Steve Huse	\$305.00
Jody Munsterman	\$125.46
Kathleen Perkinson	\$236.10
Scott Watts	\$259.32
Gerald Whitlow	\$284.00
Raymond Williams	\$237.36

PUBLIC COMMENTS

Alan Harwood informed the County Board that Greg Perkinson, the Ford County Engineer is retiring. The Ford County Board has reached out to Alan to ask if he would be interested in taking over Greg’s position in the interim until they hire a full-time engineer. Alan attended a meeting in Ford County to get more acquainted with how the highway department runs in their district.

Odette Hyatt Watson with East Central Illinois Community Action, informed the County Board of their new programs that they have available for the community. LIHEAP season is taking applications until October 31st, 2025. Warm Neighbors Cool Friends program provides energy assistance grants for moderate-income individuals and families during financial hardship. The Snap Employment Barrier Reduction Program is taking applications to assist customers. This program will help SNAP, TANF, and Medicaid recipients who reside in Ford, Iroquois and Vermilion counties with rental assistance, utility- bill payment assistance, personal hygiene, car repairs, and a lot more services.

CHAIRMAN COMMENTS

County Board Chairman Paul Ducat spoke about the need to work with Ford County with their need for a County Engineer as they stepped up when we needed the help. He also stressed the need for the Board to follow the language laid out in the wind and solar ordinances.

OUTSIDE ORGANIZATION REPORTS

Angel Crawford with Iroquois Economic Development Association spoke to the County Board about the United Migrant Opportunity Services Program (UMOS). Crawford also went over upcoming activities and happenings in our area.

MANAGEMENT SERVICES

&

LEASE AGREEMENT WITH SENATOR BALKEMA

(The lease agreement with Senator Balkema has been recorded and placed on file in the County Clerk's Office.)

Mrs. Perkinson, Chairman of the Management Services Committee, gave the report of her committee and presented the lease agreement with Senator Balkema. There were some questions regarding the legalese in the lease for Senator Balkema. It was noted that the format of the lease was approved by the State's Attorney. It was moved by Mrs. Perkinson and seconded to approve the Management Services Committee report and lease agreement with Senator Balkema. The motion carried by a roll call vote.

**STATE OF ILLINOIS

**STATE OF ILLINOIS
IROQUOIS COUNTY**

County Board, Recessed Session

October 14, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 6, 2025 at 9:00 A.M. Members present were Kathleen Perkinson, Jamie Bakken, Donna Crow, Roger Bard and Scott Watts. John Grant was absent. Also present, Finance Manager Jill Johnson, Maintenance Supervisor Chris Drake, County Clerk Breein Suver, ETS Director Eric Raymond and County Board member Charlie Alt.

The meeting was called to order.

It was moved by Donna Crow and seconded by Scott Watts to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- Drake has serviced all boilers for the buildings.
- The State Fire Marshal recommended Drake install a condensate line on the boilers at the Courthouse and Jail prior to their next recertification and inspection.

- A recent lightning strike at the Jail caused damage to the door controllers, an internet switch and the parking lot lights. All invoices for this incident have been submitted to insurance.
- The backflow preventors will receive their annual testing and recertification this month.
- Drake spoke with Hall's Mowing and they plan to have one final mow for the season.
- Drake purchased two pallets of salt for the upcoming snow removal season.
- The hydraulic leak on the Courthouse elevator has been fixed. Otis Elevator will be making a service visit today to address an issue with the door. Drake will keep the committee updated.

Watts provided an update on the County Farm stating work was done on a gas line between County Farm Road and Route 1 and only a small amount of beans were lost.

Discussion was held on the use of the boardroom for a Drainage Workshop on December 15th from 8:00 A.M. until 10:00 A.M. County Clerk Breein Suver received the request via email from Patrick McPartlan who has created drainage maps paid for by the Circuit Clerk's Office. Suver provided the committee with a copy of the request as well as the meeting room use policy. Suver stated she or a member of her staff will be available that morning to ensure they are set up with access to the meeting room. Suver also stated they will not be authorized access to any of our electronics. It was moved by Crow and seconded by Watts to allow Patrick McPartlan use of the County Boardroom on December 15th from 8:00 A.M. until 10:00 A.M. for the Drainage Workshop. A roll call vote was taken. Motion carried.

The committee reviewed the Lease for Legislative District Office Space with State Senator Chris Balkema. The lease is dated August 1, 2025 through August 1, 2026 at a cost of \$300 per month for 90 square feet of office space. Finance Manager Jill Johnson said she forwarded the lease to State's Attorney Mike Quinlan, and he has given his approval. The lease has also been reviewed by County Board Chairman Paul Ducat. It was moved by Watts and seconded by Jamie Bakken to approve the Lease for Legislative District Office Space with State Senator Chris Balkema dated August 1, 2025 through August 1, 2026 at a cost of \$300 per month for 90 square feet of office space. A roll call vote was taken. Motion carried.

