County Board, Recessed Session

April 14, A.D., 2026

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on April 6, 2026 at 9:00 A.M. Members present were Jamie Bakken, Donna Crow, Roger Bard and John Grant. Kathleen Perkinson was absent. Also present, County Board Chairman Paul Ducat, Finance Manager Jill Johnson, Maintenance Supervisor Chris Drake and Planning & Zoning Administrator Julie Feller.

The meeting was called to order.

It was moved by Donna Crow and seconded by Roger Bard to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Maintenance Supervisor Chris Drake's report included the following:

- Drake provided an update on the snow removal season stating 137 bags of salt were purchased and 53 part-time hours were worked. The total snow removal season costs were approximately \$3,000.
- Drake reported he resolved an issue with an overflowing wash bay in the Deputies garage. A door spring on the garage door was also repaired.
- The air handler in the basement of the jail shut itself off and was giving an error code. B&D Electric was able to troubleshoot the issue and determined there was a shorted wire. The matter has been temporarily fixed and will be properly repaired later this month.
- Air conditioning was enabled in the Courthouse and Drake will be filling up the cooling tower at the Administrative Building later this month.
- A new water meter was installed at the Administrative Building.
- Metro Power serviced the generator.
- The employee bathroom at the former headstart location experienced a blockage.
- Drake anticipates mowing to begin this month.
- Drake reported no standing water on the Grant Street properties due to the tile repair.

Management Chairman Jamie Bakken provided an update on the County Farm stating payment has been received from Walker Place for fertilizer and cash rent.

The committee reviewed the electricity supplier letter requesting bids and made revisions as follows:

- Remove two-year term from letter. A term will be determined based on the rate received.
- Proposals may be emailed or the vendor can attend the Management meeting rather than mailing them.

It was moved by John Grant and seconded by Crow to approve the changes to the electricity supplier letter and request bids for electricity. Motion carried by a voice vote. The request for bids will be published in the local newspapers, posted on the County website and sent to the vendor list.

The committee reviewed the 911/ETSB lease that will terminate on May 31, 2026. Finance Manager Jill Johnson explained the leases for other tenants were recently increased to \$14.06 per square foot and suggested the 911/ETSB lease be increased to the same amount. It was moved by Crow and seconded by Grant to renew the 911/ETSB lease for two years at

\$14.06 per square foot, totaling \$24,675.30 per year. A roll call vote was taken. Motion carried.

The committee reviewed the claims. Bakken requested Johnson to clarify the terms of the Conxxus contract as there seems to be a discrepancy. Johnson said she will research the matter further and provide an update. It was moved by Crow and seconded by Grant to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

Crow inquired about the Solid Waste Disposal Fund. Johnson reported the fund balance is \$17,418 based on the February trial balance. The balance of the certificate of deposit is \$249,653.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Bard and seconded by Crow to adjourn at 9:37 A.M. Motion carried.

All of which is respectfully submitted.

County Board, Recessed Session
April 14, A.D., 2026

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance/I.T./Tax** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on April 6, 2026 at 10:01 A.M. Members present were Jamie Bakken, Donna Crow and Jed Whitlow. Kathleen Perkinson and Charlie Alt were absent. Also present, Finance Manager Jill Johnson, Sheriff Clint Perzee, County Clerk Breein Suver, Treasurer Kurt Albers and Adam Sadorus with AreaWide Technologies.

The meeting was called to order.

It was moved by Donna Crow and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported via email that he has no updates to share with the committee. The cyber application for the renewal is not available at this time.

Suzie Werner with HomeStar Insurance Services reported that Prime hospitals are pulling out of the BlueCross BlueShield market as of June 1st. This will affect St. Mary's Hospital in Kankakee County. According to BlueCross Blue Shield, the providers associated with Prime are going to remain in-network and they are still in negotiations with the hospital.

