PUBLIC COMMENTS

Michael Tilstra, CEO of Iroquois Memorial Hospital, was present to speak about the happenings at the hospital. He said they have hired a new HR Professional Director and Business Development Manager with many years of experience, in addition to providers for gynecological services which is growing fast and bringing people to Iroquois County for those services. He also commented that they are investing in their buildings, namely remodeling a project at their front entrance and acquiring state of the art imaging equipment. They will also be moving forward with the construction of a new therapy building in the Spring.

Tilstra introduced pharmacist Michael Sandsmark who spoke about the improvements that were made to the pharmacy with ARPA funding. He also talked about services, such as home drug delivery that is provided by the pharmacy. Tilstra also introduced Dr. James Murphy, an orthopedic surgeon new to the area but not new to the medical profession. Murphy commented, that while IMH is a small hospital, from an orthopedic stance, they can still provide many of the services that can be done in Kankakee and Chicago.

CHAIRMAN COMMENTS

Chairman Ducat congratulated Robin Allen, Iroquois County Public Health Administrator, for her one-year anniversary. He said he hears a lot of positive feedback with everything she has done. The Health Department is currently running with a full Board of Health and under Allen’s administration, a mobile dental trailer now visits Watseka, to provide lower cost dental services to help those in our community in need.

OUTSIDE ORGANIZATION REPORTS

Angel Crawford with Iroquois Economic Development Association spoke to the County Board about the Illinois Department of Employment Security Luncheon for the Iroquois County Businesses. IDES is hosting a hiring event with workforce partners. She had the pleasure touring the Harvest Sunset Candles in Ashkum and meeting the owners Lynn and Randy Wilken. Crawford informed the Board that Iroquois West High School & Incobrasa are implementing a work study program. Cissna Park High School work study program through partnership with local businesses. Both schools have allowed students to earn dual credit through partnership with Danville Area Community College, Kankakee Community College, and Parkland College.

MANAGEMENT SERVICES

Mrs. Perkinson, Chairman of the Management Services Committee, gave the report of her committee. It was moved by Mrs. Perkinson and seconded to approve the Management Services Committee report. The motion carried by a roll call vote.

County Board, Recessed Session

November 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on November 3, 2025 at 9:01 A.M. Members present were Kathleen Perkinson, Jamie Bakken, Donna Crow, Roger Bard, Scott Watts and John Grant. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson and County Board member Charlie Alt.

The meeting was called to order.

It was moved by John Grant and seconded by Scott Watts to approve the agenda.

Motion carried by a voice vote.

There were no public comments.

Due to Maintenance Supervisor Chris Drake's absence, no maintenance report was provided.

Watts provided an update on the County Farm stating he spoke with the tenant and the fields by Route 1 are going to be in the high 70's to low 80's bushels per acre for beans. The tenant also received the fertilizer invoice and requested to pay the invoice next year per his accountant. The committee reviewed the lease regarding provisions on payment which states payment is due upon receipt of the invoice. It was moved by Donna Crow and seconded by Grant to respond to the tenant's inquiry regarding payment of the fertilizer invoice in 2026 and deny the request. A roll call vote was taken. Motion carried. If payment is not received, the committee will contact State's Attorney Mike Quinlan regarding the matter.

Perkinson provided an update on the sound system for the boardroom stating the equipment has been ordered but a delivery date hasn't been provided.

The committee reviewed the claims. It was moved by Roger Bard and seconded by Grant to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

The next Management committee meeting is scheduled for December 2nd at 9:00 A.M.

As there was no further business to come before the committee, it was moved by Jamie Bakken and seconded by Watts to adjourn at 9:21 A.M. Motion carried.

All of which is respectfully submitted.

