PUBLIC COMMENTS

Derek Crouse, with Crouse Canine, spoke to the Board about legislation he would like to see approved by the General Assembly in regards to dog training in the State of Illinois.

Ashley Laurent, with Iroquois County Workforce Development, reported they are currently accepting applications for out of school youth between the ages of 16-24. There are currently 4 out of school clients enrolled. Open enrollment for spring has closed and this enrollment yielded four new enrollees that will attend KCC and Parkland in the spring. There are 10 active adult clients, 2 of which will graduate this semester; one in accounting and the other a RN. She commented that foot traffic has increased significantly since October 2024.

OUTSIDE ORGANIZATION REPORTS

Angel Crawford, Director of the Iroquois Economic Development Association, read her monthly report. She spoke about a Job Training Economic Development Program offered by the Illinois Department of Commerce and Economic Opportunity. This program offers workforce training and wrap-around services that should help to bolster equitable workforce recovery for those struggling to gain employment. She also spoke about holiday events in and around Iroquois County.

Due to the fact there was no Policy & Procedure Committee held in the month of December, EMA Director Scott Anderson gave a year in review of the happenings in EMA.

JUDICIAL & PUBLIC SAFETY

Mr. Whitlow, Chairman of the Judicial and Public Safety Committee, gave the report of his committee. It was moved by Mr. Whitlow and seconded to approve the Judicial and Public Safety Committee report. The motion carried by roll call vote.

County Board, Recessed Session
December 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on December 3, 2025 at 3:02 P.M. Members present were Jed Whitlow and Lyle Behrends. Mitchell Bence, Raymond Williams and Chad McGinnis were absent. Also present, Sheriff Clint Perzee, Probation Supervisor Barb King and State's Attorney Mike Quinlan.

The meeting was called to order.

It was moved by Lyle Behrends and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Deputy testing was held to maintain a hiring list of qualified candidates. There were 6 candidates that completed and passed the written test on November 15th. Merit Board interviews will be held in January.
- Gracie Yates has graduated from the Corrections Academy on November 21st. Currently, the Sheriff's Department is fully staffed.
- Garrett Anderson is on his own on patrol and doing well.
- Perzee said he anticipates going live this month with the County-wide e-citation and e-crash programs provided by the Circuit Clerk. Deputies have been testing the software and making mock citations and crash reports.
- The Sheriff's Department has re-started the SMART Recovery meetings virtually in the Jail which is hosted virtually by a counselor from Iroquois Mental Health Center.

Judicial & Public Safety chairman Jed Whitlow informed Perzee that he has written letters to the Mayor of Gilman and the Village President of Onarga addressing policing issues.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for November.

State's Attorney Mike Quinlan reported no updates in his department.

The committee reviewed Lisa Hines' monthly report.

The committee reviewed the claims. It was moved by Behrends and seconded by Whitlow to forward the Judicial & Public Safety claims to the County Board for approval. A roll call vote was taken. Motion carried

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Behrends and seconded by Whitlow to adjourn the meeting at 3:21 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session
December 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on December 1, 2025 at 9:02 A.M. Members present were Kathleen Perkinson, Jamie Bakken, Roger Bard, Scott Watts and John Grant. Donna Crow was absent. Also present, Maintenance Supervisor Chris Drake, ETS Director Eric Raymond and Planning & Zoning Administrator Julie Feller.

The meeting was called to order.

It was moved by John Grant and seconded by Scott Watts to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- Getz has recertified the fire extinguishers at Animal Control and the Jail kitchen.
- While transitioning to heat in the Administrative Center, repairs were needed on a circulating pump.
- The Jail experienced minor electric and plumbing issues with the toilets.
- Forklift repairs are complete.
- Sheriff Clint Perzee acquired metal lockers from Lyon Metal for use in the Morgue and Investigations.
- A new hard drive was installed in the Courthouse basement for the security cameras.
- Snow removal was done throughout the weekend.
- Drake reported issues with the snow blower and will be purchasing replacement parts.