Adam Sadorus with AreaWide Technologies reported he completed the server project at the Highway Department and will be moving on to another server project at the Administrative Building. Sadorus also reported an issue with the internet last Monday that has since been resolved. The primary internet failed once again on Tuesday but transitioned to the back-up internet that is in place with little to no issues. Sadorus said he believes we are in a good position with the current internet staying as it is. Finance Manager Jill Johnson added that this is the first time in quite a while that the back-up internet has been utilized. It was found that there was an invoicing issued with Conxxus and the service had been terminated. All invoices have been paid to date and the service was restored. Finance/I.T./Tax chairman Jamie Bakken reiterated if there is another issue with the primary internet, Conxxus is in place and should automatically connect. Johnson said she is not opposed to looking at other options for back-up internet, but the current contract will need to be reviewed. Lastly, an update was given on the sound system and microphones in the boardroom. The TV and speakers have been moved to a new location, and new rechargeable batteries have been ordered for the microphones.

The department heads gave their monthly reports. They are as follows:

- County Clerk Breein Suver reported statements of economic interest were mailed and are due in the County Clerk's Office on May 1st. 11 of 14 County Board members have not filed. Of the positions that were sent out, there were 1,253 positions and 1,026 actual statements of economic interest mailed this year. Suver also reported on the recent election and provided cumulative results

for the committee to review. Overall voter turnout was at 21.3% which was consistent with surrounding counties. The two referendum that were on the ballot, Crescent City Fire District bond question and the Village of Buckley sewer question, both passed. These will be considered new taxing ability for those districts. Suver discussed voter turnout and vote by mail ballots stating it was thought that when people applied for vote by mail ballots, this would encourage them to vote and there would be a much higher turnout. There was only a 55% turnout with vote by mail ballots. Suver said that while press releases are put out during the entire election cycle, she will be putting out additional press releases to encourage voting. Suver reported her office will also be focusing on election judges. The precinct committees will provide a list of judges to the County Board, and the County Board is responsible for filling the election judge positions from those lists. There will not be a Democrat precinct committee after the County convention on the 15th as no one ran for precinct committee. It will then be incumbent upon the County Clerk's Office to contact all the current Democrats to see if they are interested in serving as an election judge. There were 143 judges that worked in this last election and 185 positions to fill. Suver said she recently learned that in a primary election, the County Board is supposed to have passed an ordinance that allows there to be 3 judges in a polling place. Suver will be presenting this ordinance next month. Suver added that you cannot be an election judge if your name is on the ballot. She is also looking into combining precincts. Lastly, Suver reported that her office is working on tax extension. The tax comp reports are out to all the taxing bodies and due April 8th. Once extension is wrapped up, they will roll to the Treasurer's Office to get sample tax bills printed and checked. We appear to be on a good cycle for tax bills to go out in the time frame allowed by statute.

- Sheriff Clint Perzee presented his monthly report to the committee. Perzee said the Sheriff's Department will have three squads to sell which include a 2021 Chevrolet Tahoe and two 2017 Chevrolet Traverses. Dralle provided a quote of \$14,000 for the Tahoe, \$3,500 for the Dark Gray Traverse and \$6,000 for the Dark Blue Traverse totaling \$23,500. Perzee provided the disposal ordinance for the vehicles for action to be taken later in the meeting. Perzee also reported they will be looking for a newer vehicle to replace the third investigator squad to be paid from the money received from the aforementioned vehicles.
- Treasurer Kurt Albers reported mobile home tax bills have been mailed and are due the first Friday of May. Albers also reported he is working on the legal language on the back of the tax bills and changes on how payments are processed with the banks.
- Finance Manager Jill Johnson reported she continues to work on the FY2024 audit. Auditors were given access to our software to allow them to pull the information needed in a more timely manner. Johnson will begin to report on ARPA which is due at the end of April. Johnson closed out and sent final reports for the local tribal funds. Sexual Harassment Prevention training reminders will be sent out with payroll. Johnson offered to hold the training in the boardroom following a meeting if County Board members and other staff are interested. Johnson will begin working on the workbooks in preparation for

budget hearings and levy discussions. Johnson noted that from what has been provided from the Treasurer's Office, a lot of the tax revenues are coming in much lower than anticipated.

Suver presented a monthly resolution list with a parcel being sold in Sheldon. It was moved by Whitlow and seconded by Crow to approve the resolution for the sale of property acquired through the delinquent tax process. A roll call vote was taken. Motion carried.

Discussion and action on setting salaries for the County Clerk, County Treasurer and Sheriff was tabled.

The committee reviewed the ordinance authorizing the sale and/or disposal of certain property presented by Perzee. It was moved by Whitlow and seconded by Crow to approve the ordinance authorizing the sale and/or disposal of certain property in the amount of \$23,500. A roll call vote was taken. Motion carried.