County Board, Recessed Session

November 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T./Tax** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on November 3, 2025 at 10:00 A.M. Members present were Scott Watts, Kathleen Perkinson, Charlie Alt, Jamie Bakken and Donna Crow. Doug Geiger was absent. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson, Sheriff Clint Perzee, Supervisor of Assessments Mia McCammon, State's Attorney Mike Quinlan, Myron Munyon with Compass Insurance, Suzie Werner with HomeStar Insurance, Adam Sadorus with AreaWide Technologies, City of Watseka Mayor Benny Marcier, City of Watseka Alderman Don Miller, Watseka Family Festival members Shawn Peters, Jason Cahoe, Derek Hagen and Loren Grosvenor and Carl Gerdovich with WGFA Radio.

The meeting was called to order.

It was moved by Donna Crow and seconded by Kathleen Perkinson to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Suzie Werner with HomeStar Insurance she's been working with Blue Cross Blue Shield on the renewal, and they reported these are some of the highest renewals they've seen since 2008. The final renewal with the current plans came in at 23.7%. Werner met with Finance Manager Jill Johnson and Executive Assistant Amanda Longfellow to review alternative options. The County will be going from 4 plans to 1 plan but keeping the Health Reimbursement Agreement (HRA) in place. Deductibles will remain at \$500 for FOP employees and \$1,000 for non-FOP employees. The new plan is the Blue Options plan which incorporates the Blue Choice Select PPO network and the traditional PPO network under different tiers. The high renewal is due to higher utilization, long term effects from COVID, an increase in cancer treatments and GLP1 medications. Open enrollment meetings are scheduled for November 4th & 5th from 9:00 A.M. until 3:00 P.M. in the employee breakroom.

Myron Munyon with Compass Insurance reviewed the County's insurance renewal with the committee. The total annual premium is \$582,147 compared to last year's renewal of \$461,158.63. Munyon noted the number of County vehicles increased from 65 to 75. It was moved by Charlie Alt and seconded by Jamie Bakken to approve the insurance renewal offered by Illinois Counties Risk Management Trust. A roll call vote was taken. Motion carried.

Adam Sadorus with AreaWide Technologies reported the equipment for the sound system in the boardroom is on backorder. The committee discussed looking into another vendor for the equipment.

Members of the Watseka Family Festival were in attendance to request a donation from the County to assist in defraying costs. Shawn Peters discussed the events that are held year-round as well as the annual festival that is held at Legion Park in Watseka. Peters explained that these events attract many vendors, entertainers and visitors that utilize the hotels, restaurants, gas stations and other businesses within the County. The Watseka Family Festival is seeking a donation of \$15,000-\$20,000. Finance/I.T./Tax Chairman Scott Watts explained the County is in the process of finalizing the FY2026 budget and preparing for the FY2025 tax levy. No action on the donation was taken, and Watts stated the committee will revisit the matter next month.

The department heads gave their monthly reports. They are as follows:

- Sheriff Clint Perzee reported the Sheriff's Department office staff is bombarded with FOIA requests requesting information on arrests, reports, accidents, criminal arrests and body cam videos. There are at least 2-4 requests received each day and these requests can take 1-5 hours each to complete. This adds an additional burden on top of their regular daily tasks. The Illinois Sheriff's Association is working on legislation which would limit the scope of general FOIA requests. Upon talking with his office staff, they've stated they are busy but not overwhelmed with the requests at this time. Perzee said he would like to discuss the possibility of hiring additional office staff in the future to assist in these tasks. The Sheriff's Department will be conducting the physical agility testing for prospective deputies on November 8th with the written test being held on November 15th. This process is necessary to compile a list of qualified candidates to hire in the future. There are currently 10 applicants. Perzee thanked the County Board, Finance committee and the Judicial committee for their commitment to the vision of the Sheriff's Department and keeping the citizens of Iroquois County and the deputies as safe as possible in the time that he has been Sheriff. Perzee also reported the Sheriff's Department participated in a contest to win Roth ID tags for the County. The department placed 5th in the contest and will receive 1,000 Roth ID tags. The Correctional Officers and Deputies had their department pictures taken for the Sheriff's Department calendar.
- Supervisor of Assessments Mia McCammon reported that the Assessment Office is working on equalization and is on track to publish assessments this month. Once published, they will begin taking appeals for the 2025 assessment. The values will also be published on the County's website. The school superintendents that requested their rate setting EAV's received them on October 28th. McCammon also reported that the veto session has ended and the County Assessment Officers Association came away from that feeling successful. Senate Bill 642 is awaiting the Governor's signature. Once signed, the senior freeze threshold income limit will increase to \$75,000. Senate Bill 642 will also increase the threshold to \$75,000 for the senior deferrals handled by the Treasurer's Office and permits County Clerk's to establish a payment plan for tax certificates. Senate Bill 25, referred to as the energy bill, has

