PUBLIC COMMENTS

Ashley Laurent, with Iroquois County Workforce Development, spoke about Workforce Development currently accepting applications for out-of-school youth, ages from 16-24 years old. Open enrollment for spring will be open at the end of October on a first come first served basis. She has attended local food pantries and food distribution trucks to help with outreach in the community.

Derek Crouse, with Crouse Canine, spoke about Animal Control. Irresponsible people are why it is needed. He is concerned that providing boarding and grooming services may cause lawsuits with aggressive dogs. The average dog attack could cost \$64,000.00 in settlements. He would like the County Board to have more discussion before moving forward with those services.

Odette Hyatt-Watson with ECICAA spoke about the open enrollment period for LIHEAP in September. There will be a new program called “Warm Neighbors with Friends” for families that don’t qualify for LIHEAP.

**CHAIRMAN COMMENTS
RESOLUTION NO. R2025-23**

RESOLUTION TO CONGRATULATE AUBREY CHANDLER

(Resolution No. R2025-23 has been recorded and placed on file in the County Clerk’s office.)

Chairman Ducat presented Resolution No. R2025-23, a Resolution to Congratulate Aubrey Chandler of Onarga, IL for her accomplishments in winning third place at the Junior 2025 Illinois State Smallbore Championship. It was moved by Mrs. Crow and seconded to approve Resolution No.R2025-23. The motion carried by a roll call vote.

OUTSIDE ORGANIZATION REPORTS

IEDA Director Angel Crawford, spoke about LYON obtaining a new facility. Lyon will now be offering a broader range of shelving and rack solutions. The Community Foundation of Kankakee River Valley fall grants are open. The fall grantseekers webinar is available on their website. This webinar will explain what is included in the fall grant cycle. Angel also spoke with Tricia Teague with The Trep School in Danville. The Trep school is devoted to helping entrepreneurs and business leaders learn.

MANAGEMENT SERVICES

Mrs. Perkinson, Chairman of the Management Services Committee, gave the report of her committee. It was noted that a revised quote was given to the Policy & Procedure Committee for the sound system in the boardroom. It was moved by Mrs. Perkinson and seconded to approve the Management Services Committee report. The motion carried by a roll call vote.

County Board, Annual Session
September 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 3, 2025 at 9:03 A.M. Members present were Kathleen Perkinson, Jamie Bakken, Donna Crow, Roger Bard, Scott Watts and John Grant. Also present, Finance Manager Jill Johnson, Maintenance Supervisor Chris Drake and Sheriff Clint Perzee.

The meeting was called to order.

It was moved by John Grant and seconded by Donna Crow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- The elevator at the Courthouse is down. Drake is working with Otis Elevator to make a service visit.
- Drake spent time last month working on the stairs at the Jail and Courthouse, the railings and the memorial sign.
- During September and October, Drake will be servicing all heating boilers for the buildings. Drake will also be servicing his equipment in the maintenance shed.
- The parking lots at the Administrative Center are complete.
- Drake ordered pallets of salt for the upcoming snow removal season as well as filters and belts for routine maintenance.

Watts provided an update on the County Farm stating the tenant has been keeping up with mowing the ditches. The tenant was given the opportunity to supply the County Board Office with a list of fertilizer vendors, but nothing was received.

Management Chairman Kathleen Perkinson opened the fertilizer bids as follows:

- United Prairie – 28,800 total pounds of phosphate, 55,000 total pounds of potassium for a total bid of \$28,500. United Prairie noted the bid matches what they did in the Spring.

The committee discussed the lack of bids received and potentially putting the fertilizer out for bid a second time in hopes of receiving additional responses. It was moved by Scott Watts and seconded by Jamie Bakken to accept United Prairie's fertilizer bid in the amount of \$28,500. A roll call vote was taken. Motion carried.

Last month, the committee approved the 3-year lease agreement with Workforce Development. However, Workforce Development requested inclusion of a non-appropriation clause in the agreement. The clause would allow Workforce Development to terminate their agreement without penalty in the event funds are not appropriated for the continuation of the lease. It was moved by Watts and seconded by Jamie Bakken to approve the additional language as discussed for the Workforce Development lease, pending approval by the State's Attorney. A roll call vote was taken. Motion carried.