During Finance Chairman comments, Bakken addressed the internet outage issue stating emails were circulated in regards to finding another back-up internet option. Bakken said she is tabling further discussion until next month to allow her to investigate the matter and do further research.

The committee reviewed the claims. It was moved by Crow and seconded by Whitlow to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Whitlow and seconded by Crow to adjourn at 10:42 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

IROQUOIS COUNTY

County Board, Recessed Session
April 14, A.D., 2026

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on April 7, 2026 at 9:00 A.M. Members present were Donna Crow, Jody Munsterman, Steve Huse, Chad McGinnis, Roger Bard and John Grant. Also present, County Board Chairman Paul Ducat, ICPHD Administrator Robin Allen, Animal Control Administrator Angela Frary, Amy Zabel with Iroquois Mental Health Center and Derek Crouse with Crouse Canine.

The meeting was called to order.

It was moved by Steve Huse and seconded by Roger Bard to approve the agenda. Motion carried by a voice vote.

There were no public comments.

During Agency Reports, Amy Zabel with Iroquois Mental Health Center shared new client numbers as follows: December – 59, January – 57, February – 69, March – 67, April – 2. Alice Hoskins has been hired as the new Clinical Director. Ms. Hoskins has a tremendous amount of experience of collaborating with other agencies and organizations with a specialty in child and adolescents. The First Responder and Veteran Wellness Fair and 5K is scheduled for May 30th at Legion Park in Watseka. Lastly, Zabel stated the Iroquois Mental Health Center recently hosted business after hours and reported a good turnout. Zabel also invited the committee to tour their building.

ICPHD Administrator Robin Allen distributed the monthly summary report of programs as follows.

- 12 temporary food inspections
- 21 water kits
- 63 tobacco compliance inspections
- 6 Radon kits were given
- 26 childhood immunizations. An after-hours clinic is scheduled for April 9th from 4:30 P.M. until 6:00 P.M.
- 6 animal bites
- 2 new tuberculosis cases were investigated
- 5 paternity screenings
- 2 Narcan trainings, 4 CPR trainings and a safe sitter class
- 64 vision and hearing screenings.
- 199 seniors on services. The senior social is scheduled for June.

Allen also reported ICPHD has received an amendment to their tobacco grant and has put out some surveys in the community to see if there are any outdoor spaces people believe should be non-smoking. The ICPHD Board meets tonight at 6:00 P.M.

Animal Control Administrator Angela Frary reported the deposit for March was \$2,430. Registration notices have been mailed. Animal Control received 49 calls last month. There is currently 1 dog, 1 cat and 3 kittens at the building and 2 dogs and 1 kitten in foster care.

Frery provided an update on the intergovernmental agreements that were mailed in January stating signed agreements have been received from Cissna Park, Gilman, Milford, Watseka and Wellington. Chebanse and Woodland will not be contracting. Frery spoke with the Mayor of Sheldon and offered further clarification. Health Chairman Donna Crow requested Frery email her a list of those that have not returned their agreements and Crow will be preparing a follow-up letter to be mailed.

Frery provided the Iroquois County Animal Control Adoption Contract to the committee for their review. The contract will accompany the Adoption Application which has already been approved by the committee. It was moved by Chad McGinnis and seconded by Huse to approve the Adoption Contract, pending approval from State's Attorney Mike Quinlan. Motion carried by a voice vote.

Discussion was held on the County ordinance for microchipping. The ordinance was approved at the March Health Committee meeting but was returned to the committee by the full board for further discussion. McGinnis stated he would like to see the statistics on microchipping. Frery explained the importance of microchipping and how it assists Animal Control with locating animal owners. Overall, it was agreed that Animal Control should promote microchipping, but it should not be regulatory. No further action was taken.

Frery reported she has been contacted by Dr. Laura Frazier regarding the University of Illinois providing services for the residents of Iroquois County. Frery distributed a sample contract for the committee to review and will get a finalized contract for approval.

Discussion and action on department policies was tabled until next month.