Management chairman Kathleen Perkinson inquired on the snow removal equipment. Drake responded that the equipment is old but is still operational. He would like to investigate other options for sidewalk snow removal. Currently, there isn't a back-up plan in place if the equipment breaks down. Drake said he could contact the Highway Department for assistance and possibly the City of Watseka but nothing formal is in place.

Scott Watts provided an update on the County Farm stating he spoke with the tenant and the check for fertilizer has been mailed. The committee agreed that if the check isn't received next week, they will involve State's Attorney Mike Quinlan. Grant suggested inviting the tenant to a committee meeting.

Perkinson provided an update on the sound system for the boardroom stating the equipment has been partially installed. An update is needed on the remaining equipment.

The committee reviewed the claims. It was moved by Grant and seconded by Watts to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

The next Management committee meeting is scheduled for January 5th at 9:00 A.M.

As there was no further business to come before the committee, it was moved by Jamie Bakken and seconded by Roger Bard to adjourn at 9:22 A.M. Motion carried.
All of which is respectfully submitted.

County Board, Recessed Session
December 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on December 1, 2025 at 10:00 A.M. Members present were Scott Watts, Kathleen Perkinson, Doug Geiger, Charlie Alt and Jamie Bakken. Donna Crow was absent. Also present, Sheriff Clint Perzee, County Clerk Breein Suver, Supervisor of Assessments Mia McCammon, ETS Director Eric Raymond, ETSB members Dave Morgeson and Todd Schippert, Myron Munyon with Compass Insurance, Suzie Werner with HomeStar Insurance, Adam Sadorus with AreaWide Technologies and City of Watseka Mayor Benny Marcier.

The meeting was called to order.

It was moved by Charlie Alt and seconded by Doug Geiger to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported everything has been submitted for the renewal and the policy will be issued shortly.

Suzie Werner with HomeStar Insurance reported open enrollment went well and the new plan goes into effect December 1st. In addition, all of the Medicare retirees have also been taken care of the they are all on a new supplement now that Health Alliance has ended.

Adam Sadorus with AreaWide Technologies reported training will be scheduled for the new sound system equipment. The microphones have been received. Kathleen Perkinson inquired on the remaining workstations that are still operating with Windows 10. Sadorus said there are roughly 25 remaining workstations scattered over various departments.

The committee discussed possible action on 911 fees with the City of Watseka. City of Watseka Mayor Benny Marcier provided a proposal for a 3% annual increase for the next 4 years as follows:

- May 2026 \$129,780
- May 2027 \$133,674
- May 2028 \$137,684
- May 2029 \$141,814

The City of Watseka is currently paying \$126,000 and ICOM has requested \$162,500, which is a 29% increase. ETS Director Eric Raymond reported the fees for the fire departments increased 10% for the upcoming budget year. Raymond explained that during the budget process, the fire departments, police departments, ambulances and Riverside are deducted from the amount first and the remaining funds are divided amongst the County Board, ETSB and the City of Watseka. When calculating these amounts, Raymond said the FOP negotiations for the Telecommunicators needs to be considered. There are a few different options when it comes to funding this budget, one of which being a per service call charge. The committee didn't believe it would be in the best interest to enter into a 4 year contract and thought it would be best to wait until Telecommunicator negotiations are finalized to make a decision on the fees for the City of Watseka.

The department heads gave their monthly reports. They are as follows:

- ETS Director Eric Raymond reported no updates from his department.

- Sheriff Clint Perzee reported that the FOP negotiations for Corrections, Deputies, Sergeants & Lieutenants have been finalized. There were six people that passed the written test for prospective deputies, and they will proceed to the oral interviews with the Merit Board. Perzee also reported the line items for training and maintenance of vehicles appears to be way over budget. Perzee explained that the deputies and correctional officers are reimbursed at 100% by the State of Illinois (over \$22,000 in 2025). The funds spent to repair squad cars, after insurance reimbursements, is paid from the maintenance of vehicles line item. The reimbursed funds are not re-allocated into that line item which causes them to appear over budget.
- Supervisor of Assessments Mia McCammon reported she has submitted the PTAX-280-A to the Illinois Department of Revenue and is awaiting their review and response. The Assessment Office has rolled to the Board of Review, and they are accepting appeals in the office until December 22nd. All of this information is available on the County's website. The Annual Assessor meeting is scheduled for December 18th at 1:00 P.M.
- County Clerk Breein Suver provided the committee with a list of local candidates that will appear on the March 17, 2026 primary ballot. No objections were filed. December 15th is the deadline for petitions passing resolutions to be placed on the ballot and then until December 29th for any boards to pass a resolution to put a referendum on the ballot. Suver said she is anticipating two questions. One from the Village of Buckley regarding increasing the amount of money they're going to be obtaining through a loan for their water system and from Crescent Fire for bonds. The last date to file levies is the last Tuesday of December. Lastly, Suver announced that today is Dianne Zirkle's last day in the office. She is retiring after 26 years of employment.

