County Board, Recessed Session  
July 8, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on June 30, 2025 at 9:00 A.M. Members present were Kathleen Perkinson, Donna Crow, Roger Bard, Scott Watts and John Grant. Jamie Bakken was absent. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson, Maintenance Supervisor Chris Drake, ETS Director Eric Raymond and Planning Zoning Director Julie Feller.

The meeting was called to order.

It was moved by Donna Crow and seconded by Scott Watts to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- Drake will be meeting with an insurance representative next week to perform the biennial boiler inspection. There are 3 boilers in the Administrative Center, 3 in the Courthouse/Jail and a domestic hot water boiler.
- Getz will be recertifying the fire alarm systems in all buildings.
- Metro Power will be servicing and inspecting the generators.
- Parking lots at the Administrative Center are scheduled for crack sealing this month.
- All hallways in the Administrative Center are being stripped and waxed during the Fourth of July holiday weekend. Drake said he has informed all offices and requested items in the hallways be moved appropriately.
- There were no heat pump issues reported.
- There were air conditioning issues at the Animal Control building.
- Next month Drake will submit claims to the committee for approval for the purchase of heavy-duty shelving and flooring for the Animal Control building.
- Drake cleaned the coils on the chiller and replaced worn belts. Drake reported that the chiller is currently running at 49% of its capacity.
- Drake discussed replacing the drinking fountains in the buildings with ADA compliant drinking fountains. An estimate was received at \$1,400 per fountain. Due to the cost, it was discussed to replace the drinking fountains one at a time. There are currently 4 drinking fountains in the Administrative Center and 1 functioning drinking fountain in the Courthouse. Drake will research what is required to be ADA compliant.

County Board Chairman Paul Ducat inquired on the building of additional office space in the employee breakroom. Ducat is proposing to rent the space for \$350 per month. Drake

said he received a ballpark estimate of \$60,000 and recommended the committee put the project out for bid as a capital improvement project. Further discussion was held on the available space in the breakroom. It was moved by Crow and seconded by Roger Bard to recess the meeting at 9:17 A.M. to view the employee breakroom. Motion carried by a voice vote. It was moved by Bard and seconded by John Grant to call the meeting back to order at 9:32 A.M. Upon touring the breakroom, the committee recognized the large amount of furniture and other items that have filled this space. Management Chairman Kathleen Perkinson will send an email to all departments requesting all items be removed from the employee breakroom by July 31<sup>st</sup>. After July 31<sup>st</sup>, all items remaining will be disposed of.

Watts provided an update on the County Farm stating the tenant has been sent an invoice to reimburse the County for fertilizer costs and payment has not been received yet. Watts will contact the tenant in one week if payment still hasn't been received.

Discussion was held on the Administrative Center leases for Volunteer Services and Workforce Development. Both leases expire August 31<sup>st</sup> and are currently paying \$11 per square foot. For comparison, Farm Services is paying \$17.55 per square foot, 911 Center is paying \$11 per square foot and the AIOC (pretrial services) in the Courthouse is paying \$15.17 per square foot. Watts recommended increasing the leases for Volunteer Services and Workforce Development to \$17.55 per square foot. Finance Manager Jill Johnson will update the maintenance cost spreadsheet and forward it to the committee before a decision is made on the rental increases.

Management Chairman Kathleen Perkinson provided an update on the boardroom sound system stating she is waiting on feedback from AreaWide.

The committee discussed rescheduling the September meeting due to the Labor Day holiday. It was moved by Crow and seconded by Grant to reschedule the September Management Services committee meeting to September 3, 2025, at 9:00 A.M. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Watts and seconded by Grant to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Bard inquired about the generator for the morgue. There were no updates.

There was no new business.

As there was no further business to come before the committee, it was moved by Grant and seconded by Watts to adjourn at 9:56 A.M. Motion carried.

All of which is respectfully submitted.