Sami Hubert has been hired as a kennel worker and Animal Control Officer. The salary for kennel work has been changed to \$35 per trip on kennel duty morning and night. Frery provided an update on the building maintenance stating work is almost complete and the epoxy floors are partially completed. Frery also reported that labor for the floors is being done at no cost. Once the building is complete, there are plans to host a rabies and microchipping open house event.

The committee reviewed the claims. It was moved by Bard and seconded by Huse to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, the committee was given a boarding agreement to review.

As there was no further business to come before the committee, it was moved by McGinnis and seconded by Huse to adjourn at 10:09 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

PLANNING & ZONING COMMITTEE

Mrs. Perkinson, Chairman of the Planning & Zoning Committee, gave the report of her committee. Mr. McGinnis informed the County Board of the recent actions with Will County.

A judge ordered the County to approve the 5 previously denied solar farm projects by April 17th. A County cannot reject solar projects that meet the State standard. Mr. McGinnis wanted on record that the County Board does not have the authority to deny any solar project that meets the State standards and is at the risk of contempt if a board member were to vote no. This also means the County Board does not have authority to approve. He mentioned that Will County is also being sued for not addressing concerns of citizens about the solar projects. Rights are being taken away, and he feels the State will go after other areas. He went onto say that if you don't vote in elections, your opinion doesn't really matter to him. It was moved by Mrs. Perkinson and seconded to approve the Planning and Zoning Committee report. The motion carried by a roll call vote.

County Board, Recessed Session
April 7, 2026

Mr. Chairman and Members of the County Board:

Your committee to whom it was referred **Planning & Zoning** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on April 7, 2026 at 10:20 A.M. Committee Members present were Chairman Kathleen Perkinson, Vice Chairman Jamie Bakken, Roger Bard, Steve Huse, Chad McGinnis and Jed Whitlow. Also present were Zoning Administrator Julie Feller, Zoning Chief Madeline Ussery, Andrew Keyt of Heyl Royster, County Board Chairman Paul Ducat and County Board members Donna Crow, John Grant and Jody Munsterman. Members of the public present were Jane Johnson with Friends of the Kankakee, Kenneth Baier, Taylor Canny from US Solar, Kira Ebert from State Representative Jason Bunting's Office, Maria Bries, Fox Suibel, Levin Carroll, Mark Brady from Soltage, Hanna London from Kimley Horn, Jeff Carroll and David Griscom from Allium Renewable Energy, and Gabriel Araiza and Buddy Howell from Recon Corp.

The meeting was called to order.

It was moved by Huse and seconded by Bard to approve the agenda. Motion carried by a voice vote.

During public comments, Jane Johnson with Friends of the Kankakee requested their organization be allowed to acquire tax sale properties within Willow Estates in order to convey them to the U.S. Fish and Wildlife Service for conservation purposes. Perkinson requested that

this matter be added to the agenda for the May meeting for further discussion. Taylor Canny with US Solar, Gabriel Araiza with Reactive, Jeffery Carrol with Louis Creek Solar and Mark Brady with Commerce Street Solar introduced themselves and stated they were available to answer questions on their pending application documents as needed. Derek Crouse asked if there was a plan in place if a natural disaster, such as the tornado in Aroma Park, were to demolish solar panels.

A motion to approve the claims was made by Whitlow and seconded by McGinnis. A roll call vote was taken; motion carried unanimously.

The Zoning Report was provided by Zoning Administrator Julie Feller. She informed the Committee that the Data Center Moratorium was approved by ZBA and provided the Committee with the proposed ordinance. Feller also informed the Committee that a meteorological tower application submitted by Geronimo Power was rejected as incomplete by the County's consulting engineer from Clark Dietz. She also reported that a resident inquired about a company with the name BLVD that is approaching landowners, but there is not a solicitor license on file for this company. Another company, Sustainable Strategies 2050, also has no solicitor license on file but has entered into lease agreements with landowners. Feller reported that she attended the drainage symposium at the Ford-Iroquois Farm Bureau in March and also attended a seminar regarding data centers. There continues to be proposed state legislation requiring easing of county ordinances pertaining to renewable energy projects. Finally, she reported that during March, there were 11 building permits and 1 solicitors license and a total of \$7,486 in fees were collected.

Andrew Kyte of Heyl Royster joined the meeting to provide counsel on review of renewable energy applications and related matters. He noted that Scott Drabecki from Clark Dietz had reviewed all the applications to determine whether all required information was provided by the applicant and to opine on whether the application was ready to approve by the Committee or move forward to either the ZBA for public hearing or County Board for approval.