The committee discussed the sound system for the boardroom. AreaWide provided a quote of \$11,281.97 which includes 20 microphones and the necessary equipment required. Perkinson spoke to a representative at AreaWide and received an updated quote of \$13,920.96 to include audio/video component. Discussion was held on the number of microphones needed and believed that 10 microphones would be sufficient. It was moved by Crow and seconded by Grant to approve quote #4515 from AreaWide Technologies for the sound system as listed and 10 microphones. A roll call vote was taken. Motion carried.

The next Management committee meeting is scheduled for October 6th at 9:00 A.M.

The committee reviewed the claims. It was moved by Watts and seconded by Bakken to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Grant inquired about the remaining desks in the breakroom and the need for a new breakroom table. Finance Manager Jill Johnson explained the remaining desks are still in good condition and can be utilized by other departments if the need arises.

Also during old business, the committee discussed the old boardroom sound system and potentially selling it. The matter will be looked into further.

There was no new business.

As there was no further business to come before the committee, it was moved by Crow and seconded by Grant to adjourn at 9:49 A.M. Motion carried.

All of which is respectfully submitted.

County Board, Annual Session
September 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on September 3, 2025 at 10:01 A.M. Members present were Scott Watts, Kathleen Perkinson, Doug Geiger, Charlie Alt, Jamie Bakken and Donna Crow. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, Sheriff Clint Perzee, Treasurer Kurt Albers, Supervisor of Assessments Mia McCammon, Suzie Werner with HomeStar Insurance and Adam Sadorus with AreaWide Technologies.

The meeting was called to order.

It was moved by Charlie Alt and seconded by Jamie Bakken to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Finance Manager Jill Johnson reported for Myron Munyon with Compass Insurance stating the Highway Department is in the process of submitting a claim due to a lightning strike at their building.

Suzie Werner with HomeStar Insurance reported the Health Alliance Medicare Advantage Plans will no longer be in effect as of January 1st. Letters were sent to the 6 retirees on these plans with quotes for Medicare supplement plans through BCBS. Werner will keep the committee updated. Renewals have been received for medical and dental. The medical is currently coming in at a 29.3% increase. Werner reminded the committee that last years initial renewal began at 21.6% and ended at 4.86%. There are 8 high claimants on the plan that are causing the large increase. The claims are ranging from \$52,000 to \$439,000. Werner added that the \$439,000 claimant is no longer enrolled on the plan. Werner said she has put the renewal out to bid with other carriers just to compare rates and ensure the best plans and best rates are in place. Dental coverage is coming in at a 3% increase and Werner will also be asking for rate relief. Vision and Life Insurance have a rate guarantee until 2027. The open enrollment benefits fair is scheduled for November 4th and November 5th.

Adam Sadorus with AreaWide Technologies reported there is a new firewall in place and the network security has increased quite a bit.

The department heads gave their monthly reports. They are as follows:

- County Clerk Breein Suver reported she put out a request for proposal for digitization services with a portion to be paid from the remaining ARPA funds that were awarded for microfilm conversion. The digitization services proposal is \$56,320. Suver will be using the remaining \$19,000 of ARPA funds and the balance will be paid from Recorder Automation.
- Sheriff Clint Perzee reported promotions were made within the department as follows: Drew Watts, Sergeant; Doug Brenner, Corporal; Brock Myers, Corporal; Vince Laffoon, Investigator. The Sheriff's Department received a \$2,000 grant for a drone from the Arthur and Gesena Griffin Trust. The drone has been ordered, and documentation has been forwarded to the Trust. Perzee received a notification that the Sheriff's Department was the recipient of \$2,000 worth of fuel cards from Pilot on a grant that was recently applied for. ILETSB is now repaying departments the full amount of completed certified police and corrections training instead of half. Perzee is working on a trade deal with Watseka Ford to purchase a 2023 Ford Interceptor police package with 18,000 miles utilizing the equity in some of the higher mileage patrol vehicles to offset the cost. Perzee is also inquiring about selling other vehicles to local re-sellers to maximize our returns on used patrol or County vehicles. An ordinance to dispose of vehicles is being proposed to the committee.
- Treasurer Kurt Albers reported the second property tax installment is due September 8th and the seconded tax distribution will follow soon after. Albers has been working with Finance Manager Jill Johnson to lock in certificate of deposit rates. The Trustee has excess County property for sale. A catalog is available for \$5 in the Treasurer's Office. The minimum bid for these properties is \$821. Sealed bids are due in the Treasurer's Office by October 10th at 4:30 P.M. or interested parties can submit their bids online. Lastly, Albers reported he increased revenues for income tax by \$186,000 and sales/use/replacement tax by \$60,000.
- Supervisor of Assessments Mia McCammon reported no updates financially.