July 8, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on June 30, 2025 at 10:03 A.M. Members present were Scott Watts, Kathleen Perkinson, Doug Geiger and Donna Crow. Charlie Alt and Jamie Bakken were absent. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson, County Clerk Breein Suver, Deputy Clerk Maggie Matthews, Sheriff Clint Perzee, Treasurer Kurt Albers, ETS Director Eric Raymond, Supervisor of Assessments Mia McCammon, Planning & Zoning Administrator Julie Feller, IEDA Director Angel Crawford, IEDA Finance Committee Chairman Kerry Bell, IEDA Vice-President Barb Davis, IEDA Treasurer Neil Schippert, Myron Munyon with Compass Insurance, Adam Sadorus with AreaWide Technologies and County Board member Roger Bard

The meeting was called to order.

It was moved by Kathleen Perkinson and seconded by Donna Crow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported that the cyber security policy has renewed with an 11% increase.

Suzie Werner with HomeStar Insurance provided an update via email on the retirees Medicare Advantage plans through Health Alliance. Health Alliance is canceling all plans effective January 1, 2026. Werner is working with BCBS of IL to get quotes for the 6 retirees enrolled. Werner and her staff will reach out to each retiree to review the quotes.

Adam Sadorus with AreaWide Technologies provided an update on the new EDR (End-Point Detection and Response) tool stating there were no issues and the installation was successful. Sadorus noted that Jeff Facer with AreaWide Technologies is working on the sound system for the boardroom.

IEDA Director Angel Crawford presented her FY2026 budget with a request of \$45,000 from the County. Crawford provided the committee with a compiled listing of meetings, events and outreach from April to June 2025. Crawford also provided examples of IEDA's work stating the Incobrasa expansion is happening due to connecting them with DCEO and introducing programs to allow the expansion. Also, the Uarco building was posted on Intersect Illinois. Conversations and meetings were held with the mayor and realtors to get the property sold. IEDA Finance Committee Chairman Kerry Bell and IEDA Treasurer Neil Schippert also addressed the committee stating that the Iroquois County Board has always been a great supporter of IEDA and the organization relies heavily on the funds from the County. Bell added that a strategic plan was presented last year with these top 3 priorities: 1. Take advantage of our vast corn and soybean production. 2. Develop a business retention, expansion and recruitment program. 3. Take advantage of our quality-of-life attributes. Lastly, Crawford announced the Iroquois County Mayors, Board Members and Local Stakeholders brunch is planned for September 13, 2025 at the Cissna Park Restaurant. An interactive meeting will be held to introduce the Illinois Institute of Rural Affairs (IIRA) Planning Program and how it can help bring more businesses, residents and visitors to our town.

The FY2026 ICPHD budget will be presented at a later date.

ETS Director Eric Raymond presented the FY2026 budget for 911 and ETSB. Salaries for Joint Dispatch have not been determined yet due to upcoming negotiations. Raymond is not requesting a transfer from public safety for this budget year. The transfer from the general fund, transfer from the City of Watseka and transfer from 911 have been requested at \$222,366.80 each. The budget for ETSB includes a Coordinator position at an annual salary of \$50,000. This position will assist in management functions as well as dispatch.

The department heads gave their monthly reports. They are as follows:

- County Clerk Breein Suver introduced new hire Maggie Matthews to the committee. Suver reported she is still waiting on the IVRS grant award. The County Clerk's Office will be sending out voter cards for the biennial purge.
- Supervisor of Assessments Mia McCammon reported she will begin working on where our current EAV numbers are prior to the township assessors turning in their assessment work. McCammon attended the International Association of Assessing Officer's (IAAO) 101 course last week. The course gave her the opportunity to reflect on the core responsibilities of assessors which is to discover, list and value equitably property. McCammon said this is something we've been failing at. Following her training, McCammon sent an email to the township assessors encouraging them to do their job and to utilize the resources the County has invested in to help them.
- Planning & Zoning Director Julie Feller reported she is working on making sure all renewable energy items are being assigned to the correct general ledger account numbers.
- Sheriff Clint Perzee reported the Starcom mobile radios were installed in the vehicles and will be fully switched over by the end of this week without a patch to VHF. The Sheriff's Department took delivery of 2 Bradley Police