The USS Woolly Solar LLC application for a Conditional Use Permit to construct and operate a commercial solar energy facility of approximately 4.32 MW with battery storage on 47 acres on PIN 03-34-300-008 near Clifton was reviewed for completeness. Kyte noted the only item missing is the consultation with the State Historic Preservation Office which is to be submitted prior to the public hearing. In addition, variances for timing of the interconnect agreement and for installation of a living buffer are being requested by applicant. Motion was made by Bakken to deem the application complete and ready for ZBA public hearing; McGinnis seconded. A roll call vote was taken; motion carried unanimously.

The CF IL Solar N 2200 East Road Martinton LLC application for a Conditional Use Permit to construct and operate a commercial solar energy facility of approximately 1.3 MW with battery storage on 10 acres on PIN 05-34-100-003 was reviewed for completeness. Kyte noted the only open item is an architectural impact analysis requested by the State Historic Preservation Office which is to be completed prior to the public hearing. Motion was made by Bakken to deem the application complete and ready for ZBA public hearing; McGinnis seconded. A roll call vote was taken; motion carried unanimously.

The RDL IL North LLC application for a Conditional Use Permit to construct and operate a commercial solar energy facility of approximately 2.85 MW on 20.72 acres on PIN 19-34-401-001 was reviewed for completeness. Kyte reported there are deficiencies in the

application that should preclude the committee from deeming the application complete. No action was taken.

The Commerce Street Solar LLC Decommissioning Agreement required prior to building permit approval was reviewed and discussed. Kyte stated the agreement calls for a letter of credit in the amount of 100% of decommissioning cost, without adjustment for salvage value, upon issuance of building permit, which is more generous than the phased-in financial assurances required by statute. Motion was made by Whitlow to approve the Decommissioning Agreement subject to full County Board approval; Bakken seconded. A roll call vote was taken; motion carried unanimously.

The Commerce Street Solar LLC Landscape Management Plan required prior to building permit approval was reviewed and discussed. The committee agreed the plan provided adequate screening and substantially complies with requirements. Bakken moved to approve the Landscape Management Plan subject to full County Board approval; Whitlow seconded. A roll call vote was taken; motion carried unanimously.

The Commerce Street Solar LLC building permit issuance was reviewed and discussed. Keyt provided the committee with a list of building permit requirements that must be met before the permit is approved. Once the aforementioned Decommissioning Agreement and Landscape Management Plan are approved by the County Board, and all third party expenses are paid by applicant, he recommended the building permit application be approved by the Committee. McGinnis moved to approve issuance of a Building Permit to Commerce Street Solar LLC subject to County Board approval of the Decommissioning Agreement and Landscape Management Plan and payment of all third-party expenses by applicant; Bard seconded. A roll call vote was taken with Bakken, Bard, McGinnis, Whitlow and Perkinson voting Aye and Huse voting Nay; motion carried.

The Louis Creek Solar LLC Vegetation Management and Screening Plan was reviewed and discussed. The applicant stated the plan was developed with input from neighboring property owners. The committee agreed the plan provided adequate screening and substantially complies with requirements. McGinnis moved to approve the Vegetation Management and Screening Plan Landscape Management Plan; Bakken seconded. A roll call vote was taken; motion carried unanimously.

The Zoning Board of Appeals recommendation to approve a temporary moratorium on data centers and warehouse developments to provide time to evaluate impacts on the electrical grid, water usage and other environmental concerns, and to update County ordinances accordingly, was reviewed and discussed. Bakken moved to approve the Temporary Moratorium subject to County Board approval; McGinnis seconded. A roll call vote was taken; motion carried unanimously.

Mr. Keyt reported that updates will be necessary to bring the County's ordinances for wind, solar and battery storage in compliance with the Illinois Clean Reliable Grid Affordability Act legislation passed in October. He explained that changes to the wind and solar ordinances will be isolated to specific provisions; however, the battery storage ordinance will require significant revamping. A working group will be established to complete this project as close to the June 1, 2026 effective date of the legislation as possible.