Perkinson provided an update on the sound system for the boardroom stating the equipment has been ordered.

The committee reviewed the claims. It was moved by Roger Bard and seconded by Watts to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Crow inquired about the Workforce Development lease that was approved last month. The lease has been signed by all parties. Crow also inquired about items taken to the electronic recycling event. Johnson said each department was responsible for taking their items to the event.

There was no new business

The next Management Committee meeting is scheduled for November 3rd at 9:00 A.M.

As there was no further business to come before the committee, it was moved by Crow and seconded by Bakken to adjourn at 9:25 A.M. Motion carried.

All of which is respectfully submitted.

s/Kathleen Perkinson
s/Jamie Bakken
s/Donna Crow
s/Roger Bard
s/Scott Watts

**FINANCE/I.T./TAX
RESOLUTION NO. R2025 -27
RESOLUTION AUTHORIZING THE SALE OF PARCEL # 05-36-434-011,
&
RESOLUTION NO. R2025-28
RESOLUTION AUTHORIZING THE SALE OF PARCEL # 22-12-200-14
(Resolutions No. R2025-27 and No. R2025-28 have been recorded and placed on file in
the County Clerk's office)**

Mr. Watts, Chairman of the Finance/I.T./Tax Committee, gave the report of his committee and presented Resolutions No. R2025-27 and R2025-28 for approval. At this time there was discussion on the FY26 budget. Since the committee meeting there had been adjustments made in the amount of money that was going to be collected and paid out to the Co-Op Extension in the amount of \$1,000. There was also a change in the Election Grants portion of the budget as final numbers had been received. It was noted that neither of the changes would have an effect on the General Fund. It was moved by Watts and seconded to approve Finance/IT/Tax, authorizing the sale of parcel # 05-36-434-011, and Parcel #22-12-200-14. The motion carried by a roll call vote.

**STATE OF ILLINOIS

**STATE OF ILLINOIS
IROQUOIS COUNTY**

County Board, Recessed Session

October 14, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T./Tax** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on October 6, 2025, at 10:01 A.M. Members present were Scott Watts, Doug Geiger, Charlie Alt, Jamie Bakken and Donna Crow. Kathleen Perkinson was absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, Supervisor of Assessments Mia McCammon, ETS Director Eric Raymond, ICPHD Administrator Robin Allen, State's Attorney Mike Quinlan, Maintenance Supervisor Chris Drake, IEDA Director Angel Crawford, Ginger Boas with U of I Co-Op Extension, Myron Munyon with Compass Insurance and Adam Sadorus with AreaWide Technologies.

The meeting was called to order.

It was moved by Doug Geiger and seconded by Donna Crow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported once the application is received, he'll be able to present quotes next month for the renewal.

Suzie Werner with HomeStar Insurance reported via email that BCBS is still reviewing the rate relief request.

Adam Sadorus with AreaWide Technologies reported equipment has been ordered for the sound system in the boardroom and they are waiting on the microphones.

ICPHD Administrator Robin Allen presented the FY2026 health department budget with a surplus of \$272. Allen reported that when she was hired, she inherited a deficit budget of over \$79,000 and there was also \$100,000 worth of grant cuts this year. The health department is offering many new programs that are either free due to partnering with other agencies or at a very low cost.

Ginger Boas with the U of I Co-Op Extension presented her budget to the committee. The fiscal year for the U of I Co-Op Extension runs July 1st through June 30th. Boas said she is planning to bring another staff member to Ford County and Iroquois County because there is a need for more education in the schools. They are receiving additional money from the Farm Bureau as well as the local 4H Foundation. Also, the state matches 85% of every dollar the County provides. Boas' request for their FY2027 budget is \$111,300 and she asked the committee to consider a \$5,000 increase. Finance Manager Jill Johnson noted if the committee approves the increase, the General Fund budget will be negative as there is only a surplus of approximately \$1,700. The committee could also revisit the EAV numbers provided by the Assessment Office. Watts recommended the committee not approve the \$5,000 increase for the FY2026 budget but consider it at a later date.