Department squads fully outfitted besides radios. They also took delivery of a 2025 Chevrolet Tahoe from Miles Chevrolet to utilize the equipment previously purchased in 2023 for a squad that was supposed to be ordered by Dralle. Perzee has talked with the labor attorney on issues to present at negotiations. Perzee will be making promotions and choosing a third investigator within the next month. Deputy testing was held, and 4 candidates completed the written exam. Perzee reported some problems with the body scanner which were taken care of by the company, but our warranty has expired. The following options were provided:

- Linev – full warranty @ \$10,000
- Linev – labor/updates, no parts @ \$7,500
- Romane Industries – labor and updates on body scanner and courthouse baggage scanner @ \$9,000

Perzee said he recommends Romane Industries and will be utilizing Jail Fees and Court Security Fund to pay these fees. The committee is in support of Sheriff's recommendation to use Romane Industries.

- Treasurer Kurt Albers reported the first installment for property taxes is due July 7<sup>th</sup>. The first distribution must be done 30 days after the first due date. Albers also reported he would like to invest \$500,000 of public safety funds in a 6-month certificate of deposit at a rate of 4.4%. Finance Manager Jill Johnson added that the current public safety funds balance is approximately \$895,000 with \$534,000 anticipated in revenue next year. There is approximately \$110,000 in expenses remaining this budget year and \$488,000 requested for FY2026 which will leave a balance of approximately \$830,000. Albers said he will also look into Illinois Funds as they may have a higher rate and also allow funds to be withdrawn at any time.
- Finance Manager Jill Johnson reported she continues to work with the auditors on the FY2024 audit. The FY2026 budget hearings are moving along, and Johnson is working on preparing the salary summaries for the committee.
- ETS Director Eric Raymond reported one vacancy in the 911 Center. The position has been reposted, and Raymond will be conducting interviews soon.

The committee discussed rescheduling the September committee meeting due to the Labor Day holiday. It was moved by Scott Watts and seconded by Perkinson to reschedule the September Finance committee meeting to September 3, 2025 at 10:00 A.M. Motion carried by a voice vote.

The committee reviewed the monthly Treasurer's Report.

There were no Finance chairman comments.

Discussion was held on the FY2026 budget. Watts encouraged the committee to review their budget books and bring their recommendations to the Finance meeting next month. FOP labor attorney Jeff Burke will be meeting with members of the bargaining team on July 7<sup>th</sup>.

The committee reviewed the claims. It was moved by Doug Geiger and seconded by Kathleen Perkinson to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, County Board Chairman Paul Ducat reported he attended the City of Watseka's TIF meeting, and they are slowly going through the process of closing them out.

As there was no further business to come before the committee, it was moved by Crow and seconded by Geiger to adjourn at 11:16 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

It was moved by Roger Bard and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

During public comments, Amy Zabel with Iroquois Mental Health Center reported their fiscal year begins today. Zabel informed the committee of new programs that will be offered through the Iroquois Mental Health Center. These programs include Veterans System of Care and First Responder Wellness. Iroquois Mental Health Center is an approved partner with Veterans Affairs and is able to see veterans that can't get to the Veterans Affairs Office. They can provide therapy, case management and psychiatry for veterans. Iroquois Mental Health Center is also working with Superintendent of Veterans Assistance Jennifer Ingram on how to support veterans that are reaching out in crisis. Zabel said they had originally lost the federal grant for the First Responder Wellness program, but it has now been extended through the end of the calendar year. Health Chairman Donna Crow recommended Zabel reach out to the Iroquois County Public Health Department and their Senior Services Program. Lastly, Zabel reported they are in the process of updating their printed materials and website to reflect these new programs.