During Chairman comments, Perkinson thanked everyone for their time, patience and effort to review and evaluate the numerous applications to keep them moving through the process. She also stated that going forward, workshop sessions may be scheduled to provide

opportunity for committee members and the public to review application materials in greater detail.

There was no old business.

During new business, McGinnis mentioned that Will County recently denied a solar application and the company withdrew its application.

As there was no further business to come before the committee, it was moved by Bakken and seconded by McGinnis to adjourn at 11:33 AM. Motion was carried by a voice vote.

All of which is respectfully submitted.

Your Committee met at the Courthouse on April 8, 2026 at 3:00 P.M. Members present were Jed Whitlow, Raymond Williams and Lyle Behrends, Mitchell Bence and Chad McGinnis were absent. Also present, Sheriff Clint Perzee, Coroner Bill Cheatum and State's Attorney Mike Quinlan.

The meeting was called to order.

It was moved by Lyle Behrends and seconded by Raymond Williams to approve the agenda. Motion carried by a voice vote.

There were no public comments.

The committee reviewed the proclamation presented declaring April 2026 as Child Abuse Prevention Month. It was moved by Williams and seconded by Behrends to approve the proclamation declaring April 2026 as Child Abuse Prevention Month. Motion carried by a voice vote.

Sheriff Clint Perzee presented his monthly report to the committee as follows:

- All Iroquois County Sheriff's Department staff have completed the mandated CPR, AED, Narcan, Epi and First Aid training. Training was provided by ICPHD Nurse Beth Keller.
- The Sheriff's Department is conducting an inventory of issued equipment to assess what items we have and what is needed to equip each patrol vehicle the same. The goal is to be more organized with the equipment.
- There may be an opportunity for the department to receive additional PBT's (portable breath testers) on loan from the state from their stock of equipment. This will allow each squad to have one.
- Perzee reported they are getting closer to having a re-entry counselor position from the Iroquois Mental Health Center to work one-on-one with the inmates taking part in the STARR program in the Jail and prior to their release from jail.

Coroner Bill Cheatum reported he is utilizing a new vendor, Forensic Fluids. Cheatum anticipates saving money on the autopsy line item by utilizing their services.

The committee reviewed the Probation & Court Services activity report for March.

State's Attorney Mike Quinlan reported no updates in his department.

The committee reviewed Circuit Clerk Lisa Hines monthly report for March.

The committee reviewed the monthly ETSB report.

The committee reviewed the claims. It was moved by Behrends and seconded by Williams to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried.

County Board, Recessed Session
April 14, A.D., 2026

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your Committee met at the Iroquois County Highway Building on April 9, 2026 at 9:00 A.M. Members present were Charlie Alt, Jamie Bakken, Raymond Williams, Steve Huse and Jody Munsterman. Mitchell Bence was absent. Also present, County Engineer Alan Harwood and Daniel Ribbe with Daniel Ribbe Trucking.

The meeting was called to order.

County Engineer Alan Harwood announced the closing of bids for the CM6/10 Spreader Box at 9:00 A.M. for action to be determined later in the meeting.

It was moved by Jody Munsterman and seconded by Jamie Bakken to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Harwood opened bids for the Iroquois County CM6/10 (Spreader Box) (04) as follows:

- Daniel Ribbe Trucking - \$438,717.60

Daniel Ribbe of Daniel Ribbe Trucking addressed the committee regarding availability of materials stating the materials may have to come from multiple locations. Harwood stated this is not an issue if the locations are state approved. The committee discussed the high cost of the bid and what action should be taken. Harwood said he had planned an original completion date of mid-August but has extended the date to September 1st. It was moved by Steve Huse and seconded by Raymond Williams to reject the bid from Daniel Ribbe Trucking for Iroquois County CM6/10 (Spreader Box) (04). A roll call vote was taken. Motion carried.

The claims and financial reports for the month were reviewed. It was moved by Jamie Bakken and seconded by Huse to approve the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

During new business, Harwood presented a resolution for County Matching Tax Funds in the amount of \$12,000. Harwood explained that the resolution is to cover the County's portion that exceeds the not to exceed federal and state portions. It was moved by Bakken and seconded by Williams to approve the resolution for County Match Funds to pay the balance of 17-00234-00-BR in the amount of \$12,000. A roll call vote was taken. Motion carried.