- Finance Manager Jill Johnson reported she continues to work on the FY2024 audit and the FY2026 budget. As requested, quarterly reports were emailed to the committee.

Discussion was held on the monthly finance reports received and Doug Geiger recommended the committee review the vendor list after the budgeting process to determine if some services can be obtained at a lower cost.

Perzee provided the committee with an ordinance authorizing the sale and/or disposal of personal property. Perzee said this ordinance was used by the Village of Bradley when two vehicles were purchased from them. In the past, vehicles would be traded at Dralle, and the trade-in value would offset the cost of the new vehicle. Now that we are purchasing from different vendors, Perzee said there should be a policy in place. Finance chairman Scott Watts asked the committee to review the ordinance provided and action can be taken next month.

Discussion was held on the FY2026 budget. Johnson provided the committee with a budget discussion checklist and updated budget numbers with adjustments made. Salaries were discussed for the non-union and non-elected staff. Watts noted the salary for Beth Pierce's promotion to Chief Deputy is still being negotiated. Johnson discussed the budget items that the committee will need to take action on. These include contract negotiations for the Sheriff's Department, transfer to Joint Dispatch, Group Insurance rates and the contract negotiations for Joint Dispatch. The ETSB Board has not approved their budget yet. Johnson also suggested the committee adjust the transfer to the Capital Improvement Fund so that additional payments can be made to the SmartWatt loan. A transfer will need to be made from the Public Safety Fund to the Joint Dispatch Fund to cover their salaries. Johnson received the 377 Board's levy request of \$833,700. Further discussion was held on salaries for non-union and non-elected staff. Watts said he and County Board Chairman Paul Ducat discussed flat rate increases but didn't believe this would apply in this situation. The committee discussed holding reviews on the non-union and non-elected staff. It was noted that the Policy & Procedure committee previously held reviews for the non-union and non-elected staff. Johnson also recommended the committee review the salary survey provided each year and implement a wage scale for these positions going forward. Another option discussed was allotting a budget for each department and the department head would determine increases for their staff. No action was taken regarding salaries for non-union and non-elected staff. Johnson said it would be beneficial for each department head to provide a job description for each of their staff members to the committee. She believes this will also help with the salary budgeting process. Lastly the committee reviewed the budget requests from Joint Dispatch. Currently, \$132,300 is budgeted for the Transfer from the General Fund and ETSB Director Eric Raymond has requested \$222,366.80 for FY2026. This amount is also being requested from the City of Watseka and the Transfer from 911. Johnson said she is unsure if the City of Watseka has approved this request.

There were no Finance Chairman comments.

The committee reviewed the claims. It was moved by Geiger and seconded by Bakken to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, Donna Crow reminded the committee of the electronics recycling event being held Saturday, September 6th from 9 A.M. until 12:00 P.M. in the Riverside parking lot.

As there was no further business to come before the committee, it was moved by Bakken and seconded by Crow to adjourn at 11:00 A.M. Motion carried by a voice vote.
All of which is respectfully submitted.

County Board, Annual Session
September 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on September 2, 2025 at 9:02 A.M. Members present were Donna Crow, Jody Munsterman, Steve Huse, Chad McGinnis, Roger Bard and John Grant. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson, ICPHD Administrator Robin Allen and Superintendent of Veterans Assistance Jennifer Ingram.

The meeting was called to order.