Animal Control Administrator Angela Frary reported the registration deposit for June was \$6,325. The Animal Control Officers closed 20 cases in June. The closed cases consisted of 3 bats, 5 bite reports, 7 dogs running loose, 3 well checks, 1 deceased dog, 4 TNR cats, 4 aggressive dogs, 1 dog on dog attack, 6 kittens found, 5 dogs found and 1 relinquish request. There are currently 5 dogs at the building, 2 have owners and 1 is on a 10-day hold. There are also 6 kittens at the building on a 10-day hold. A cat was transferred to I-Care and 3 dogs were rehomed. There are 2 dogs and 7 kittens in foster care; 5 of the kittens have homes. Frary also reported she has been in contact with Kankakee Animal Control, and they will be sharing their policies for us to review and possibly put into place. Frary will be emailing the list of veterinarian duties. Finance Manager Jill Johnson noted the state mandated TNR program needs to be reviewed. Johnson has been unable to locate service agreements for any of the surrounding cities or towns. Once the program is reviewed, the agreements need to be circulated to the municipalities and if they choose to participate, they will be charged for services on a per case basis. Kankakee County is also providing their fee schedule for us to review. Johnson said once the policies and fee schedule are received, the committee should review them and choose what to adopt for Iroquois County. Johnson will update and email the existing Animal Control fee schedule to the committee. Crow added that she has been in contact with the County's insurance broker regarding coverage for Animal Control. All Animal Control staff and the building are covered but the animals are not. Crow will be seeking additional information regarding coverage if the County chooses to pursue boarding and other aspects of Animal Control. Lastly, Frary has been putting in a lot of work at the Animal Control building. Doors, lights and flooring have been installed, and painting, cleaning and rearranging is taking place.

ICPHD Executive Assistant Tyler Robinson reported the Board of Health meeting is scheduled for July 9<sup>th</sup> at 6:00 P.M. The monthly summary report of programs was distributed. Environmental Health issued 22 temporary food permits, and there were 11 non-community water samples. There were 30 mosquito samples collected for west Nile surveillance. Community Health reported 19 childhood immunizations. An additional school physical clinic will be held in August. The Tuberculosis program reported skin tests that were given. Community Outreach conducted 6 educational presentations. These presentations included Narcan training, 4 CPR classes and a safe sitter class. An additional safe sitter class will be held later this month. Senior Services has a total of 210 clients utilizing their services.

The committee reviewed the claims. It was moved by Huse and seconded by Jody Munsterman to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, the August Health Committee meeting has been rescheduled to August 4<sup>th</sup> at 11:00 A.M.

As there was no further business to come before the committee, it was moved by John Grant and seconded by Bard to adjourn at 9:31 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

**IROQUOIS COUNTY**

County Board, Recessed Session

July 8, A.D., 2025

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Planning & Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on July 1, 2025 at 10:02 A.M. Members present were Doug Geiger, Kathleen Perkinson, Steve Huse and Roger Bard. Chad McGinnis and Jed Whitlow were absent. Also present, County Clerk Breein Suver, Deputy Clerk Maggie Matthews, Treasurer Kurt Albers, Supervisor of Assessments Mia McCammon, Planning & Zoning Administrator Julie Feller, Ashton Merbach with Ranger Power, Grace Lacke with Scout Clean Energy, Reuben Grandon with Green Key Solar, Hal Sprague and Jon Carson with Trajectory Energy Partners, Andrew Keyt with Heyl Royster, Carl Gerdovich with WGFA Radio and County Board member Donna Crow.

The meeting was called to order.

It was moved by Steve Huse and seconded by Roger Bard to approve the agenda. Motion carried by a voice vote.

During public comments, Project Director Reuben Grandon with Green Key Solar addressed the committee stating he is working on the Prairie View Solar project. Grandon said he believes with all the evidence that has been submitted into the record and the testimony at the recent hearing that they have demonstrated their project is fully compliant with all the state statutes and the County ordinance and request approval by the committee today.

The committee reviewed the claims. Tax/Planning & Zoning chairman Doug Geiger noted the claims listing presented does not reflect the invoices being paid to Heyl Royster. It was moved by Kathleen Perkinson and seconded by Huse to pay the claims including invoices to Heyl Royster subject to County Board approval. A roll call vote was taken. Motion carried.