Also during new business, Harwood reported a letter was received from Hutchison Engineering inquiring about our interest in a safety study and applying for HSIP (Highway Safety Improvement Program) funds. The deadline to apply is in June. There are two areas Harwood said he'd be interested in conducting a safety study. There is a bridge on 700 E Rd, North of 116 and Bayles Lake. The County would be responsible for the cost of the safety study and then apply for HSIP funds for the recommended project or projects. No action is required by the committee at this time.

There was no old business.

As there was no further business to come before the committee, it was moved by Huse and seconded by Munsterman to adjourn the meeting at 9:35 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

STATE OF ILLINOIS IROQUOIS COUNTY

County Board, Recessed Session
April 14, A.D., 2026

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on April 9, 2026 at 10:04 A.M. Members present were County Board Chairman Paul Ducat, Jamie Bakken, Donna Crow and Charlie Alt. Kathleen Perkinson and Jed Whitlow were absent. Also present, Finance Manager Jill Johnson, County Clerk Breein Suver, Treasurer Kurt Albers, Chief Deputy Treasurer Kallie Riddle, State's Attorney Mike Quinlan, Planning & Zoning Administrator Julie Feller, County Engineer Alan Harwood, ETS Director Eric Raymond, EMA Director Scott Anderson and Kira Ebert with State Representative Jason Bunting's Office.

The meeting was called to order.

It was moved by Donna Crow and seconded by Jamie Bakken to amend the agenda to enter into executive session following public comments. Motion carried by a voice vote.

It was moved by Crow and seconded by Charlie Alt to approve the amended agenda. Motion carried by a voice vote.

There were no public comments.

It was moved by Alt and seconded by Crow to enter into executive session at 10:05 A.M. under 5 ILCS 120/2/c/11: Litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public body finds that an action is probable or imminent, in which case the basis for the finding shall be recorded and entered into the minutes of the closed meeting. Motion carried by a voice vote.

It was moved by Crow and seconded by Bakken to come out of executive session at 10:45 A.M. Motion carried by a voice vote.

It was moved by Crow and seconded by Bakken to call the meeting back to order at 10:47 A.M. Motion carried by a voice vote.

Treasurer Kurt Albers provided the committee with a sample Generative Artificial Intelligence Policy for their review and action to be taken at a later date.

Treasurer Kurt Albers reported that Chief Deputy Treasurer Kallie Riddle is working on reconciling the March bank statements and anticipates having them done by Tuesday's board meeting.

ICPHD Administrator Robin Allen informed the committee that they attempted to submit 3rd quarter billing on their grants and were unable to do so because the County has been placed on the stop payment list due to failure to submit fiscal year 2024 and 2025 audit reports. As of April 23rd, the entire County will be placed on the stop payment list which means the State of Illinois cannot disburse any funds. Allen added that if ICPHD can't submit their 3rd quarter grants, they will lose more than \$79,000. The deadline to comply is April 30th. Allen provided the committee with a copy of the letter received from the Illinois Department of Public Health (IDPH) and the breakdown of ICPHD grants. Additionally, ICPHD cannot apply for new grants until the County has been removed from the stop payment list. Finance Manager Jill Johnson stated she has been in contact with IDPH and provided them with contact information for Clifton Larson Allen. Johnson also reached out to Clifton Larson Allen and they are in the process of drafting a formal letter to IDPH. Crow stated she attended the recent Board of Health meeting, and it was reported that the Respiratory Surveillance & Outbreak Response Program and the Illinois Vaccine Access Program are ending on June 30th and will not be renewed. Also, Strengthening Illinois Public Health Administration (SIPA) ends in 2027 and will not be renewed.

EMA Director Scott Anderson's provided his monthly EMA report to the committee as follows:

- Incidents include an EF-3 tornado on March 10th that did extensive damage in Kankakee and Aroma Park. Kankakee County EMA requested assistance from Anderson and Deputy Director Danny Neal. The County buildings experienced an internet outage on March 30th and 31st due to a cut fiber optic cable.
- Anderson has received the approved requirements from IEMA regarding the EOP updates and Anderson will not need to make any major changes to the document that has already been completed. The submission window was extended, and the final document will not need to be finished for another year.
- The Illinois Emergency Management Mutual Aid Association agreement and resolution were filed within the IEMAS office, and we are not current with their requirements.
- Anderson has begun talks with the Illinois Search and Rescue Council and will coordinate efforts with them to get this team up and running.
- Anderson reported we are in the final month of the HyperReach contract and have currently signed up over 500 subscribers to the Regroup platform.
- The Iroquois County Amateur Radio Club did not meet in March. Anderson attended the MABAS meeting in Crescent City on March 25th.
- Anderson will attend the Illinois Emergency Services Management Agency conference in Springfield next week. On April 16th, Anderson will be sworn in as the IESMA Region 7 Vice President.
- An article Anderson wrote entitled *Understanding the Role of Your County Emergency Management Agency* will be published in the Times Republic.