It was moved by Jody Munsterman and seconded by Steve Huse to approve the agenda. Motion carried by a voice vote.

There were no public comments.

During Agency Reports, Superintendent of Veterans Assistance Jennifer Ingram addressed the committee regarding grant funded programs the Iroquois Mental Health Center is offering for Veterans and First Responders. Ingram said her concern is what is being done

with the grant money because it appears that Iroquois Mental Health Center is billing VA Healthcare for the veterans they are serving. Ingram also asked if the grant money is intended for paying the providers assisting with these programs. Executive Assistant Amanda Longfellow will reach out to Amy Zabel with Iroquois Mental Health Center and invite her to attend the next Health committee meeting to address these questions.

ICPHD Administrator Robin Allen distributed the monthly summary report of programs. Environmental Health performed 29 temporary inspections. There were 14 water samples received, 7 new well inspections performed, and 5 radon kits were given. There were 60 tobacco compliance inspections and 36 mosquito samples for West Nile surveillance. Community Health reported 75 childhood immunizations. There were 2 animal bites reported, 1 Varicella case investigated, 1 new Tuberculosis case investigated, and 19 hemoglobin screenings completed. Community Outreach held 17 educational presentations which includes 5 CPR trainings and 12 Narcan trainings. Allen reported there were 17 inmates assessed at the Jail. There were 56 vision and hearing screenings conducted at the schools. Senior Services reported 206 clients utilizing services. Allen also reported Senior Services has been referring clients to the PEARLS (Program to Encourage Active, Rewarding Lives) program. The Board of Health Finance committee meets Wednesday, September 3rd at 4:30 P.M.

Finance Manager Jill Johnson reported the registration deposit for August was \$3,345. Animal Control had 71 calls which included the following:

- 14 dogs, 8 cats and 1 horse found
- 11 animal abuse calls (3 of which are abuse of ducks in Watseka)
- 8 loose dogs and 1 loose cow
- 2 lost dogs and 1 lost cow
- 1 stolen goat
- 3 aggressive dog calls
- 4 relinquish requests
- 2 deceased owner calls with 3 dogs needing picked up
- 3 feral cat issue calls and 1 feral cat loose in a house
- 5 follow-up visits on door cards left
- 1 dog on dog attack
- 5 bites
- 3 bats
- There are currently 3 cats at the building. A foster has 2 injured cats and is nursing them back to health. Animal Control returned 1 cat to owner, rehomed 3 cats, ICare took 14 cats, 4 Paw Luv took 13 cats, Hart took 1 cat, and one cat was euthanized per veterinarian recommendation.
- There are currently 6 dogs at the building. Hart is picking up 2 dogs and 1 dog has a meet scheduled for possible foster. There is one dog in foster care, 2 dogs have been rehomed, 1 pregnant dog was sent to Tails Humane Society, and 9 dogs have been returned to their owners. There are meets scheduled with some of the dogs remaining.
- Johnson added that the livestock calls are dispatched to Animal Control but are reported with the Illinois Department of Agriculture.

The committee discussed the Animal Control fee schedule and would like to have Animal Control Administrator Angela Frary's input on these fees. Chad McGinnis recommended the call out fee be set at \$100. The matter will be revisited next month.

Animal Control Intergovernmental Agreements were given to the committee for their review. Health chairman Donna Crow encouraged the committee to review the agreements. Once the committee has made their revisions, the agreements will be sent to State's Attorney Mike Quinlan for approval. Discussion on the agreements will continue next month.

Crow discussed putting department policies in place for Animal Control. Some of these policies may include providing staff with an Animal Control shirt, no civilians allowed on calls, closed toe shoes required when going on calls and a cell phone has been purchased as an on-call phone. McGinnis added that the new policies need to align with the County's current personnel policy manual. Crow said a list of policies will be compiled and sent to the Policy & Procedure committee for approval.

Crow copied the committee on an email to Dr. Roberts which included a list of veterinarian duties. These duties include well checks and rabies vaccinations for dogs and cats, euthanize severely injured or aggressive dogs and cats, keep the licensing current and in compliance with the Illinois Department of Agriculture, conduct low-cost vaccination clinics, conduct annual low-cost microchip clinics and other situations that may occur. Crow is waiting for a response on these duties.