The department heads gave their monthly reports:

- Treasurer Kurt Albers reported the first installment of property taxes is due Monday, July 7<sup>th</sup> and the first distribution will be out within 30 days of the first due date.
- Supervisor of Assessments Mia McCammon reported she consulted with State's Attorney Mike Quinlan about assessing a fee on the numerous email requests being received in the Assessment Office for property record card information. Quinlan responded that yes, a fee could be assessed but also no due to the information that is being requested is public information. McCammon stated she is not willing to implement a charge at this time. McCammon also reported that the Assessment Office is working on processing certificates of error. Workforce Development has an individual that will begin working in the Assessment Office next week.
- Planning & Zoning Administrator Julie Feller reported her office received 15 building permits, 1 agricultural and 1 solicitor license last month. Clean up continues on the property in Loda. The Beaverville property remains an issue. Feller also reported the amendment to Section 14 of the County Code is being circulated. Feller continues to send out renewals for kennels, campgrounds and mobile home parks. General Ledger account numbers are in place for renewable energy projects. The NRI report was received this morning for the Louis Creek Solar project. Feller also noted a claim was submitted for Iroquois County Soil & Water Conservation for the NRI report. Legal notices for the upcoming hearing have been submitted. Trajectory Energy's \$40,000 has been deposited into the renewable energy account. Soltage has inquired about the

ACH account information, but no deposit has been made. Soltage has submitted a conditional use permit application electronically and Feller has received the hard copies. The Planning & Zoning Office has a new phone number and the lock on the door has been changed. The GIS zoning layer is still under construction. Lastly, a ZBA hearing is scheduled for July 22<sup>nd</sup> for the Louis Creek Solar project.

- County Clerk Breein Suver introduced new hire Maggie Matthews to the committee. Suver reported that due to postage increasing on July 13<sup>th</sup>, her office will be mailing voter registration cards out prior to the increase as part of the biennial purge. Suver also reported that Dianne Zirkle has announced her retirement as of December 1<sup>st</sup> after 26 years with the County Clerk's Office. Suver has posted the job opening and is receiving resumes for the position. The general assembly has raised the number of registered voters to 1,200 per precinct. Due to this, Suver is looking at combining some of the precincts and polling places for the next election and going forward. Onarga I and II, Milford I and II and Sheldon I and II are currently in the same polling place on election day and have less than the number of registered voters required for a precinct. Suver said she will speak with the Democratic and Republican precinct committees about these changes.

It was brought to the attention of the committee that the claims listing provided did not include claims paid from Fund 400-Renewable Energy. An updated claims listing was distributed to the committee for review and approval. It was moved by Perkinson and seconded by Huse to approve the claims paid from Fund 400-Renewable Energy. A roll call vote was taken. Motion carried.

The committee reviewed the monthly resolution list showing the parcel sold to Caleb Tracy by the County trustee. The parcel is a triangle shaped parcel along the railroad tracks on Old Route 45 in Chebanse Township and appears to be a landlocked parcel. The parcel was sold at the minimum bid of \$821. It was moved by Bard and seconded by Huse to approve the resolution for the parcel sold through the delinquent tax process. A roll call vote was taken. Motion carried.

Andrew Keyt with Heyl Royster provided an update on the Louis Creek Solar Conditional Use application stating a ZBA hearing is scheduled for July 22<sup>nd</sup>. Keyt reminded the committee that there were projects applied for prior to our ordinances going into effect so there will be a difference in what applies to those. The Louis Creek Solar project is a combination of solar and a small element of battery storage. During the hearing, the process will be to walk through the evidence of the application, allow the public to ask questions and then set the findings of fact and conditions. Keyt said this is a larger project and may generate more public interest. The committee will need to consider how to address the battery storage element as there's no statute in Illinois that governs battery storage. Eastern Illinois Mutual Aid Association and local fire protection districts will be contacted on what conditions they may want imposed. Following the ZBA, the findings of facts and conditions will come to the Tax/Planning & Zoning committee and then to the County Board. Geiger inquired on whether two hearings will need to be held due to the project containing solar and battery storage. Keyt answered the project all falls under the Solar Ordinance and only one hearing will be needed. Bard also asked about battery storage units catching fire. Keyt said yes, there have been a few documented fires due to battery storage. It's important to get advice from the state fire marshal,

fire protection districts and Eastern Illinois Mutual Aid to determine how best to address matters and have a fire protection emergency plan in place. Geiger encouraged all members to attend public hearing.