The committee reviewed the monthly resolution list with parcels being sold to James and Alicia Stafford, Stephen Carroll, Jack Schultz, Michael Fegett and Alfred Galarza by the County trustee. It was moved by Geiger and seconded by Jamie Bakken to approve the resolutions for parcels sold through the delinquent tax process. A roll call vote was taken. Motion carried.

There were no monthly finance reports sent to the committee.

Discussion was held on the FY2025 levy. Suver provided the Annual Tax Levy Ordinance for the committee to review. It was moved by Scott Watts and seconded by Kathleen Perkinson to approve the levy for an assumed taxable EAV of \$928,932,366 at a total request of \$6,872,286 and a percentage of the prior years extension of 104.99%. A roll call vote was taken. Motion carried.

There were no Finance Chairman comments.

The committee reviewed the claims. It was moved by Bakken and seconded by Perkinson to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Alt and seconded by Geiger to adjourn at 10:35 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session

December 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on December 2, 2025 at 10:05 A.M. Members present were Donna Crow, Jody Munsterman, Steve Huse, Roger Bard and John Grant. Chad McGinnis was absent. Also present, Finance Manager Jill Johnson, ICPHD Administrator Robin Allen, Animal Control Administrator Angela Frary, Amy Zabel with Iroquois Mental Health Center and Derek Crouse with Crouse Canine.

The meeting was called to order.

It was moved by Steve Huse and seconded by John Grant to approve the agenda. Motion carried by a voice vote.

During public comments, Derek Crouse with Crouse Canine reported he has been speaking with Animal Control Administrator Angela Frary regarding the County's Animal Control fee schedule. Crouse also discussed implementing a dog training bill and he will be contacting Senator Jason Bunting for assistance with the writing of the bill.

During Agency Reports, Amy Zabel with Iroquois Mental Health Center reported they have hired a new part-time therapist beginning December 8th and he specializes in kids and adolescents. IMHC is increasing their DUI evaluation team and will be partnering with the Iroquois County Probation Department. Iroquois Memorial Hospital and IMHC have recently partnered to provide the medical supervision needed due to the unexpected passing of a psychiatrist at IMHC. Zabel provided an update on the First Responder Wellness Program stating Valerie Melendez and therapy dog Moe recently went to Milford and led a suicide prevention training to their entire first responder team. Lastly, Zabel reported IMHC has launched a couple of teen groups with the Probation Department.

ICPHD Administrator Robin Allen distributed the monthly summary report of programs for the 2025 fiscal year. Environmental Health conducted 384 food inspections during the year. There were 135 mosquito samples for west Nile surveillance this year. There were 529 tobacco compliance inspections and 82 radon kits were given this year. Community Health reported 99

COVID-19 immunizations for the year which is significantly lower than previous years. There were 4 COVID-19 outbreaks in long term care facilities, 8 influenza with ICU admit and 27 animal bites for the year. There were 21 hypertension screenings given this year. Community Outreach events included 4 safe sitter classes for the year. Allen also noted there is a grandparents raising grandchildren class scheduled for Saturday, January 10th. There were 2,033 booth visitors, 3 flu clinics, 8 health fairs and 66 inmates were assessed during the year. Senior Services reported 429 annual/need based reassessments for the year and has a total of 202 clients receiving services. The mobile dental clinic has been successful. The next clinic will be scheduled for February.