Johnson has revised the Animal Control disclosure form to be used when animals are brought into the building. Crow discussed insurance coverage for animals that are held in the building if the County pursues boarding and grooming services. Compass Insurance stated that coverage would be in place for these services. However, another scenario was mentioned regarding high-priced dogs or cats and whether they would be covered under the insurance policy. Crow explained, per the insurance company, the animal would be treated as property. If the animal is euthanized, the loss would be excluded because it was an intentional act under general liability. This response from the insurance company prompted additional questions. Crow will reach out with the additional questions and keep the committee updated.

Crow provided an update on the credit/debit card system and fee collection stating that Animal Control Administrator Angie Frary will be meeting with ICPHD Administrator Robin Allen to receive input on the card/debit card system utilized by the health department. McGinnis referred to Iroquois County Animal Control website where registration fees can be paid via credit card or debit card.

It was moved by Huse and seconded by McGinnis to enter into executive session at 9:45 A.M. under 5 ILCS 120/2/c1: The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body. Motion carried by a voice vote.

It was moved by McGinnis and seconded by Huse to come out of executive session at 10:15 A.M. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Munsterman and seconded by Roger Bard to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Huse and seconded by Bard to adjourn at 10:15 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Annual Session
September 9, A.D., 2025

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Planning & Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 2, 2025 at 10:22 A.M. Members present were Doug Geiger, Kathleen Perkinson, Steve Huse, Roger Bard, Chad McGinnis and Jed Whitlow. Also present, County Board Chairman Paul Ducat, County Clerk Breein Suver, Treasurer Kurt Albers, Supervisor of Assessments Mia McCammon, Planning & Zoning Administrator Julie Feller, Grace Lacke with Scout Energy, Steve and Janie Teske, Mike Chandler, Kira Ebert with State Representative Jason Bunting's Office, Martha Genzel, Lee Genzel and Anita Richert with Artesia Mutual Drainage District, Don Wauthier with Berns, Clancy & Associates and County Board members Donna Crow and Jody Munsterman.

The meeting was called to order.

It was moved by Steve Huse and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

During public comments, Anita Richert with Artesia Mutual Drainage District #1 addressed the committee regarding Louis Creek Solar LLC. Richert thanked the committee for sending the variance back to the ZBA for more details on their tile line protection and the surface water handling. Richert stated that Illinois drainage law protects their surface water and the mutual tile that runs through the project. They are willing to work with the solar company to find a solution that will work for all parties involved. The drainage district has engaged Don Wauthier, Engineer, from Berns, Clancy and Associates to help protect their water rights. Richert said she has been in contact with multiple members of the drainage district and feels their input should be shared with the committee as follows:

- Allium was drilling down to bedrock this spring long before any public notice of such activity and prior to any ZBA approval. A map has been requested that shows where the drilling was performed as the tile line may already have been damaged.
- Allium was pounding "I" beams into the soil on the site this spring before any public notice of planned activity was announced. A map has been requested showing where this activity was performed.
- Several members have informed the drainage district that they have tapped into the original tile line over the years to drain their fields.
- There is grave concern about draining the parcel that is surrounded by the solar plan. This parcel needs to get through the solar field to drain into the Artesia Mutual Drainage District line. The serious problem is any tile line from this property to the Artesia Mutual Drainage District line will most likely be damaged by the 15-foot-deep posts that support the panels. This damage will

allow dirt to enter the Artesia Mutual Drainage District line and slow or stop the line from flowing.

Richert shared a handout providing additional information. Tax/Planning & Zoning chairman Doug Geiger advised that these conversations should be held at the upcoming ZBA hearing.

Also during public comments, Don Wauthier with Berns, Clancy & Associates introduced himself to the committee. Wauthier is an Agricultural and Biological Engineer and has a lot of experience with agricultural drainage. Wauthier also thanked the committee for sending the variance back to the ZBA because there are a lot of unanswered questions in the application submitted. Wauthier said he is looking forward to working with the County staff and the solar farm developer.