The department heads gave their monthly reports. They are as follows:

- County Clerk Breein Suver reported she has been working with State's Attorney Mike Quinlan regarding Public Act 104-0382 which will require all County Recorders to establish a fraud referral and review process. A law was passed in 2015 that gave County's the option to create this review process but now in 2026, it's been made mandatory. Suver said she'll be presenting an ordinance to the County Board in December to establish this process.
- Supervisor of Assessments Mia McCammon reported she received notice from the Treasurer's Office that \$1,945.15 in interest has been earned on the \$100,000 that was invested from the GIS Special Fund. The Assessment Office is currently working on getting the Township Assessors to finalize their numbers so that the equalization process can begin. McCammon reported she attended a Press & Media training seminar in September hosted by the Illinois

Counties Risk Management Trust. McCammon said it would be a good idea to have steps in place for handling press and media in the buildings. McCammon is on the Illinois Chapter of IAAO Executive Committee, and they received the outstanding chapter affiliate award at conference. Lastly, McCammon discussed the FY2026 budget and the requests she's made. McCammon noted that the Supervisor of Assessment salary reimbursement should reflect half of her salary for FY2026. The amount currently listed is reflective of the salary she requested. McCammon requested a salary increase for her Chief Deputy. Last year an increase was requested for education to allow the Chief Deputy to obtain her CIAO designation due to the lack of Township Assessors. This employee maintains the GIS database and her salary can be paid from the GIS Fund. The Assessment Office consists of a Supervisor of Assessments, a Chief Deputy and three Deputy Clerks.

- Sheriff Clint Perzee reported the drone purchased through a grant from the Arthur and Gesena Griffin Trust has been received. Sergeant Watts and Investigator Snyder have been logging flight hours with the drone and the department's drone policy is being completed. The Sheriff's Department purchased a 2023 Ford Interceptor police package with 18,000 miles from Watseka Ford which utilized \$16,000 of equity in some of the higher mileage Tahoe and truck patrol vehicles to offset the cost. The balance of \$14,987 is payable on December 1st. Perzee is working with the Iroquois County Superintendents on a project that would have a Starcom radio installed in every school in Iroquois County. This project is dependent on grant funding and would incur an airtime fee of approximately \$3,480 per year for the radios. If the project is approved and funded, the Sheriff's Department would be the passthrough for the funds due to the current Starcom contract already in place. Perzee is inquiring about selling other vehicles to local auto resellers to maximize our returns on used patrol or County vehicles. Perzee presented an ordinance to dispose of vehicles.
- State's Attorney Mike Quinlan addressed the committee about the first amendment auditors situation stating there is a first amendment right for people to record public officials and public employees. Quinlan's advice is to be accommodating and allow them to record within their means. The committee discussed possible training for staff through the insurance company regarding this matter. ICPHD Administrator Robin Allen added that the health department has implemented a policy and has clearly marked staff only and patient only areas.
- Finance Manager Jill Johnson reported she continues to work on year-end items and the FY2026 budget. Johnson sent out 2025 levy workbooks.
- ETS Director Eric Raymond reported the ETSB board will meet October 7th and he anticipates the ETSB budget will be approved at the meeting. Raymond and Perzee were approached to move their dispatch records management system to cloud based. Raymond said this will ultimately eliminate the physical services here at the building and will give a little more security as well as less potential downtime during upgrades. The current maintenance cost is \$38,000 and moving to a cloud-based program will cost \$65,000. Raymond proposed

the amount be split 70/30 between ETSB and the Sheriff's Department. ETSB would pay \$45,500 and the Sheriff's Department would pay \$19,500 for the first two years. There is a 3% increase for the next three years. The current contract has a 5% increase year after year.

- IEDA Director Angel Crawford thanked the committee for reviewing and considering her FY2026 budget requests.

Suver presented the monthly resolution list showing parcels sold to the Village of Beaverville and J&D Company by the County trustee. It was moved by Geiger and seconded by Jamie Bakken to approve the resolutions for parcels sold through the delinquent tax process. A roll call vote was taken. Motion carried.

No discussion was held on the monthly finance reports.

The committee discussed the ordinance authorizing the sale and/or disposal of personal property that was brought to the committee last month for review. It was moved by Bakken and seconded by Geiger to approve the Ordinance authorizing the sale and/or disposal of certain personal property that is no longer necessary or useful for the County's public purposes. A roll call vote was taken. Motion carried.

Discussion was held on the FY2026 budget. The committee was provided with updated budget worksheets. The committee discussed implementing a wage schedule for non-union employees. It was moved by Scott Watts and seconded by Crow to approve the FY2026 projected budget and forward it to the County Board. A roll call vote was taken. Geiger, aye; Alt, nay; Bakken, aye; Crow, aye, Watts, aye. Motion carried.

There were no Finance Chairman comments.