approved a way to value the battery energy storage systems (BESS). Lastly, McCammon reported as of today the current rate setting EAV is \$928,932,366.

- Finance Manager Jill Johnson reported she continues to work on year-end items and is awaiting the approval of the FY2026 budget. Johnson also continues to work on the FY2024 audit.
- Watts read Treasurer Kurt Albers report to the committee which states the tax sale is being held today in the boardroom with approximately 432 parcels in the sale. Iroquois Federal has been acquired by ServBank. Albers has spoken to bank employees and current staff isn't expected to change. Albers will evaluate after the acquisition takes place in early 2026. The Treasurer's Office will begin issuing refunds later this week and the final tax distribution will be by the end of November.
- State's Attorney Mike Quinlan reported he met with a State of Illinois representative in regards to records retention and destruction. Quinlan said he has hired a company from Kankakee to handle the destruction of 30 years of files from the State's Attorney's Office.

City of Watseka Mayor Benny Marcier stated he is in attendance to support the Watseka Family Festival. Also, the City of Watseka will hold a Finance meeting on November 18th at 6:30 P.M. to discuss dispatch fees paid to the County.

The committee reviewed the monthly resolution list with parcels being sold to the Dwayne Pierson, Friends of the Kankakee, Paul Wood and Johnson Family Farms by the County trustee. Crow expressed her concern about the parcel being sold to Friends of the Kankakee. It was moved by Crow and seconded by Jamie Bakken to approve the resolutions for parcels sold through the delinquent tax process, excluding Friends of the Kankakee parcel number 07-18-276-010. A roll call vote was taken. Motion carried.

Monthly finance reports were received via email.

Discussion was held on the FY2026 budget. The budget was posted for public viewing last month. Crow asked Johnson to address the negative fund balances appearing on the budget. Johnson explained the General Fund budget has a surplus of \$1,481. The Public Safety Tax Fund shows a negative balance of \$14,627 due to the committee's decision to transfer \$86,970 to the General Fund for Joint Dispatch salaries. The Capital Improvement Fund shows a negative balance of \$11,627 due to making an additional payment to BB&T. The Probation Ops Fee Fund shows a negative balance of \$39,400 due to purchasing a vehicle next year as explained by Probation Director Tom Latham during his budget presentation. Watts referred to the Coordinator line item of Fund 720 – 911 Emergency Service Board and would like to have the \$50,000 budgeted for this position removed. This position has not been filled and there are other vacancies within the department that need to be filled. It was moved by Crow and seconded by Bakken to approve the proposed FY2026 budget with the exception of Fund 720, Line Item 51190 in the amount of \$50,000 for the Coordinator's salary. A roll call vote was taken. Motion carried.

The committee received updated tax levy worksheets. Action on the tax levy will take place next month.

There were no Finance Chairman comments.