Animal Control Administrator Angela Frary reported the registration deposit for November was \$5,375. Animal Control had 43 calls which included the following:

- 7 welfare checks
- 2 calls regarding feral cats
- 13 dogs running loose
- 3 lost dogs, 1 found dog, 2 injured cats found
- 2 noise complaints
- 1 injured dog and 2 deceased dogs
- 3 bite reports
- There are currently 2 cats and 7 kittens in the building
- There are currently 2 dogs in the building and 11 dogs were rehomed
- Frary has reached out to the University of Illinois to discuss participation in spay/neuter clinics.
- Frary and Animal Control Warden Jacob Williams have been enrolled in the humane investigator training.
- Frary has discussed Narcan training for the animal control officers with ICPHD Administrator Robin Allen.

Frary provided an update on the credit/debit card system stating the system is being sent. There were no updates on the credit card for Animal Control expenditures.

The committee reviewed the Animal Control fee schedule with the changes as follows:

- Failure to confine a biting dog/cat, 24 hours after receiving notification that confinement and observation is required
\$50(vaccinated dog), \$200 (unvaccinated dog)
- Animal(s) running at large – add *Per Illinois State Statue (public safety)*
- Remove *Barking or howling dog(s)*
- Remove *Failure to spay or neuter an animal or to provide written verification of a spaying or neutering procedure*

It was moved by Grant and seconded by Roger Bard to approve the Animal Control fee schedule with the changes discussed. A roll call vote was taken. Motion carried.

The committee reviewed the Intergovernmental Agreement for Animal Control Services. It was moved by Jody Munsterman and seconded by Bard to approve the Intergovernmental Agreement for Animal Control Services pending State's Attorney Mike Quinlan's approval. A roll call vote was taken. Motion carried.

The committee will continue discussion and take action on the department policies and the County ordinance for microchipping next month. The committee will also discuss adoptions and foster care agreements next month.

The committee reviewed the claims. It was moved by Grant and seconded by Huse to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Health chairman Donna Crow reported there are no updates on the Muldoon Trust. Also during old business, the charges on the severe animal abuse case have been upgraded to a severe level per State's Attorney Mike Quinlan.

There was no new business.

As there was no further business to come before the committee, it was moved by Bard and seconded by Huse to adjourn at 11:53 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session
December 2, A.D., 2025

Mr. Chairman and Members of the County Board:

Your committee to whom it was referred **Planning & Zoning** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on December 2, 2025, at 9:00 A.M. Members present were Doug Geiger, Kathleen Perkinson, Steve Huse, Roger Bard, and Jed Whitlow-Chad McGinnis was absent. Also present, Amanda Longfellow, Madeline Ussery, Andrew Keyt with Heyl Royster, County Board Member John Glenn, County Board Chairman Paul Ducat, Edmond Fitzgerald and Ryan Magnoni with US Solar and Kira Ebert with Jason Bunting's office.

The meeting was called to order.

It was moved by Jed Whitlow and seconded by Roger Bard to approve the agenda. Motion carried by a voice vote.

There were no Public Comments Registered.

The committee reviewed the claims. The claim for Jamie Atkinson was pulled to be

reviewed prior to the next County Board Meeting. It was moved by Steve Huse and seconded by Roger Bard to pay the remaining claims, subject to County Board approval. A roll call vote was taken. Motion carried.

Planning & Zoning Department report was read by Zoning Assistant Madeline Ussery. In the report there was a total of \$76,092 collected for the year and 119 permits were issued. Total amount of inspections and mileage for each inspector provided to the committee. There are 3 Met Tower applications waiting on approval from Scott Drabicki and Louis Creek Solar site plan revisions are in progress. Papineau Mayor and the TWP. Road Commissioner have not been made aware of a travel route for US Solar. Reported to the committee that the annual meeting for Artesia Mutual Drainage District took place on November 21st. The Louis Creek applicant is working with the drainage district to revise the site plan for consideration of the tile survey and the surface water runoff in regards to the solar arrays and the battery storage locations. Artesia Mutual is proposing the need for their permitting approval prior to their Conditional Use application being approved by the County. The report also stated that footing failure issue at a home in Bayles Lake remains unresolved. There were no questions on the report.