The committee reviewed the claims. It was moved by Watts and seconded by Bakken to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Crow and seconded by Geiger to adjourn at 11:22 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

**DISCUSSION AND ACTION ON PLACING THE FY26 BUDGET ON FILE
(*The FY26 Budget has been placed on file in the County Clerk's Office*)**

The Board began discussion on the FY26 Budget. Mrs. Crow noted a negative balance on the bottom line of the budget and said the Board has never passed a negative budget. Mr. Behrends voiced concerns with inconsistent raises. Mr. Watts commented that the Finance Committee has worked diligently for the past several months to come up with the budget that has been presented. Finance Director Jill Johnson confirmed that the budget only shows a negative number at the bottom line because there are funds that we are not levying for and that will be spending from such as IMRF. She also noted Joint Dispatch had to be funded additionally by the General Fund and Public Safety because the City of Watseka had only confirmed they would contribute \$165,000. It was decided that the budget could be posted, and changes could be made should the Finance Committee determine it is necessary. It was moved by Mr. Watts and seconded to place FY26 Budget on file for public inspection. The motion carried by a roll call vote.

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session

October 14, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on October 7, 2025, at 9:00 A.M. Members present were Donna Crow, Steve Huse, Chad McGinnis, Roger Bard and John Grant. Jody Munsterman was absent. Also present, Finance Manager Jill Johnson, ICPHD Administrator Robin Allen, Animal Control Administrator Angela Frary, Superintendent of Veterans Assistance Jennifer Ingram and Amy Zabel with Iroquois Mental Health Center.

The meeting was called to order.

It was moved by Steve Huse and seconded by Chad McGinnis to approve the agenda. Motion carried by a voice vote.

There were no public comments.

During Agency Reports, Superintendent of Veterans Assistance Jennifer Ingram reported to the committee that she had a discussion with Amy Zabel from Iroquois Mental Health Center to address the questions that were discussed last month regarding the grant funded programs. Zabel said Iroquois Mental Health Center is a community care network and any veteran that comes to them for services and has VA benefits, the VA is billed directly. Iroquois Mental Health Center has a grant from the federal government that is specifically for first responders and suicide prevention. It has been allowed and encouraged to include veterans in this program. Grant funding is expected to end in either December 2025 or June 2026 and Iroquois Mental Health Center will determine whether to continue these services. Zabel also reported that IMHC has a program coordinator that provides mental health first aid training, QPR (Question, Persuade, Refer) training and CALM (Counseling on Access to Lethal Means) training. The program coordinator also distributes gun safes and gun locks to first responders in the community and is training with KanComm and ICOM. This training is targeted for the first responder answering the 911 call.

ICPHD Administrator Robin Allen distributed the monthly summary report of programs. Environmental Health issued 13 temporary permits. There were 13 radon kits given and 40 mosquito samples for west nile surveillance. The west nile surveillance program will end on October 15th for the year. Community Health reported an increase in immunizations and flu/COVID shot clinics will begin in October. There were 2 new Tuberculosis cases investigated, 7 hemoglobin screenings completed, and 7 lead screenings completed. Community Outreach held 25 educational presentations and there were 281 booth visitors at

the Iroquois Memorial Hospital lab fair. The health department is in the process of providing Narcan training to all Iroquois County libraries. Vision and hearing screenings continue in the schools. Senior Services reported 61 annual/need based reassessments, and 207 clients are utilizing services. Allen reported that the health department's first mobile dental clinic was held September 26th and another clinic is scheduled for November 7th. Dr. Daniele Milazzo, Veterinarian, is being appointed to the Board of Health at the full board meeting next Tuesday. The FY2026 health department budget has been approved with a surplus of \$272.

Animal Control Administrator Angela Frary reported the registration deposit for September was \$9,565. Animal Control had 58 calls which included the following:

- 18 found and 2 lost dogs & cats
- 5 animal abuse reports
- 3 bite reports
- 1 bat
- 6 relinquish requests
- There are currently 2 cats in the building. Cat Guardians of Lombard will be taking 1 cat. There were 7 cats rehomed, 7 cats sent to 4 Paw Luv, 2 cats sent to Sunrise, 1 cat returned to owner and 1 ill kitten in foster care.
- There are currently 7 dogs in the building. Hart is picking up 3 dogs and 1 dog has an owner. There are three dogs in foster care, 2 dogs went to ICare, 1 dog went to Hart, and 5 dogs were returned to their owners. There were 7 dogs rehomed, and 2 dogs euthanized per veterinarian recommendation.
- Frary continues to participate in the spay/neuter clinics twice a month.
- Frary printed an Animal Control manual from another County that she would like to review with the committee. Frary will email the manual for later discussion.
- Frary reported an ongoing issue with animal surrender requests. Animal Control does not currently have a set fee or donation amount for surrenders.
- There are several ongoing animal abuse and neglect cases with the State's Attorney's Office.