The committee reviewed the claims. It was moved by Bakken and seconded by Perkinson to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Crow and seconded by Bakken to adjourn at 11:47 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

DISCUSSION ON 2025 TAX LEVY

Mr. Watts, Chairman of the Finance/I.T./Tax Committee, presented the levy worksheets showing a low, medium, high, and final estimated EAV. These sheets give the Board an idea of the amount of monies that can be captured based on the varying assessed value. Mr. Watts explained that some people think the Board should move forward with the lowest amount the Board can collect and there are some that feel the County needs to capture as much money as they can, to ensure there is a cushion in the different funds. He felt the Board should move forward with just what is needed and confirmed the worksheet named final would be his recommendation. There was discussion regarding the different amounts that could be collected and many members felt a lower tax increase would fit the needs of the County. Finance Manager Jill Johnson made it known that the County would not be coming in at the maximum

rate at which can be levied. County Engineer Alan Harwood said he feels if they don't levy at the maximum rate, they will fall behind on the roads. Mr. Behrends asked if the funds for County Highway, Bridges and Matching could be maxed out so we don't fall behind on funding roads. Johnson said the only line that could be adjusted is the corporate line, and there isn't much of a cushion in the request for that line to max out the County Highway, Bridges, and Matching lines. It was noted that outside organizations that are included on the County Levy play a part in what can trigger a truth in taxation hearing. Johnson reminded the Board they will be leaving money on the table if they don't levy the maximum in the funds that are limited by the maximum rate. It was moved by Mrs. Crow and seconded to move forward with the low levy worksheet, with the assumed taxable EAV of \$902,195,511 which would make the total amount levied of \$7, 253,819 which is 110.82% of the prior year extension. The motion failed by a roll call vote.

County Board, Recessed Session

November 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on November 4, 2025 at 9:00 A.M. Members present were Donna Crow, Jody Munsterman, Steve Huse, Chad McGinnis, Roger Bard and John Grant. Also present, Finance Manager Jill Johnson, ICPHD Administrator Robin Allen, Animal Control Administrator Angela Frary, Amy Zabel and Valerie Melendez with Iroquois Mental Health Center and Carl Gerdovich with WGFA Radio.

The meeting was called to order.

It was moved by Steve Huse and seconded by Roger Bard to approve the agenda. Motion carried by a voice vote.

There were no public comments.

During Agency Reports, Amy Zabel with Iroquois Mental Health Center has been sharing with the committee activities that have been happening through a federal grant for first responders wellness. Zabel introduced Valerie Melendez and Moe the therapy dog. Zabel said they were excited to learn that the federal money for this grant has now been extended through June 2026. Zabel noted this is not a grant that provides services. Iroquois Mental Health Center provides the services, and the grant funds goes towards marketing and transportation as well as Melendez's employment. Melendez also spoke with the committee and explained she spends a lot of her time doing research and setting up programs so that immediate first response support and peer support are available. Melendez and Moe will be visiting the 911 Center this evening.

ICPHD Administrator Robin Allen distributed the monthly summary report of programs. Environmental Health conducted 27 food inspections. There were 16 mosquito samples for west nile surveillance. This program ended for the season on October 15th and will resume next spring. Community Health reported 111 childhood immunizations and 165

adult immunizations. Flu clinics were held at Heritage Woods and The Arc of Iroquois County. Community Health also reported 1 rabies case that is being treated, 2 Varicella cases and 2 TB skin tests were given for healthcare nurses. Community Outreach events included 1 CPR training, 2 health education presentations in the schools and 376 visitors at the trunk or treat event. Vision and hearing screenings continue in the schools. Senior Services reported 54 annual/need based reassessments, and 204 clients are utilizing services. Allen distributed and reviewed the grant report with the committee. Allen reported that the mobile dental clinic was held September 26th with a full schedule. The next clinic is scheduled for November 6th also with a full schedule. Allen plans to continue with the mobile dental clinic and anticipates the next clinic to be held in January. Community Health Partnership of Illinois located in Kankakee facilitates the mobile dental clinic. Lastly, the Board of Health meets November 5th at 6:00 P.M.