Discussion was held on the Prairie View Solar Conditional Use application. A public hearing was held and the ZBA recommended findings of fact and conditions to the Tax/Planning & Zoning committee. Keyt explained the role of the committee is to review the recommendations and forward on to the County Board. Although there wasn't an ordinance in place at the time of submitting their application, their project was found compliant. Keyt reviewed the recommended conditions with the committee. It was moved by Huse and seconded by Bard to accept the recommended conditions for the Prairie View Solar Conditional Use Application and forward to the County Board. A roll call vote was taken. Motion carried.

Discussion was held on the Tributary Solar Conditional Use application and the North Sheldon Solar Conditional Use application. The conditions proposed for these projects are very similar and the ZBA has recommended approval. Keyt reviewed the recommended conditions with the committee. Geiger noted that a surety bond is not acceptable as listed in condition 9. It was agreed to remove surety bond as a decommissioning finance assurance. Also, the committee would like to revise 16 a. to read *General description of any physical repairs, replacement or modifications to the facility and/or its infrastructure and monthly electrical output of the facility in kilowatt hours*. It was moved by Perkinson and seconded by Huse to approve the findings of fact and recommendations with conditions and noted changes concerning the Tributary Solar Conditional Use application. A roll call vote was taken. Motion carried. It was moved by Perkinson and seconded by Huse to approve the findings of fact and recommendations with conditions and noted changes concerning the North Sheldon Solar Conditional Use application. A roll call vote was taken. Motion carried.

Geiger discussed the floodplain ordinance violation stating Scott Drabicki with Clark Dietz was unaware of any updates.

It was suggested that the committee come up with alternate ZBA members to ensure a quorum with the additional meetings coming up. Feller has emailed the committee a listing of townships without a ZBA member.

There were no Tax/Planning & Zoning chairman comments.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Huse and seconded by Bard to adjourn at 11:20 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

**ORDINANCE NO. 2025-7**  
**PRAIRIE VIEW SOLAR, LLC CONDITIONAL USE PERMIT**  
*(ORDINANCE NO.2025-7 has been recorded and placed on file in the County Clerk's office)*

Mr. Geiger presented Ordinance No.2025-7. At this time Andrew Keyt with Heyl Royster, the attorney for wind and solar zoning matters, informed the board that the 3 conditional use applicants have to comply with statute because they were submitted prior to adoption of the County Solar Ordinance. He confirmed that the county can impose some conditions that relate to enforcement including but not limited to setbacks, pollution control, decommissioning and road use agreements prior to issuance of building permits. The new ordinance will apply after the building permit is acquired. It was noted that the recommendations approved act in the spirit of our ordinance. It was moved by Mr. Geiger and seconded to approve Ordinance No.2025-7, the Conditional Use Permit for Prairie View Solar, LLC. The motion carried by roll call vote.

## Committee Meeting-July 3, 2025

STATE OF ILLINOIS  
IROQUOIS COUNTY

County Board, Recessed Session  
July 8, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your Committee met at the Iroquois County Highway Building on July 3, 2025 at 9:00 A.M. Members present were Charlie Alt, Jody Munsterman, Mitchell Bence, Raymond Williams and Steve Huse. Jamie Bakken was absent. Also present, County Engineer Alan Harwood and County Board Chairman Paul Ducat.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Mitchell Bence to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The claims and financial reports for the month were reviewed. It was moved by Williams and seconded by Steve Huse to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

During new business, the committee reviewed the June 13, 2025 letting results with the recommended award going to Iroquois Paving in the amount of \$1,783,862.10 for CH 4 HMA Paving. It was moved by Williams and seconded by Huse to approve the June 13, 2025 letting results. A roll call vote was taken. Motion carried.