Health Chairman Donna Crow addressed an emergency impoundment done on a dog that has incurred a large amount of veterinarian charges. Going forward, Frary should be able to utilize a security post which gives the animal owner the option to surrender their animal or they will be responsible for all charges.

Discussion was held on adding spay/neuter claims to the "pay now" claims list. It was moved by McGinnis and seconded by Huse to add spay/neuter and rabies claims to the "pay now" claims list. A roll call vote was taken. Motion carried. McGinnis recommended Frary work with the State's Attorney's Office to draft a policy authorizing the use of personal funds to cover Animal Control expenses. Finance Manager Jill Johnson asked the committee to consider allowing Frary to get a credit card for Animal Control. Previously, Frary attempted to obtain a Care Credit card but was declined due to being a government entity. Frary will research credit cards for the department.

The committee discussed the Animal Control fee schedule. It was moved by McGinnis and seconded by John Grant to table discussion on the Animal Control fee schedule pending updated recommendations from Animal Control Administrator Angela Frary. Motion carried by a voice vote.

The committee also discussed implementing a background check policy and requiring valid automobile insurance as part of the hiring process. Johnson suggested the committee make the policy County-wide rather than Animal Control specific and send to State's Attorney Mike Quinlan for approval. The matter will also be discussed with the Policy & Procedure committee.

The committee held discussion on updating the Intergovernmental Agreements and department policies. Crow will send the Intergovernmental Agreements to Quinlan for review.

Frery provided an update on the credit card/debit card system stating she is using Square for fee collection.

The committee reviewed the claims. It was moved by Roger Bard and seconded by Grant to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

Crow noted there is 9% remaining in the Animal Control budget until November 30th.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Grant and seconded by Huse to adjourn at 10:10 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session

October 14, A.D., 2025

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Planning & Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 7, 2025, at 10:14 A.M. Members present were Doug Geiger, Kathleen Perkinson, Steve Huse, Roger Bard, Chad McGinnis and Jed Whitlow. Also present, Andrew Keyt with Hely Royster, Anita Richert with Artesia Mutual Drainage District, James Boucher and Stephanie Sienkowski with Soltage LLC, Ryan Magnoni, Edmond Fitzgerald and Taylor Canny with U.S. Solar, Ashton Merbach with Ranger Power and County Board members Charlie Alt and Donna Crow.

The meeting was called to order.

It was moved by Kathleen Perkinson and seconded by Roger Bard to approve the agenda. Motion carried by a voice vote.

During public comments, Taylor Canny and Ryan Magnoni with U.S. Solar introduced themselves to the committee and are available for questions or comments on the projects they are managing.

Also during public comments, Anita Richert with Artesia Mutual Drainage District #1 stated she is here to represent the Louis Creek Solar project.

The committee reviewed the claims. Upon review, the committee removed claims payable to Holly Matthews in the amount of \$6,361.50 and Jamie S. Atkinson in the amount of \$12,644.18 for further review. It was moved by Perkinson and seconded by Steve Huse to pay the claims, except the claims to Holly Matthews in the amount of \$6,361.50 and Jamie S. Atkinson in the amount of \$12,644.18, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no Planning & Zoning Department report.

Discussion was held on the Iroquois County text amendment application to designate temporary meteorological towers as permitted uses within Agricultural District A-1 and building permit criteria. Planning & Zoning chairman Doug Geiger sent the committee a suggested application form that includes the requirements to have a temporary meteorological tower. Geiger reviewed the requirements which include the following:

- Temporary meteorological towers are only allowed in the Agricultural A-1 district.
- All towers must be setback at least 1.1 times the tower height from all parcel lines, including rights-of-way, as measured from the nearest portion of the base of the tower.

- All towers are limited to a 3-year period from the date of construction unless otherwise extended by the Zoning Administrator for an additional year.
- Building permit fees are set at \$5,000 per tower, per year.
- Each tower will need to complete a separate building application form.
- All towers and equipment shall be fully enclosed and secured by a fence with locking portals with a minimum height of eight feet.
- A digitized scaled site plan of the parcel with the location of the proposed tower will be included with this application. It must include all real property within two times the proposed tower's height.

Geiger also sent the committee the findings of fact from the ZBA hearings and their conditions. It was moved by Perkinson and seconded by Jed Whitlow to approve the text amendment for temporary meteorological towers. A roll call vote was taken. Motion carried.

