# STATE BOARD OF ELECTIONS
## STATE OF ILLINOIS

**EXECUTIVE DIRECTOR**
**Bernadette M. Matthews**

Dear Election Authority,

The State Board of Elections is collecting information on the voting equipment used within your jurisdiction pursuant to 10 ILCS 5/1-17 of the Illinois Election Code. In addition to providing this information to the SBE, each jurisdiction will be responsible for publishing their information online to meet the statutory requirements.

To aid you in completing this requirement, please fill out the table below. Please provide your current voting equipment information. Furthermore, please provide any perceived need for new equipment.

| Jurisdiction | Tabulator | # | Central Count | # | Ballot Marking Device | # | Age |
|---|---|---|---|---|---|---|---|
|  |  |  |  |  |  |  |  |
| Functionality of Equipment | | | | | | | |
|  |  |  |  |  |  |  |  |

| Status of Current Voting Equipment | Needs New Equipment | Estimated Cost, if applicable |
|---|---|---|
|  | Yes ☐   No ☐ |  |

If necessary, please provide a more in-depth report of your voting equipment on a word doc or PDF if there is not enough room in the above table. The submission of this fully completed form satisfies an election authority's 'formal letter' requirement under 10 ILCS 5/1-17(2).

"I, _____, do hereby certify that the information provided to the SBE on _____ (date) is a true and accurate account of all voting equipment used in _____ (Election Authority)."