County Engineer Alan Harwood discussed the June 26, 2025 letting results for Artesia Township 24-01146-00-BR. Harwood stated a motion was made at the letting to approve the bid received by Iroquois Paving in the amount of \$366,645.15 and forward to the County Board. No further action is required.

Harwood also discussed the Chapel Bridge Agreement stating the project has been selected for Illinois Special Bridge Program (IBSP) funding. In 2017, Hutchison Engineering provided an estimate of \$170,000 for Phase I and Phase II of the project and \$130,00 for the historical study. Harwood said he intends to split these costs over a couple of years rather than paying the entire \$300,000 in one fiscal year.

Next month Harwood will be reviewing the 2025 General Maintenance, 2025-2029 Multi-year Plan and 2025 Township Bridge Program with the committee.

During old business, Harwood informed the committee that the road commissioners will be holding a meeting on July 22, 2025 at 10:30 A.M. at the County Highway Department. Following their meeting, there will be a memorial for Joel Moore.

As there was no further business to come before the committee, it was moved by Williams and seconded by Bence to adjourn the meeting at 9:18 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session

July 8, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on July 3, 2025 at 10:04 A.M. Members present were County Board Chairman Paul Ducat, Doug Geiger, Donna Crow, Kathleen Perkinson, Charlie Alt and Mitchell Bence. Scott Watts and Jed Whitlow were absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, Supervisor of Assessments Mia McCammon, Chief Deputy Teresa Price, EMA Director Scott Anderson and Carl Gerdovich with WGFA.

The meeting was called to order.

It was moved by Donna Crow and seconded by Doug Geiger to approve the agenda. Motion carried by a voice vote.

There were no public comments.

EMA Director Scott Anderson distributed his monthly report to the committee.

- There were no incidents to report.
- Anderson continues to work on the Emergency Operations Plan. Final approval is due at the end of June 2026.
- The joint training session with the health department is scheduled for July 22<sup>nd</sup>. The training will test our administrative capabilities to sustain both short- and long-term funding of a health department emergency. Members of the health

department administration, the County Finance department as well as the County Board Chairman and Vice-Chairman have been invited to participate. This training is required by IDPH and EMA will also get training credit for the drill.

- Anderson reported he is still optimistic about a July approval from FEMA for the Natural Hazard Mitigation Plan. Once the federal approval takes place, the final step is jurisdictional adoption of all those that participated within the plan.
- Anderson provided an update on the Natural Hazard Mitigation Plan grant opportunity stating he submitted the Fairground Warning Siren Grant Proposal to IEMA for consideration. An acceptance email was received confirming the submission.
- On June 3<sup>rd</sup>, during the monthly testing of the warning sirens throughout the County, a communications issue prevented all the siren within the County from activating, except for the Watseka sirens which tested properly. Retest dates need to be scheduled and following the second test, it appears as if all sirens within the County are operating properly. Anderson is waiting for the monthly siren test reports he has requested from ETS Director Eric Raymond.
- Anderson also reported the contract with HyperReach will end on April 30, 2026. Several factors have led to this change including excessive warning notifications, lack of support responses and significant delays in the IPAWS completion process. Also, HyperReach has increased their rate by 15% to over \$7,200 annually. Anderson will be entering into an agreement with Regroup once the HyperReach contract has expired. Regroup provides a better notification platform, filters to prevent over-warning, better customer service and at a significantly lower cost of \$2,500 annually. In addition, Regroup has offered to allow EMA access to their platform immediately, at no cost, until our contract ends with HyperReach. Anderson has negotiated a no increase clause into the contract that will remain for three years. Anderson also negotiated a limited increase that will take place in the 2030 contract to a 3% increase in the annual rate.
- Anderson attended the Iroquois County Amateur Radio Club meeting on June 26<sup>th</sup>. The new notification system was presented and well received. Discussion of the June 28<sup>th</sup> radio integration drill was discussed and plans were laid out to test the backup radio capabilities utilizing the two amateur radio frequencies available within the County. Anderson also attended the MABAS meeting in Buckley on June 25<sup>th</sup>. The new notification system was explained and well received. Training will be made available for the fire chiefs to be made administrators for their internal groups.
- Anderson continues to share information on the EMA Facebook page. The new Regroup platform integrates NOAA weather warning information directly to the Facebook page almost instantaneously, allowing EMA to provide uninterrupted weather spotting in the field.