(The following paragraphs were removed for separate consideration per action taken by the full board at their Recessed Session on October 14, 2025)

Discussion was held on the Conditional Use Application of Commerce Street Solar. Geiger reported the application has been through the ZBA process and he emailed the committee the findings of fact and the recommended conditions. Andrew Keyt with Heyl Royster reviewed the recommended conditions with the committee as follows:

- *Change the term from 30 years to 40 years.*
- *Become a J.U.L.I.E. member.*

Stephanie Sienkowski with Soltage LLC addressed the conditions stating that Ameren is already a J.U.L.I.E. member and this has not been asked of them with other projects. The committee agreed to the change of the term from 30 years to 40 years but would prefer Soltage LLC be a J.U.L.I.E. member. It was moved by Whitlow and seconded by Chad McGinnis to approve the Conditional Use Application of Commerce Street Solar to construct and operate a commercial solar energy facility consisting of 28.95 acres and 5.0 MWac in Douglas Township, Iroquois County, IL (parcel 17-30-300-008) including the conditions set forth by the Zoning Board of Appeals except the term will increase from 30 years to 40 years, subject to County Board approval. A roll call vote was taken. Motion carried.

Discussion was held on the Conditional Use Application of U.S. Solar/USS Satriales and Venus Solar LLC's to determine whether the applications are complete and ready for public hearing. Geiger said the first initial application and fees from U.S. Solar were received in September and forwarded to Scott Drabicki with Clark Dietz and Andrew Keyt with Heyl Royster. Keyt explained the process when an application is received stating the application is forwarded to him and Drabicki for the initial review and then sent to the committee to determine if the application is complete and ready for a public hearing before the ZBA. The initial applications had several deficiencies which were relayed to the applicant. The applicant has resubmitted the applications but there are still a few deficiencies. Keyt suggested that these applications be revised before the committee sets a date for a public hearing. One of the deficiencies includes the drain tile investigation. Ryan Magnoni with U.S. Solar addressed the committee regarding the drain tile concern stating the drain tile investigation reports from their engineers have been provided with their applications. U.S. Solar has also done their due diligence with the landowners. Keyt said the ordinance requires the tile survey by identifying the location. This allows public to attend a meeting and address drain tiles that may be

unknown or not recorded. The committee suggested Keyt continue to work with U.S. Solar on their projects and schedule a special Planning & Zoning committee meeting, if necessary.

An update was given on the Louis Creek Solar project. Scott Drabicki with Clark Dietz is working with them on the drain tile drainage assessment. Keyt has had conversations with their counsel about the conditions, and they have provided some proposed revisions on the conditions. The project is not ready to go back to the ZBA.

Geiger updated the committee on other renewable energy matters stating additional applications have been received and forwarded to Keyt and Drabicki for their review. A special Planning & Zoning committee meeting can be held, if necessary.

Geiger provided an update on the floodplain ordinance violation stating Drabicki and Ameren continue to work together to remedy the violation.

During Planning & Zoning chairman comments, Geiger he has talked with Adam Sadorus with AreaWide about implementing a cloud based program to share documents with the committee.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Whitlow and seconded by McGinnis to adjourn at 11:17 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Doug Geiger
Kathleen Perkinson
Steve Huse
Roger Bard
Chad McGinnis
Jed Whitlow

JUDICIAL & PUBLIC SAFETY
&
RESOLUTION R2025-30
STATE'S ATTORNEYS APPELLATE PROSECUTOR
(Resolution No. R2025-30 has been recorded and placed on file in the County Clerk's office)

Mr. Whitlow, Chairman of the Judicial and Public Safety Committee, gave the report of his committee. The Board briefly discussed the Public Defender and his recent resignation. It was moved by Mr. Whitlow and seconded to approve the Judicial and Public Safety Committee report and Resolution No. R2025-30. The motion carried by roll call vote.

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
October 14, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on October 8, 2025 at 3:00 P.M. Members present were Jed Whitlow, Mitchell Bence, Raymond Williams and Lyle Behrends. Chad McGinnis was absent. Also present, Sheriff Clint Perzee, Judge Mike Sabol, State's Attorney Mike Quinlan and Circuit Clerk Lisa Hines.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Mitchell Bence to approve the agenda. Motion carried by a voice vote.

There were no public comments.

State's Attorney Mike Quinlan reported that grand jury notices will be handed out following grand jury rather than the State's Attorney mailing the notices as a cost savings measure. Quinlan presented a claim to be paid to the State's Attorney Appellate Prosecutor in the amount of \$12,000 as well as the accompanying resolution. It was moved by Williams and seconded by Lyle Behrends to approve the resolution for the Office of the State's Attorneys Appellate Prosecutor. A roll call vote was taken. Motion carried.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Perzee presented a claim to be paid to Kankakee County Sheriff's Office in the amount of \$900 for Corporal Myers training.
- Sergeant Watts and Investigator Snyder have been logging practice hours with the new drone purchased with funds from the Arthur and Gesena Trust.
- Gracie Yates began the 8-week corrections academy at the Macon County Law Enforcement Training Facility.
- Sergeant Feller has a firearms shoot/qualification set for October 17th.
- Deputies on dayshift are visiting each school in Iroquois County to familiarize themselves with the layout of each building.
- Deputy Anderson is progressing very well through his field training and will be on his own by mid-November.
- The Sheriff's Department will be scheduling a physical agility and written test for prospective deputies and to bolster the hiring list. The testing dates are scheduled for November 8th for the physical agility testing and November 15th for the written test.