Animal Control Administrator Angela Frary reported the registration deposit for October was \$2,870. Animal Control had 45 calls which included the following:

- 13 found and 4 lost dogs & cats
- 14 dogs running loose
- 3 animal abuse reports
- 2 bite reports
- 2 surrender requests
- 3 dogs and 3 cats picked up due to a deceased owner
- Several farm animals and wildlife calls, including an eagle that had to be transported under the direction of the Department of Natural Resources.
- There are currently 14 cats in the building. There is 1 cat tagged for rescue, 1 cat rehomed and 3 cats going to 4 Paw Luv.
- There are currently 7 dogs in the building with possible placement for 3 of them. There are 3 dogs being transferred to Kankakee County Humane Foundation and 1 dog was returned to its owner.
- Frary continues to participate in the spay/neuter clinics twice a month.

The committee reviewed the Animal Control fee schedule with the changes as follows:

- Impoundment fee – first and second offense \$100, \$150
- Impoundment fee – third and subsequent offenses \$200, \$500
- Dog/cat boarding cost (per animal/day) \$25
- Adoptable dog/cat by a resident of Iroquois County (per animal) \$200
- Elderly dog/cat by a resident of Iroquois County (per animal) \$350
- Unadoptable dog/cat by a resident of Iroquois County (per animal) \$500
- Ten-day confinement of a dog or cat at the animal control facility for rabies observation (in addition to the boarding costs) \$150
- Rabies vaccination fees for animals impounded and returned to an owner (per animal) \$55
- Cat trap to apprehend a domestic animal (refundable deposit) \$100
- Service visit (per warden) – WITH contract under 1 hour \$100
- Service visit (per warden) – WITHOUT contract \$150
- Service visit (per warden) – after 1 hour \$25/hour
- After hours service visit (per warden) – WITH contract \$125
- Disposal per cat \$50

- Disposal per dog (under 40 lbs) \$100
- Disposal per dog (over 40 lbs) \$150
- Dog/cat boarding costs @ current rate \$25/day
- Remove *Dog/cat boarding costs (day 4 to day 10 – per day)*

Due to the number of documents to be reviewed and revised by the committee and the time constraint, the Health committee will meet on December 2nd at 10:00 A.M.

The committee reviewed the claims. It was moved by Bard and seconded by John Grant to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Health chairman Donna Crow provided an update on the Muldoon Trust stating Iroquois County is not eligible as a charitable organization.

There was no new business.

As there was no further business to come before the committee, it was moved by Bard and seconded by Huse to adjourn at 10:14 A.M. Motion carried by a voice vote.

Discussion was held on the Conditional Use Application of Ranger Power Two Roads Solar. The Committee will determine if the application submitted can be deemed complete and moved on for a public hearing before the ZBA. The Committee gave Andrew Keyt the floor and he provided the findings regarding the completeness of the Two Road Solar CUP Application. Keyt provided a description of the project stating it contains approximately 4500 acres in size and 398 MW. More than one township will be involved with this project. Keyt mentioned that there are two variance requests being sought with this application. These variances address the Interconnect Agreement and the Drainage Tile Survey. Keyt reminded the Committee that they could potentially move forward with the CUP but these items would need to be rectified prior to the building permit phase. Keyt stated that due to the large size of the project site it would make sense to allow variances but that would be up to the Zoning Board of Appeals. Keyt stated that the Variance requests do not excuse them from meeting the requirement, it just states it will be in place prior to moving to the next phase. Keyt stated that he feels the application regarding Two Roads Solar is ready to be heard at public hearing before the Zoning Board of Appeals. Roger Bard posed question to ensure that today's motion is merely stating that it is ready to set for hearing. Mr. Keyt confirmed that yes that is all that will happen today and states that the application is complete enough to schedule a hearing. Motion to deem CUP Application complete was made by Chad McGinnis and seconded by Jed Whitlow. A roll call vote was taken. Motion carried. Mr. Huse asked when the hearing would be held and Mr. Keyt informed the Committee that he would need to work with Zoning Administrator to schedule a hearing.

