control portion of the County Code Book will be emailed to the committee.

ICPHD Administrator Robin Allen distributed the monthly summary report of programs. Environmental Health performed 34 inspections and 80 temporary inspections. There were 6 permits issued for new wells, 13 radon kits given and 114 tobacco compliance inspections. Community Health reported 2 animal bites. A school physical event is being held today from 3 P.M. until 5 P.M. A case of Lyme Disease and a new case of Tuberculosis was investigated. Community Outreach held 19 educational presentations which includes 14 Narcan trainings, 3 CPR trainings and 1 safe sitter training. Allen reported the health department received 1,252 visitors at their booth during the Iroquois County Fair. Vision and hearing screenings will begin this month with the start of the new school year. Senior Services reported 208 clients utilizing services. Allen also reported a staffing change in Environmental Health. Logan Robinson, part-time Environmental Health intern, has accepted the full-time position effective September 1st. Allen provided the committee with an update on the grants being utilized in the health department. The Board of Health meets Wednesday to finalize the FY2026 budget. Lastly, Allen reported that Dr. Meena Purohit, pediatrician, has accepted the Medical Director position. There is one vacancy remaining on the Board of Health.

The committee reviewed the claims. It was moved by Grant and seconded by Bard to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Crow asked that Frary continue to work on policies for Animal Control.

There was no new business.

As there was no further business to come before the committee, it was moved by Bard and seconded by Huse to adjourn at 11:49 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session
August 12, A.D., 2025

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Planning & Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on August 5, 2025 at 10:06 A.M. Members present were Doug Geiger, Steve Huse, Roger Bard, Chad McGinnis and Jed Whitlow. Kathleen Perkinson was absent. Also present, County Clerk Breein Suver, Treasurer Kurt Albers, Supervisor of Assessments Mia McCammon, Planning & Zoning Administrator Julie Feller, Edmond Fitzgerald and Taylor Canny with US Solar, Greg Chandler, Mike Chandler, Ben McQuellan and Curt McQuellan with McQuellan Farms, Martha and Lee Genzel with L&M Farms, Anita Richert with Richert Ranch, Andrew Keyt with Heyl Royster, Carl Gerdovich with WGFA Radio and County Board Vice Chairman Scott Watts.

The meeting was called to order.

It was moved by Chad McGinnis and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The committee reviewed the claims. It was moved by Roger Bard and seconded by McGinnis to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

The department heads gave their monthly reports:

- Treasurer Kurt Albers reported the first tax distribution was processed today.
- Supervisor of Assessments Mia McCammon reported she has requested the township assessors turn in their work to her by August 15th.
- County Clerk Breein Suver reported that petition circulation began this morning for the March 2026 primary election. County Officers that are up for re-election include the County Clerk, Sheriff, Treasurer and 10 County Board members. Filing will begin October 27th through November 3rd. Suver also reported \$32,000 was awarded through the IVRS grant. These funds will pay for part of the voter purge and the voter registration system.
- Planning & Zoning Administrator Julie Feller reported all campgrounds and mobile home parks have renewed their annual licenses. There are two outstanding kennel licenses that need renewed. The Planning & Zoning

Department issued 10 building permits, 3 agricultural permits and collected \$4,538 in fees.

Suver provided the committee with a list of precincts and polling places. Suver said she had intended to combine polling places and precincts as discussed in a previous meeting, but the changes won't take place until next year. It was moved by Steve Huse and seconded by McGinnis to confirm the list of precincts/polling places for the 2026 election. A roll call vote was taken. Motion carried.

Discussion was held on the Louis Creek Solar LLC's application for a conditional use permit to construct and operate a 50 MW AC Commercial Solar Energy Facility and 10 MW AC of Battery Energy Storage System. Andrew Keyt with Heyl Royster explained the application has gone through the Zoning Board of Appeals process of a public hearing and the ZBA had a few concerns they would like investigated further. These concerns include the battery storage portion and what manufacturer they plan to use. Also, the design of the solar panels and the manufacturer hasn't been determined. More importantly, there was an issue that came up with drainage on the site. This particular parcel drains approximately 1,000 acres from the surrounding parcels and where the battery storage portion is located. Keyt said the ZBA recommended approval subject to their conditions. The County Board can approve the application as is, approve the application subject to conditions, deny the application or send the application back to the ZBA. Keyt recommended the application be sent back to the ZBA. It was moved by Doug Geiger and seconded by Huse to recommend to the County Board that they send the Louis Creek Solar Conditional Use Application back to the Zoning Board of Appeals with specific instructions on what to evaluate. A roll call vote was taken. Motion carried. In regards to the Louis Creek Solar LLC's variance request to allow for an alternative to the living buffer requirement of the Commercial Solar Energy Facility Ordinance, Keyt said this will also go back to the ZBA.