- Dates are set for the Correctional Officers and Deputies to have department photos taken.
- Arrests/Intakes: 48 (25 male, 21 female, 2 juvenile)
- Jail Population as of 9/30/2025: 17 (16 male, 1 female)
- Daily Population Average: 19.6

Judge Mike Sabol reported upcoming changes in the Public Defender department. Public Defender Lance Cagle is resigning effective October 10th. Assistant Public Defender Jamie Boyd will step into the Public Defender position and Alex Boyd has been hired for the Assistant Public Defender position.

Circuit Clerk Lisa Hines distributed her monthly report for September to the committee for their review. A total of \$35,436.14 was received in fines and fees, \$4,736.26 was received from Pay Court and \$231.38 was received from IDROP.

The committee reviewed the monthly ETSB report.

The committee reviewed the claims. It was moved by Williams and seconded by Bence to pay the Judicial & Public Safety claims, including the additional claims to the State's Attorney Appellate Prosecutor in the amount of \$12,000 and Kankakee County Sheriff's Department in the amount of \$900, subject to County Board approval. A roll call vote was taken. Motion carried

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Bence and seconded by Behrends to adjourn the meeting at 3:18 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

Absent: Grant

STATE OF ILLINOIS

IROQUOIS COUNTY

County Board, Recessed Session

October 14, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your Committee met at the Iroquois County Highway Building on October 9, 2025 at 9:00 A.M. Members present were Charlie Alt, Jamie Bakken, Mitchell Bence, Raymond Williams, Steve Huse and Jody Munsterman. Also present, County Board Chairman Paul Ducat, County Engineer Alan Harwood, County Highway employee Greg Grills, Ford County Engineer Greg Perkinson and Ford County Highway chairman Tim Nuss.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Mitchell Bence to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The claims and financial reports for the month were reviewed. It was moved by Williams and seconded by Steve Huse to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

County Engineer Alan Harwood presented a resolution for improvement for Chapel Bridge in the amount of \$10,000. Harwood explained that the resolution is for IDOT's involvement. It was moved by Williams and seconded by Bence to approve the resolution for improvement for Chapel Bridge (20-00257-00-BR) in the amount of \$10,000. A roll call vote was taken. Motion carried.

Harwood provided an update stating two Ford F250's have been purchased. Both trucks will need a toolbox, lights and radios installed. Harwood is estimating the cost of the installation to total approximately \$5,000.

Harwood also provided an update on the plow truck for back-up stating the title and license plates have been received. A front plow and radio need to be installed.

Discussion was held on Harwood acting as Ford County Engineer upon Greg Perkinson's retirement at the end of the year. No action is needed at this time. Perkinson said he will begin the forms within the next month in Ford County. IDOT is waiting on approval from both County Board's before they offer their approval. The Ford County Board meets next Monday at 6:00 P.M. and will be taking action on the matter.

During old business, County Board Chairman Paul Ducat reminded committee members that motions need to be stated in full.

As there was no further business to come before the committee, it was moved by Jamie Bakken and seconded by Huse to adjourn the meeting at 9:23 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

**POLICY & PROCEDURE,
RESOLUTION NO. R2025-32
RESOLUTION DESIGNATING THE 2026 IROQUOIS COUNTY BOARD
CALENDAR OF MEETINGS
&
RESOLUTION NO. R2025-33
RESOLUTION OF THE COUNTY BOARD OF IROQUOIS COUNTY HOLIDAYS
TO BE OBSERVED BY THE OFFICES OF IROQUOIS COUNTY FOR CALENDAR
YEAR 2026**

(Resolution No. R2025-32 and Resolution No. R2025-33 have been recorded and placed on file in the County Clerk's office)

Mr. Watts, Vice Chairman of the Policy & Procedure Committee, gave the report of his committee and presented Resolution No. 2025-32 and Resolution No. 2025-33. At this time, Mr. Bard asked if the issues surrounding the emergency warning sirens throughout the County have been remedied with EMA and 911. In the past few months, the EMA Director was having a hard time obtaining reports that he believed were in the possession of the 911 Director. He ultimately sent a FOIA request, as did County Board member Chad McGinnis and they received the reports in question. Since then, EMA Director Scott Anderson confirmed that he has taken it upon himself to ensure the sirens are being activated and working throughout the County as it is a matter of public safety. As discussion ended, it was moved by Mr. Watts and seconded to approve the Policy & Procedure Committee report and Resolution No. R2025-32 and Resolution No. R2025-33. The motion carried by a roll call vote.