The committee reviewed the claims. It was moved by Kathleen Perkinson and seconded by Chad McGinnis to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

The department heads gave their monthly reports:

- Supervisor of Assessments Mia McCammon reported that Deputy Clerk Tanya Tovey's last day with the Assessment Office is Friday, September 5th. Brooklyn Simmons has been hired to fill the vacancy. McCammon is attending the free Press and Media Management for Public Entities conference in Tinley Park provided by ICRMT. Sheldon Township contacted McCammon and asked her to speak at their township meeting. McCammon will be attending their meeting and speaking about the resolution that was passed in June and what it means for their township. All but one township assessor has submitted their township assessment work to McCammon. Lastly, McCammon explained the process of adding and removing exemptions.
- Planning & Zoning Administrator Julie Feller reported all kennel licenses, campgrounds and mobile home parks have renewed their annual licenses. The Planning & Zoning Department has issued 82 building permits for the year and \$5,601 was collected in fees for August. The Renewable Energy Fund collected \$540,000 for solar projects. The Commerce Street Solar project will go before the ZBA on September 23rd. Also during the hearing, the committee will have a text amendment on the temporary meteorological towers to move it as a permitted use. Feller said there is a solar project going in place within Gilman corporate limits on the Wasmer family property. The project is located at 302 South Crescent Street in Gilman.
- County Clerk Breein Suver reported there are 8 County Board member seats up in the Primary Election. Suver misspoke at the August 5th Tax/Planning & Zoning meeting and reported 8 County Board member seats up for election. Suver also reported that Dianne Zirkle is retiring on December 1st. Jessica Klein has been hired to fill the vacancy and has been busy learning the position. Lastly, Suver reported that the ARPA committee awarded \$176,000 for microfilm conversion. The project didn't cost as much as was estimated and there is approximately \$18,000 remaining. Suver put out a request for proposal for digitization services for microfilm and received a quote of \$56,320. The remaining ARPA funds will be applied to this quote and Suver will be

confirming with the Finance committee and Finance Manager Jill Johnson on how to proceed.

- Treasurer Kurt Albers reported the second property tax installment is due September 8th and the second tax distribution will follow soon after. The tax sale is scheduled for October 27th at 9 A.M. in the County Boardroom.

The committee reviewed the monthly resolution list showing the parcels sold to the City of Watseka and the Village of Papineau by the County trustee. The parcels were each sold at the minimum bid of \$802 with a total of \$704 coming to the County. It was moved by Perkinson and seconded by Huse to approve the resolutions for parcels sold through the delinquent tax process. A roll call vote was taken. Motion carried.

Discussion was held on the Louis Creek Solar LLC's application status. Geiger stated the County Board has sent the application back to the ZBA for more information and specific topics that need to be addressed. Our 3rd party advisor, Scott Drabicki with Clark Dietz, is working with Allium and they are in the process of hiring an engineering firm. Once Allium has hired an engineering firm, they will continue working with Drabicki to update their site plan and address the questions and concerns. Matters to be addressed include surface and subsurface drainage of the site, additional information regarding the specific materials planned to be used and additional information regarding the specific component manufacturers of the solar panels.

Discussion was held on Commerce Street Solar's application. The ZBA hearing is scheduled for September 23rd and Geiger encouraged the committee members to attend. Also at this hearing, discussion will be held on a text amendment to the Zoning Ordinance to allow temporary meteorological towers as a permitted use in agricultural districts.

Geiger provided an update on the floodplain ordinance violation stating he believes the paperwork has been signed for an easement for Ameren to construct and allow the discharge of water in their retention pond that they are planning to use to offset the amount of fill that was brought in.

During Tax/Planning & Zoning chairman comments, Geiger said correspondence has been received regarding a planned subdivision possibly in the Clifton area near the nursing home facility. More details will follow.

During old business, Albers reported the County trustee is selling the excess properties that have been acquired. There are catalogs available for purchase in the Treasurer's Office. Sealed bids will be received until October 10th at 4:30 P.M. or interested buyers can submit their bids online.

There was no new business.