Discussion was held on deeming the Commerce Street Solar's Conditional Use Permit complete. Keyt reported the application was received in the Planning & Zoning Office and forwarded to Scott Drabicki with Clark Dietz for review. Drabicki did note a few items that needed addressed and correspondence was sent to Commerce Street Solar. All items have been addressed and Keyt said the application is complete and ready for public hearing. Geiger discussed the applications being received and requested the applicants include page numbers going forward. It was moved by McGinnis and seconded by Whitlow to accept the Conditional Use Application from Commerce Street Solar. A roll call vote was taken. Motion carried. Keyt believes the public hearing can include the Louis Creek Solar LLC recommendations as well as Commerce Street Solar.

The committee discussed holding a public hearing on amendments to the Zoning Ordinance to allow temporary meteorological towers as a permitted use in agricultural districts. Keyt recommended the committee send a resolution for the temporary meteorological towers as a permitted use. It was moved by McGinnis and seconded by Whitlow to amend our Zoning Ordinance to allow a temporary meteorological tower as a permitted use in agricultural districts, subject to the Zoning Board of Appeals process and language. A roll call vote was taken. Motion carried.

Geiger provided an update on the floodplain ordinance violation stating Drabicki was in contact with Ameren yesterday and they are needing to get documents concerning an easement for the adjacent property owner. Ameren is confident they will have the project

completed by September or October, weather permitting. Ameren has also discussed their proposal for the corrections with Drabicki and he is satisfied with what has been discussed.

Geiger reported the account balance for the Renewable Energy Fund is over \$440,000. There are two additional applicants pending in the Papineau/Beaverville area and Loda area.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Bard and seconded by Huse to adjourn at 10:47 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session
August 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on August 6, 2025 at 3:02 P.M. Members present were Jed Whitlow, Mitchell Bence, Raymond Williams and Lyle Behrends. Chad McGinnis was absent. Also present, Sheriff Clint Perzee, State's Attorney Mike Quinlan, Circuit Clerk Lisa Hines and ETS Director Eric Raymond.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Mitchell Bence to approve the agenda. Motion carried by a voice vote.

During public comments, Judicial & Public Safety chairman Jed Whitlow read a letter he wrote to the Mayor of Gilman addressing policing issues in the Gilman area and encouraged the signing of a contract for police services with the Iroquois County Sheriff's Department.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Iroquois County Fair went smoothly with the law enforcement presence there.
- The Sheriff's Department continues to work on reviving the Auxiliary Deputy Program.
- Officers have attended additional taser training to be able to train our officers in-house.
- Perzee is working with the Iroquois Mental Health Center on a new program designed for re-entry of people who have been in jail, currently have active court cases, or are on probation. Perzee said they are finalizing what the program will encompass and entail.
- A County-wide sex offender compliance check was conducted with assistance from the US Marshals.
- Prior to school going into session in Iroquois County, the Sheriff's Department will revisit the Handle With Care Program with each school.
- Deputy Anderson is doing well in the Police Academy. Once Deputy Anderson has graduated, the department will be fully staffed in the jail and on the road.
- Correctional Officer Yates will attend the 8-week Corrections Academy starting September 28th.
- Interviews for promotion/investigator and two prospective candidates for the deputies hiring list were conducted on July 29th with the Merit Board and Command Staff.

The committee reviewed the Probation & Court Services activity report for July.

State's Attorney Mike Quinlan reported no updates for the committee.

Circuit Clerk Lisa Hines distributed her monthly report for July to the committee for their review. A total of \$41,311.15 was received in fines and fees, \$6,459.07 was received from Pay Court and \$2,238.94 was received from IDROP.

ETS Director Eric Raymond distributed his monthly ETSB report to the committee. Raymond also reported hiring challenges in the 911 Center.

The committee reviewed the claims. It was moved by Williams and seconded by Lyle Behrends to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session

August 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your Committee met at the Iroquois County Highway Building on August 7, 2025 at 9:00 A.M. Members present were Charlie Alt, Jamie Bakken, Mitchell Bence and Raymond Williams. Steve Huse and Jody Munsterman were absent. Also present, County Engineer Alan Harwood and County Highway Intern Jasmine Davis.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Mitchell Bence to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The claims and financial reports for the month were reviewed. It was moved by Williams and seconded by Jamie Bakken to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

County Engineer Alan Harwood presented Hutchison Engineering's estimate for Phase I of Chapel Bridge. It was moved by Bakken and seconded by Williams to accept the

Phase I agreement for Chapel Bridge at a cost of \$182,587. A roll call vote was taken. Motion carried.

Harwood discussed the need to purchase two trucks for the Highway Department. A quote was received for two Ford F250's at a cost of \$57,759.26 per truck. Harwood also noted two trucks used by former employees need repair costing approximately \$13,000 and he would like to sell the vehicles rather than pay for the repairs. It was moved by Williams and seconded by Bakken to approve the purchase of two trucks at a cost of \$57,759.26 each and to allow County Engineer Alan Harwood to dispose of two trucks at his discretion. A roll call vote was taken. Motion carried.