Discussion was held on the Hearing date of Ranger Power Two Roads Solar. Andrew Keyt confirmed the application was complete and ready to be heard in front of the ZBA. Speculation of next meeting being on January 6th, 2026, but waiting for Julie to confirm time and date. The prospect of this hearing requiring multiple nights to complete was discussed. Due to the size of this project and the surveyor's schedule, the tile survey has not been completed. Andrew shared that a variance has been requested for the tile survey. This will be discussed as a condition requirement prior to the building permit at ZBA hearing. There was no action required regarding Ranger Power project.

The US Solar projects discussion began with the known gaps that remain with these projects' Conditional Use applications. The road use transportation route has not been published to local authorities. The other topic is that neither the fire districts nor the village of Papineau were contacted. Ryan Magnoni asked to discuss what was still needed in order to receive a Conditional Use permit for the US Solar projects. Magnoni stated they have only confirmed contact with the fire districts and townships within the last 24 hours. Geiger gave him a copy of Iroquois County Commercial Solar Ordinance pages 9 through 14 as a guide of what will need to be done before they can proceed to a ZBA Hearing. Andrew suggested that US Solar send a letter along with the application to the fire districts, township and the village of Papineau personnel to provide documentation of their intent. Steve Huse suggested to Ryan that they send correspondence via Certified Mail. Kathleen requested that the committee be copied on the correspondence. They will send it to the Zoning Administrator, and the information will be distributed from there. Andy informed Ryan that we would work on getting a ZBA date for them. He stated that it would most likely be a January date. Mr. Geiger reiterated that it would be contingent upon the gaps being covered prior to a date being set for both projects.

A brief discussion regarding the Louis Creek Solar project took place. Geiger explained that the county board sent back four topics of questions to the ZBA regarding what materials are being used for the project, more information on the fencing in regard to a visual barrier and the drainage system concerning surface drainage and the field tiles. Mr. Keyt stated that Artesia Drainage System is working with Allium regarding concerns about a large drain tile passing by a proposed battery storage unit. The issue is that the drainage district would not have the ability to access the tile with the plan that was presented. Andrew stated that this falls outside of the statute and falls under the control of the drainage code. There has been some progress in

the site redesign. The project is on track to move forward, and we can look at a potential date to take back in front of the ZBA. Andrew stated that this would likely be scheduled for the same date as US Solar hearing. Mr. Geiger also stated that Allium was under time constraints due to a deadline with Ameren regarding the deposit for the interconnection agreements. Discussion was held regarding the need for more than one ZBA hearing date in January.

Doug Geiger provided the following Chairman comments. He informed all present that there is correspondence with a company by the name of Pace regarding county digital mapping to determine where the solar, wind or battery storage might be placed. Pace also had inquired about data storage in the county, Mr. Geiger referred to Mr. Keyt as to what action the county might take to ensure that our code covers the development of Data Centers. Mr. Keyt informed the committee he has not been able to look into that yet but believed it would fall under the “other” category where conditional use permits are required. He also explained that it’s up to the county to decide how to regulate it with Conditional Use or it could be made permitted use under certain zoning codes. Mr. Keyt provided an example of a project that was just permitted through conditional use process that was a data center/solar power combination. There was some discussion regarding the selling of power to the grid being subject to our ordinance. Mr. Geiger asked if Mr. Keyt could provide the committee with counties that have Data Center ordinances and also review our codes to ensure that the county is protected with our current codes. Ryan Magnoni stated that the data center project size for permitted use is based on the size of the line that is used for the project.