The Committee Chairs gave their monthly reports:

- Management Chairman Kathleen Perkinson reported the Management Committee received the monthly maintenance report from Maintenance Supervisor Chris Drake. The committee took a tour of the employee break

room. The Finance committee held their budget hearings on June 23<sup>rd</sup> and June 24<sup>th</sup>. Additional budget presentations were given by IEDA Director Angel Crawford and ETS Director Eric Raymond. The County's labor attorney will be meeting with the union attorney on July 7<sup>th</sup>. The cyber security policy has been renewed for another year at an 11% increase.

- Judicial Vice Chairman Mitchell Bence reported the committee received their monthly reports from department heads and Sheriff Clint Perzee explained the new e-citation process being implemented.
- Health Chairman Donna Crow reported the Health Committee received reports from Animal Control and the Iroquois County Public Health Department. The Board of Health will meet July 7<sup>th</sup> at 6:00 P.M. and a new doctor has been placed on their board. The health department is seeking a medical director and applications will be reviewed at the July 7<sup>th</sup> meeting. The committee also received a report from the Iroquois Mental Health Center and learned of their new programs.
- Highway Chairman Charlie Alt reported the committee received their monthly reports and approved the claims. Action was taken on bid lettings that were held. The road commissioners are holding a meeting on July 22<sup>nd</sup> at 10:30 A.M. at the Highway Department and the memorial for Joel Moore will be held afterwards.
- Tax/Planning & Zoning Chairman Doug Geiger reported the committee approved a resolution for a parcel sold through the delinquent tax process. The committee also took action on conditional use applications.

During Chairman comments, County Board Chairman Paul Ducat informed the committee of an issue that occurred between a board member and an office member in the Administrative Center. The issue has been remedied. Ducat recognized Bentley Dietrich and Kayden Lafond as the Student Angler Federation High School Fishing State Champions. They placed 30<sup>th</sup> out of 233 at the High School National Championship, 4<sup>th</sup> out of 74 at the High School Federation Word Semi Finals and 27<sup>th</sup> in the High School Federation World Championship. Ducat said he has invited Dietrich and Lafond to the County Board meeting to be formally recognized. Crow added that a local girls dance team recently won at nationals, as well. Ducat said he would like to see individuals recognized for their efforts as well as recognizing retired employees. Lastly, Ducat announced Knights for Christ is holding a benefit auction on August 23<sup>rd</sup> at the fairgrounds in Melvin.

Crow provided an update on rural transportation stating she attended a meeting via Zoom in June. A 6-month agreement is in place with ShowBus. Region 6 is conducting a survey on our behalf. Crow and Jamie Bakken need to be formally appointed but more information is needed before this can be done. A tri-county meeting is scheduled for August 19<sup>th</sup> at 9:00 A.M. in the County boardroom and the HSTP board will meet in September.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee for review.

The committee reviewed the claims. It was moved by Perkinson and seconded by Geiger to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, the committee discussed a timeline of having unwanted furniture removed from the employee breakroom. All items need to be claimed by the departments on or before July 11<sup>th</sup>. The remaining items will be disposed of on July 18<sup>th</sup>.

As there was no further business to come before the committee, it was moved by Alt and seconded by Crow to adjourn the meeting at 10:50 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

s/Paul Ducat  
s/Doug Geiger  
s/Donna Crow  
s/Kathleen Perkinson  
s/Charlie Alt  
s/Mitchell Bence