The Committee Chairs gave their monthly reports:

- Planning & Zoning Vice Chairman Jamie Bakken reported the committee deemed applications complete for USS Woolly Solar LLC and CF IL Solar. The committee approved Commerce Street LLC's landscape management plan and Louis Creek Solar LLC's vegetation management and screening plan. The committee also approved a temporary moratorium on data centers and warehouse plan development.
- Bakken reported the Management Committee received the monthly maintenance report. The committee will be requesting bids from electricity vendors. The 911 lease was renewed for 2 years at \$14.06 per square foot.
- Bakken reported the Finance/I.T./Tax Committee received updates from insurance providers and AreaWide. The committee also received an update on the internet outage. Reports were received from department heads. The committee approved a resolution for the sale of a parcel through the delinquent tax process and approved the ordinance for the sale of vehicles for the Sheriff's Department. ARPA reporting is due April 30th and all funds must be spent by December 31st. Johnson will be organizing a sexual harassment prevention training for after the board meeting. Action on setting salaries for elected officials was tabled.
- Highway Chairman Charlie Alt reported the committee received one bid for the spreader box. The bid was rejected. The committee approved a resolution in the amount of \$12,000 for County Match Funds to pay the balance of 17-00234-00-BR.

- Health Chairman Donna Crow reported the committee received reports from Iroquois Mental Health Center, ICPHD and Animal Control. The committee received updates on the Animal Control intergovernmental agreements and approved the adoption contract. The microchipping ordinance failed. The committee reviewed a shelter medicine agreement from the University of Illinois. State's Attorney Mike Quinlan has approved the sample contract. The committee will review the boarding contract with action to be taken next month.

Crow provided an update on rural transportation stating discussions with Iroquois Memorial Hospital have been discontinued and the County has pursued a contract with Future's.

Appointments will be made at the County Board meeting.

Correspondence was distributed to the committee for review.

The committee reviewed the claims. Planning & Zoning Administrator Julie Feller submitted an additional claim for payment. It was moved by Bakken and seconded by Crow to pay the claims, including the additional Planning & Zoning claim, subject to County Board approval. A roll call vote was taken. Motion carried.

During old business, Anderson presented and reviewed the Iroquois County Solid Waste Management Plan update for 2026. The County has the ability to open a facility and generate income. Anderson's updated plan should satisfy state requirements. Anderson added that he would like to be compensated accordingly for his time in preparing the document. County Clerk Breein Suver noted that we are past the deadline for submission and the updated plan needs to be submitted to the EPA as soon as possible. No further action is required at this time and the plan will be submitted.

Also during old business, Anderson stated he developed a business plan for the Friends of Iroquois County, a 501 c3 not-for-profit corporation and would like the committee's approval. The matter is tabled until next month.

During new business, Suver reported she will be presenting a resolution next month to change the date of the December board meeting from December 8th to December 15th. Suver explained that the County Board will need to call a special organizational session on December 7th and new County Board members will be sworn in. Committee meetings will be held December 7th through December 11th, and the County Board meeting will be held December 15th.

As there was no further business to come before the committee, it was moved by Bakken and seconded by Crow to adjourn the meeting at 11:57 A.M. Motion carried by a voice vote. All of which is respectfully submitted.

NEW BUSINESS

Chairman Ducat said that it was brought to his attention that it is also Telecommunicators Appreciation week.

ADJOURNMENT

As there was no further business to come before the Board, it was moved by Mrs. Bakken and seconded to adjourn the meeting at 10:53 A.M. The motion carried by a voice vote. The next County Board meeting will be held in Watseka, IL on Tuesday May 12, 2026 at 9:00A.M.