Chad McGinnis asked to discuss the Omnibus Energy Bill and the changes that will affect us at a county level. Mr. Keyt informed the Committee that once the Governor has signed that bill a couple of our ordinances will need to be amended to support what will be contained as the standards. A new item for the County will be involving an appeal procedure. The most significant changes are contained within the standards for BESS. He also provided information that the state is carving out some control that counties currently have. Timelines will be shortened and there could be challenges regarding the appeals process. Mr. Keyt stated that through an association he and others will comprise a draft ordinance for counties to utilize.

Due to shortened time frames to process, Mr. Keyt stressed the importance of obtaining alternate members for ZBA. Mr. Keyt also stated that a project of this size could take multiple nights to get through the entire hearing. Mr. Keyt was asked when he thought the ordinance change would need to happen and he stated that looking at first quarter of 2026. There was some discussion regarding if all applications get processed through to be voted on at County Board. Mr. Keyt confirmed that all completed applications will get to the County Board for a vote to approve or deny based on if they have met the guidelines of the ordinance. The new statute could narrow the factors and checklist further. How the project is governed after the project is built could become the focus. Weed management, road management, and decommissioning will be the areas of discretion. Some discussion was had regarding pending suits in other counties and wanting to ensure that we don't find ourselves in that scenario. Comments were made reminding us that our Chairman has stated that if the requirements in our ordinance have been met then we have no reason not to vote to approve.

Brief discussion regarding the Louis Creek Solar project took place. Mr. Keyt stated that he knew the project developers were working with the engineer to redesign the battery storage segment. The reconfiguration would allow for access to the drain tile should there be any issues in the future. Mr. Keyt thanked the Committee for their time, and he then excused himself.

Update on the floodplain violation issue is that the attorneys and engineers have all reviewed the revised permit and there appears to be an understanding so they in final stages of documentation.

Kathleen Perkinson provided some Chairman comments thanking the committee for the time that they submit reviewing documents and attending any ZBA meetings that have taken place.

Under old business Mr. Teske provided information that Artesia Drainage District 1 has an upcoming annual meeting. The meeting will be attended by the attorney Kyle Enis that the district has acquired to oversee the Louis Creek Solar project. Parent company Allium Renewable has stated that there is a revision to the site plan, but they have not seen the plans as of yet.

Under new business the only item was to change the meeting time to 9:00 am for December meeting. Due to the length of the agenda for Health Committee it would be better time served to both committees to switch the times of both meetings.

As there was no further business to come before the committee, it was moved by Hughes and seconded by Bard to adjourn at 10:48 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session
November 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on November 5, 2025 at 3:00 P.M. Members present were Jed Whitlow, Raymond Williams and Lyle Behrends. Mitchell Bence and Chad McGinnis were absent. Also present, Sheriff Clint Perzee, Coroner Bill Cheatum, Probation Supervisor Barb King and Judge Mike Sabol.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Lyle Behrends to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Interested parties may submit their Deputy applications by November 6th. Physical agility testing will be held November 8th and the written test will be held November 15th. This process is necessary to compile a list of qualified candidates to hire in the future. Perzee reported there are currently 10 applicants.
- Gracie Yates will be graduating from the Corrections Academy on November 21st. Once Yates returns, the Corrections department will be fully staffed.
- Deputy Anderson will be off of FTO and start on his own on November 7th.
- Perzee anticipates the e-citation and e-crash programs to be up and running by December.
- Corrections photographs were taken on October 17th and Deputies photographs were taken on October 31st in their new dress uniforms. Both photographs will be displayed on the department calendar.

- Perzee will be applying for a grant to replace up to 7 mobile data computers (MDC). The current computers will not update to Windows 11.