Harwood also discussed the Sterling plow truck that is no longer cost effective to repair. Harwood asked the committee for authorization to purchase a used truck within the equipment budget. It was moved by Bakken and seconded by Charlie Alt to allow the purchase of a used plow truck up to \$150,000. A roll call vote was taken. Motion carried.

Harwood provided the committee with the 2025-2026 listing of snow plowing by township. The total amount of miles to be plowed is 155.55 at a rate of \$330 per mile. Harwood said no action is required at this time and he is still waiting to receive all signed agreements.

Harwood reviewed the 2025 General Maintenance Plan, Multi-Year Plan for 2025 through 2029 and 2025 Township Bridge Program.

There was no old business.

As there was no further business to come before the committee, it was moved by Williams and seconded by Bence to adjourn the meeting at 9:59 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
August 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on August 7, 2025 at 10:13 A.M. Members present were County Board Chairman Paul Ducat, Scott Watts, Charlie Alt and Jed Whitlow. Doug Geiger, Donna Crow and Kathleen Perkinson were absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, EMA Director Scott Anderson and County Engineer Alan Harwood.

The meeting was called to order.

It was moved by Scott Watts and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

EMA Director Scott Anderson distributed his monthly report to the committee.

- There were no incidents to report.
- The Natural Hazard Mitigation Plan is in the final review stage.
- The joint training session with the health department was scheduled for July 22nd. The training tested our administrative capabilities to sustain both short- and long-term funding of a health department emergency. It was determined that we are prepared to financially handle an incident like the SARS outbreak as presented in the exercise. It was also determined that this ability was learned primarily by working through the COVID outbreak. Exercise approval has already been received by IEMA.
- The booth at the Iroquois County Fair received a significant amount of traffic. Anderson registered the event with the National Weather Service in Chicago and daily reports were generated by them specifically for the fairgrounds. The National Weather Service also made direct calls to Anderson regarding severe weather that would impact the fairgrounds, with enough time to provide on-site warning.
- Monthly tests of the warnings sirens have taken place and Anderson has yet to receive the requested monthly siren test report from the ICOM Director. Anderson said he has also requested archived reports dating back to May 2024.
- Anderson completed the FEMA IS 42.a training, Social Media in Emergency Management. The completion of this course will assist Anderson in his position as the EMA Public Information Officer.
- Our new notification system provider, Regroup, is proving to be a great selection. We have added over 200 subscribers already, with at least 100 of those during the fair. Anderson has provided official notice via email to HyperReach that we will not renew our contract with them following the April 30th expiration, as required within the contract. Their service remains active until the end of the contract.

- The Iroquois County Amateur Radio Club did not hold a July meeting. The Regroup notification system was explained again during the MABAS meeting in Milford on July 30th.
- Anderson continues to share information on the EMA Facebook page. The number of Facebook followers now exceeds 2,500 with over 100 added in the month of July.

The Committee Chairs gave their monthly reports:

- Finance Chairman Scott Watts reported the Finance Committee reviewed the FY2026 budget and discussed the allocation of the Maintenance Supervisor salary.
- Judicial Chairman Jed Whitlow reported the committee received their monthly reports from the department heads and Whitlow shared the letter he wrote to the Mayor of Gilman.
- Highway Chairman Charlie Alt reported the 2025 general maintenance plan, multi-year plan and township bridge plan were reviewed. Alt also spoke about the memorial held for Joel Moore.
- County Board Chairman Paul Ducat reported the Negotiations committee met this week. The Health Committee is discussing fees for Animal Control. The Management Committee will decide on the sound system for the boardroom next month. Also, the fertilizer payment has been received from the farm tenant. The Tax/Planning & Zoning Committee discussed various requests for renewable energy applications.

There were no Chairman comments.

The next meeting for rural public transportation is scheduled for August 19th at 9:00 A.M. in the County Boardroom.

It was moved by Watts and seconded by Whitlow to enter into executive session at 10:36 A.M. under 5 ILCS 120/2/c1: The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body. Motion carried by a voice vote.

It was moved by Watts and seconded by Whitlow to come out of executive session at 10:50 A.M. Motion carried by a voice vote.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee for review.

The committee reviewed the claims. It was moved by Watts and seconded by Alt to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, the committee discussed adding Cintas to the “pay now” claims listing. It was moved by Watts and seconded by Whitlow to add Cintas to the pay now claims listing. A roll call vote was taken. Motion carried.

As there was no further business to come before the committee, it was moved by Watts and seconded by Whitlow to adjourn the meeting at 11:03 A.M.

Motion carried by a voice vote.

All of which is respectfully submitted.