Mr. Geiger continued with the Chairman comments stating that the pre-existing wind farm RWE in the Milford area asked Angel Crawford if the county would consider letting the project upgrade their wind towers. Geiger spoke with their representative and requested they submit a formal request in writing for the project. This actual work is not expected to begin until sometime in 2028. Mr. Keyt explained typically to do a repower project like that a new Conditional Use Permit is required. The towers might need be reinforced but sometimes the tower is deconstructed and new ones are installed. The county would have several of the same issues as a new project. What was approved for the initial project, could have conditions affecting a potential repower. It may only affect road use agreements. Research will just need to take place to determine what ordinance was on file at the time of the original Building Permit issuance. If it needs to go through a new conditional use permitting process, then the county may need to revert the information that was originally provided. Kathleen Perkinson asked Mr. Keyt if he had any experience with repower projects. The concern is aircraft detection systems on wind tower. Keyt explained that when over a set height the FAA has full control for requirements. We as a county would only enforce those requirements and require that they be always working. Fines may be issued if the system is not always operating. Steve Huse voiced his concern about the light failure, but Mr. Keyt stated that he did not know of any that had failed. The system would default to a constant flash rather than only when an aircraft was detected. Mr. Geiger stated that RWE had also questioned the ability to extend the length of their program. Whatever the date they want to extend by an additional twenty years.

During old business County Chairman Paul Ducat asked about “like for like” for wind towers. He stated that he believed the repowering was addressed in the ordinance by himself, Mr. Geiger and Kathleen Perkinson. The ordinance was made to be more detailed than the previous version had stated. Mr. Geiger stated that he would view his records for the supporting language, but the existing towers would be held to the ordinance from original construction date.

There was no new business.

As there was no further business to come before the committee, it was moved by Huse and seconded by Whitlow to adjourn at 9:49 A.M. Motion carried by a voice vote.
All of which is respectfully submitted.

ORDINANCE NO. 2025-14

AN ORDINANCE AUTHORIZING THE COUNTY CLERK AND RECORDER'S FRAUD REFERRAL AND REVIEW PROCESS AND ESTABLISHING FINES FOR THE UNLAWFUL CLOUDING OF TITLE

(Ordinance No. 2025-14 has been recorded and placed on file in the County Clerk's Office.)

County Clerk Breein Sver presented Ordinance No. 2025-14, an Ordinance Authorizing the County Clerk and Recorder's Fraud Referral and Review Process and Establishing Fines for the Unlawful Clouding of Title. She explained that the establishment of the fraud referral and review process is required by Public Act 104-0382, which was passed earlier in the year. The fraud referral and review process will allow the Recorder's Office to investigate and refer any suspected fraudulent filings to the Circuit Court, where fines for the unlawful clouding of title can be imposed. The law also requires the establishment of a Property Fraud Alert System, which has been established in Iroquois County since 2015. It was moved by Mr. Geiger and seconded to approve Ordinance No. 2025-14, an Ordinance Authorizing the County Clerk and Recorder's Fraud Referral and Review Process and Establishing Fines for the Unlawful Clouding of Title. The motion carried by a roll call vote.

STATE OF ILLINOIS

IROQUOIS COUNTY

Roll call and votes in Iroquois County

Recessed Session, December 9, 2025

Chairman Ducat

On motion to approve Ordinance No. 2025-14, an Ordinance Authorizing the County Clerk and Recorder's Fraud Referral and Review Process and Establishing Fines for the Unlawful Clouding of Title

Aye: Alt, Bakken, Bard, Behrends, Bence, Crow, Ducat, Geiger, Grant, Huse, McGinnis, Munsterman, Perkinson, Watts, Williams

Absent: Whitlow

STANDING COMMITTEES OF THE COUNTY BOARD

Chairman Ducat presented changes to the standing committees of the County Board. They were as follows:

Jamie Bakken will serve as the Chairman of the Management Services Committee and Kathleen Perkinson will serve as Vice Chairman.

Kathleen Perkinson will serve as the Chairman of the Planning and Zoning Committee, Jamie Bakken will serve as Vice Chairman and Scott Watts will serve as a member.

It was moved by Mr. Williams and seconded to approve the changes to the standing committees on the County Board. The motion carried by a voice vote.

ADJOURNMENT

As there was no further business to come before the Board, it was moved by Mrs. Crow and seconded to adjourn the meeting at 10:38 A.M. The motion carried by a voice vote. The next County Board meeting will be held in Watseka, IL on Tuesday, January 13, 2025 at 9 A.M.