Coroner Bill Cheatum submitted a claim to be approved for payment to McLean County Coroner's Office for morgue fees in the amount of \$275.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for October. King reported the Probation Department has been working with the State's Attorney's Office on recreating a program that deals with unlawful underage drinkers.

Judge Mike Sabol reported no updates.

The committee reviewed Lisa Hines' monthly report.

The committee reviewed the claims. It was moved by Williams and seconded by Behrends to pay the Judicial & Public Safety claims, including the additional claim to the McLean County Coroner's Office in the amount of \$275, subject to County Board approval. A roll call vote was taken. Motion carried

During old business, Judicial & Public Safety chairman Jed Whitlow stated he will continue talking with Gilman and Onarga about contracting with the County for policing services or starting their own police force.

There was no new business.

As there was no further business to come before the committee, it was moved by Williams and seconded by Behrends to adjourn the meeting at 3:19 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session

November 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your Committee met at the Iroquois County Highway Building on November 6, 2025 at 9:00 A.M. Members present were Charlie Alt, Jamie Bakken, Raymond Williams, Steve Huse and Jody Munsterman. Mitchell Bence was absent. Also present, County Engineer Alan Harwood.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Jody Munsterman to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The claims and financial reports for the month were reviewed. It was moved by Williams and seconded by Steve Huse to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

County Engineer Alan Harwood reported the Highway Maintainer I job posting closed on October 24th and interviews are being held this week. The two trucks purchased for the Technical Department have had toolboxes and lights installed. The radios still need to be installed on both vehicles. The back-up plow truck is having the front plow and a radio installed.

Harwood presented a resolution appropriating funds for his salary in the amount of \$144,000 plus \$4,000 for expenses effective January 1, 2026 through December 31, 2026. Harwood explained the salaries have been increased by 3% after the re-ranking. The County receives a reimbursement of \$72,000 for Harwood's salary. It was moved by Williams and seconded by Munsterman to approve the resolution appropriating funds for the payment of the County Engineer Alan Harwood's salary in the amount of \$144,000 plus \$4,000 for expenses effective January 1, 2026 through December 31, 2026. A roll call vote was taken. Motion carried.

The committee reviewed the resolution allowing Harwood to serve as acting Ford County Engineer beginning January 1, 2026 due to the retirement of the incumbent Ford

County Engineer Greg Perkinson. Action was tabled on the resolution until the Ford County Board has approved the resolution.

Harwood presented agreements with Chastain & Associates to negotiate land acquisitions for Fountain Creek Bridge and Lovejoy Bridge. The agreement for Fountain Creek Bridge states \$10,600 will be paid to Chastain & Associates for land acquisition services. The agreement for Lovejoy Bridge states \$6,400 will be paid to Chastain & Associates for land acquisition services. It was moved by Jamie Bakken and seconded by Williams to approve the Local Public Agency Engineering Services Agreement with Chastain & Associates in the amount of \$10,600 for land acquisition services for Fountain Creek Bridge (22-12106-02-BR). Motion carried by a voice vote. It was moved by Williams and seconded by Munsterman to approve the Local Public Agency Engineering Services Agreement with Chastain & Associates in the amount of \$6,400 for land acquisition services for Lovejoy Bridge (22-15126-00-BR). Motion carried by a voice vote.

There was no old business.

As there was no further business to come before the committee, it was moved by Bakken and seconded by Huse to adjourn the meeting at 9:28 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session
November 12, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on November 6, 2025 at 10:00 A.M. Members present were County Board Chairman Paul Ducat, Scott Watts, Kathleen Perkinson, Charlie Alt and Jed Whitlow. Doug Geiger and Donna Crow were absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, EMA Director Scott Anderson, ETS Director Eric Raymond, Supervisor of Assessments Mia McCammon, Planning & Zoning Administrator Julie Feller, City of Watseka Mayor Benny Marcier and Carl Gerdovich with WGFA Radio.

The meeting was called to order.

It was moved by Jed Whitlow and seconded by Scott Watts to approve the agenda. Motion carried by a voice vote.