As there was no further business to come before the committee, it was moved by McGinnis and seconded by Huse to adjourn at 10:50 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Annual Session
September 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on September 3, 2025 at 3:00 P.M. Members present were Jed Whitlow, Mitchell Bence, Raymond Williams and Lyle Behrends. Chad McGinnis was absent. Also present, Sheriff Clint Perzee, Coroner Bill Cheatum and Probation Supervisor Barb King.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Mitchell Bence to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- Promotions within the department were made as follows: Drew Watts, Sergeant; Doug Brenner, Corporal; Brock Myers, Corporal; Vince Laffoon, Investigator.
- Deputy Anderson graduated from the Police Academy on August 21st and received the academic award. Deputy Anderson is currently in the field training program with Lieutenant Morefield.
- Corporal Myers and Investigator Laffoon attended the Less Lethal Shotgun train the trainer course last week and will be able to train the department on deploying the less lethal shotguns we currently have or will designate for that purpose.
- Corporal Brenner will be setting up training soon on the stop sticks that were purchased through a grant.

- The Sheriff's Department received a grant to purchase a drone. Sergeant Watts has worked diligently on the program and the certifications required for us to have.
- Corporal Myers has passed the qualification tests for the Kankakee County Regional Emergency Response Team and has been accepted onto the team. The Sheriff's Department received a generous grant for the equipment and training he will need. Corporal Myers will be able to utilize his ERT training to further train our deputies and improve our department and its goals.
- Arrests/Intakes: 56 (42 male, 12 female, 2 juvenile)
- Jail Population as of 8/31/2025: 22 (18 male, 1 female)
- Daily Population Average: 20.77

Coroner Bill Cheatum reported no updates for the month.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for August.

Circuit Clerk Lisa Hines reported to the committee prior to the meeting that a total of \$32,725.89 was received in fines and fees.

The committee reviewed the claims. It was moved by Williams and seconded by Lyle Behrends to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried

There was no old business.

During new business, Williams stated he would like the committee to review potential security cameras and lights for the buildings.

As there was no further business to come before the committee, it was moved by Bence and seconded by Williams to adjourn the meeting at 3:14 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

IROQUOIS COUNTY

County Board, Annual Session
September 9, 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your Committee met at the Iroquois County Highway Building on September 4, 2025 at 9:00 A.M. Members present were Charlie Alt, Jamie Bakken, Mitchell Bence, Raymond Williams, Steve Huse and Jody Munsterman. Also present, Assistant County Engineer Doug Butzow.

The meeting was called to order.

It was moved by Raymond Williams and seconded by Mitchell Bence to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The claims and financial reports for the month were reviewed. It was moved by Williams and seconded by Jamie Bakken to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

Assistant County Engineer Doug Butzow discussed the Chapel Bridge Agreement stating it has been sent to County Board Chairman Paul Ducat and County Clerk Breein Suver for signatures. The total of the agreement is \$182,587.

Butzow reported two Ford F250's were purchased and picked up on August 25th. The initial quote was \$57,759.26 per truck with the final cost being \$57,673.26 per truck.

Butzow also reported the plow truck, which was approved last month to not exceed \$150,000, will be picked up in Ohio at a cost of \$70,900. The truck will need a front plow installed.

The 2025-2026 snow plow agreements are in effect at \$330 per mile. The total amount of miles to be plowed is 155.55 at a total cost of \$51,331.50.

Butzow reported he will be attending a bridge inspection class and testing in Springfield in October.

There was no old business.

As there was no further business to come before the committee, it was moved by Bakken and seconded by Williams to adjourn the meeting at 9:24 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

STATE OF ILLINOIS
IROQUOIS COUNTY

County Board, Annual Session
September 9, A.D., 2025

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 4, 2025 at 10:02 A.M. Members present were County Board Chairman Paul Ducat, Scott Watts, Doug Geiger, Donna Crow, Kathleen Perkinson, Charlie Alt and Jed Whitlow. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, EMA Director Scott Anderson Planning & Zoning Administrator Julie Feller, IEDA Director Angel Crawford, Carl Gerdovich with WGFA Radio and County Board member Mitchell Bence.

The meeting was called to order.