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Recessed Session
October 14, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 9, 2025 at 10:02 A.M. Members present were County Board Chairman Paul Ducat, Scott Watts, Doug Geiger, Charlie Alt and Jed Whitlow. Donna Crow and Kathleen Perkinson were absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver and County Board members Jamie Bakken and Mitchell Bence.

The meeting was called to order.

It was moved by Jed Whitlow and seconded by Doug Geiger to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The committee reviewed the monthly EMA report provided by EMA Director Scott Anderson.

The Committee Chairs gave their monthly reports:

- Finance Chairman Scott Watts reported the Finance committee received their final budget presentations. The committee approved resolutions for parcels sold through the delinquent tax process. The committee also approved an ordinance for the disposal of property. Watts said there are questions regarding the ordinance, and he is in contact with Sheriff Clint Perzee. The ordinance refers to Exhibit A, which would list the items being disposed of. Watts said he would like Perzee to have the authority to dispose of vehicles as he sees fit. Lastly, Watts reported that the Finance committee discussed and approved the FY2026 budget.
- Management Vice Chairman Jamie Bakken reported the committee received a monthly maintenance report from Maintenance Supervisor Chris Drake. Watts provided the committee with an update on the County Farm. The committee approved a request to hold a drainage workshop in the boardroom and approved a lease for office space for State Senator Chris Balkema. An update was received on the sound system for the boardroom.
- Highway Chairman Charlie Alt reported the committee reviewed and approved the monthly claims. A resolution for improvement on the Chapel Bridge was approved in the amount of \$10,000. County Engineer Alan Harwood provided an update on the vehicles recently purchased for the Highway Department. The committee also discussed Harwood temporarily acting as Ford County Engineer upon Greg Perkinson's retirement.
- Judicial Chairman Jed Whitlow reported the committee received their monthly reports from the department heads. Staffing changes within the Public Defender's department were reported.

- Planning & Zoning Chairman Doug Geiger reported the committee approved the text amendment to allow the Zoning Administrator to issue a building permit for a temporary meteorological tower. The committee also took action on the Commerce Street Solar application. The committee discussed and rejected two additional applications that were submitted as they are not complete. An update was given on the Louis Creek Solar project. Pending approval of the Commerce Street Solar project, there will be four approved conditional use permits issued and four additional pending projects. The committee rejected two claims that were presented for payment pending further review. An update was given on the flood plain ordinance violation.
- The Health Committee received outside agency reports from Iroquois Mental Health Center and Veterans Assistance. Monthly reports were received from ICPHD and Animal Control. The committee continues to work on the Animal Control fee schedule, intergovernmental agreements and department policies.

There were no Chairman comments.

An update was given on rural transportation stating CRIS is working on a lease to utilize garage space. Routes are not running at 100% yet and are on a phone-in basis. ShowBus does not have to vacate the space until the end of October.

County Clerk Breein Suver presented the 2026 Iroquois County Board calendar of meetings. It was moved by Watts and seconded by Whitlow to approve the 2026 Iroquois County Board Calendar of Meetings. Motion carried by a voice vote.

Suver presented the 2026 Iroquois County holiday schedule. It was moved by Geiger and seconded by Watts to approve the 2026 Iroquois County Holiday Schedule. Motion carried by a voice vote.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee for review.

The committee reviewed the claims. It was moved by Watts and seconded by Whitlow to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Watts referred to EMA Director Scott Anderson's report on the monthly siren test request and would like to see better communication between Anderson and ETS Director Eric Raymond.

During new business, the committee reviewed a sample background check authorization form that Animal Control would like to implement.

As there was no further business to come before the committee, it was moved by Geiger and seconded by Watts to adjourn the meeting at 10:40 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

OLD BUSINESS

There was no old business.

NEW BUSINESS

It was noted that Annual Tax Sale had to be moved to November 3, 2025; therefore, the Management Services Committee and Finance/I.T./Tax Committee will meet in the breakroom for their November sessions.

ADJOURNMENT

As there was no further business to come before the Board, it was moved by Mr. Williams and seconded to adjourn the meeting at 11:18 A.M. The motion carried by a voice vote. The next County Board meeting will be held in Watseka, IL on Wednesday, November 12, 2025 at 9 A.M.