There were no public comments.

EMA Director Scott Anderson provided his monthly EMA report to the committee as follows:

- Incidents include a grain silo collapse in Martinton on October 15th and an accident with a semi-truck versus propane tank delivery truck on October 16th.
- Iroquois Memorial Hospital invited EMA to participate in the Illinois Hospital Association disaster training tabletop exercise program on November 5th. The training tested IMH's capability to handle an airplane crash-mass casualty event.
- Following last month's County Board meeting, ETS Director Eric Raymond and Anderson reached an agreement that ICOM will continue to make the monthly calls to each jurisdiction to verify warning siren activation and the completed call list will be emailed to EMA.
- The EOP rewrite is nearing completion. Requirements set by IEMA appear to have been finalized.
- The Long Term Recovery Committee scheduled for November 12th has received responses from nearly 30 attendees that will be present. The agenda includes voting in new members, reviewing the current by-laws and mission statement, taking nominations and holding an election for new board members as well as reviewing the current financial situation.
- Anderson has started a long overdue update to the Emergency Operations Center within the EMA office. Anderson will be making upgrades to the communications center of the EOC as well as redesigning the actual EOC space.

The Committee Chairs gave their monthly reports:

- Finance chairman Scott Watts reported the Finance committee received the insurance renewal from ICRMT which is showing an increase due to law enforcement liability. Members of the Watseka Family Festival attended the meeting seeking a donation. No action was taken, and the committee will have further discussion next month. The committee approved the FY2026 budget and will continue working on the FY2025 levy next month.
- Management chairman Kathleen Perkinson reported the sound system for the board room is scheduled for installation on November 13th and November 14th. The County Farm tenant made a request to defer payment of fertilizer

until January 2026. The Management committee denied this request to stay compliant with the lease. The Planning & Zoning committee reviewed the application submitted by Ranger Power and deemed the application complete. A Zoning Board of Appeals hearing will be scheduled. An update was provided on the floodplain ordinance violation. The Planning & Zoning committee will meet December 2nd at 9:00 A.M. at the request of the Health committee.

- Judicial chairman Jed Whitlow reported the committee received their monthly reports from the department heads.
- Highway chairman Charlie Alt reported the committee reviewed and approved the monthly claims. Interviews are being held for the Highway Maintainer I position. The committee approved a resolution appropriating County Engineer Alan Harwood's salary and expenses. The committee reviewed a resolution allowing Harwood to act as Ford County Engineer. The committee approved resolutions for land acquisition services for Fountain Creek Bridge and Lovejoy Bridge.
- The Health committee received outside agency reports from Iroquois Mental Health Center. Monthly reports were received from ICPHD and Animal Control. The committee continues to work on the Animal Control fee schedule, intergovernmental agreements and department policies. The Health committee will meet December 2nd at 10:00 A.M.

Watts inquired about the vacancy in the 911 Center and why there has been so much turnover in the department. ETS Director Eric Raymond responded that the Telecommunicator position is a stressful and difficult position with an approximate 8-week training process. There are other challenges that could be discussed further under executive session.

There were no Chairman comments.

There were no updates on rural transportation. A tri-county meeting is scheduled for November 18th in Pontiac.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee for review.

The committee reviewed the claims. It was moved by Perkinson and seconded by Watts to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Whitlow and seconded by Watts to adjourn the meeting at 10:29 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

OLD BUSINESS

EMA Director Scott Anderson informed the Board that the final Hazard Mitigation Plan adoption was submitted to FEMA for the final approval letter.

NEW BUSINESS

There was no new business.

ADJOURNMENT

As there was no further business to come before the Board, it was moved by Mrs. Crow and seconded to adjourn the meeting at 11:03 A.M. The motion carried by a voice vote. The next County Board meeting will be held in Watseka, IL on Tuesday, December 9, 2025 at 9 A.M.