It was moved by Charlie Alt and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

EMA Director Scott Anderson distributed his monthly report to the committee.

- There were no incidents to report.
- Approval has been received from FEMA on the Hazard Mitigation Plan. The final step is the formal adoption of the plan by County Officials.

- Anderson held a Stop the Bleed training course for the Watseka Police Auxiliary unit on September 2nd. Four members of the squad completed the training.
- Monthly tests of the warning sirens have taken place, and Anderson has yet to receive the requested monthly siren test report from the ICOM Director. Anderson said he has also requested archived reports dating back to May 2024.
- During the MABAS meeting in Milford on August 27th, Anderson discussed the Regroup notification system and shared the sign-up page. The Iroquois County Amateur Radio Club met on August 28th.
- Anderson reported he is approximately three quarters of the way complete on the EOP rewrite.

The Committee Chairs gave their monthly reports:

- Finance chairman Scott Watts reported the Finance committee discussed the FY2026 budget and he is confident the committee will approve the budget next month. The committee also reviewed an ordinance for the disposal of County property.
- Management chairman Kathleen Perkinson reported the committee received a monthly maintenance report from Maintenance Supervisor Chris Drake. An update was given on the County Farm, and action was taken on fertilizer bids received. The committee reviewed and approved the request from Workforce Development to add termination language to their lease. The sound system quote for the boardroom was discussed and the committee agreed that 10 microphones would be sufficient. Perkinson received additional information from AreaWide Technologies regarding the audio and video components. Perkinson was also informed that microphones are available for purchase in a pack of 6 rather than 5. It was moved by Perkinson and seconded by Doug Geiger to move forward with the proposal from AreaWide Technologies in the amount of \$12,920.96 to include 12 microphones and the upgrade to the audio and video components. A roll call vote was taken. Motion carried.
- Highway chairman Charlie Alt reported the committee reviewed and approved the monthly claims. Updates were given on the Chapel Bridge agreement, vehicles purchased and the 2025-2026 snow plow agreements.
- Judicial chairman Jed Whitlow reported the committee received their monthly reports from the department heads. Whitlow stated he will be contacting the department heads about proposing a different time for the Judicial committee to meet due to lack of attendance.
- Tax/Planning & Zoning chairman Doug Geiger reported the committee took action on parcels sold to the City of Watseka and the Village of Papineau. Discussion was held on the status of the Louis Creek Solar application. The Commerce Street solar ZBA hearing is scheduled for September 23rd at 6:00 P.M. A text amendment for meteorological towers will also be discussed at the hearing. An update was also given on the flood plain ordinance violation.
- Health chairman Donna Crow reported Superintendent of Veterans Assistance Jennifer Ingram addressed the committee with questions she has regarding programs the Iroquois Mental Health Center is offering for Veterans and First Responders. The committee received monthly reports from ICPHD and Animal Control.

There were no Chairman comments.

Crow provided an update on rural transportation stating Iroquois County hosted the tri-county meeting on August 19th. The next meeting will be held in Livingston County on November 18th and there will be a regional meeting held via zoom on September 15th.

The committee reviewed the ordinance confirming standing committees of the County Board. County Board Chairman Paul Ducat noted the Tax committee will be combined with the Finance/I.T. committee and the Planning & Zoning committee will have their own committee. It was moved by Geiger and seconded by Perkinson to accept the Ordinance Confirming Standing Committees of the County Board. A roll call vote was taken. Motion carried.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee for review.

The committee reviewed the claims. It was moved by Whitlow and seconded by Geiger to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, Geiger referred to the I.T. monthly report prepared by AreaWide Technologies. There are currently 55 devices on Windows 10. Finance Manager Jill Johnson said Adam Sadorus with AreaWide Technologies is gathering information and contacting the department heads. Johnson also said she believes many of these devices are already scheduled for replacement.

Also during new business, Mitchell Bence reported he has been appointed to the East Central Community Action Agency Board and will be attending training on October 13th.

As there was no further business to come before the committee, it was moved by Crow and seconded by Watts to adjourn the meeting at 10:47 A.M. Motion carried by a voice vote. All of which is respectfully submitted.
